constructed in substantial conformity with the plans and specifications (including any amendments thereof, or changes and variations therein, which have been approved in writing by the Secretary of Housing and Urban Development) on which the Secretary of Housing and Urban Development based his valuation of the dwelling: *Provided*, That the Secretary of Housing and Urban Development shall deliver to the builder, seller, or other warrantor his written approval (which shall be conclusive evidence of such approval) of any amendment of, or change or variation in, such plans and specifications which the Secretary deems to be a substantial amendment thereof, or change or variation therein, and shall file a copy of such written approval with such plans and specifications: *Provided further*, That such warranty shall apply only with respect to such instances of substantial non-conformity to such approved plans and specifications (including any amendments thereof, or changes or variations therein, which have been approved in writing, as provided herein, by the Secretary of Housing and Urban Development) as to which the purchaser or homeowner has given written notice to the warrantor within one year from the date of conveyance of title to, or initial occupancy of, the dwelling, whichever first occurs: *Provided further*, That such warranty shall be in addition to, and not in derogation of, all other rights and privileges which such purchaser or owner may have under any other law or instrument: *And provided further*, That the provisions of this section shall apply to any such property covered by a mortgage insured by the Secretary of Housing and Urban Development on and after October 1, 1954, unless such mortgage is insured pursuant to a commitment therefor made prior to October 1, 1954.

(b) Availability of plans and specifications

The Secretary of Housing and Urban Development is further directed to permit copies of the plans and specifications (including written approvals of any amendments thereof, or changes or variations therein, as provided herein) for dwellings in connection with which warranties are required by subsection (a) of this section to be made available in their appropriate local offices for inspection or for copying by any purchaser, homeowner, or warrantor during such hours or periods of time as the said Secretary may determine to be reasonable.

§ 1701j-2. National Institute of Building Sciences

(a) Congressional findings and declaration of purpose

(1) The Congress finds (A) that the lack of an authoritative national source to make findings and to advise both the public and private sectors of the economy with respect to the use of building science and technology in achieving nationally acceptable standards and other technical provision for use in Federal, State, and local housing and building regulations is an obstacle to efforts by and imposes severe burdens upon all those who procure, design, construct, use, operate, maintain, and retire physical facilities, and frequently results in the failure to take full advantage of new and useful developments in technology which could improve our living environment; (B) that the establishment of model buildings codes or of a single national building code will not completely resolve the problem because of the difficulty at all levels of government in updating their housing and building regulations to reflect new developments in technology, as well as the irregularities and inconsistencies which arise in applying such requirements to particular localities or special local conditions; (C) that the lack of uniform housing and building regulatory provisions increases the costs of construction and thereby reduces the amount of housing and other community facilities which can be provided; and (D) that the existence of a single authoritative nationally recognized institution to provide for the evaluation of new technology could facilitate introduction of such innovations and their acceptance at the Federal, State, and local levels.

(2) The Congress further finds, however, that while an authoritative source of technical findings is needed, various private organizations and institutions, private industry, labor, and Federal and other governmental agencies and entities are presently engaged in building research, technology development, testing, and evaluation, standards and model code development and promulgation, and information dissemination. These existing activities should be encouraged and these capabilities effectively utilized wherever possible and appropriate to the purposes of this section.

(3) The Congress declares that an authoritative nongovernmental instrument needs to be created to address the problems and issues described in paragraph (1), that the creation of

such an instrument should be initiated by the Government, with the advice and assistance of the National Academy of Sciences-National Academy of Engineering-National Research Council (hereinafter referred to as the “Academies-Research Council”) and of the various sectors of the building community, including labor and management, technical experts in building science and technology, and the various levels of government.

(b) Establishment; advice and assistance of Academies-Research Council and other agencies and organizations knowledgeable in building technology

(1) There is authorized to be established, for the purposes described in subsection (a)(3), an appropriate nonprofit, nongovernmental instrument to be known as the National Institute of Building Sciences (hereinafter referred to as the “Institute”), which shall not be an agency or establishment of the United States Government. The Institute shall be subject to the provisions of this section and, to the extent consistent with this section, to a charter of the Congress if such a charter is requested and issued or to the District of Columbia Nonprofit Corporation Act if that is deemed preferable.

(2) The Academies-Research Council, along with other agencies and organizations which are knowledgeable in the field of building technology, shall advise and assist in (A) the establishment of the Institute; (B) the development of an organizational framework to encourage and provide for the maximum feasible participation of public and private scientific, technical, and financial organizations, institutions, and agencies now engaged in activities pertinent to the development, promulgation, and maintenance of performance criteria, standards, and other technical provisions for building codes and other regulations; and (C) the promulgation of appropriate organizational rules and procedures including those for the selection and operation of a technical staff, such rules and procedures to be based upon the primary object of promoting the public interest and insuring that the widest possible variety of interests and experience essential to the functions of the Institute are represented in the Institute’s operations. Recommendations of the Academies-Research Council shall be based upon consultations with and recommendations from various private organizations and institutions, labor, private industry, and governmental agencies entities operating in the field, and the Consultative Council as provided for under subsection (c)(8).

(3) Nothing in this section shall be construed as expressing the intent of the Congress that the Academies-Research Council itself be required to assume any function or operation vested in the Institute by or under this section.

(c) Board of Directors; number; appointment; membership; terms of office; vacancies; appointment, etc., of Chairman and Vice Chairman; employees of United States; travel and subsistence expenses; appointment and compensation of president and other executive officers and employees; establishment, membership, and functions of Consultative Council

(1) The Institute shall have a Board of Directors (hereinafter referred to as the “Board”) consisting of not less than fifteen nor more than twenty-one members, appointed by the President of the United States by and with the advice and consent of the Senate. The Board shall be representative of the various segments of the building community, of the various regions of the country, and of the consumers who are or would be affected by actions taken in the exercise of the functions and responsibilities of the Institute, and shall include (A) representatives of the construction industry, including representatives of construction labor organizations, product manufacturers, and builders, housing management experts, and experts in building standards, codes, and fire safety, and (B) members representative of the public interest in such numbers as may be necessary to assure that a majority of the members of the Board represent the public interest and that there is adequate consideration by the Institute of consumer interests in the exercise of its functions and responsibilities. Those representing the public interest on the Board shall include architects, professional engineers, officials of Federal, State, and local agencies, and representatives of consumer organizations. Such members of the Board shall hold no financial interest or membership in, nor be employed by, or receive other compensation from, any company, association, or other group associated with the manufacture, distribution, installation, or maintenance of specialized building products, equipment, systems, subsystems, or other construction materials and techniques for which there are available substitutes.

(2) The members of the initial Board shall serve as incorporators and shall take whatever actions are necessary to establish the Institute as provided for under subsection (b)(1).

(3) The term of office of each member of the initial and succeeding Boards shall be three years; except that (A) any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term; and (B) the terms of office of members first taking office shall begin on the date of incorporation and shall expire, as designated at the time of their appointment, one-third at the end of one year, one-third at the end of two years, and one-third at the end of three years. No member shall be eligible to serve in excess of three consecutive terms of three years each. Notwithstanding the preceding provisions of this subsection, a member whose term has expired may serve until his successor has qualified.

(4) Any vacancy in the initial and succeeding Boards shall not affect its power, but shall be filled in the manner in which the original ap-

pointments were made, or, after the first five years of operation, as provided for by the organizational rules and procedures of the Institute; except that, notwithstanding any such rules and procedures as may be adopted by the Institute, the President of the United States, by and with the advice and consent of the Senate, shall appoint, as representative of the public interest, two of the members of the Board of Directors selected each year for terms commencing in that year.

(5) The President shall designate one of the members appointed to the initial Board as Chairman; thereafter, the members of the initial and succeeding Boards shall annually elect one of their number as Chairman. The members of the Board shall also elect one or more of their Members as Vice Chairman. Terms of the Chairman and Vice Chairman shall be for one year and no individual shall serve as Chairman or Vice Chairman for more than two consecutive terms.

(6) The members of the initial or succeeding Boards shall not, by reason of such membership, be deemed to be employees of the United States Government. They shall, while attending meetings of the Board or while engaged in duties related to such meetings or in other activities of the Board pursuant to this section, be entitled to receive compensation at the rate of \$100 per day including traveltime, and while away from their homes or regular places of business they may be allowed travel expenses, including per diem in lieu of subsistence, equal to that authorized under section 5703 of title 5, for persons in the Government service employed intermittently.

(7) The Institute shall have a president and such other executive officers and employees as may be appointed by the Board at rates of compensation fixed by the Board. No such executive officer or employee may receive any salary or other compensation from any source other than the Institute during the period of his employment by the Institute.

(8) The Institute shall establish, with the advice and assistance of the Academies-Research Council and other agencies and organizations which are knowledgeable in the field of building technology, a Consultative Council, membership in which shall be available to representatives of all appropriate private trade, professional, and labor organizations, private and public standards, code, and testing bodies, public regulatory agencies, and consumer groups, so as to insure a direct line of communication between such groups and the Institute and a vehicle for representative hearings on matters before the Institute.

(d) Financial restrictions and prohibitions

(1) The Institute shall have no power to issue any shares of stock, or to declare or pay any dividends.

(2) No part of the income or assets of the Institute shall inure to the benefit of any director, officer, employee, or other individual except as salary or reasonable compensation for services.

(a) Definitions

For the purpose of this section—

(1) the term “due-on-sale clause” means a contract provision which authorizes a lender, at its option, to declare due and payable sums secured by the lender’s security instrument if all or any part of the property, or an interest therein, securing the real property loan is sold or transferred without the lender’s prior written consent;

(2) the term “lender” means a person or government agency making a real property loan or any assignee or transferee, in whole or in part, of such a person or agency;

(3) the term “real property loan” means a loan, mortgage, advance, or credit sale secured by a lien on real property, the stock allocated to a dwelling unit in a cooperative housing corporation, or a residential manufactured home, whether real or personal property; and

(b) Loan contract and terms governing execution or enforcement of due-on-sale options and rights and remedies of lenders and borrowers; assumptions of loan rates

(1) Notwithstanding any provision of the constitution or laws (including the judicial decisions) of any State to the contrary, a lender may, subject to subsection (c), enter into or enforce a contract containing a due-on-sale clause with respect to a real property loan.

(2) Except as otherwise provided in subsection (d), the exercise by the lender of its option pursuant to such a clause shall be exclusively governed by the terms of the loan contract, and all rights and remedies of the lender and the borrower shall be fixed and governed by the contract.

(3) In the exercise of its option under a due-on-sale clause, a lender is encouraged to permit an assumption of a real property loan at the existing contract rate or at a rate which is at or below the average between the contract and market rates, and nothing in this section shall be interpreted to prohibit any such assumption.

(c) State prohibitions applicable for prescribed period; subsection (b) provisions applicable upon expiration of such period; loans subject to State and Federal regulation or subsection (b) provisions when authorized by State laws or Federal regulations

(1) In the case of a contract involving a real property loan which was made or assumed, including a transfer of the lien property subject to the real property loan, during the period beginning on the date a State adopted a constitutional provision or statute prohibiting the exercise of due-on-sale clauses, or the date on which the highest court of such State has rendered a decision (or if the highest court has not so decided, the date on which the next highest appellate court has rendered a decision resulting in a final judgment if such decision applies State-wide) prohibiting such exercise, and ending on October 15, 1982, the provisions of subsection (b) shall apply only in the case of a transfer which occurs on or after the expiration of 3 years after October 15, 1982, except that—

(2)(A) For any contract to which subsection (b) does not apply pursuant to this subsection, a lender may require any successor or transferee of the borrower to meet customary credit standards applied to loans secured by similar property, and the lender may declare the loan due and payable pursuant to the terms of the contract upon transfer to any successor or transferee of the borrower who fails to meet such customary credit standards.

(B) A lender may not exercise its option pursuant to a due-on-sale clause in the case of a transfer of a real property loan which is subject to this subsection where the transfer occurred prior to October 15, 1982.

§ 1701q. Supportive housing for the elderly

(a) Purpose

The purpose of this section is to enable elderly persons to live with dignity and independence by expanding the supply of supportive housing that—

(1) is designed to accommodate the special needs of elderly persons; and

(2) provides a range of services that are tailored to the needs of elderly persons occupying such housing.

(b) General authority

The Secretary is authorized to provide assistance to private nonprofit organizations and consumer cooperatives to expand the supply of supportive housing for the elderly. Such assistance shall be provided as (1) capital advances in accordance with subsection (c)(1), and (2) contracts for project rental assistance in accordance with subsection (c)(2). Such assistance may be used to finance the construction, reconstruction, or moderate or substantial rehabilitation of a structure or a portion of a structure, or the acquisition of a structure, to be used as supportive housing for the elderly in accordance with this section. Assistance may also cover the cost of real property acquisition, site improvement, conversion, demolition, relocation, and other expenses that the Secretary determines are necessary to expand the supply of supportive housing for the elderly.

(c) Forms of assistance

(1) Capital advances

A capital advance provided under this section shall bear no interest and its repayment shall not be required so long as the housing remains available for very low-income elderly persons in accordance with this section. Such advance shall be in an amount calculated in accordance with the development cost limitation established in subsection (h).

(2) Project rental assistance

Contracts for project rental assistance shall obligate the Secretary to make monthly payments to cover any part of the costs attributed to units occupied (or, as approved by the Secretary, held for occupancy) by very low-income elderly persons that is not met from project income. The annual contract amount for any project shall not exceed the sum of the initial annual project rentals for all units so occupied and any initial utility allowances for such units, as approved by the Secretary. Any contract amounts not used by a project in any year shall remain available to the project until the expiration of the contract. The Secretary may adjust the annual contract amount if the sum of the project income and the amount of assistance payments available under this paragraph are inadequate to provide for reasonable project costs.

(3) Tenant rent contribution

A very low-income person shall pay as rent for a dwelling unit assisted under this section the highest of the following amounts, rounded to the nearest dollar: (A) 30 percent of the person's adjusted monthly income, (B) 10 percent of the person's monthly income, or (C) if the person is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the person's actual housing costs, is specifically designated by such agency to meet the person's housing costs, the portion of such payments which is so designated.

(d) Term of commitment

(1) Use limitations

All units in housing assisted under this section shall be made available for occupancy by

very low-income elderly persons for not less than 40 years.

(2) Contract terms

The initial term of a contract entered into under subsection (c)(2) shall be 240 months. The Secretary shall, to the extent approved in appropriation Acts, extend any expiring contract for a term of not less than 60 months. In order to facilitate the orderly extension of expiring contracts, the Secretary is authorized to make commitments to extend expiring contracts during the year prior to the date of expiration.

(e) Applications

Funds made available under this section shall be allocated by the Secretary among approvable applications submitted by private nonprofit organizations. Applications for assistance under this section shall be submitted by an applicant in such form and in accordance with such procedures as the Secretary shall establish. Such applications shall contain—

- (1) a description of the proposed housing;
- (2) a description of the assistance the applicant seeks under this section;
- (3) a description of the resources that are expected to be made available in compliance with subsection (h);
- (4) a description of (A) the category or categories of elderly persons the housing is intended to serve; (B) the supportive services, if any, to be provided to the persons occupying such housing; (C) the manner in which such services will be provided to such persons, including, in the case of frail elderly persons, evidence of such residential supervision as the Secretary determines is necessary to facilitate the adequate provision of such services; and (D) the public or private sources of assistance that can reasonably be expected to fund or provide such services;
- (5) a certification from the public official responsible for submitting a housing strategy for the jurisdiction to be served in accordance with section 12705 of title 42 that the proposed project is consistent with the approved housing strategy; and
- (6) such other information or certifications that the Secretary determines to be necessary or appropriate to achieve the purposes of this section.

The Secretary shall not reject an application on technical grounds without giving notice of that rejection and the basis therefor to the applicant and affording the applicant an opportunity to respond.

(f) Initial selection criteria and processing

(1) Selection criteria

The Secretary shall establish selection criteria for assistance under this section, which shall include—

- (A) the ability of the applicant to develop and operate the proposed housing;
- (B) the need for supportive housing for the elderly in the area to be served, taking into consideration the availability of public housing for the elderly and vacancy rates in such facilities;

(C) the extent to which the proposed size and unit mix of the housing will enable the applicant to manage and operate the housing efficiently and ensure that the provision of supportive services will be accomplished in an economical fashion;

(D) the extent to which the proposed design of the housing will meet the special physical needs of elderly persons;

(E) the extent to which the applicant has demonstrated that the supportive services identified in subsection (e)(4) will be provided on a consistent, long-term basis;

(F) the extent to which the applicant has ensured that a service coordinator will be employed or otherwise retained for the housing, who has the managerial capacity and responsibility for carrying out the actions described in subparagraphs (A) and (B) of subsection (g)(2);

(G) the extent to which the proposed design of the housing will accommodate the provision of supportive services that are expected to be needed, either initially or over the useful life of the housing, by the category or categories of elderly persons the housing is intended to serve; and

(H) such other factors as the Secretary determines to be appropriate to ensure that funds made available under this section are used effectively.

(2) Delegated processing

(A) The Secretary shall establish procedures to delegate the award, review and processing of projects, selected by the Secretary in a national competition, to a State or local housing agency that—

- (i) is in geographic proximity to the property;
- (ii) has demonstrated experience in and capacity for underwriting multifamily housing loans that provide housing and supportive services;
- (iii) may or may not be providing low-income housing tax credits in combination with the funding under this section; and
- (iv) agrees to issue a firm commitment within 12 months of delegation.

(B) The Secretary shall retain the authority to process funding under this section in cases in which no State or local housing agency has applied to provide delegated processing pursuant to this paragraph or no such agency has entered into an agreement with the Secretary to serve as a delegated processing agency.

(C) The Secretary shall develop a schedule for reasonable fees under this subparagraph to be paid to delegated processing agencies, which shall take into consideration any other fees to be paid to the agency for other funding provided to the project by the agency, including bonds, tax credits, and other gap funding.

(D) Assistance under subsection (c)(2) may be provided for projects which identify in the application for assistance a defined health and other supportive services program including sources of financing the services for eligible residents and memoranda of understanding with service provision agencies and organizations to provide such services for eligible resi-

dents at their request. Such supportive services plan and memoranda of understating shall—

- (i) identify the target populations to be served by the project;
- (ii) set forth methods for outreach and referral;
- (iii) identify the health and other supportive services to be provided; and
- (iv) identify the terms under which such services will be made available to residents of the project.

(E) Under such delegated system, the Secretary shall retain the authority to approve rents and development costs and to execute funding under this section within 60 days of receipt of the commitment from the State or local agency. The Secretary shall provide to such agency and the project sponsor, in writing, the reasons for any reduction in funding under this section and such reductions shall be subject to appeal.

(g) Provisions of services

(1) In general

In carrying out the provisions of this section, the Secretary shall ensure that housing assisted under this section provides a range of services tailored to the needs of the category or categories of elderly persons (including frail elderly persons) occupying such housing. Such services may include (A) meal service adequate to meet nutritional need; (B) house-keeping aid; (C) personal assistance; (D) transportation services; (E) health-related services; (F) providing education and outreach regarding telemarketing fraud, in accordance with the standards issued under section 671(f) of the Housing and Community Development Act of 1992 (42 U.S.C. 13631(f)); and (G) such other services as the Secretary deems essential for maintaining independent living. The Secretary may permit the provision of services to elderly persons who are not residents if the participation of such persons will not adversely affect the cost-effectiveness or operation of the program or add significantly to the need for assistance under this Act.

(2) Local coordination of services

The Secretary shall ensure that owners have the managerial capacity to—

- (A) assess on an ongoing basis the service needs of residents;
- (B) coordinate the provision of supportive services and tailor such services to the individual needs of residents; and
- (C) seek on a continuous basis new sources of assistance to ensure the long-term provision of supportive services.

Any cost associated with this subsection shall be an eligible cost under subsection (c)(2).

(3) Service coordinators

Any cost associated with employing or otherwise retaining a service coordinator in housing assisted under this section shall be considered an eligible cost under subsection (c)(2). If a project is receiving congregate housing services assistance under section 8011 of title 42, the amount of costs provided under

subsection (c)(2) for the project service coordinator may not exceed the additional amount necessary to cover the costs of providing for the coordination of services for residents of the project who are not eligible residents under such section 8011 of title 42. To the extent that amounts are available pursuant to subsection (c)(2) for the costs of carrying out this paragraph within a project, an owner of housing assisted under this section shall provide a service coordinator for the housing to coordinate the provision of services under this subsection within the housing.

(h) Development cost limitations

(1) In general

The Secretary shall periodically establish reasonable development cost limitations by market area for various types and sizes of supportive housing for the elderly by publishing a notice of the cost limitations in the Federal Register. The cost limitations shall reflect—

(A) the cost of construction, reconstruction, or rehabilitation of supportive housing for the elderly that meets applicable State and local housing and building codes;

(B) the cost of movables necessary to the basic operation of the housing, as determined by the Secretary;

(C) the cost of special design features necessary to make the housing accessible to elderly persons;

(D) the cost of special design features necessary to make individual dwelling units meet the physical needs of elderly project residents;

(E) the cost of congregate space necessary to accommodate the provision of supportive services to elderly project residents;

(F) if the housing is newly constructed, the cost of meeting the energy efficiency standards promulgated by the Secretary in accordance with section 12709 of title 42; and

(G) the cost of land, including necessary site improvement.

In establishing development cost limitations for a given market area under this subsection, the Secretary shall use data that reflect currently prevailing costs of construction, reconstruction, or rehabilitation, and land acquisition in the area. For purposes of this paragraph, the term “congregate space” shall include space for cafeterias or dining halls, community rooms or buildings, workshops, adult day health facilities, or other outpatient health facilities, or other essential service facilities. Neither this section nor any other provision of law may be construed as prohibiting or preventing the location and operation, in a project assisted under this section, of commercial facilities for the benefit of residents of the project and the community in which the project is located, except that assistance made available under this section may not be used to subsidize any such commercial facility.

(2) Acquisition

In the case of existing housing and related facilities to be acquired, the cost limitations shall include—

- (A) the cost of acquiring such housing,
- (B) the cost of rehabilitation, alteration, conversion, or improvement, including the moderate rehabilitation thereof, and
- (C) the cost of the land on which the housing and related facilities are located.

(3) Annual adjustments

The Secretary shall adjust the cost limitation not less than once annually to reflect changes in the general level of construction, reconstruction, or rehabilitation costs.

(4) Incentives for savings

(A) Special housing account

The Secretary shall use the development cost limitations established under paragraph (1) or (2) to calculate the amount of financing to be made available to individual owners. “(a) APPROVAL OF PREPAYMENT OF DEBT.—Upon request of the project sponsor of a project assisted with a loan under section 202 of the Housing Act of 1959 [12 U.S.C. 1701q](as in effect before the enactment of the Cranston-Gonzalez National Affordable Housing Act [Pub. L. 101-625, which was approved Nov. 28, 1990]), for which the Secretary’s consent to prepayment is required, [sic] the Secretary shall approve the prepayment of any indebtedness to the Secretary relating to any remaining principal and interest under the loan as part of a prepayment plan under which—

“(1) the project sponsor agrees to operate the project until at least 20 years following the maturity date of the original loan under terms at least as advantageous to existing and future tenants as the terms required by the original loan agreement or any project-based rental assistance payments contract under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] (or any other project-based rental housing assistance programs of the Department of Housing and Urban Development, including the rent supplement program under section 101 of the Housing and Urban Development Act of 1965 (12 U.S.C. 1701s)), or any successor project-based rental assistance program, relating to the project; and

“(2) the prepayment may involve refinancing of the loan if such refinancing results in—

“(A) a lower interest rate on the principal of the loan for the project and in reductions in debt service related to such loan; or

“(B) a transaction in which the project owner will address the physical needs of the project, but only if, as a result of the refinancing—

“(i) the rent charges for unassisted families residing in the project do not increase or such families are provided rental assistance under a senior preservation rental assistance contract for the project pursuant to subsection (e); and

“(ii) the overall cost for providing rental assistance under section 8 for the project (if any) is not increased, except, upon approval by the Secretary to—

“(I) mark-up-to-market contracts pursuant to section 524(a)(3) of the Multifamily Assisted Housing Reform and Affordability Act [of 1997] [Pub. L. 105-65] (42 U.S.C. 1437f note), as such section is carried out by the Secretary for properties owned by nonprofit organizations; or

“(II) mark-up-to-budget contracts pursuant to section 524(a)(4) of the Multifamily Assisted Housing Reform and Affordability Act (42 U.S.C. 1437f note), as such section is carried out by the Secretary for properties owned by eligible owners (as such term is defined in section 202(k) of the Housing Act of 1959 (12 U.S.C. 1701q(k)); and

“(3) notwithstanding paragraph (2)(A), the prepayment and refinancing authorized pursuant to para-

graph (2)(B) involves an increase in debt service only in the case of a refinancing of a project assisted with a loan under such section 202 carrying an interest rate of 6 percent or lower.

“(b) SOURCES OF REFINANCING.—In the case of prepayment under this section involving refinancing, the project sponsor may refinance the project through any third party source, including financing by State and local housing finance agencies, use of tax-exempt bonds, multi-family mortgage insurance under the National Housing Act [12 U.S.C. 1701 et seq.], reinsurance, or other credit enhancements, including risk sharing as provided under section 542 of the Housing and Community Development Act of 1992 [12 U.S.C. 1715z–22]([former] 12 U.S.C. 1707 note). For purposes of underwriting a loan insured under the National Housing Act, the Secretary may assume that any section 8 rental assistance contract relating to a project will be renewed for the term of such loan.

“(c) USE OF PROCEEDS.—Upon execution of the refinancing for a project pursuant to this section, the Secretary shall ensure that proceeds are used in a manner advantageous to tenants of the project, or are used in the provision of affordable rental housing and related social services for elderly persons that are tenants of the project or are tenants of other HUD-assisted senior housing by the private nonprofit organization project owner, private nonprofit organization project sponsor, or private nonprofit organization project developer, including—

“(1) not more than 15 percent of the cost of increasing the availability or provision of supportive services, which may include the financing of service coordinators and congregate services, except that upon the request of the non-profit owner, sponsor, or organization and determination of the Secretary, such 15 percent limitation may be waived to ensure that the use of unexpended amounts better enables seniors to age in place;

“(2) rehabilitation, modernization, or retrofitting of structures, common areas, or individual dwelling units, including reducing the number of units by reconfiguring units that are functionally obsolete, unmarketable, or not economically viable;

“(3) construction of an addition or other facility in the project, including assisted living facilities (or, upon the approval of the Secretary, facilities located in the community where the project sponsor refinances a project under this section, or pools shared resources from more than one such project);

“(4) rent reduction of unassisted tenants residing in the project;

“(5) rehabilitation of the project to ensure long-term viability; and

“(6) the payment to the project owner, sponsor, or third party developer of a developer's fee in an amount not to exceed or duplicate—

“(A) in the case of a project refinanced through a State low income housing tax credit program, the fee permitted by the low income housing tax credit program as calculated by the State program as a percentage of acceptable development cost as defined by that State program; or

“(B) in the case of a project refinanced through any other source of refinancing, 15 percent of the acceptable development cost.

“For purposes of paragraph (6)(B), the term ‘acceptable development cost’ shall include, as applicable, the cost of acquisition, rehabilitation, loan prepayment, initial reserve deposits, and transaction costs.

“(d) USE OF CERTAIN PROJECT FUNDS.—The Secretary shall allow a project sponsor that is prepaying and refinancing a project under this section—

“(1) to use any residual receipts held for that project in excess of \$500 per individual dwelling unit for the cost of activities designed to increase the availability or provision of supportive services or other purposes approved by the Secretary; and

“(2) to use any reserves for replacement in excess of \$1,000 per individual dwelling unit for activities described in paragraphs (2) and (3) of subsection (c).

“(e) SENIOR PRESERVATION RENTAL ASSISTANCE CONTRACTS.—Notwithstanding any other provision of law, in connection with a prepayment plan for a project approved under subsection (a) by the Secretary or as otherwise approved by the Secretary to prevent displacement of elderly residents of the project in the case of refinancing or recapitalization and to further preservation and affordability of such project, the Secretary shall provide project-based rental assistance for the project under a senior preservation rental assistance contract, as follows:

“(1) Assistance under the contract shall be made available to the private nonprofit organization owner—

“(A) for a term of at least 20 years, subject to annual appropriations; and

“(B) under the same rules governing project-based rental assistance made available under section 8 of the Housing Act of 1937 [42 U.S.C. 1437f] or under the rules of such assistance as may be made available for the project.

“(2) Any projects for which a senior preservation rental assistance contract is provided shall be subject to a use agreement to ensure continued project affordability having a term of the longer of (A) the term of the senior preservation rental assistance contract, or (B) such term as is required by the new financing.

“(f) SUBORDINATION OR ASSUMPTION OF EXISTING DEBT.—In lieu of prepayment under this section of the indebtedness with respect to a project, the Secretary may approve—

“(1) in connection with new financing for the project, the subordination of the loan for the project under section 202 of the Housing Act of 1959 [12 U.S.C. 1701q] (as in effect before the enactment of the Cranston-Gonzalez National Affordable Housing Act [Pub. L. 101–625, which was approved Nov. 28, 1990]) and the continued subordination of any other existing subordinate debt previously approved by the Secretary to facilitate preservation of the project as affordable housing; or

“(2) the assumption (which may include the subordination described in paragraph (1)) of the loan for the project under such section 202 in connection with the transfer of the project with such a loan to a private nonprofit organization.

“(g) FLEXIBLE SUBSIDY DEBT.—The Secretary shall waive the requirement that debt for a project pursuant to the flexible subsidy program under section 201 of the Housing and Community Development Amendments of 1978 (12 U.S.C. 1715z–1a) be prepaid in connection with a prepayment, refinancing, or transfer under this section of a project if the financial transaction or refinancing cannot be completed without the waiver.

“(h) TENANT INVOLVEMENT IN PREPAYMENT AND REFINANCING.—The Secretary shall not accept an offer to prepay the loan for any project under section 202 of the Housing Act of 1959 unless the Secretary—

“(1) has determined that the owner of the project has notified the tenants of the owner's request for approval of a prepayment; and

“(2) has determined that the owner of the project has provided the tenants with an opportunity to comment on the owner's request for approval of a prepayment, including on the description of any anticipated rehabilitation or other use of the proceeds from the transaction, and its impacts on project rents, tenant contributions, or the affordability restrictions for the project, and that the owner has responded to such comments in writing.

“(i) DEFINITION OF PRIVATE NONPROFIT ORGANIZATION.—For purposes of this section, the term ‘private nonprofit organization’ has the meaning given such term in section 202(k) of the Housing Act of 1959 (12 U.S.C. 1701q(k)).”

[(“(1) any authority of the Secretary of Housing and Urban Development to issue regulations to implement or carry out the amendments made by subsection (a) of this section or the provisions of section 811 of the American Homeownership and Economic Opportunity Act of 2000 (12 U.S.C. 1701q note); or

“(1) IN GENERAL.—The Secretary of Housing and Urban Development shall carry out a program to determine the feasibility of including, as an eligible development cost under section 202 of the Housing Act of 1959 [12 U.S.C. 1701q], the cost of purchasing and installing elder cottage housing opportunity units that are small, freestanding, barrier-free, energy efficient, removable, and designed to be installed adjacent to existing 1- to 4-family dwellings. In conducting the demonstration, the Secretary shall determine whether the durability of such units is appropriate for making such units generally eligible for assistance under the programs under such sections.

“(2) ALLOCATION.—Notwithstanding any other law, the Secretary shall reserve from any amounts available for capital advances and project rental assistance under section 202 of the Housing Act of 1959, amounts sufficient in each of fiscal years 1993 and 1994 to provide not less than 100 units under the demonstration under this subsection in connection with each such section. PREFERENCES FOR NATIVE HAWAIIANS ON HAWAIIAN HOME LANDS UNDER HUD PROGRAMS

Secretary of Housing and Urban Development to provide a preference to native Hawaiians for housing assistance programs under this section for housing located on Hawaiian home lands, see section 958 of Pub. L. 101-625, set out as a note under section 1437f of Title 42, The Public Health and Welfare.

FINDINGS AND PURPOSE OF 1988 AMENDMENT

Pub. L. 100-242, title I, §162(a), Feb. 5, 1988, 101 Stat. 1856, provided that:

“(1) The Congress finds that—

“(A) housing for nonelderly handicapped families is assisted under section 202 of the Housing Act of 1959

[12 U.S.C. 1701q] and section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f];

“(B) the housing programs under such sections are designed and implemented primarily to assist rental housing for elderly and nonelderly families and are often inappropriate for dealing with the specialized needs of the physically impaired, the developmentally disabled, and the chronically mentally ill;

“(C) the development of housing for nonelderly handicapped families under such programs is often more expensive than necessary, thereby reducing the number of such families that can be assisted with available funds;

“(D) the program under section 202 of the Housing Act of 1959 can continue to provide direct loans to finance group residences and independent apartments for nonelderly handicapped families, but can be made more efficient and less costly by the adoption of standards and procedures applicable only to housing for such families;

“(E) the cost containment policies currently being implemented in the development of small group homes (i) do not adequately reflect the necessity for building designs to meet the needs of the designated residents; and (ii) do not recognize necessary State and local standards for the operation of such homes;

“(F) the use of the program under section 8 of the United States Housing Act of 1937 to assist rentals for housing for nonelderly handicapped families is time consuming and unnecessarily costly and, in some areas of the Nation, prevents the development of such housing;

“(G) the use of the program under section 8 of the United States Housing Act of 1937 to assist rentals for housing for nonelderly handicapped families should be replaced by a more appropriate subsidy mechanism;

“(H) both elderly and handicapped housing projects assisted under section 202 of the Housing Act of 1959 will benefit from an increased emphasis on supportive services and a greater use of State and local funds; and

“(I) an improved program for nonelderly handicapped families will assist in providing shelter and supportive services for mentally ill persons who might otherwise be homeless.

“(2) The purpose of this section is to improve the direct loan program under section 202 of the Housing Act of 1959 to ensure that such program meets the special housing and related needs of nonelderly handicapped families.”

TERMINATION OF SECTION 8 ASSISTANCE

Pub. L. 100-242, title I, §162(d), Feb. 5, 1988, 101 Stat. 1859, provided that: “On and after the first date that amounts approved in an appropriation Act for any fiscal year become available for contracts under section 202(h)(4)(A) of the Housing Act of 1959 [12 U.S.C. 1701q(h)(4)(A)], as amended by subsection (b) of this section, no project for handicapped (primarily nonelderly) families approved for such fiscal year pursuant to section 202 of such Act shall be provided assistance payments under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f], except pursuant to a reservation for a contract to make such assistance payments that was made before the first date that amounts for contracts under such section 202(h)(4)(A) became available.”

IMPLEMENTATION OF 1988 AMENDMENT

Pub. L. 100-242, title I, §162(e), Feb. 5, 1988, 101 Stat. 1859, provided that: “Not later than the expiration of the 120-day period following the date of the enactment of this Act [Feb. 5, 1988], the Secretary of Housing and Urban Development shall, to the extent amounts are approved in an appropriation Act for use under section 202(h)(4)(A) of the Housing Act of 1959 [12 U.S.C. 1701q(h)(4)(A)] for fiscal year 1988, publish in the Federal Register a notice of fund availability to implement

the provisions of, and amendments made by, this section [amending this section and enacting and repealing provisions set out above]. The Secretary shall issue such rules as may be necessary to carry out such provisions and amendments for fiscal year 1989 and thereafter.”

HOUSING FOR THE ELDERLY OR HANDICAPPED FUND

Pub. L. 101-507, title II, Nov. 5, 1990, 104 Stat. 1361, provided: “That, notwithstanding section 202(a)(3) of the Housing Act of 1959 [12 U.S.C. 1701q(a)(3)], any such obligations [direct loan obligations made in fiscal year 1991] shall bear an interest rate which does not exceed 9.25 per centum, including the allowance adequate in the judgment of the Secretary to cover administrative costs and probable losses under the program.”

Similar provisions were contained in the following prior appropriation acts:

(a) In general

The penalties set forth in this section shall be in addition to any other available civil remedy or criminal penalty, and may be imposed whether or not the Secretary imposes other administrative sanctions. The Secretary may not impose penalties under this section for violations of a material cause of which are the failure of the Department, an agent of the Department, or a public housing agency to comply with existing agreements.

(b) Penalty for violation of agreement as condition of transfer of physical assets, flexible subsidy loan, capital improvement loan, modification of mortgage terms, or workout agreement

(1) In general

Whenever a mortgagor of property that includes 5 or more living units and that has a mortgage held pursuant to section 1701q of this title, who has agreed in writing, as a condition of a transfer of physical assets, a flexible subsidy loan, a capital improvement loan, a modification of the mortgage terms, or a workout agreement, to use nonproject income to make cash contributions for payments due under the note and mortgage, for payments to the reserve for replacements, to restore the project to good physical condition, or to pay other project liabilities, knowingly and materially fails to comply with any of these commitments, the Secretary may impose a civil money penalty on the mortgagor in accordance with the provisions of this section.

(c) Violations of regulatory agreement

(1) In general

The Secretary may also impose a civil money penalty on a mortgagor or property that includes 5 or more living units and that has a mortgage held pursuant to section 1701q of this title for any knowing and material violation of the regulatory agreement executed by the mortgagor, as follows:

(A) Conveyance, transfer, or encumbrance of any of the mortgaged property, or permitting the conveyance, transfer, or encumbrance of such property, without the prior written approval of the Secretary.

(E) Requiring, as a condition of the occupancy or leasing of any unit in the project, any consideration or deposit other than the prepayment of the first month's rent, plus a security deposit in an amount not in excess of 1 month's rent, to guarantee the performance of the covenants of the lease.

(F) Not holding any funds collected as security deposits separate and apart from all other funds of the project in a trust account, the amount of which at all times equals or exceeds the aggregate of all outstanding obligations under the account.

(H) Failure to maintain at any time the mortgaged property, equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents, and other related papers (including failure to keep copies of all written contracts or other instruments which affect the mortgaged property) in reasonable condition for proper audit and for examination and inspection at any reasonable time by the Secretary or any duly authorized agents of the Secretary.

(I) Failure to maintain the books and accounts of the operations of the mortgaged property and of the project in accordance with requirements prescribed by the Secretary.

(J) Failure to furnish the Secretary, by the expiration of the 60-day period beginning on the 1st day after the completion of each fiscal year, with a complete annual financial report based upon an examination of the books and records of the mortgagor prepared in accordance with requirements prescribed by the Secretary, and prepared and certified to by an independent public accountant or a certified public accountant and certified to by an officer of the mortgagor, unless the Secretary has approved an extension of the 60-day period in writing. The Secretary shall approve an extension where the mortgagor demonstrates that failure to comply with this subparagraph is due to events beyond the control of the mortgagor.

(K) At the request of the Secretary, the agents of the Secretary, the employees of the Secretary, or the attorneys of the Secretary, failure to furnish monthly occupancy reports or failure to provide specific answers to questions upon which information is sought relative to income, assets, liabilities, contracts, the operation and condition of the property, or the status of the mortgage.

(M) Amending the articles of incorporation or bylaws, other than as permitted under the terms of the articles of incorporation as approved by the Secretary, without the prior written approval of the Secretary.

A penalty imposed for a violation under this subsection, as determined by the Secretary, may not exceed \$25,000 for a violation of any of the subparagraphs of paragraph (1).

(d) Agency procedures**(1) Establishment**

The Secretary shall establish standards and procedures governing the imposition of civil money penalties under subsections (b) and (c). These standards and procedures—

(A) shall provide for the Secretary or other department official (such as the Assistant Secretary for Housing) to make the determination to impose a penalty;

(B) shall provide for the imposition of a penalty only after the mortgagor has been given an opportunity for a hearing on the record; and

(C) may provide for review by the Secretary of any determination or order, or interlocutory ruling, arising from a hearing.

(2) Final orders

If no hearing is requested within 15 days of receipt of the notice of opportunity for hearing, the imposition of the penalty shall constitute a final and unappealable determination. If the Secretary reviews the determination or order, the Secretary may affirm, modify, or reverse that determination or order. If the Secretary does not review the determination or order within 90 days of the issuance of the determination or order, the determination or order shall be final.

(3) Factors in determining amount of penalty

In determining the amount of a penalty under subsection (b) or (c), consideration shall be given to such factors as the gravity of the offense, any history of prior offenses (including offenses occurring before December 15, 1989), ability to pay the penalty, injury to the tenants, injury to the public, benefits received, deterrence of future violations, and such other factors as the Secretary may determine in regulations to be appropriate.

(4) Reviewability of imposition of penalty

The Secretary's determination or order imposing a penalty under subsection (b) or (c) shall not be subject to review, except as provided in subsection (e).

(e) Judicial review of agency determination**(1) In general**

After exhausting all administrative remedies established by the Secretary under subsection (d)(1), a mortgagor against whom the Secretary has imposed a civil money penalty under subsection (b) or (c) may obtain a review of the penalty and such ancillary issues as may be addressed in the notice of determination to impose a penalty under subsection (d)(1)(A) in the appropriate court of appeals of the United States, by filing in such court, within 20 days after the entry of such order or determination, a written petition praying that the Secretary's order or determination be modified or be set aside in whole or in part.

(2) Objections not raised in hearing

The court shall not consider any objection that was not raised in the hearing conducted pursuant to subsection (d)(1) unless a demonstration is made of extraordinary circum-

stances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the court that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at the hearing, the court shall remand the matter to the Secretary for consideration of such additional evidence.

(3) Scope of review

The decisions, findings, and determinations of the Secretary shall be reviewed pursuant to section 706 of title 5.

(4) Order to pay penalty

Notwithstanding any other provision of law, in any such review, the court shall have the power to order payment of the penalty imposed by the Secretary.

(f) Action to collect penalty

If a mortgagor fails to comply with the Secretary's determination or order imposing a civil money penalty under subsection (b) or (c), after the determination or order is no longer subject to review as provided by subsections (d)(1) and (e), the Secretary may request the Attorney General of the United States to bring an action in an appropriate United States district court to obtain a monetary judgment against the mortgagor and such other relief as may be available. The monetary judgment may, in the court's discretion, include the attorneys fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary's determination or order imposing the penalty shall not be subject to review.

§ 1701r. Congressional findings respecting housing for senior citizens

The Congress finds that there is a large and growing need for suitable housing for older people both in urban and rural areas. Our older citizens face special problems in meeting their housing needs because of the prevalence of modest and limited incomes among the elderly, their difficulty in obtaining liberal long-term home mortgage credit, and their need for housing planned and designed to include features necessary to the safety and convenience of the occupants in a suitable neighborhood environment. The Congress further finds that the present programs for housing the elderly under the Department of Housing and Urban Development have proven the value of Federal credit assistance in this field and at the same time demonstrated the urgent need for an expanded and more comprehensive effort to meet our responsibilities to our senior citizens.

(Pub. L. 87-723, §2, Sept. 28, 1962, 76 Stat. 670; Pub. L. 90-19, §19, May 25, 1967, 81 Stat. 25.)

(b) "Housing owner" defined; limitation on payments to housing owner

As used in this section, the term "housing owner" means a private nonprofit corporation or other private nonprofit legal entity, a limited dividend corporation or other limited dividend legal entity, or a cooperative housing corporation, which is a mortgagor under section 221(d)(3) of the National Housing Act [12 U.S.C. 1715(d)(3)] and which, after August 10, 1965, has been approved for mortgage insurance thereunder and has been approved for receiving the benefits of this section: *Provided*, That, except as provided in subsection (j), no payments under this section may be made with respect to any property financed with a mortgage receiving the benefits of the interest rate provided for in the proviso in section 221(d)(5) of that Act [12 U.S.C. 1715(d)(5)]. Such term also includes a private nonprofit corporation or other private nonprofit legal entity, a limited dividend corporation or other limited dividend legal entity, or a cooperative housing corporation, which is the owner of a rental or cooperative housing project financed under a State or local program providing assistance through loans, loan insurance, or tax abatement and which may involve either new or existing construction and which is approved for receiving the benefits of this section. Subject to the limitations provided in subsection (j), the term "housing owner" also has the meaning prescribed in such subsection. Nothing in this section shall be construed as preventing payments to a housing owner with respect to projects in which all or part of the dwelling units do not contain kitchen facilities; but of the total amount of contracts to make annual payments approved in appropriation Acts pursuant to subsection (a) after December 31, 1970, not more than 10 per centum in the aggregate shall be made with respect to such projects.

(c) Definitions

As used in this section, the term—

(1) "qualified tenant" means any individual or family having an income which would qualify such individual or family for assistance under section 1437f of title 42, except that such term shall also include any individual or family who was receiving assistance under this section on the day preceding December 21, 1979, so long as such individual or family continues to meet the conditions for such assistance which were in effect on such day; and

(2) "income" means income from all sources of each member of the household, as determined in accordance with criteria prescribed by the Secretary. In determining amounts to be excluded from income, the Secretary may, in the Secretary's discretion, take into account the number of minor children in the household and such other factors as the Secretary may determine are appropriate.

The terms "qualified tenant" and "tenant" include a member of a cooperative who satisfies the foregoing requirements and who, upon resale of his membership to the cooperative, will not be reimbursed for any equity increment accumulated through payments under this section. With respect to members of a cooperative, the terms "rental" and "rental charges" mean the charges

under the occupancy agreements between such members and the cooperative.

(d) Annual payment amount

The amount of the annual payment with respect to any dwelling unit shall be the lesser of (1) 70 per centum of the fair market rent, or (2) the amount by which the fair market rental for such unit exceeds 30 per centum of the tenant's adjusted income.

(e) Criteria and procedure for determining eligibility and rental charges; recertification of income; agreements for services required in selection of tenants; delegation of authority to issue certificates

(1) For purposes of carrying out the provisions of this section, the Secretary shall establish criteria and procedures for determining the eligibility of occupants and rental charges, including criteria and procedures with respect to periodic review of tenant incomes and periodic adjustment of rental charges.

(2) Procedures adopted by the Secretary hereunder shall provide for recertifications of the incomes of occupants no less frequently than annually for the purpose of adjusting rental charges and annual payments on the basis of occupants' incomes, but in no event shall rental charges adjusted under this section for any dwelling exceed the fair market rental of the dwelling.

(3) The Secretary may enter into agreements, or authorize housing owners to enter into agreements, with public or private agencies for services required in the selection of qualified tenants, including those who may be approved, on the basis of the probability of future increases in their incomes, as lessees under an option to purchase (which will give such approved qualified tenants an exclusive right to purchase at a price established or determined as provided in the option) dwellings, and in the establishment of rentals. The Secretary is authorized (without limiting his authority under any other provision of law) to delegate to any such public or private agency his authority to issue certificates pursuant to this subsection.

(4) No payments under this section may be made with respect to any property for which the costs of operation (including wages and salaries) are determined by the Secretary to be greater than similar costs of operation of similar housing in the community where the property is situated.

(f) Omitted

(g) Authority of Secretary

The Secretary is authorized to make such rules and regulations, to enter into such agreements, and to adopt such procedures as he may deem necessary or desirable to carry out the provisions of this section. Nothing contained in this section shall affect the authority of the Secretary of Housing and Urban Development with respect to any housing assisted under this section, section 221(d)(3), section 231(c)(3), or section 236 of the National Housing Act [12 U.S.C. 1715l(d)(3), 1715v(c)(3), 1715z-1], or section 1701q of this title, including the authority to prescribe occupancy requirements under other provisions

of law or to determine the portion of such housing which may be occupied by qualified tenants. To ensure that qualified tenants occupying that number of units with respect to which assistance was being provided under this section immediately prior to November 30, 1983, receive the benefit of assistance contracted for under this section, the Secretary shall offer annually to amend contracts entered into with owners of projects assisted under this section but not subject to mortgages insured under title II of the National Housing Act [12 U.S.C. 1707 et seq.] to provide sufficient payments to cover 100 percent of the necessary rent increases and changes in the incomes of qualified tenants, subject to the availability of authority for such purpose under section 1437c(c) of title 42. The Secretary shall take such actions as may be necessary to ensure that payments, including payments that reflect necessary rent increases and changes in the incomes of tenants, are made on a timely basis for all units covered by contracts entered into under this section.

(h) Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this section, including, but not limited to, such sums as may be necessary to make annual payments as prescribed in this section, pay for services provided under (or pursuant to agreements entered into under) subsection (e), and provide administrative expenses.

(i) Omitted

(j) Additional definition of housing owner; restrictions on payments

(1) For the purpose of assisting housing under this section on an experimental basis, subject to the limitations of this subsection, the term "housing owner" (in addition to the meaning prescribed in subsection (b)) includes—

(A) a private nonprofit corporation or other private nonprofit legal entity, a limited dividend corporation or other limited dividend legal entity, or a cooperative housing corporation, which is a mortgagor under a mortgage which receives the benefits of the interest rate provided for in the proviso in section 221(d)(5) of the National Housing Act [12 U.S.C. 1715l(d)(5)] and which, after August 10, 1965, has been approved for mortgage insurance under section 221(d)(3) of the National Housing Act and has been approved for receiving the benefits of this section;

(B) a private nonprofit corporation or other private nonprofit legal entity which is a mortgagor under a mortgage insured under section 231(c)(3) of the National Housing Act [12 U.S.C. 1715v(c)(3)] and which, after August 10, 1965, has obtained final endorsement of such mortgage for mortgage insurance and has been approved for receiving the benefits of this section;

(C) a private nonprofit corporation, a public body or agency, or a cooperative housing corporation, which is a borrower under section 1701q of this title and has been approved for receiving the benefits of this section: *Provided*, That, with respect to properties financed with loans under such section made on or before

August 10, 1965, payments shall not be made with respect to more than 20 per centum of the dwelling units in any property so financed; and

(D) a private nonprofit corporation or other private nonprofit legal entity, a limited dividend corporation or other limited dividend legal entity, or a cooperative housing corporation, which is assisted under section 236 of the National Housing Act [12 U.S.C. 1715z-1] and which has been approved for receiving the benefits of this section: *Provided*, That payments shall not be made with respect to more than 20 per centum of the dwelling units in any property so financed, except that the foregoing limitation may be increased to 40 per centum of the dwelling units in any such property if the Secretary determines that such increase is necessary and desirable in order to provide additional housing for individuals and families meeting the requirements of subsection (c).

(2) Of the amounts approved in appropriation Acts pursuant to subsection (a) for payments under this section in any year, not more than 5 per centum in the aggregate shall be paid with respect to properties of housing owners as defined in paragraph (1)(A) of this subsection, and not more than 5 per centum in the aggregate shall be paid with respect to properties of housing owners as defined in paragraphs (1)(B) and (1)(C) of this subsection.

(k) Repealed. Pub. L. 105-276, title V, § 514(d), Oct. 21, 1998, 112 Stat. 2548

(l) Additional available assistance authority

Notwithstanding the provisions of subsection (a) and any other provision of law, the Secretary may utilize additional authority under section 1437c(c) of title 42 made available by appropriation Acts on or after October 1, 1979, to supplement assistance authority available under this section. The Secretary shall utilize, to the extent necessary after September 30, 1984, any authority under this section that is recaptured either as the result of the conversion of housing projects covered by assistance under this section to contracts for assistance under section 1437f of title 42 or otherwise (1) for the purpose of making assistance payments, including amendments as provided in subsection (g), with respect to housing projects assisted under this section, but not subject to mortgages insured under the National Housing Act [12 U.S.C. 1701 et seq.], that remain covered by assistance under this section; and (2) if not required to provide assistance under this section, and notwithstanding any other provision of law, for the purpose of contracting for assistance payments under section 236(f)(2) of the National Housing Act [12 U.S.C. 1715z-1(f)(2)].

(m) Payments for benefit of certain projects having mortgages made by State or local housing finance or government agencies

The Secretary shall, not later than 45 days after receipt of an application by the mortgagee, provide interest reduction and rental assistance payments for the benefit of projects assisted under this section whose mortgages were made by State or local housing finance agencies or

State or local government agencies for a term equal to the remaining mortgage term to maturity on projects assisted under this section to the extent of—

(1) unexpended balances of amounts of authority as set forth in certain letter agreements between the Department of Housing and Urban Development and such State or local housing finance agencies or State or local government agencies, and

(2) existing allocation under section 236 contracts on projects whose mortgages were made by State or local housing finance agencies or State or local government agencies which are not being funded, to the extent of such excess allocation, for any purposes permitted under the provisions of this section.

An application shall be eligible for assistance under the previous sentence only if the mortgagee submits the application within 548 days after February 5, 1988, along with a certification of the mortgagee that amounts are to be utilized hereunder for the purpose of either (A) reducing rents or rent increases to tenants, or (B) making repairs or otherwise increasing the economic viability of a related project. Unexpended balances referred to in the first sentence of this subsection which remain after disposition of all such applications is favorably concluded shall be rescinded. The authority conferred by this subsection to provide interest reduction and rental assistance payments shall be available only to the extent approved in appropriation Acts.

§ 1701t. Congressional affirmation of national goal of decent homes and suitable living environment for American families

The Congress affirms the national goal, as set forth in section 1441 of title 42, of “a decent home and a suitable living environment for every American family”.

The Congress finds that this goal has not been fully realized for many of the Nation’s lower income families; that this is a matter of grave national concern; and that there exist in the public and private sectors of the economy the resources and capabilities necessary to the full realization of this goal.

The Congress declares that in the administration of those housing programs authorized by this Act which are designed to assist families with incomes so low that they could not otherwise decently house themselves, and of other Government programs designed to assist in the provision of housing for such families, the high-

est priority and emphasis should be given to meeting the housing needs of those families for which the national goal has not become a reality; and in the carrying out of such programs there should be the fullest practicable utilization of the resources and capabilities of private enterprise and of individual self-help techniques. § 1701v. Congressional findings and declaration for improved architectural design in Government housing programs

The Congress finds that Federal aids to housing have not contributed fully to improvement in architectural standards. This objective has been contemplated in Federal housing legislation since the establishment of mortgage insurance through the Federal Housing Administration.

The Congress commends the Department of Housing and Urban Development for its recent efforts to improve architectural standards through competitive design awards and in other ways but at the same time recognizes that this important objective requires high priority if Federal aid is to make its full communitywide contribution toward improving our urban environment.

The Congress further finds that even within the necessary budget limitations on housing for low and moderate income families architectural design could be improved not only to make the housing more attractive, but to make it better suited to the needs of occupants.

The Congress declares that in the administration of housing programs which assist in the provision of housing for low and moderate income families, emphasis should be given to encouraging good design as an essential component of such housing and to developing housing which will be of such quality as to reflect its important relationship to the architectural standards of the neighborhood and community in which it is situated, consistent with prudent budgeting.

(c) Utilization of contract and loan authority of federally assisted housing programs; setting aside of development, etc., requirements during testing

The Secretary is authorized to undertake demonstrations involving the actual planning, development, and occupancy of housing utilizing the contract and loan authority of any federally assisted housing program. He is also authorized to set aside any development, construction, design, and occupancy requirements, for the purposes of these demonstrations, if in his judgment they inhibit the testing of housing designed to meet the special housing needs.

In carrying out this section, the Secretary shall include, as part of any demonstration, an

evaluation of the demonstration to cover the full experience involved in planning, development, and occupancy.

(e) Limitation on amounts available for research

DEMONSTRATION PROJECT FOR ASSISTANCE TO UNITS OF GENERAL LOCAL GOVERNMENT TO ENCOURAGE UPGRADING OF LOWER INCOME FAMILY HOUSING

Pub. L. 98-181, title I [title II, §225], Nov. 30, 1983, 97 Stat. 1191, provided that:

“(a) The Congress finds that—

“(1) the Department of Health and Human Services spends in excess of \$5,000,000,000 annually for housing in the form of allowances for shelter for public assistance recipients;

“(2) States administering the Department of Health and Human Services public assistance program often specify shelter allowances that have little relationship to the cost or the quality of the housing in which public assistance recipients live;

“(3) at least 30 per centum of public assistance recipients live in substandard housing;

“(4) the older rental buildings in which many public assistance recipients live are in those neighborhoods that need the assistance of the programs of the Department of Housing and Urban Development for preservation and rehabilitation; and

“(5) there is the potential for improving housing for many lower income families by coordinating State and local government efforts in order to assure that families receiving public assistance payments from the Department of Health and Human Services are able to live in decent, safe, and sanitary housing.

“(b) The purpose of this section, therefore, is to provide assistance to units of general local government and their designated agencies in order to develop a program that will—

“(1) encourage the upgrading of housing occupied primarily by lower income families, including families receiving assistance under the aid for families with dependent children program established under title IV of the Social Security Act [42 U.S.C. 601 et seq.]; and

“(2) provide for better coordination at the local level of the efforts to assist families receiving public assistance from the Department of Health and Human Services so that these families will be able to occupy affordable housing that is decent, safe, and

sanitary and that, if necessary, is rehabilitated with funds provided by the Department of Housing and Urban Development.

“(c) The Secretary of Housing and Urban Development (hereafter referred to in this section as the ‘Secretary’) shall, to the extent approved in appropriation Acts, establish and maintain a demonstration project to carry out the purpose described in subsection (b).

“(d) In carrying out such project, the Secretary shall make grants to units of general local government, or designated agencies thereof, to carry out administrative plans approved by the Secretary in accordance with subsection (e), and the Secretary may make grants to States to provide technical assistance for the purpose of assisting such units of general local government to develop and carry out such plans.

“(e)(1) Grants may be made to States and units of general local government and agencies thereof that apply for them in a manner and at a time determined by the Secretary and that, in the case of units of general local government and their agencies, are selected on the basis of an administrative plan described in such application.

“(2) No such administrative plan shall be selected by the Secretary unless it sets forth a plan for local government activities that are designed to—

“(A) require or encourage owners of rental housing occupied by lower income families to bring such housing into compliance with local housing codes;

“(B) provide technical assistance, loans, or grants to assist owners described in subparagraph (A) to undertake cost-effective improvements of such housing;

“(C) work with the State to establish and implement a schedule of local shelter allowances for recipients of assistance under title IV of the Social Security Act [42 U.S.C. 601 et seq.] based on building quality that will be applicable to buildings involved in this program; and

“(D) coordinate local housing inspection, housing rehabilitation loan or grant assistance, rental assistance, and social service programs for the purpose of improving the quality and affordability of housing for lower income families.

“(3) Funds received from any grant made by the Secretary to a unit of general local government shall be made available for use according to the administrative plans and may be used for—

“(A) technical assistance or financial assistance to property owners to upgrade housing projects described in paragraph (2)(A) of this subsection;

“(B) temporary rental assistance to families who live in buildings assisted under this program and who are eligible for, but are not receiving, assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f], except that such families shall not include families receiving assistance under title IV of the Social Security Act [42 U.S.C. 601 et seq.], and the amount of such rental assistance may not exceed 20 per centum of each grant received under this section;

“(C) housing counseling and referral and other housing related services;

“(D) expenses incurred in administering the program carried out with funds received under this section, except that such expenses may not exceed 10 per centum of the grant received under this section; and

“(E) other appropriate activities that are consistent with the purposes of this section and that are approved by the Secretary.

“(f) Any recipient of a grant from the Secretary under this section shall agree to—

“(1) contribute to the program an amount equal to 15 per centum of the funds received from the Secretary under this section, and the Secretary shall permit the recipient to meet this requirement by the contribution of the value of services carried out specifically in connection with the program assisted under this section;

“(2) permit the Secretary and the General Accounting Office [now Government Accountability Office] to

audit its books in order to assure that the funds received under this section are used in accordance with the section; and

“(3) other terms and conditions prescribed by the Secretary for the purpose of carrying out this section in an effective and efficient manner.

“(g) In making grants available under this section, the Secretary shall select as recipients at least 20 units of general local government (or their designated agencies). The selection of proposals for funding shall be based on criteria that result in a selection of projects that will enable the Secretary to carry out the purpose of this section in an effective and efficient manner and provide a sufficient amount of data necessary to make an evaluation of the demonstration project carried out under this section.

“(h)(1) Not later than June 1, 1984, the Secretary shall transmit to the Congress an interim report on the implementation of the demonstration under this section.

“(2) The Secretary shall transmit, not later than October 1, 1985, to both Houses of the Congress a detailed report concerning the findings and conclusions that have been reached by the Secretary as a result of carrying out this section, along with any legislative recommendations that the Secretary determines are necessary.

“(i) To carry out this section, there are authorized to be appropriated not to exceed \$10,000,000 during fiscal year 1984, and not to exceed \$15,000,000 during fiscal year 1985, to remain available until expended.”

PUBLIC HOUSING SECURITY

Pub. L. 96-399, title II, § 209, Oct. 8, 1980, 94 Stat. 1635, provided that:

“(a) This section may be cited as the ‘Public Housing Anti-Crime Amendments of 1980’.

“(b) The Congress finds that—

“(1) public housing and surrounding neighborhoods continue to suffer substantially from rising crime and the fear of crime;

“(2) funding to provide more security for public housing can be used to leverage funding from other sources and thereby produce more successful anti-crime efforts;

“(3) the effects of inflation and the need for reductions in the budget of the Federal Government result in a need for more co-targeting of Federal and local anti-crime resources;

“(4) as authorized by the Public Housing Security Demonstration Act of 1978 [set out below], the Urban Initiatives Anti-Crime Program has performed in a promising manner; and

“(5) the First Annual Report to Congress of the Urban Initiatives Anti-Crime Program and the two General Accounting Office [now Government Accountability Office] reports to Congress on such Program have provided useful suggestions which can now be implemented.

“(c) It is, therefore, the purpose of this section to continue the efforts of the Urban Initiatives Anti-Crime Program so that more progress can be made in providing secure, decent, safe, and sanitary dwelling

units for low-income and elderly tenants in public housing projects.

“(d) [This subsection amended section 207 of Pub. L. 95-557, set out below.]”

Pub. L. 95-557, title II, § 207, Oct. 31, 1978, 92 Stat. 2093, as amended by Pub. L. 96-399, title II, § 209(d), Oct. 8, 1980, 94 Stat. 1635; Pub. L. 98-479, title II, § 201(i), Oct. 17, 1984, 98 Stat. 2228; Pub. L. 103-82, title IV, § 405(c), Sept. 21, 1993, 107 Stat. 921, provided that:

“(a) This section may be cited as the ‘Public Housing Security Demonstration Act of 1978’.

“(b)(1) The Congress finds that—

“(A) low-income and elderly public housing residents of the Nation have suffered substantially from rising crime and violence, and are being threatened as a result of inadequate security arrangements for the prevention of physical violence, theft, burglary, and other crimes;

“(B) older persons generally regard the fear of crime as the most serious problem in their lives, to the extent that one-fourth of all Americans over 65 voluntarily restrict their mobility because of it;

“(C) crime and the fear of crime have led some residents to move from public housing projects;

“(D) an integral part of successfully providing decent, safe, and sanitary dwellings for low-income persons is to insure that the housing is secure;

“(E) local public housing authorities may have inadequate security arrangements for the prevention of crime and vandalism; and

“(F) action is needed to provide for the security of public housing residents and to preserve the Nation’s investment in its public housing stock.

“(2) It is, therefore, declared to be the policy of the United States to provide for a demonstration and evaluation of effective means of mitigating crime and vandalism in public housing projects, in order to provide a safe living environment for the residents, particularly the elderly residents, of such projects.

“(c)(1) The Secretary of Housing and Urban Development shall promptly initiate and carry out during the fiscal year beginning on October 1, 1978, to the extent approved in appropriation Acts, a program for the development, demonstration, and evaluation of improved, innovative community anticrime and security methods, concepts and techniques which will mitigate the level of crime in public housing projects and their surrounding neighborhoods.

“(2) In selecting public housing projects to receive assistance under this section, the Secretary shall assure that a broad spectrum of project types, locations and tenant populations are represented and shall consider at least the following: the extent of crime and vandalism currently existing in the projects; the extent, nature and quality of community anticrime efforts in the projects and surrounding areas; the extent, nature and quality of police and other protective services available to the projects and their tenants; the demand for public housing units in the locality, the vacancy rate, and extent of abandonment of such units; and the characteristics and needs of the public housing tenants.

“(3) In selecting the anticrime and security methods, concepts and techniques to be demonstrated under this section, the Secretary shall consider the improvement of physical security equipment or dwelling units in those projects, social and environmental design improvements, tenant awareness and volunteer programs, tenant participation and employment in providing security services, and such other measures as deemed necessary or appropriate by the Secretary. Particular attention shall be given to comprehensive community anticrime and security plans submitted by public housing authorities which (i) provide for coordination between public housing management and local law enforcement officials, or (ii) coordinate resources available to the community through programs funded by the Law Enforcement Assistance Administration, the Department of Health and Human Services, the Department of Labor, the Community Services Administration, and the Corporation for National and Community Service, or other Federal or State agencies.

“(4) In carrying out the provisions of this section, the Secretary shall coordinate and jointly target resources with other agencies, particularly the Law Enforcement Assistance Administration, the Department of Health and Human Services, the Department of Labor, the Department of Justice, the Department of the Interior, the Department of Commerce, the Department of Education, the Corporation for National and Community Service, the Community Services Administration, and State and local agencies.

“(5) In order to assess the impact of crime and vandalism in public housing projects, the Secretary may, as part of the Annual Housing Survey conducted by the Department of Housing and Urban Development or by other means, collect data on crime and vandalism and integrate the data collection with the victimization surveys undertaken by the Department of Justice and the Department of Commerce.

“(6) The Secretary shall, to the maximum extent practicable, utilize information derived from the program authorized by this section for assisting in establishing (A) guidelines to be used by public housing authorities in determining strategies to meet the security needs of tenants of public housing projects assisted under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] other than under section 8 of such Act [42 U.S.C. 1437f], and (B) guidelines for improvements relating to the security of projects (and the tenants living in such projects) assisted under section 14 of such Act [42 U.S.C. 1437g].

“(d) The Secretary shall initiate and carry out a survey of crime and vandalism existing in the Nation’s public housing projects. The survey shall include the nature, extent and impact of crime and vandalism and the nature and extent of resources currently available and employed to alleviate crime and vandalism in public housing.

“(e) The Secretary shall report to the Congress not later than eighteen months after the date of enactment of the Housing and Community Development Act of 1980 [Oct. 8, 1980]. Such report shall include the results of the survey on crime and vandalism in public housing; findings from the demonstration and evaluation of various methods of reducing the level of crime; and legislative recommendations, if appropriate for (A) a comprehensive program to increase security in public housing projects and (B) increasing the coordination between anticrime programs of other State and Federal agencies that may be used by public housing authorities. Any recommendations shall include estimated costs of such programs.

“(f) Of the additional authority approved in appropriation Acts with respect to entering into annual contributions contracts under section 5(c) of the United States Housing Act of 1937 [42 U.S.C. 1437c(c)] for the fiscal year beginning on October 1, 1978, the Secretary may utilize up to \$12,000,000 of such authority in the fiscal year beginning on October 1, 1978, for the establishment of the public housing security demonstration program authorized by this section. Of the authority approved in appropriation Acts for the purpose of entering into annual contributions contracts under section 5(c) of the United States Housing Act of 1937 with respect to the fiscal year beginning on October 1, 1980, the Secretary may enter into contracts to carry out this section, except that the aggregate amount obligated over the duration of such contracts may not exceed \$10,000,000.”

§ 1701z-7. Studies to determine extent of need for counseling to mortgagors; report to Congress

(a) In carrying out activities under section 1701z-1 of this title, the Secretary is directed to undertake programs of studies and demonstrations within at least three standard metropolitan statistical areas to determine the extent of need for and cost effectiveness of providing pre-purchase, default and delinquency counseling

and related services to owners and purchasers of single-family dwellings insured or to be insured under the unsubsidized mortgage insurance programs of the National Housing Act [12 U.S.C. 1701 et seq.].

(b) Within one year from August 3, 1976, the Secretary shall submit an interim report to the Congress with respect to the progress made under such studies and demonstrations, including an estimate as to the date when a final report on the results of such demonstrations will be made available to the Congress.

(1) Contract with owner for project-based assistance

In the case of multifamily housing projects that are acquired by a purchaser other than the Secretary at foreclosure or after sale by the Secretary, the Secretary may enter into contracts under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] (to the extent budget authority is available) with owners of the projects, subject to the following requirements:

(A) Subsidized or formerly subsidized projects receiving mortgage-related assistance

In the case of a subsidized or formerly subsidized project referred to in subparagraphs (A) through (C) of subsection (b)(2)—

retary acts pursuant to the provisions of subparagraph (C);

(ii) the contract shall provide that, when a vacancy occurs in any unit in the project requiring project-based rental assistance pursuant to this subparagraph that is occupied by a family who is not eligible for assistance under such section 8 [42 U.S.C. 1437f], the owner shall lease the available unit to a family eligible for assistance under such section 8; and

(iii) the Secretary shall take actions to ensure that any unit in any such project that does not otherwise receive project-based assistance under this subparagraph remains available and affordable for the remaining useful life of the project, as defined by the Secretary; to carry out this clause, the Secretary may require purchasers to establish use or rent restrictions maintaining the affordability of such units.

(B) Subsidized or formerly subsidized projects receiving rental assistance

In the case of a subsidized or formerly subsidized project referred to in subsection (b)(2)(D) that is not subject to subparagraph (A)—

(i) the contract shall be sufficient to assist at least all units in the project that are covered, or were covered immediately before foreclosure on or acquisition of the project by the Secretary, by an assistance contract under any of the provisions referred to in such subsection, unless the Secretary acts pursuant to provisions of subparagraph (C); and

(ii) the contract shall provide that, when a vacancy occurs in any unit in the project requiring project-based rental assistance pursuant to this subparagraph that is occupied by a family who is not eligible for assistance under such section 8 [42 U.S.C. 1437f], the owner shall lease the available unit to a family eligible for assistance under such section 8.

(C) Exceptions

(i) Authority

In lieu of providing project-based assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] in accordance with subparagraph (A)(i) or (B)(i) for a project, the Secretary may, for certain units in unsubsidized projects located within the same market area as the project otherwise required to be assisted with such project-based assistance—

(I) require use and rent restrictions providing that such units shall be available to and affordable by very low-income families for the remaining useful life of the project (as defined by the Secretary), or

(II) provide project-based assistance under section 8 for such units to be occupied by only very low-income persons,

but only if the requirements under clause (ii) are met.

(ii) Requirements

The requirements under this clause are that—

(I) upon the disposition of the project otherwise required to be assisted with project-based assistance under subparagraph (A)(i) or (B)(i), the Secretary shall make available tenant-based assistance under section 8 [42 U.S.C. 1437f] to low-income families residing in units otherwise required to be assisted with such project-based assistance; and

(II) the number of units subject to use restrictions or provided assistance under clause (i) shall be at least equivalent to the number of units otherwise required to be assisted with project-based assistance under section 8 in accordance with subparagraph (A)(i) or (B)(i).

(D) Unsubsidized projects

Notwithstanding actions taken pursuant to subparagraph (C), in the case of unsubsidized projects, the contract shall be sufficient to provide—

(i) project-based rental assistance for all units that are covered, or were covered immediately before foreclosure or acquisition, by an assistance contract under—

(I) the new construction and substantial rehabilitation program under section 8(b)(2) of the United States Housing Act of 1937 [42 U.S.C. 1437f(b)(2)] (as in effect before October 1, 1983);

(II) the property disposition program under section 8(b) of such Act;

(III) the project-based certificate program under section 8 of such Act;

(IV) the moderate rehabilitation program under section 8(e)(2) of such Act;

(V) section 23 of such Act [42 U.S.C. 1421b] (as in effect before January 1, 1975);

(VI) the rent supplement program under section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s]; or

(VII) section 8 of the United States Housing Act of 1937, following conversion from assistance under section 101 of the Housing and Urban Development Act of 1965; and

(ii) tenant-based assistance under section 8 of the United States Housing Act of 1937 for families that are preexisting tenants of the project in units that, immediately before foreclosure or acquisition of the project by the Secretary, were covered by an assistance contract under the loan management set-aside program under section 8(b) of the United States Housing Act of 1937.

(2) Annual contribution contracts for tenant-based assistance

In the case of multifamily housing projects that are acquired by a purchaser other than the Secretary at foreclosure or after sale by the Secretary, the Secretary may enter into annual contribution contracts with public housing agencies to provide tenant-based as-

sistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] on behalf of all low-income families who are otherwise eligible for assistance in accordance with subparagraph (A), (B), or (D) of paragraph (1) on the date that the project is acquired by the purchaser, subject to the following requirements:

(A) Requirement of sufficient affordable housing in area

The Secretary may not take action under this paragraph unless the Secretary determines that there is available in the area an adequate supply of habitable, affordable housing for very low-income families and other low-income families using tenant-based assistance.

(B) Limitation for subsidized and formerly subsidized projects

The Secretary may not take actions under this paragraph in connection with units in subsidized or formerly subsidized projects for more than 10 percent of the aggregate number of units in such projects disposed of by the Secretary in any fiscal year.

(3) Other assistance

(A) In general

In accordance with the authority provided under the National Housing Act [12 U.S.C. 1701 et seq.], the Secretary may provide other assistance pursuant to subsection (f) to the owners of multifamily housing projects that are acquired by a purchaser other than the Secretary at foreclosure, or after sale by the Secretary, on terms that ensure that—

- (i) at least the units in the project otherwise required to receive project-based assistance pursuant to subparagraphs (A), (B), or (D) of paragraph (1) are available to and affordable by low-income persons; and
- (ii) for the remaining useful life of the project, as defined by the Secretary, there shall be in force such use or rent restrictions as the Secretary may prescribe.

(B) Very low-income tenants

If, as a result of actions taken pursuant to this paragraph, the rents charged to any very low-income families residing in the project who are otherwise required (pursuant to subparagraph (A), (B), or (D) of paragraph (1)) to receive project-based assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] exceed the amount payable as rent under section 3(a) of the United States Housing Act of 1937 [42 U.S.C. 1437a(a)], the Secretary shall provide tenant-based assistance under section 8 of such Act to such families.

(f) Discretionary assistance

In addition to the actions required under subsection (e) for a subsidized, formerly subsidized, or unsubsidized multifamily housing project, the Secretary may, pursuant to the disposition plan and the goals in subsection (a), take one or more of the following actions:

(1) Discounted sales price

In accordance with the authority provided under the National Housing Act [12 U.S.C. 1701

et seq.], the Secretary may reduce the selling price of the project. Such reduced sales price shall be reasonably related to the intended use of the property after sale, any rehabilitation requirements for the project, the rents for units in the project that can be supported by the market, the amount of rental assistance available for the project under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f], the occupancy profile of the project (including family size and income levels for tenant families), and any other factors that the Secretary considers appropriate.

(2) Use and rent restrictions

The Secretary may require certain units in a project to be subject to use or rent restrictions providing that such units will be available to and affordable by low- and very low-income persons for the remaining useful life of the property, as defined by the Secretary.

(3) Short-term loans

The Secretary may provide short-term loans to facilitate the sale of a multifamily housing project if—

- (A) authority for such loans is provided in advance in an appropriation Act;
- (B) such loan has a term of not more than 5 years;

(C) the Secretary determines, based upon documentation provided to the Secretary, that the borrower has obtained a commitment of permanent financing to replace the short-term loan from a lender who meets standards established by the Secretary; and

(D) the terms of such loan are consistent with prevailing practices in the marketplace or the provision of such loan results in no cost to the Government, as defined in section 661a of title 2.

(4) Up-front grants

If the Secretary determines that action under this paragraph is more cost-effective than establishing rents pursuant to subsection (h)(2), the Secretary may utilize the budget authority provided for contracts issued under this section for project-based assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] to (in addition to providing project-based section 8 rental assistance) provide up-front grants for the necessary cost of rehabilitation and other related development costs. This paragraph shall be effective during fiscal years 2006 through 2010 only to the extent that such budget authority is made available for use under this paragraph in advance in appropriation Acts.

(5) Tenant-based assistance

The Secretary may make available tenant-based assistance under section 8 of the United States Housing Act of 1937 to families residing in a multifamily housing project that do not otherwise qualify for project-based assistance.

(6) Alternative uses

(A) In general

Notwithstanding any other provision of law, after providing notice to and an opportunity for comment by preexisting tenants, the Secretary may allow not more than—

(i) 10 percent of the total number of units in multifamily housing projects that are disposed of by the Secretary during any fiscal year to be made available for uses other than rental or cooperative uses, including low-income homeownership opportunities, or in any particular project, community space, office space for tenant or housing-related service providers or security programs, or small business uses, if such uses benefit the tenants of the project; and

(ii) 5 percent of the total number of units in multifamily housing projects that are disposed of by the Secretary during any fiscal year to be used in any manner, if the Secretary and the unit of general local government or area-wide governing body determine that such use will further fair housing, community development, or neighborhood revitalization goals.

(B) Displacement protection

The Secretary may take actions under subparagraph (A) only if—

(i) tenant-based rental assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] is made available to each eligible family residing in the project that is displaced as a result of such actions; and

(ii) the Secretary determines that sufficient habitable, affordable rental housing is available in the market area in which the project is located to ensure use of such assistance.

(7) Transfer for use under other programs of Secretary

(A) In general

Notwithstanding the provisions of subsection (e), the Secretary may, pursuant to an agreement under subparagraph (B), transfer a multifamily housing project—

(i) to a public housing agency for use of the project as public housing; or

(ii) to an entity eligible to own or operate housing assisted under section 1701q of this title or under section 811 of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 8013] for use as supportive housing under either of such sections.

(B) Requirements for agreement

An agreement providing for the transfer of a project described in subparagraph (A) shall—

(i) contain such terms, conditions, and limitations as the Secretary determines appropriate, including requirements to ensure use of the project as public housing, supportive housing under section 1701q of this title, or supportive housing under section 811 of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 8013], as applicable; and

(ii) ensure that no tenant of the project will be displaced as a result of actions taken under this paragraph.

(8) Rebuilding

Notwithstanding any provision of section 8 of the United States Housing Act of 1937 [42

U.S.C. 1437f], the Secretary may provide project-based assistance in accordance with subsection (e) of this section to support the rebuilding of a multifamily housing project rebuilt or to be rebuilt (in whole or in part and on-site, off-site, or in a combination of both) in connection with disposition under this section, if the Secretary determines that—

(A) the project is not being maintained in a decent, safe, and sanitary condition;

(B) rebuilding the project would be less expensive than substantial rehabilitation;

(C) the unit of general local government in which the project is located approves the rebuilding and makes a financial contribution or other commitment to the project; and

(D) the rebuilding is a part of a local neighborhood revitalization plan approved by the unit of general local government.

The provisions of subsection (j)(2) shall apply to any tenants of the project who are displaced.

(9) Emergency assistance funds

The Secretary may make arrangements with State agencies and units of general local government of States receiving emergency assistance under part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.] for the provision of assistance under such Act [42 U.S.C. 301 et seq.] on behalf of eligible families who would reside in any multifamily housing projects.

(g) Protection for unassisted very low-income tenants

For each multifamily housing project disposed of under this section, the Secretary shall require that, for any very low-income family who is a preexisting tenant of the project who (upon disposition) would be required to pay rent in an amount in excess of 30 percent of the adjusted income (as such term is defined in section 3(b) of the United States Housing Act of 1937 [42 U.S.C. 1437a(b)]) of the family—

(1) for a period of 2 years beginning upon the date of the acquisition of the project by the purchaser under such disposition, the rent for the unit occupied by the family may not be increased above the rent charged immediately before acquisition;

(2) such family shall be considered displaced for purposes of any system of preferences established pursuant to section 6(c)(4)(A), 8(d)(1)(A), or 8(o)(6)(A) of the United States Housing Act of 1937 [42 U.S.C. 1437d(c)(4)(A), 1437f(d)(1)(A), and 1437f(o)(6)(A)]; and

(3) notice shall be provided to such family, not later than the date of the acquisition of the project by the purchaser—

(A) of the requirements under paragraphs (1) and (2); and

(B) that, after the expiration of the period under paragraph (1), the rent for the unit occupied by the family may be increased.

(h) Contract requirements

Contracts for project-based rental assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] provided pursuant to this section shall be subject to the following requirements:

(1) Contract term

The contract shall have a term of 15 years, except that the term may be less than 15 years—

(A) to the extent that the Secretary finds that, based on the rental charges and financing for the multifamily housing project to which the contract relates, the financial viability of the project can be maintained under a contract having such a term; except that the Secretary shall require that the amount of rent payable by tenants of the project for units assisted under such contract shall not exceed the amount payable for rent under section 3(a) of the United States Housing Act of 1937 [42 U.S.C. 1437a(a)] for a period of at least 15 years; or

(B) if such assistance is provided—

(i) under a contract authorized under section 6 of the HUD Demonstration Act of 1993; and

(ii) pursuant to a disposition plan under this section for a project that is determined by the Secretary to be otherwise in compliance with this section.

(2) Contract rent

The Secretary shall establish the contract rents under such contracts at levels that, together with other resources available to the purchasers, provide sufficient amounts for the necessary costs of rehabilitating and operating the multifamily housing project and do not exceed the percentage of the existing housing fair market rentals for the market area in which the project assisted under the contract is located as determined by the Secretary under section 8(c) of the United States Housing Act of 1937 [42 U.S.C. 1437f(c)].

(i) Right of first refusal for local and State government agencies**(1) Notification**

Not later than 30 days after the Secretary acquires title to a multifamily housing project, the Secretary shall notify the appropriate unit of general local government (including public housing agencies) and State agency or agencies designated by the chief executive officer of the State in which the project is located of such acquisition of title and that, for a period beginning upon such notification that does not exceed 90 days, such unit of general local government and agency or agencies shall have the exclusive right under this subsection to make bona fide offers to purchase the project.

(2) Right of first refusal

During the 90-day period, the Secretary may not sell or offer to sell the multifamily housing project other than to a party notified under paragraph (1), unless the unit of general local government and the designated State agency or agencies notify the Secretary that they will not make an offer to purchase the project. The Secretary shall accept a bona fide offer to purchase the project made during such period if it complies with the terms and conditions of the disposition plan for the project or is otherwise acceptable to the Secretary.

(3) Procedure

The Secretary shall establish any procedures necessary to carry out this subsection.

(j) Displacement of tenants and relocation assistance**(1) In general**

Whenever tenants will be displaced as a result of the demolition of, repairs to, or conversion in the use of, a multifamily housing project that is owned by the Secretary (or for which the Secretary is mortgagee in possession), the Secretary shall identify tenants who will be displaced, and shall notify all such tenants of their pending displacement and of any relocation assistance that may be available. In the case of a multifamily housing project that is subject to a mortgage held by the Secretary, the Secretary shall require the owner of the project to carry out the requirements of this paragraph, if the Secretary has authorized the demolition of, repairs to, or conversion in the use of such multifamily housing project.

(2) Rights of displaced tenants

The Secretary shall ensure for any such tenant (who continues to meet applicable qualification standards) the right—

(A) to return, whenever possible, to a repaired or rebuilt unit;

(B) to occupy a unit in another multifamily housing project owned by the Secretary;

(C) to obtain housing assistance under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.]; or

(D) to receive any other available similar relocation assistance as the Secretary determines to be appropriate.

(k) Mortgage and project sales**(1) In general**

The Secretary may not approve the sale of any loan or mortgage held by the Secretary (including any loan or mortgage owned by the Government National Mortgage Association) on any subsidized project or formerly subsidized project, unless such sale is made as part of a transaction that will ensure that such project will continue to operate at least until the maturity date of such loan or mortgage, in a manner that will provide rental housing on terms at least as advantageous to existing and future tenants as the terms required by the program under which the loan or mortgage was made or insured prior to the assignment of the loan or mortgage on such project to the Secretary.

(2) Sale of certain projects

The Secretary may not approve the sale of any subsidized project—

(A) that is subject to a mortgage held by the Secretary, or

(B) if the sale transaction involves the provision of any additional subsidy funds by the Secretary or a recasting of the mortgage,

unless such sale is made as part of a transaction that will ensure that the project will continue to operate, at least until the maturity date of the loan or mortgage, in a manner that will provide rental housing on terms at

least as advantageous to existing and future tenants as the terms required by the program under which the loan or mortgage was made or insured prior to the proposed sale of the project.

(3) Mortgage sales to State and local governments

Notwithstanding any provision of law that requires competitive sales or bidding, the Secretary may carry out negotiated sales of mortgages held by the Secretary, without the competitive selection of purchasers or intermediaries, to units of general local government or State agencies, or groups of investors that include at least one such unit of general local government or State agency, if the negotiations are conducted with such agencies, except that—

(A) the terms of any such sale shall include the agreement of the purchasing agency or unit of local government or State agency to act as mortgagee or owner of a beneficial interest in such mortgages, in a manner consistent with maintaining the projects that are subject to such mortgages for occupancy by the general tenant group intended to be served by the applicable mortgage insurance program, including, to the extent the Secretary determines appropriate, authorizing such unit of local government or State agency to enforce the provisions of any regulatory agreement or other program requirements applicable to the related projects; and

(B) the sales prices for such mortgages shall be, in the determination of the Secretary, the best prices that may be obtained for such mortgages from a unit of general local government or State agency, consistent with the expectation and intention that the projects financed will be retained for use under the applicable mortgage insurance program for the life of the initial mortgage insurance contract.

(4) Sale of mortgages covering unsubsidized projects

Notwithstanding any other provision of law, the Secretary may sell mortgages held on projects that are not subsidized or formerly subsidized projects on such terms and conditions as the Secretary may prescribe.

(5) Mortgage sale demonstration

In any fiscal year, the aggregate number of mortgages insured pursuant to this section may not exceed 5 percent of the aggregate number of mortgages for 1- to 4-family residences insured by the Secretary of Housing and Urban Development under title II of the National Housing Act (12 U.S.C. 1707 et seq.) during the preceding fiscal year.

¹ So in original. There probably should be an additional closing parenthesis.

(3) Authority for mortgagees

In granting mortgages under the pilot program established pursuant to this subsection, the Secretary shall grant mortgagees the authority—

(A) to permit the final loan amount to exceed the loan limits established under title II of the National Housing Act [12 U.S.C. 1707 et seq.] by an amount not to exceed 100 percent of the cost of the cost-effective energy efficiency improvements, if the mortgagor's request to add the cost of such improvements is received by the mortgagee prior to funding of the base loan;

(B) to hold in escrow all funds provided to the mortgagor to undertake the energy efficiency improvements until the efficiency improvements are actually installed; and

(C) to transfer or sell the energy efficient mortgage to the appropriate secondary market agency, after the mortgage is issued, but before the energy efficiency improvements are actually installed.

(4) Promotion of pilot program

The Secretary shall encourage participation in the energy efficient mortgage pilot program by—

(A) making available information to lending agencies and other appropriate authorities regarding the availability and benefits of energy efficient mortgages;

(B) requiring mortgagees and designated lending authorities to provide written notice of the availability and benefits of the pilot program to mortgagors applying for financing in those States designated by the Secretary as participating under the pilot program; and

(C) requiring each applicant for a mortgage insured under title II of the National Housing Act [12 U.S.C. 1707 et seq.] in those States participating under the pilot program to sign a statement that such applicant has been informed of the program requirements and understands the benefits of energy efficient mortgages.

(5) Training program

Not later than 9 months after October 24, 1992, the Secretary, in consultation with the Secretary of Energy, shall establish and implement a program for training personnel at relevant lending agencies, real estate companies, and other appropriate organizations regarding the benefits of energy efficient mortgages and the operation of the pilot program under this subsection.

(c) Definitions

For purposes of this section:

(1) The term "base loan" means any mortgage loan for a residential building eligible for insurance under title II of the National Housing Act [12 U.S.C. 1707 et seq.] or title 38 that does not include the cost of cost-effective energy improvements.

(2) The term "cost-effective" means, with respect to energy efficiency improvements to a residential building, improvements that result in the total present value cost of the improvements (including any maintenance and repair expenses) being less than the total present value of the energy saved over the useful life of the improvement, when 100 percent of the cost of improvements is added to the base loan. For purposes of this paragraph, savings and cost-effectiveness shall be determined pursuant to a home energy rating report sufficient for purposes of the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation, or by other technically accurate methods.

(3) The term "energy efficient mortgage" means a mortgage on a residential building that recognizes the energy savings of a home that has cost-effective energy saving construction or improvements (including solar water heaters, solar-assisted air conditioners and ventilators, super-insulation, and insulating glass and film) and that has the effect of not disqualifying a borrower who, but for the expenditures on energy saving construction or improvements, would otherwise have qualified for a base loan.

(4) The term "residential building" means any attached or unattached single family residence.

(d) Rule of construction

This section may not be construed to affect any other programs of the Secretary of Housing and Urban Development for energy-efficient mortgages. The pilot program carried out under this section shall not replace or result in the termination of such other programs.

(e) Regulations

The Secretary shall issue any regulations necessary to carry out this section not later than the expiration of the 180-day period beginning on October 24, 1992. The regulations shall be issued after notice and opportunity for public comment pursuant to the provisions of section 553 of title 5 (notwithstanding subsections (a)(2), (b)(B), and (d)(3) of such section).

(f) Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary to carry out this section.

§ 1703. Insurance of financial institutions

(a) Authority to insure financial institutions

The Secretary is authorized and empowered upon such terms and conditions as he may prescribe, to insure banks, trust companies, personal finance companies, mortgage companies, building and loan associations, installment lending companies and other such financial institutions, which the Secretary finds to be qualified by experience or facilities and approves as eligible for credit insurance, against losses which they may sustain as a result of loans and advances of credit, and purchases of obligations representing loans and advances of credit, made by them for the purpose of (i) financing alterations, repairs, and improvements upon or in connection with existing structures or manufactured homes, and the building of new structures, upon urban, suburban, or rural real property (including the restoration, rehabilitation, rebuilding, and replacement of such improvements which have been damaged or destroyed by earthquake, conflagration, tornado, hurricane, cyclone, flood, or other catastrophe), by the owners thereof or by lessees of such real property under a lease expiring not less than six months after the maturity of the loan or advance of credit; and for the purpose of (ii) financing the

purchase of a manufactured home to be used by the owner as his principal residence or financing the purchase of a lot on which to place such home and paying expenses reasonably necessary for the appropriate preparation of such lot, including the installation of utility connections, sanitary facilities, and paving, and the construction of a suitable pad, or financing only the acquisition of such a lot either with or without such preparation by an owner of a manufactured home; and for the purpose of financing the preservation of historic structures, and, as used in this section, the term "historic structures" means residential structures which are registered in the National Register of Historic Places or which are certified by the Secretary of the Interior to conform to National Register criteria; and the term "preservation" means restoration or rehabilitation undertaken for such purposes as are approved by the Secretary in regulations issued by him, after consulting with the Secretary of the Interior. Other than in connection with a manufactured home or a lot on which to place such a home (or both), in no case shall the insurance granted by the Secretary under this section to any such financial institution on loans, advances of credit, and purchases made by such financial institution for such purposes exceed 10 per centum of the total amount of such loans, advances of credit, and purchases. With respect to any loan, advance of credit, or purchase, the amount of any claim for loss on any such individual loan, advance of credit or purchase paid by the Secretary under the provisions of this section to a lending institution shall not exceed 90 per centum of such loss.

After August 2, 1954, (i) the Secretary shall not enter into contracts for insurance pursuant to this section except with lending institutions which are subject to the inspection and supervision of a governmental agency required by law to make periodic examinations of their books and accounts, and which the Secretary finds to be qualified by experience or facilities to make and service such loans, advances or purchases, and with such other lending institutions which the Secretary approves as eligible for insurance pursuant to this section on the basis of their credit and their experience or facilities to make and service such loans, advances or purchases; (ii) only such items as substantially protect or improve the basic livability or utility of properties shall be eligible for financing under this section, and therefore the Secretary shall from time to time declare ineligible for financing under this section any item, product, alteration, repair, improvement, or class thereof which he determines would not substantially protect or improve the basic livability or utility of such properties, and he may also declare ineligible for financing under this section any item which he determines is especially subject to selling abuses; and (iii) the Secretary is authorized and directed, by such regulations or procedures as he shall deem advisable, to prevent the use of any financial assistance under this section (1) with respect to new residential structures (other than manufactured homes) that have not been completed and occupied for at least six months, or (2) which would, through multiple loans, result in an outstanding aggregate loan balance with

respect to the same structure exceeding the dollar amount limitation prescribed in this subsection for the type of loan involved: *Provided*, That this clause (iii) may in the discretion of the Secretary be waived with respect to the period of occupancy or completion of any such new residential structures. The Secretary is hereby authorized and directed, with respect to manufactured homes to be financed under this section, to (i) prescribe minimum property standards to assure the livability and durability of the manufactured home and the suitability of the site on which the manufactured home is to be located; and (ii) obtain assurances from the borrower that the manufactured home will be placed on a site which complies with the standards prescribed by the Secretary and with local zoning and other applicable local requirements.

The insurance authority provided under this section may be made available with respect to any existing manufactured home that has not been insured under this section if such home was constructed in accordance with the standards issued under the National Manufactured Housing Construction and Safety Standards Act of 1974 [42 U.S.C. 5401 et seq.] and it meets standards similar to the minimum property standards applicable to existing homes insured under subchapter II.

Alterations, repairs, and improvements upon or in connection with existing structures may include the provision of fire safety equipment, energy conserving improvements, or the installation of solar energy systems. Alterations, repairs, and improvements upon or in connection with existing structures may also include the evaluation and reduction of lead-based paint hazards. As used in this section—

(1) the term “fire safety equipment” means any device or facility which is designed to reduce the risk of personal injury or property damage resulting from fire and is in conformity with such criteria and standards as shall be prescribed by the Secretary;

(2) the term “energy conserving improvements” means the purchase and installation of weatherization materials as defined in section 6862(9) of title 42; and¹

(3) the term “solar energy system” means any addition, alteration, or improvement to an existing or new structure which is designed to utilize wind energy or solar energy either of the active type based on mechanically forced energy transfer or of the passive type based on convective, conductive, or radiant energy transfer or some combination of these types to reduce the energy requirements of that structure from other energy sources, and which is in conformity with such criteria and standards as shall be prescribed by the Secretary in consultation with the Secretary of Energy.²

(4) the terms “evaluation”, “reduction”, and “lead-based paint hazard” have the same meanings given those terms in section 4851b of title 42.

(b) Conditions for denial of insurance

(1) Except as provided in the last sentence of this paragraph, no insurance shall be granted

under this section to any such financial institution with respect to any obligation representing any such loan, advance of credit, or purchase by it if the amount of such loan, advance of credit, or purchase exceeds—

(A)(i) \$25,000 if made for the purpose of financing alterations, repairs and improvements upon or in connection with existing single-family structures; and

(ii) \$25,090 if made for the purpose of financing alterations, repairs and improvements upon or in connection with existing manufactured homes;

(B) \$60,000 or an average amount of \$12,000 per family unit if made for the purpose of financing the alteration, repair, improvement, or conversion of an existing structure used or to be used as an apartment house or a dwelling for two or more families;

(C) \$69,678 if made for the purpose of financing the purchase of a manufactured home;

(D) \$92,904 if made for the purpose of financing the purchase of a manufactured home and a suitably developed lot on which to place the home; and¹

The Secretary shall, by regulation, annually increase the dollar amount limitations in subparagraphs (A)(ii), (C), (D), and (E) (as such limitations may have been previously adjusted under this sentence) in accordance with the index established pursuant to paragraph (9).

(2) Because of prevailing higher costs, the Secretary may, by regulation, in Alaska, Guam, or Hawaii, increase any dollar amount limitation on manufactured homes or manufactured home lot loans contained in this subsection by not to exceed 40 per centum. In other areas, the maximum dollar amounts specified in subsections (b)(1)(D) and (b)(1)(E) may be increased on an area-by-area basis to the extent the Secretary deems necessary, but in no case may such limits, as so increased, exceed the lesser of (A) 185 percent of the dollar amount specified, or (B) the dollar amount specified as increased by the same percentage by which 95 percent of the median one-family house price in the area (as determined by the Secretary) exceeds \$67,500.

(ii) fifteen years and thirty-two days if made for the purpose of financing alterations, repairs, and improvements upon or in connection with an existing manufactured home;

(F) fifteen years and thirty-two days if made for the purpose of financing the preservation of an historic structure;

(G) such term to maturity as the Secretary may prescribe if made for the purpose of financing the construction of a new structure for use in whole or in part for agricultural purposes; and

(H) such term to maturity as the Secretary may prescribe if made for the purpose of financing fire safety equipment for a nursing home, extended health care facility, intermediate health care facility, or other comparable health care facility.

(4) For the purpose of this subsection—

(A) the term “developed lot” includes an interest in a condominium project (including any interest in the common areas) or a share in a cooperative association;

(B) a loan to finance the purchase of a manufactured home or a manufactured home and lot may also finance the purchase of a garage, patio, carport, or other comparable appurtenance; and

(C) a loan to finance the purchase of a manufactured home or a manufactured home and lot shall be secured by a first lien upon such home or home and lot, its furnishings, equipment, accessories, and appurtenances.

(5) No insurance shall be granted under this section to any such financial institution with respect to any obligation representing any such loan, advance of credit, or purchase by it unless the obligation has such maturity, bears such in-

surance premium charges, and contains such other terms, conditions, and restrictions as the Secretary shall prescribe, in order to make credit available for the purpose of this subchapter. Any such obligation with respect to which insurance is granted under this section shall bear interest at such rate as may be agreed upon by the borrower and the financial institution.

(6)(A) Any obligation with respect to which insurance is granted under this section may be refinanced and extended in accordance with such terms and conditions as the Secretary may prescribe, but in no event for an additional amount or term in excess of any applicable maximum provided for in this subsection.

(B) The owner of a manufactured home lot purchased without assistance under this section but otherwise meeting the requirements of this section may refinance such lot under this section in connection with the purchase of a manufactured home if the borrower certifies that the home and lot is or will be his or her principal residence within six months after the date of the loan.

(C) The owner-occupant of a manufactured home or a home and lot which was purchased without assistance under this section but which otherwise meets the requirements of this section may refinance such home or home and lot under this section if the home was constructed in accordance with standards established under section 604 of the National Manufactured Housing Construction and Safety Standards Act of 1974 [42 U.S.C. 5403].

(7) With respect to the financing of alterations, repairs, and improvements to existing structures or the building of new structures as authorized under clause (i) of the first sentence of subsection (a), any loan broker (as defined by the Secretary) or any other party having a financial interest in the making of such a loan or advance of credit or in providing assistance to the borrower in preparing the loan application or otherwise assisting the borrower in obtaining the loan or advance of credit who knowingly (as defined in section 1735f-14(g) of this title) submits to any such financial institution or to the Secretary false information shall be subject to a civil money penalty in the amount and manner provided under section 1735f-14 of this title with respect to mortgagees and lenders under this chapter.

(8) INSURANCE BENEFITS FOR MANUFACTURED HOUSING LOANS.—Any contract of insurance with respect to loans, advances of credit, or purchases in connection with a manufactured home or a lot on which to place a manufactured home (or both) for a financial institution that is executed under this subchapter after July 30, 2008, by the Secretary shall be conclusive evidence of the eligibility of such financial institution for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of the bearer from the date of the execution of such contract, except for fraud or misrepresentation on the part of such institution.

(9) ANNUAL INDEXING OF MANUFACTURED HOUSING LOANS.—The Secretary shall develop a method of indexing in order to annually adjust the loan limits established in subparagraphs (A)(ii), (C), (D), and (E) of this subsection. Such index

shall be based on the manufactured housing price data collected by the United States Census Bureau. The Secretary shall establish such index no later than 1 year after July 30, 2008.

(10) **FINANCIAL SOUNDNESS OF MANUFACTURED HOUSING PROGRAM.**—The Secretary shall establish such underwriting criteria for loans and advances of credit in connection with a manufactured home or a lot on which to place a manufactured home (or both), including such loans and advances represented by obligations purchased by financial institutions, as may be necessary to ensure that the program under this subchapter for insurance for financial institutions against losses from such loans, advances of credit, and purchases is financially sound.

(11) **LEASEHOLD REQUIREMENTS.**—No insurance shall be granted under this section to any such financial institution with respect to any obligation representing any such loan, advance of credit, or purchase by it, made for the purposes of financing a manufactured home which is intended to be situated in a manufactured home community pursuant to a lease, unless such lease—

(A) expires not less than 3 years after the origination date of the obligation;

(B) is renewable upon the expiration of the original 3 year term by successive 1 year terms; and

(C) requires the lessor to provide the lessee written notice of termination of the lease not less than 180 days prior to the expiration of the current lease term in the event the lessee is required to move due to the closing of the manufactured home community, and further provides that failure to provide such notice to the mortgagor in a timely manner will cause the lease term, at its expiration, to automatically renew for an additional 1 year term.

(c) Handling and disposal of property

(1) Authority of Secretary

Notwithstanding any other provision of law, the Secretary may—

(A) deal with, complete, rent, renovate, modernize, insure, or assign or sell at public or private sale, or otherwise dispose of, for cash or credit in the Secretary's discretion, and upon such terms and conditions and for such consideration as the Secretary shall determine to be reasonable, any real or personal property conveyed to or otherwise acquired by the Secretary, in connection with the payment of insurance heretofore or hereafter granted under this subchapter, including any evidence of debt, contract, claim, personal property, or security assigned to or held by him in connection with the payment of insurance heretofore or hereafter granted under this section; and

(B) pursue to final collection, by way of compromise or otherwise, all claims assigned to or held by the Secretary and all legal or equitable rights accruing to the Secretary in connection with the payment of such insurance, including unpaid insurance premiums owed in connection with insurance made available by this subchapter.

(2) Advertisements for proposals

Section 6101 of title 41 shall not be construed to apply to any contract of hazard insurance

or to any purchase or contract for services or supplies on account of such property if the amount thereof does not exceed \$25,000.

(3) Delegation of authority

The power to convey and to execute in the name of the Secretary, deeds of conveyance, deeds of release, assignments and satisfactions of mortgages, and any other written instrument relating to real or personal property or any interest therein heretofore or hereafter acquired by the Secretary pursuant to the provisions of this subchapter may be exercised by an officer appointed by the Secretary without the execution of any express delegation of power or power of attorney. Nothing in this subsection shall be construed to prevent the Secretary from delegating such power by order or by power of attorney, in the Secretary's discretion, to any officer or agent the Secretary may appoint.

(d) Authority to transfer insurance

The Secretary is authorized and empowered, under such regulations as he may prescribe, to transfer to any such approved financial institution any insurance in connection with any loans and advances of credit which may be sold to it by another approved financial institution.

(e) Authority to waive compliance with regulations

The Secretary is authorized to waive compliance with regulations heretofore or hereafter prescribed by him with respect to the interest and maturity of and the terms, conditions, and restrictions under which loans, advances of credit, and purchases may be insured under this section and section 1706a⁴ of this title, if in his judgment the enforcement of such regulations would impose an injustice upon an insured institution which has substantially complied with such regulations in good faith and refunded or credited any excess charge made, and where such waiver does not involve an increase of the obligation of the Secretary beyond the obligation which would have been involved if the regulations had been fully complied with.

(f) Premium charges; manufactured home loans

(1) Premium charges

The Secretary shall fix a premium charge for the insurance hereafter granted under this section, but in the case of any obligation representing any loan, advance of credit, or purchase, such premium charge shall not exceed an amount equivalent to 1 per centum per annum of the net proceeds of such loan, advance of credit, or purchase, for the term of such obligation, and such premium charge shall be payable in advance by the financial institution and shall be paid at such time and in such manner as may be prescribed by the Secretary.

(2) Manufactured home loans

Notwithstanding paragraph (1), in the case of a loan, advance of credit, or purchase in connection with a manufactured home or a lot on which to place such a home (or both), the

(A) At the time of the making of the loan, advance of credit, or purchase, a single premium payment in an amount not to exceed 2.25 percent of the amount of the original insured principal obligation.

(B) In addition to the premium under subparagraph (A), annual premium payments during the term of the loan, advance, or obligation purchased in an amount not exceeding 1.0 percent of the remaining insured principal balance (excluding the portion of the remaining balance attributable to the premium collected under subparagraph (A) and without taking into account delinquent payments or prepayments).

(C) Premium charges under this paragraph shall be established in amounts that are sufficient, but do not exceed the minimum amounts necessary, to maintain a negative credit subsidy for the program under this section for insurance of loans, advances of credit, or purchases in connection with a manufactured home or a lot on which to place such a home (or both), as determined based upon risk to the Federal Government under existing underwriting requirements.

(D) The Secretary may increase the limitations on premium payments to percentages above those set forth in subparagraphs (A) and (B), but only if necessary, and not in excess of the minimum increase necessary, to maintain a negative credit subsidy as described in subparagraph (C).

(g) Finality of payment for loss

Any payment for loss made to an approved financial institution under this section shall be final and incontestable after two years from the date the claim was certified for payment by the Secretary, in the absence of fraud or misrepresentation on the part of such institution, unless a demand for repurchase of the obligation shall have been made on behalf of the United States prior to the expiration of such two-year period.

(h) Authority to regulate

The Secretary is authorized and directed to make such rules and regulations as may be necessary to carry out the provisions of this subchapter.

§ 1706c. Insurance of mortgages

(a) Supplemental system; limitation on amount; termination of authority

To assist in providing adequate housing for families of low and moderate income, particularly in suburban and outlying areas, this section is designed to supplement systems of mortgage insurance under other provisions of this chapter by making feasible the insurance of mortgages covering properties in areas where it is not practicable to obtain conformity with many of the requirements essential to the insurance of mortgages on housing in built-up urban areas. The Secretary is authorized, upon application by the mortgagee, to insure, as hereinafter provided, any mortgage (as defined in section 1707 of this title) offered to him which is eligible for insurance as hereinafter provided, and, upon such terms as the Secretary may prescribe, to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon: *Provided*, That the aggregate amount of principal obligations of all mortgages insured under this section and outstanding at any one time shall not exceed \$100,000,000, except that with the approval of the President such aggregate amount may be increased at any time or times by additional amounts aggregating not more than \$150,000,000 upon a determination by the President, taking into account the general effect of any such increase upon condi-

tions in the building industry and upon the national economy, that such increase is in the public interest: *And provided further*, That no mortgage shall be insured under this section after August 2, 1954, except pursuant to a commitment to insure issued on or before such date.

(b) Eligibility conditions

To be eligible for insurance under this section, a mortgage shall—

(1) have been made to, and be held by, a mortgagee approved by the Secretary as responsible and able to service the mortgage properly;

(2) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed \$5,700, and not to exceed 95 per centum of the appraised value, as of the date the mortgage is accepted for insurance, of a property upon which there is located a dwelling designed principally for a single-family residence, and which is approved for mortgage insurance prior to the beginning of construction: *Provided*, That the mortgagor shall be the owner and occupant of the property at the time of insurance and shall have paid on account of the property at least 5 per centum of the Secretary's estimate of the cost of acquisition in cash or its equivalent, or shall be the builder constructing the dwelling, in which case the principal obligation shall not exceed 85 per centum of the appraised value of the property or \$5,100: *Provided further*, That the Secretary finds that the project with respect to which the mortgage is executed is an acceptable risk, giving consideration to the need for providing adequate housing particularly in suburban and outlying areas: *And provided further*, That, where the mortgagor is the owner and occupant of the property and establishes (to the satisfaction of the Secretary) that his home, which he occupied as an owner or as a tenant, was destroyed or damaged to such an extent that reconstruction is required as a result of a flood, fire, hurricane, earthquake, storm or other catastrophe, which the President, pursuant to sections 5122(2) and 5170 of title 42, has determined to be a major disaster, such maximum dollar limitation may be increased by the Secretary from \$5,700 to \$7,000, and the percentage limitation may be increased by the Secretary from 95 per centum to 100 per centum of the appraised value;

(3) have a maturity satisfactory to the Secretary but not to exceed thirty years from the date of insurance of the mortgage;

(4) contain complete amortization provisions satisfactory to the Secretary requiring periodic payments by the mortgagor not in excess of his reasonable ability to pay as determined by the Secretary;

(5) bear interest (exclusive of premium charges for insurance and service charges, if any) at not to exceed 5 per centum per annum on the amount of the principal obligation outstanding at any time;

(6) provide, in a manner satisfactory to the Secretary, for the application of the mortgagor's periodic payments (exclusive of the

amount allocated to interest and to the premium charge which is required for mortgage insurance as hereinafter provided and to the service charge, if any) to amortization of the principal of the mortgage; and

(7) contain such terms and provisions with respect to insurance, repairs, alterations, payment of taxes, service charges, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, and other matters as the Secretary may in his discretion prescribe.

(c) Premium charge

The Secretary is authorized to fix a premium charge for the insurance of mortgages under this section, but in the case of any mortgage, such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to 1 per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the mortgagee, either in cash or in debentures issued by the Secretary under this section at par plus accrued interest, in such manner as may be prescribed by the Secretary: *Provided*, That the Secretary may require the payment of one or more such premium charges at the time the mortgage is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the mortgage. If the Secretary finds, upon the presentation of a mortgage for insurance and the tender of the initial premium charge or charges so required, that the mortgage complies with the provisions of this section, such mortgage may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe. In the event that the principal obligation of any mortgage accepted for insurance under this section is paid in full prior to the maturity date, the Secretary is further authorized, in his discretion, to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured until such maturity date; and in the event that the principal obligation is paid in full as herein set forth, the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid.

(d) Release of mortgagor

The Secretary may, at any time under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage.

(e) Conclusiveness of insurance contract as to eligibility

Any contract of insurance executed by the Secretary under this section shall be conclusive

evidence of the eligibility of the mortgage for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee.

(f) Rights of mortgagee upon foreclosure

In any case in which the mortgagee under a mortgage insured under this section shall have foreclosed and taken possession of the mortgaged property in accordance with the regulations of, and within a period to be determined by, the Secretary or shall, with the consent of the Secretary, have otherwise acquired such property from the mortgagor after default, the mortgagee shall be entitled to receive the benefits of the insurance as provided in section 1710(a) of this title with respect to mortgages insured under section 203(b)(2)(D) of this Act.

(g) Applicability of other sections

Subsections (c), (d), (e), (f), (g), (h),¹ (j), and (k)¹ of section 1710 of this title shall be applicable to mortgages insured under this section except that all references therein to the Mutual Mortgage Insurance Funds or the Fund shall be construed to refer to the General Insurance Fund, and all references therein to section 1709 of this title shall be construed to refer to this section: *Provided*, That debentures issued in connection with mortgages insured under this section shall have the same tax exemption as debentures issued in connection with mortgages insured under section 1709 of this title.

§ 1708. Federal Housing Administration operations

(a) Mutual Mortgage Insurance Fund

(1) Establishment

Subject to the provisions of the Federal Credit Reform Act of 1990 [2 U.S.C. 661 et seq.], there is hereby created a Mutual Mortgage Insurance Fund (in this subchapter referred to as the “Fund”), which shall be used by the Secretary to carry out the provisions of this subchapter with respect to mortgages insured under section 1709 of this title. The Secretary may enter into commitments to guarantee, and may guarantee, such insured mortgages.

(2) Limit on loan guarantees

The authority of the Secretary to enter into commitments to guarantee such insured mortgages shall be effective for any fiscal year only to the extent that the aggregate original principal loan amount under such mortgages, any part of which is guaranteed, does not exceed the amount specified in appropriations Acts for such fiscal year.

(3) Fiduciary responsibility

The Secretary has a responsibility to ensure that the Mutual Mortgage Insurance Fund remains financially sound.

(4) Annual independent actuarial study

The Secretary shall provide for an independent actuarial study of the Fund to be conducted annually, which shall analyze the financial position of the Fund. The Secretary shall submit a report annually to the Congress describing the results of such study and assessing the financial status of the Fund. The report shall recommend adjustments to underwriting standards, program participation, or premiums, if necessary, to ensure that the Fund remains financially sound. The report shall also include an evaluation of the quality control procedures and accuracy of information utilized in the process of underwriting loans guaranteed by the Fund. Such evaluation shall include a review of the risk characteristics of loans based not only on borrower

information and performance, but on risks associated with loans originated or funded by various entities or financial institutions.

(5) Quarterly reports

During each fiscal year, the Secretary shall submit a report to the Congress for each calendar quarter, which shall specify for mortgages that are obligations of the Fund—

(A) the cumulative volume of loan guarantee commitments that have been made during such fiscal year through the end of the quarter for which the report is submitted;

(B) the types of loans insured, categorized by risk;

(C) any significant changes between actual and projected claim and prepayment activity;

(D) projected versus actual loss rates; and

(E) updated projections of the annual subsidy rates to ensure that increases in risk to the Fund are identified and mitigated by adjustments to underwriting standards, program participation, or premiums, and the financial soundness of the Fund is maintained.

The first quarterly report under this paragraph shall be submitted on the last day of the first quarter of fiscal year 2008, or on the last day of the first full calendar quarter following July 30, 2008, whichever is later.

(6) Adjustment of premiums

If, pursuant to the independent actuarial study of the Fund required under paragraph (4), the Secretary determines that the Fund is not meeting the operational goals established under paragraph (7) or there is a substantial probability that the Fund will not maintain its established target subsidy rate, the Secretary may either make programmatic adjustments under this subchapter as necessary to reduce the risk to the Fund, or make appropriate premium adjustments.

(7) Operational goals

The operational goals for the Fund are—

(A) to minimize the default risk to the Fund and to homeowners by among other actions instituting fraud prevention quality control screening not later than 18 months after July 30, 2008; and

(B) to meet the housing needs of the borrowers that the single family mortgage insurance program under this subchapter is designed to serve.

(b) Advisory Board

There is created a Federal Housing Administration Advisory Board (“Board”) that shall review operation of the Federal Housing Administration, including the activities of the Mortgage Review Board, and shall provide advice to the Federal Housing Commissioner with respect to the formulation of general policies of the Federal Housing Administration and such other matters as the Federal Housing Commissioner may deem appropriate. (7) The Advisory Board is empowered to confer with, request information of, and make recommendations to the Federal Housing Commissioner. The Commissioner shall promptly provide the Advisory Board with such information as the Board determines to be necessary to carry out its review of the activities and policies of the Federal Housing Administration.

(8) The Board shall, not later than December 31 of each year, submit to the Secretary and the Congress a report of its assessment of the activities of the Federal Housing Administration, including the soundness of underwriting procedures, the adequacy of information sys-

tems, the appropriateness of staffing patterns, the effectiveness of the Mortgagee Review Board, and other matters related to the Federal Housing Administration's ability to serve the nation's homebuyers and renters. Such report shall contain the Board's recommendations for improvement and include any minority views.

(9) The Board shall meet in Washington, D.C., not less than twice annually, or more frequently if requested by the Federal Housing Commissioner or a majority of the members. The Board shall elect a chair, vice-chair and secretary and adopt methods of procedure. The Board may establish committees and subcommittees as needed.

(11) The Board shall terminate on January 1, 1995.

(c) Mortgagee Review Board

(1) Establishment

There is established within the Federal Housing Administration the Mortgagee Review Board ("Board"). The Board is empowered to initiate the issuance of a letter of reprimand, the probation, suspension or withdrawal of any mortgagee found to be engaging in activities in violation of Federal Housing Administration requirements or the nondiscrimination requirements of the Equal Credit Opportunity Act [15 U.S.C. 1691 et seq.], the Fair Housing Act [42 U.S.C. 3601 et seq.], or Executive Order 11063.

(A) Letter of reprimand

The Board may issue a letter of reprimand only once to a mortgagee without taking action under subparagraphs² (B), (C), or (D) of this section. A letter of reprimand shall ex-

plain the violation and describe actions the mortgagee should take to correct the violation.

(B) Probation

The Board may place a mortgagee on probation for a specified period of time not to exceed 6 months for the purpose of evaluating the mortgagee's compliance with Federal Housing Administration requirements, the Equal Credit Opportunity Act [15 U.S.C. 1691 et seq.], the Fair Housing Act [42 U.S.C. 3601 et seq.], Executive Order 11063, or orders of the Board. During the probation period, the Board may impose reasonable additional requirements on a mortgagee including supervision of the mortgagee's activities by the Federal Housing Administration, periodic reporting to the Federal Housing Commissioner, or submission to Federal Housing Administration audits of internal financial statements, audits by an independent certified public accountant or other audits.

(C) Suspension

The Board may issue an order temporarily suspending a mortgagee's approval for doing business with the Federal Housing Administration if (i) there exists adequate evidence of a violation or violations and (ii) continuation of the mortgagee's approval, pending or at the completion of any audit, investigation, or other review, or such administrative or other legal proceedings as may ensue, would not be in the public interest or in the best interests of the Department. Notwithstanding paragraph (4)(A), a suspension shall be effective upon issuance by the Board if the Board determines that there exists adequate evidence that immediate action is required to protect the financial interests of the Department or the public. A suspension shall last for not less than 6 months, and for not longer than 1 year. The Board may extend the suspension for an additional 6 months if it determines the extension is in the public interest. If the Board and the mortgagee agree, these time limits may be extended. During the period of suspension, the Federal Housing Administration shall not commit to insure any mortgage originated by the suspended mortgagee.

(D) Withdrawal

The Board may issue an order withdrawing a mortgagee if the Board has made a determination of a serious violation or repeated violations by the mortgagee. The Board shall determine the terms of such withdrawal, but the term shall be not less than 1 year. Where the Board has determined that the violation is egregious or willful, the withdrawal shall be permanent.

(E) Settlements

The Board may at any time enter into a settlement agreement with a mortgagee to resolve any outstanding grounds for an action. Agreements may include provisions such as—

- (i) cessation of any violation;
- (ii) correction or mitigation of the effects of any violation;

Material failure to comply with the provisions of a settlement agreement shall be sufficient cause for suspension or withdrawal.

(4) Notice and hearing

(A) The Board shall issue a written notice to the mortgagee at least 30 days prior to taking any action against the mortgagee under subparagraph (B), (C), or (D) of paragraph (3). The notice shall state the specific violations which have been alleged, and shall direct the mortgagee to reply in writing to the Board within 30 days. If the mortgagee fails to reply during such period, the Board may make a determination without considering any comments of the mortgagee.

(B) If the Board takes action against a mortgagee under subparagraph (B), (C), or (D) of paragraph (3), the Board shall promptly notify the mortgagee in writing of the nature, duration, and specific reasons for the action. If, within 30 days of receiving the notice, the mortgagee requests a hearing, the Board shall hold a hearing on the record regarding the violations within 30 days of receiving the request. If a mortgagee fails to request a hearing within such 30-day period, the right of the mortgagee to a hearing shall be considered waived.

(C) In any case in which the notification of the Board does not result in a hearing (including any settlement by the Board and a mortgagee), any information regarding the nature of the violation and the resolution of the action shall be available to the public.

(5) Publication

The Secretary shall establish and publish in the Federal Register a description of and the cause for administrative action against a mortgagee.

(6) Cease-and-desist orders

(A) Whenever the Secretary, upon request of the Mortgagee Review Board, determines that there is reasonable cause to believe that a mortgagee is violating, has violated, or is about to violate, a law, rule or regulation or any condition imposed in writing by the Secretary or the Board, and that such violation could result in significant cost to the Federal Government or the public, the Secretary may issue a temporary order requiring the mortgagee to cease and desist from any such violation and to take affirmative action to prevent such violation or a continuation of such violation pending completion of proceedings of the

Board with respect to such violation. Such order shall include a notice of charges in respect thereof and shall become effective upon service to the mortgagee. Such order shall remain effective and enforceable for a period not to exceed 30 days pending the completion of proceedings of the Board with respect to such violation, unless such order is set aside, limited, or suspended by a court in proceedings authorized by subparagraph (B) of this paragraph. The Board shall provide the mortgagee an opportunity for a hearing on the record, as soon as practicable but not later than 20 days after the temporary cease-and-desist order has been served.

(B) Within 10 days after the mortgagee has been served with a temporary cease-and-desist order, the mortgagee may apply to the United States district court for the judicial district in which the home office of the mortgagee is located, or the United States District Court for the District of Columbia, for an injunction setting aside, limiting or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the mortgagee, and such court shall have jurisdiction to issue such injunction.

(C) In the case of violation or threatened violation of, or failure to obey, a temporary cease-and-desist order issued pursuant to this paragraph, the Secretary may apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the mortgagee is located, for an injunction to enforce such order, and, if the court shall determine that there has been such violation or threatened violation or failure to obey, it shall be the duty of the court to issue such injunction.

- (D) a director, officer, employee, agent, or other person participating in the conduct of the affairs of the mortgagee, lender, or loan correspondent.

(8) Report required

The Board, in consultation with the Federal Housing Administration Advisory Board, shall annually recommend to the Secretary such amendments to statute or regulation as the Board determines to be appropriate to ensure the long term financial strength of the Federal Housing Administration fund and the adequate support for home mortgage credit.

(9) Prohibition against limitations on Mortgagee Review Board’s power to take action against mortgagees

No State or local law, and no Federal law (except a Federal law enacted expressly in limitation of this subsection after the effec-

(2) Involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount—

(A) not to exceed the lesser of—

(i) in the case of a 1-family residence, 115 percent of the median 1-family house price in the area, as determined by the Secretary; and in the case of a 2-, 3-, or 4-family residence, the percentage of such median price that bears the same ratio to such median price as the dollar amount limitation determined under the sixth sentence of section 1454(a)(2) of this title for a 2-, 3-, or 4-family residence, respectively, bears to the dollar amount limitation determined under such section for a 1-family residence; or

(ii) 150 percent of the dollar amount limitation determined under the sixth sentence of such section 1454(a)(2) for a residence of applicable size;

Notwithstanding any other provision of this paragraph, the Secretary may not insure, or enter into a commitment to insure, a mortgage under this section that is executed by a first-time homebuyer and that involves a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in excess of 97 percent of the appraised value of the property unless the mortgagor has completed a program of counseling with respect to the responsibilities and financial management involved in homeownership that is approved by the Secretary; except that the Secretary may, in the discretion of the Secretary, waive the applicability of this requirement.

(i) such lien shall be subordinate to the mortgage; and

of the particular insurance fund or account to which such premium charges are to be credited: *Provided further*, That the Secretary may require the payment of one or more such premium charges at the time the mortgage is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the mortgage. If the Secretary finds upon the presentation of a mortgage for insurance and the tender of the initial premium charge or charges so required that the mortgage complies with the provisions of this section, such mortgage may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe; but no mortgage shall be accepted for insurance under this section unless the Secretary finds that the project with respect to which the mortgage is executed is economically sound. In the event that the principal obligation of any mortgage accepted for insurance is paid in full prior to the maturity date, the Secretary is further authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured under this section until such maturity date; and in the event that the principal obligation is paid in full as herein set forth the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid: *Provided*, That with respect to mortgages (1) for which the Secretary requires, at the time the mortgage is insured, the payment of a single premium charge to cover the total premium obligation for the insurance of the mortgage, and (2) on which the principal obligation is paid before the number of years on which the premium with respect to a particular mortgage was based, or the property is sold subject to the mortgage or is sold and the mortgage is assumed prior to such time, the Secretary shall provide for refunds, where appropriate, of a portion of the premium paid and shall provide for appropriate allocation of the premium cost among the mortgagors over the term of the mortgage, in accordance with procedures established by the Secretary which take into account sound financial and actuarial considerations.

(2) Notwithstanding any other provision of this section, each mortgage secured by a 1- to 4-family dwelling that is an obligation of the Mutual Mortgage Insurance Fund shall be subject to the following requirements:

(A) The Secretary shall establish and collect, at the time of insurance, a single premium payment in an amount not exceeding 3 percent of the amount of the original insured principal obligation of the mortgage. In the case of a mortgage for which the mortgagor is a first-time homebuyer who completes a program of counseling with respect to the responsibilities and financial management involved in homeownership that is approved by the Secretary, the premium payment under this subparagraph shall not exceed 2.75 percent of the amount of the original insured principal obli-

gation of the mortgage. Upon payment in full of the principal obligation of a mortgage prior to the maturity date of the mortgage, the Secretary shall refund all of the unearned premium charges paid on the mortgage pursuant to this subparagraph, provided that the mortgagor refinances the unpaid principal obligation under this subchapter.

(B) In addition to the premium under subparagraph (A), the Secretary may establish and collect annual premium payments in an amount not exceeding 1.5 percent of the remaining insured principal balance (excluding the portion of the remaining balance attributable to the premium collected under subparagraph (A) and without taking into account delinquent payments or prepayments) for the following periods:

(i) For any mortgage involving an original principal obligation (excluding any premium collected under subparagraph (A)) that is less than 90 percent of the appraised value of the property (as of the date the mortgage is accepted for insurance), for the first 11 years of the mortgage term.

(ii) For any mortgage involving an original principal obligation (excluding any premium collected under subparagraph (A)) that is greater than or equal to 90 percent of such value, for the first 30 years of the mortgage term; except that notwithstanding the matter preceding clause (i), for any mortgage involving an original principal obligation (excluding any premium collected under subparagraph (A)) that is greater than 95 percent of such value, the annual premium collected during the 30-year period under this clause may be in an amount not exceeding 1.55 percent of the remaining insured principal balance (excluding the portion of the remaining balance attributable to the premium collected under subparagraph (A) and without taking into account delinquent payments or prepayments).

(C)(i) In addition to the premiums under subparagraphs (A) and (B), the Secretary shall establish and collect annual premium payments for any mortgage for which the Secretary collects an annual premium payment under subparagraph (B), in an amount described in clause (ii).

(ii)(I) Subject to subclause (II), with respect to a mortgage, the amount described in this clause is 10 basis points of the remaining insured principal balance (excluding the portion of the remaining balance attributable to the premium collected under subparagraph (A) and without taking into account delinquent payments or prepayments).

(II) During the 2-year period beginning on December 23, 2011, the Secretary shall increase the number of basis points of the annual premium payment collected under this subparagraph incrementally, as determined appropriate by the Secretary, until the number of basis points of the annual premium payment collected under this subparagraph is equal to the number described in subclause (I).

(d) Increase in maximum amount of mortgage

(1) Except as provided in paragraph (2) of this subsection, notwithstanding² provision of this subchapter governing maximum mortgage amounts for insuring a mortgage secured by a one- to four-family dwelling, the maximum amount of the mortgage determined under any such provision may be increased by the amount of the mortgage insurance premium paid at the time the mortgage is insured.

(2) The maximum amount of a mortgage determined under subsection (b)(2)(B) of this section may not be increased as provided in paragraph (1).

(e) Contract of insurance as evidence of eligibility

Any contract of insurance heretofore or hereafter executed by the Secretary under this subchapter shall be conclusive evidence of the eligibility of the loan or mortgage for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved financial institution or approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved financial institution or approved mortgagee.

(f) Disclosure of other mortgage products**(1) In general**

In conjunction with any loan insured under this section, an original lender shall provide to each prospective borrower a disclosure notice that provides a 1-page analysis of mortgage products offered by that lender and for which the borrower would qualify.

(2) Notice

The notice required under paragraph (1) shall include—

(A) a generic analysis comparing the note rate (and associated interest payments), insurance premiums, and other costs and fees that would be due over the life of the loan for a loan insured by the Secretary under subsection (b) with the note rates, insurance premiums (if applicable), and other costs and fees that would be expected to be due if the mortgagor obtained instead other mortgage products offered by the lender and for which the borrower would qualify with a similar loan-to-value ratio in connection with a conventional mortgage (as that term is used in section 1454(a)(2) of this title or section 1717(b)(2) of this title, as applicable), assuming prevailing interest rates; and

(B) a statement regarding when the requirement of the mortgagor to pay the mortgage insurance premiums for a mortgage insured under this section would terminate, or a statement that the requirement shall terminate only if the mortgage is refinanced, paid off, or otherwise terminated.

(g) Limitation on use of single family mortgage insurance by investors

(1) The Secretary may insure a mortgage under this subchapter that is secured by a 1- to 4-family dwelling, or approve a substitute mort-

gagor with respect to any such mortgage, only if the mortgagor is to occupy the dwelling as his or her principal residence or as a secondary residence, as determined by the Secretary. In making this determination with respect to the occupancy of secondary residences, the Secretary may not insure mortgages with respect to such residences unless the Secretary determines that it is necessary to avoid undue hardship to the mortgagor. In no event may a secondary residence under this subsection include a vacation home, as determined by the Secretary.

(2) The occupancy requirement established in paragraph (1) shall not apply to any mortgagor (or co-mortgagor, as appropriate) that is—

(A) a public entity, as provided in section 1715d or 1715z-12 of this title, or any other State or local government or an agency thereof;

(B) a private nonprofit or public entity, as provided in section 1715l(h) or 1715z(j) of this title, or other private nonprofit organization that is exempt from taxation under section 501(c)(3) of title 26 and intends to sell or lease the mortgaged property to low or moderate-income persons, as determined by the Secretary;

(C) an Indian tribe, as provided in section 1715z-13 of this title;

(D) a serviceperson who is unable to meet such requirement because of his or her duty assignment, as provided in section 1715g of this title or subsection (b)(4) or (f) of section 1715m¹ of this title;

(E) a mortgagor or co-mortgagor under subsection (k); or

(F) a mortgagor that, pursuant to section 1715n(a)(7) of this title, is refinancing an existing mortgage insured under this chapter for not more than the outstanding balance of the existing mortgage, if the amount of the monthly payment due under the refinancing mortgage is less than the amount due under the existing mortgage for the month in which the refinancing mortgage is executed.

(3) For purposes of this subsection, the term “substitute mortgagor” means a person who, upon the release by a mortgagee of a previous mortgagor from personal liability on the mortgage note, assumes such liability and agrees to pay the mortgage debt.

(h) Disaster housing

Notwithstanding any other provision of this section, the Secretary is authorized to insure any mortgage which involves a principal obligation not in excess of the applicable maximum dollar limit under subsection (b) and not in excess of 100 per centum of the appraised value of a property upon which there is located a dwelling designed principally for a single-family residence, where the mortgagor establishes (to the satisfaction of the Secretary) that his home which he occupied as an owner or as a tenant was destroyed or damaged to such an extent that reconstruction is required as a result of a flood, fire, hurricane, earthquake, storm, or other catastrophe which the President, pursuant to sections 5122(2) and 5170 of title 42, has determined to be a major disaster.

(1) The Secretary may, in order to assist in the rehabilitation of one- to four-family structures used primarily for residential purposes, insure and make commitments to insure rehabilitation loans (including advances made during rehabilitation) made by financial institutions. Such commitments to insure and such insurance shall be made upon such terms and conditions which the Secretary may prescribe and which are consistent with the provisions of subsections (b), (c), (e), (i),¹ and (j) of this section, except as modified by the provisions of this subsection.

(B) bear interest at such rate as may be agreed upon by the borrower and the financial institution;

(5) All funds received and all disbursements made pursuant to the authority established by this subsection shall be credited or charged, as appropriate, to the Mutual Mortgage Insurance Fund, and insurance benefits shall be paid in cash out of such Fund or in debentures executed in the name of such Fund. Insurance benefits paid with respect to loans secured by a first mortgage and insured under this subsection shall be paid in accordance with section 1710 of this title. Insurance benefits paid with respect to loans secured by a mortgage other than a first mortgage and insured under this subsection shall be paid in accordance with paragraphs (6) and (7) of section 1715k(h) of this title, except that reference to “this subsection” in such paragraphs shall be construed as referring to this subsection.

(B) The terms “appraised value of the property”, “value of the property”, and “value” include the appraised value of a dwelling unit in a cooperative housing project of the type described in subparagraph (A) where the purchase of the stock or membership involved will entitle the purchaser to the permanent occupancy of that unit; and the term “property” includes a dwelling unit in such a cooperative project.

In any case where the homeowner does not request a release from liability, the purchaser and the homeowner shall have joint and several liability for any default for a period of 5 years following the date of the assumption. After the close of such 5-year period, only the purchaser shall be liable for any default on the mortgage unless the mortgage is in default at the time of the expiration of the 5-year period.

(2) Each mortgagee (or servicer) with respect to a mortgage under this section shall, at or before closing with respect to any such mortgage, provide the mortgagor with written notice (in such form as the Secretary shall prescribe, by regulation, before the expiration of the 90-day period beginning upon November 28, 1990) describing any requirements the mortgagor must fulfill upon prepayment of the principal amount of the mortgage to prevent the accrual of any interest on the principal amount after the date of such prepayment. This paragraph shall apply to any mortgage executed after the expiration of the period under paragraph (1).

(u) Accountability of mortgage lenders

(1) No mortgagee may make or hold mortgages insured under this section if the customary lending practices of the mortgagee, as determined by the Secretary pursuant to section 1735f-17 of this title, provide for a variation in mortgage charge rates that exceeds 2 percent for insured mortgages made by the mortgagee on dwellings located within an area. The Secretary shall ensure that any permissible variations in the mortgage charge rates of any mortgagee are based only on actual variations in fees or costs to the mortgagee to make the loan.

“(1) for the period beginning on the date of the enactment of this title [July 30, 2008] and ending on October 1, 2009, the premiums charged for mortgage insurance under multifamily housing programs under the National Housing Act [12 U.S.C. 1701 et seq.] may not be increased above the premium amounts in effect under such program on October 1, 2006, unless the Secretary of Housing and Urban Development determines that, absent such increase, insurance of additional mortgages under such program would, under the Federal Credit Reform Act of 1990 [2 U.S.C. 661 et seq.], require the appropriation of new budget authority to cover the costs (as such term is defined in section 502 of the Federal Credit Reform Act of 1990 [2 U.S.C. 661a]) of such insurance; and

“(2) a premium increase pursuant to paragraph (1) may be made only if not less than 30 days prior to such increase taking effect, the Secretary of Housing and Urban Development—

“(B) publishes notice of such increase in the Federal Register.

“(b) WAIVER.—The Secretary of Housing and Urban Development may waive the 30-day notice requirement

under subsection (a)(2), if the Secretary determines that waiting 30-days before increasing premiums would cause substantial damage to the solvency of multifamily housing programs under the National Housing Act [12 U.S.C. 1701 et seq.]”

(a) In general

(1) Authorized claims procedures

The Secretary may, in accordance with this subsection and terms and conditions prescribed by the Secretary, pay insurance benefits to a mortgagee for any mortgage insured under section 1709 of this title through any of the following methods:

(A) Assignment of mortgage

The Secretary may pay insurance benefits whenever a mortgage has been in a monetary default for not less than 3 full monthly installments or whenever the mortgagee is entitled to foreclosure for a nonmonetary default. Insurance benefits shall be paid pursuant to this subparagraph only upon the assignment, transfer, and delivery to the Secretary of—

- (i) all rights and interests arising under the mortgage;
- (ii) all claims of the mortgagee against the mortgagor or others arising out of the mortgage transaction;
- (iii) title evidence satisfactory to the Secretary; and
- (iv) such records relating to the mortgage transaction as the Secretary may require.

(B) Conveyance of title to property

The Secretary may pay insurance benefits if the mortgagee has acquired title to the mortgaged property through foreclosure or has otherwise acquired such property from the mortgagor after a default upon—

- (i) the prompt conveyance to the Secretary of title to the property which meets the standards of the Secretary in force at the time the mortgage was insured and which is evidenced in the manner provided by such standards; and
- (ii) the assignment to the Secretary of all claims of the mortgagee against the mortgagor or others, arising out of mortgage transaction or foreclosure proceedings, except such claims as may have been released with the consent of the Secretary.

The Secretary may permit the mortgagee to tender to the Secretary a satisfactory conveyance of title and transfer of possession directly from the mortgagor or other appropriate grantor, and may pay to the mortgagee the insurance benefits to which it would otherwise be entitled if such conveyance had been made to the mortgagee and from the mortgagee to the Secretary.

(C) Claim without conveyance of title

The Secretary may pay insurance benefits upon sale of the mortgaged property at fore-

closure where such sale is for at least the fair market value of the property (with appropriate adjustments), as determined by the Secretary, and upon assignment to the Secretary of all claims referred to in clause (ii) of subparagraph (B).

(D) Preforeclosure sale

The Secretary may pay insurance benefits upon the sale of the mortgaged property by the mortgagor after default and the assignment to the Secretary of all claims referred to in clause (ii) of subparagraph (B), if—

- (i) the sale of the mortgaged property has been approved by the Secretary;
- (ii) the mortgagee receives an amount at least equal to the fair market value of the property (with appropriate adjustments), as determined by the Secretary; and
- (iii) the mortgagor has received an appropriate disclosure, as determined by the Secretary.

(2) Payment for loss mitigation

The Secretary may pay insurance benefits to the mortgagee to recompense the mortgagee for all or part of any costs of the mortgagee for taking loss mitigation actions that provide an alternative to foreclosure of a mortgage that is in default or faces imminent default, as defined by the Secretary (including but not limited to actions such as special forbearance, loan modification, support for borrower housing counseling, partial claims, borrower incentives, preforeclosure sale, and deeds in lieu of foreclosure, but not including assignment of mortgages to the Secretary under section subsection¹ (a)(1)(A) or section 1715u(c) of this title). No actions taken under this paragraph, nor any failure to act under this paragraph, by the Secretary or by a mortgagee shall be subject to judicial review.

(3) Determination of claims procedure

The Secretary shall publish guidelines for determining which of the procedures for payment of insurance under paragraph (1) are available to a mortgagee when it claims insurance benefits. At least one of the procedures for payment of insurance benefits specified in paragraph (1)(A) or (1)(B) shall be available to a mortgagee with respect to a mortgage, but the same procedure shall not be required to be available for all of the mortgages held by a mortgagee.

(4) Servicing of assigned mortgages

If a mortgage is assigned to the Secretary under paragraph (1)(A), the Secretary may permit the assigning mortgagee or its servicer to continue to service the mortgage for reasonable compensation and on terms and conditions determined by the Secretary. Neither the Secretary nor any servicer of the mortgage shall be required to forbear from collection of amounts due under the mortgage or otherwise pursue loss mitigation measures.

(5) Calculation of insurance benefits

Insurance benefits shall be paid in accordance with section 1735d of this title and shall

be equal to the original principal obligation of the mortgage (with such additions and deductions as the Secretary determines are appropriate) which was unpaid upon the date of—

- (A) assignment of the mortgage to the Secretary;
- (B) the institution of foreclosure proceedings;
- (C) the acquisition of the property after default other than by foreclosure; or

All such debentures shall be dated as of the date foreclosure proceedings were instituted, or the property was otherwise acquired by the mortgagee after default: *Provided*, That debentures issued pursuant to claims for insurance filed on or after September 2, 1964 shall be dated as of the date of default or as of such later date as the Secretary, in his discretion, may establish by regulation. to receive any such debentures may elect to receive in lieu thereof a cash adjustment and debentures issued as hereinafter provided and bearing the current rate of interest. Such debentures as are issued in exchange for property covered by the mortgages insured after February 3, 1938, shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority; and such debentures shall be paid out of the Mutual Mortgage Insurance Fund, which shall be primarily liable therefor, and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and, in the case of debentures issued in certificated registered form, such guaranty shall be expressed on the face of the debentures. (e) Certificate of claim

(1) Subject to paragraph (2), the certificate of claim issued by the Secretary to any mortgagee shall be for an amount which the Secretary determines to be sufficient, when added to the face value of the debentures issued and the cash adjustment paid to the mortgagee, to equal the amount which the mortgagee would have received if, at the time of the conveyance to the Secretary of the property covered by the mortgage, the mortgagor had redeemed the property and paid in full all obligations under the mortgage and a reasonable amount for necessary expenses incurred by the mortgagee in connection with the foreclosure proceedings, or the acquisition of the mortgaged property otherwise, and the conveyance thereof to the Secretary. tion and the claims assigned therewith exceed the face value of the debentures issued and the cash paid in exchange for such property plus all interest paid on such debentures, such excess shall be divided as follows:

(i) If such excess is greater than the total amount payable under the certificate of claim issued in connection with such property, the Secretary shall pay to the holder of such certificate the full amount so payable, and any excess remaining thereafter shall be paid to the mortgagor of such property if the mortgage was insured under section 1709 of this title: *Provided*, That on and after September 2, 1964, any excess remaining after payment to the holder of the full amount of the certificate of claim, together with the accrued interest increment thereon, shall be retained by the Secretary and credited to the applicable insurance fund; and

(ii) If such excess is equal to or less than the total amount payable under such certificate of claim, the Secretary shall pay to the holder of such certificate the full amount of such excess.

(2) Notwithstanding any other provisions of this section, the Secretary is authorized, with respect to mortgages insured pursuant to commitments for insurance issued after August 11, 1955, and, with the consent of the mortgagee or mortgagor, as the case may be, with respect to mortgages insured pursuant to commitments issued prior to such date, to effect the settlement of certificates of claim and refunds to mortgagors at any time after the sale or transfer of title to the property conveyed to the Secretary under this section and without awaiting the final liquidation of such property for the purpose of determining the net amount to be realized therefrom: *Provided*, That the settlement authority created by the Housing Amendments of 1955 shall be terminated with respect to any certificates of claim outstanding as of September 2, 1964.

(3) With the consent of the holder thereof, the Secretary is authorized, without awaiting the final liquidation of the Secretary's interest in the property, to settle any certificate of claim issued pursuant to subsection (e), with respect to which settlement had not been effected prior to September 2, 1964, by making payment in cash to the holder thereof of such amount not exceeding the face amount of the certificate of claim, together with the accrued interest thereon, as the Secretary may consider appropriate: *Provided*, That in any case where the certificate of claim is settled in accordance with the provisions of this paragraph, any amounts realized after September 2, 1964, in the liquidation of the Secretary's interest in the property, shall be retained by the Secretary and credited to the applicable insurance fund.

§ 1713. Rental housing insurance

(a) Definitions

As used in this section—

(1) The term “mortgage” means a first mortgage on real estate in fee simple, or on the interest of either the lessor or lessee thereof (A) under a lease for not less than ninety-nine years which is renewable or (B) under a lease having a period of not less than fifty years to run from the date the mortgage was executed, upon which there is located or upon which there is to be constructed a building or buildings designed principally for residential use, or upon which there is located or to be constructed facilities for manufactured homes, and the term “first mortgage” means such classes of first liens as are commonly given to secure advances (including but not being limited to advances during construction) on, or the unpaid purchase price of, real estate under the laws of the State, in which the real estate is located, together with the credit instrument or instruments, if any, secured thereby, and may be in the form of trust mortgages or mortgage indentures or deeds of trust securing notes, bonds, or other credit instruments.

(2) The term “mortgagee” means the original lender under a mortgage, and its successors and assigns, and includes the holders of credit instruments issued under a trust mortgage or deed of trust pursuant to which such holders act by and through a trustee therein named.

(3) The term “mortgagor” means the original borrower under a mortgage and its successors and assigns.

(4) The term “maturity date” means the date on which the mortgage indebtedness would be extinguished if paid in accordance with the periodic payments provided for in the mortgage.

(5) The term “slum or blighted area” means any area where dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitation facilities, or any combination of these factors, are detrimental to safety, health, or morals.

(6) The term “rental housing” means housing, the occupancy of which is permitted by

the owner thereof in consideration of the payment of agreed charges, whether or not, by the terms of the agreement, such payment over a period of time will entitle the occupant to the ownership of the premises or space in a manufactured home court or park properly arranged and equipped to accommodate manufactured homes.

(7) The term "State" includes the several States, and Puerto Rico, the District of Columbia, Guam, the Trust Territory of the Pacific Islands, American Samoa, and the Virgin Islands.

(b) Insurance of additional mortgages

In addition to mortgages insured under section 1709 of this title, the Secretary is authorized to insure mortgages as defined in this section (including advances on such mortgages during construction) which cover property held by—

(1) Federal or State instrumentalities, municipal corporate instrumentalities of one or more States, or limited dividend or redevelopment or housing corporations restricted by Federal or State laws or regulations of State banking or insurance departments as to rents, charges, capital structure, rate of return, or methods of operation; or

(2) any other mortgagor approved by the Secretary. The Secretary may, in the Secretary's discretion, require any such mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation so as to provide reasonable rentals to tenants and a reasonable return on the investment. Any such regulations or restrictions shall continue for such period or periods as the Secretary, in the Secretary's discretion, may require, including until the termination of all obligations of the Secretary under the insurance and during such further period of time as the Secretary shall be the owner, holder, or reinsurer of the mortgage. The Secretary may make such contracts with and acquire, for not to exceed \$100, such stock or interest in the mortgagor as he may deem necessary to render effective any such regulations or restrictions. The stock or interest acquired by the Secretary shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance.

The insurance of mortgages under this section is intended to facilitate particularly the production of rental accommodations, at reasonable rents, of design and size suitable for family living. The Secretary is, therefore, authorized in the administration of this section to take action, by regulation or otherwise, which will direct the benefits of mortgage insurance hereunder primarily to those projects which make adequate provision for families with children, and in which every effort has been made to achieve moderate rental charges.

Notwithstanding any other provisions of this section, the Secretary may not insure any mortgage under this section (except a mortgage with respect to a manufactured home park designed exclusively for occupancy by elderly persons)

unless the mortgagor certifies under oath that in selecting tenants for the property covered by the mortgage he will not discriminate against any family by reason of the fact that there are children in the family, and that he will not sell the property while the insurance is in effect unless the purchaser so certifies, such certification to be filed with the Secretary. Violation of any such certification shall be a misdemeanor punishable by a fine of not to exceed \$500.

(c) Eligibility for insurance; mortgage limits

To be eligible for insurance under this section a mortgage on any property or project shall involve a principal obligation in an amount—

(1) Repealed. Pub. L. 93-383, title III, §304(a)(1), Aug. 22, 1974, 88 Stat. 677.

(2) Not to exceed 90 per centum of the estimated value of the property or project (when the proposed improvements are completed): *Provided*, That this limitation shall not apply to mortgages on housing in Alaska or in Guam, but such a mortgage may involve a principal obligation in an amount not to exceed 90 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the value of the property or project as such term is used in this paragraph may include the land, the proposed physical improvements, utilities within the boundaries of the property or project, architect's fees, taxes, and interest accruing during construction, and other miscellaneous charges incident to construction and approved by the Secretary): *And provided further*, That nothing contained in this section shall preclude the insurance of mortgages covering existing construction located in slum or blighted areas, as defined in paragraph (5) of subsection (a) of this section, and the Secretary may require such repair or rehabilitation work to be completed as is, in his discretion, necessary to remove conditions detrimental to safety, health, or morals; and

(3)(A) Not to exceed, for such part of the property or project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary), \$38,025 per family unit without a bedroom, \$42,120 per family unit with one bedroom, \$50,310 per family unit with two bedrooms, \$62,010 per family unit with three bedrooms, and \$70,200 per family unit with four or more bedrooms, or not to exceed \$17,460 per space; except that as to projects to consist of elevator type structures the Secretary may in his discretion, increase the dollar amount limitations per family unit to not to exceed \$43,875 per family unit without a bedroom, \$49,140 per family unit with one bedroom, \$60,255 per family unit with two bedrooms, \$75,465 per family unit with three bedrooms, and \$85,328 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design;

(B) the Secretary may, by regulation, increase any of the dollar amount limitations in subparagraph (A) (as such limitations may have been adjusted in accordance with section

1712a of this title) by not to exceed 170 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 170 percent, or 215 percent in high cost areas, where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 1720¹ of this title (as such section existed immediately before November 30, 1983) is involved. Notwithstanding any other provision of this paragraph, the amount which may be insured under this section may be increased by up to 20 percent if such increase is necessary to account for the increased cost of the project due to the installation therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)¹ in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure.

The mortgage shall provide for complete amortization by periodic payments (unless otherwise approved by the Secretary) within such term as the Secretary shall prescribe, and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgage may provide for such release. No mortgage shall be accepted for insurance under this section or section 1715a¹ of this title unless the Secretary finds that the property or project, with respect to which the mortgage is executed, is economically sound. Such property or project may include five or more family units and may include such commercial and community facilities as the Secretary deems adequate to serve the occupants.

(d) Premium, appraisal, and inspection charges

The Secretary shall collect a premium charge for the insurance of mortgages under this section which shall be payable annually in advance by the mortgagee, either in cash or in debentures issued by the Secretary under any subchapter and section of this chapter, except debentures of the Mutual Mortgage Insurance Fund, or of the Cooperative Management Housing Insurance Fund at par plus accrued interest. In addition to the premium charge herein provided for the Secretary is authorized to charge and collect such amounts as he may deem reasonable for the appraisal of a property or project offered for insurance and for the inspection of such property or project during construction: *Provided*, That such charges for appraisal and inspection shall not aggregate more than 1 per centum of the original principal face amount of the mortgage.

¹ See References in Text note below.

(e) Adjusted premium charge on payment of mortgage

In the event that the principal obligation of any mortgage accepted for insurance under this section is paid in full prior to the maturity date, the Secretary is authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured until such maturity date.

(f) Repealed. Pub. L. 89-117, title XI, § 1108(e)(3), Aug. 10, 1965, 79 Stat. 504

(g) Payment of insurance after default

The failure of the mortgagor to make any payment due under or provided to be paid by the terms of a mortgage insured under this section shall be considered a default under such mortgage and, if such default continues for a period of thirty days, the mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided, upon assignment, transfer, and delivery to the Secretary, within a period and in accordance with rules and regulations to be prescribed by the Secretary of (1) all rights and interests arising under the mortgage so in default; (2) all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transactions; (3) all policies of title or other insurance or surety bonds or other guaranties and any and all claims thereunder; (4) any balance of the mortgage loans not advanced to the mortgagor; (5) any cash or property held by the mortgagee, or to which it is entitled, as deposits made for the account of the mortgagor and which have not been applied in reduction of the principal of the mortgage indebtedness; and (6) all records, documents, books, papers, and accounts relating to the mortgage transactions. Upon such assignment, transfer, and delivery the obligation of the mortgagee to pay the premium charges for mortgage insurance shall cease, and the Secretary shall issue to the mortgagee a certificate of claim as provided in subsection (h), and debentures having a par value equal to the original principal face amount of the mortgage plus such amount as the mortgagee may have paid for (A) taxes, special assessments, and water rates, which are liens prior to the mortgage; (B) insurance on the property; and (C) reasonable expenses for the completion and preservation of the property and any mortgage insurance premiums paid after default, less the sum of (i) that part of the amount of the principal obligation that has been repaid by the mortgagor, (ii) an amount equivalent to 1 per centum of the unpaid amount of such principal obligation, and (iii) any net income received by the mortgagee from the property: *Provided*, That the mortgagee in the event of a default under the mortgage may, at its option and in accordance with regulations of, and in a period to be determined by, the Secretary, proceed to foreclose on and obtain possession of or otherwise acquire such property from the mortgagor after default, and receive the benefits of the insurance as herein

provided, upon (1) the prompt conveyance to the Secretary of title to the property which meets the requirements of the rules and regulations of the Secretary in force at the time the mortgage was insured and which is evidenced in the manner prescribed by such rules and regulations, and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims that may have been released with the consent of the Secretary. Upon such conveyance and assignment, the obligation of the mortgagee to pay the premium charges for insurance shall cease and the mortgagee shall be entitled to receive the benefits of the insurance as provided in this subsection, except that in such event the 1 per centum deduction, set out in (ii) hereof, shall not apply. Notwithstanding any other provision of this chapter, upon receipt, after September 2, 1964, of an application for insurance benefits on a mortgage insured under this chapter, the Secretary may terminate the mortgagee's obligation to pay premium charges on the mortgage.

(h) Certificate of claim; division of excess proceeds

The certificate of claim issued under this section shall be for an amount which the Secretary determines to be sufficient, when added to the face value of the debentures issued and the cash adjustment paid to the mortgagee, to equal the amount which the mortgagee would have received if, on the date of the assignment, transfer and delivery to the Secretary provided for in subsection (g), the mortgagor had extinguished the mortgage indebtedness by payment in full of all obligations under the mortgage and a reasonable amount for necessary expenses incurred by the mortgagee in connection with the foreclosure proceedings, or the acquisition of the mortgaged property otherwise, and the conveyance thereof to the Secretary. Each such certificate of claim shall provide that there shall accrue to the holder of such certificate with respect to the face amount of such certificate, an increment at the rate of 3 per centum per annum which shall not be compounded. If the net amount realized from the mortgage, and all claims in connection therewith, so assigned, transferred, and delivered, and from the property covered by such mortgage and all claims in connection with such property, after deducting all expenses incurred by the Secretary in handling, dealing with, acquiring title to, and disposing of such mortgage and property and in collecting such claims, exceeds the face value of the debentures issued and the cash adjustment paid to the mortgagee plus all interest paid on such debentures, such excess shall be divided as follows:

(1) If such excess is greater than the total amount payable under the certificate of claim issued in connection with such property, the Secretary shall pay to the holder of such certificate the full amount so payable, and any excess remaining thereafter shall be retained by the Secretary and credited to the General Insurance Fund; and

(2) If such excess is equal to or less than the total amount payable under such certificate of

claim, the Secretary shall pay to the holder of such certificate the full amount of such excess.

(i) Debentures; execution; negotiability; terms; tax exemptions

Debentures issued under this section shall be executed in the name of the General Insurance Fund as obligor, shall be negotiable, and, if in book entry form, transferable, in the manner described by the Secretary in regulations, and shall be dated as of the date of default as determined in subsection (g) of this section, except that debentures issued pursuant to the provisions of section 1715k(f), section 1715(g), and section 1715x of this title may be dated as of the date the mortgage is assigned (or the property is conveyed) to the Secretary and shall bear interest from such date. They shall bear interest at a rate established by the Secretary pursuant to section 1715o of this title payable semiannually on the 1st day of January and the 1st day of July of each year, and shall mature twenty years after the date thereof. Such debentures as are issued in exchange for mortgages insured after February 3, 1938, shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority. They shall be paid out of the General Insurance Fund which shall be primarily liable therefor, and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and, in the case of debentures issued in certificated registered form, such guaranty shall be expressed on the face of the debentures. In the event the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures so guaranteed, the Secretary of the Treasury shall pay to the holders the amount thereof which is authorized to be appropriated out of any money in the Treasury not otherwise appropriated, and thereupon, to the extent of the amount so paid, the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures.

(j) Debentures; form and amounts

Debentures issued under this section—

(1) shall be in such form and amounts;

(2) shall be subject to such terms and conditions;

(3) shall include such provisions for redemption, if any, as may be prescribed by the Secretary of Housing and Urban Development, with the approval of the Secretary of the Treasury; and

(4) may be in book entry or certificated registered form, or such other form as the Secretary of Housing and Urban Development may prescribe in regulations.

(k) Acquisition of property by conveyance or foreclosure

The Secretary is authorized either to (1) acquire possession of and title to any property, covered by a mortgage insured under this section and assigned to him, by voluntary conveyance in extinguishment of the mortgage indebted-

edness, or (2) institute proceedings for foreclosure on the property covered by any such insured mortgage and prosecute such proceedings to conclusion. The Secretary at any sale under foreclosure may, in his discretion, for the protection of the General Insurance Fund, bid any sum up to but not in excess of the total unpaid indebtedness secured by the mortgage, plus taxes, insurance, foreclosure costs, fees, and other expenses, and may become the purchaser of the property at such sale. In determining the amount to be bid, the Secretary shall act consistently with the goal established in section 1701z-11(a)(1) of this title. The Secretary is authorized to pay from the General Insurance Fund such sums as may be necessary to defray such taxes, insurance, costs, fees, and other expenses in connection with the acquisition or foreclosure of property under this section. Pending such acquisition by voluntary conveyance or by foreclosure, the Secretary is authorized, with respect to any mortgage assigned to him under the provisions of subsection (g), to exercise all the rights of a mortgagee under such mortgage, including the right to sell such mortgage, and to take such action and advance such sums as may be necessary to preserve or protect the lien of such mortgage.

(l) Handling and disposal of property; settlement of claims

Notwithstanding any other provisions of law relating to the acquisition, handling, or disposal of real and other property by the United States, the Secretary shall also have power, for the protection of the interests of the General Insurance Fund, to pay out of the General Insurance Fund all expenses or charges in connection with, and to deal with, complete, reconstruct, rent, renovate, modernize, insure, make contracts for the management of, or establish suitable agencies for the management of, or sell for cash or credit or lease in his discretion, any property acquired by him under this section, and notwithstanding any other provision of law, the Secretary shall also have power to pursue to final collection by way of compromise or otherwise all claims assigned and transferred to him in connection with the assignment, transfer, and delivery provided for in this section, and at any time, upon default, to foreclose on any property secured by any mortgage assigned and transferred to or held by him: *Provided*, That section 6101 of title 41 shall not be construed to apply to any contract for hazard insurance, or to any purchase or contract for services or supplies on account of such property if the amount thereof does not exceed \$1,000.

(n) Default or payment; rights of parties

In the event that a mortgage insured under this section becomes in default through failure of the mortgagor to make any payment due under or provided to be paid by the terms of the mortgage and such mortgage continues in default for a period of thirty days, but the mortgagee does not foreclose on or otherwise acquire the property, or does not assign and transfer such mortgage and the credit instrument se-

cured thereby to the Secretary, in accordance with subsection (g), and the Secretary is given written notice thereof, or in the event that the mortgagor pays the obligation under the mortgage in full prior to the maturity thereof, and the mortgagee pays any adjusted premium charge required under the provisions of subsection (e), and the Secretary is given written notice by the mortgagee of the payment of such obligation, the obligation to pay the annual premium charge for insurance shall cease, and all rights of the mortgagee and the mortgagor under this section shall terminate as of the date of such notice.

(o) Reissue of prior insurance

The Secretary, with the consent of the mortgagee and the mortgagor of a mortgage insured under this section prior to February 3, 1938, shall be empowered to reissue such mortgage insurance in accordance with the provisions of this section as amended by the National Housing Act Amendments of 1938, and any such insurance not so reissued shall not be affected by the enactment of such Act.

Reorg. Plan No. 14 of 1950, eff. May 24, 1950, 15 F.R. 3176, 64 Stat. 1267, set out in the Appendix to Title 5, Government Organization and Employees.

§ 1715d. Insurance of mortgages on property in Alaska, Guam, Hawaii, and Virgin Islands

If the Secretary of Housing and Urban Development finds that, because of higher costs prevailing in Alaska, Guam, Hawaii, or the Virgin Islands, it is not feasible to construct dwellings or manufactured home courts or parks on property located in Alaska, Guam, Hawaii, or the Virgin Islands without sacrifice of sound standards of construction, design, or livability, within the limitations as to maximum or maxima mortgage amounts provided in this chapter, the Secretary may, by regulations or otherwise, prescribe, with respect to dollar amount, a higher maximum or maxima for the principal obligation of mortgages insured under this chapter covering property located in Alaska, Guam, Hawaii, or the Virgin Islands in such amounts as he shall find necessary to compensate for such higher costs but not to exceed, in any event, the maximum or maxima otherwise applicable (including increased mortgage amounts in geographical areas where cost levels so require) by more than one-half thereof. No mortgage with respect to a project or property in Alaska, Guam, Hawaii, or the Virgin Islands shall be accepted for insurance under this chapter unless the Secretary finds that the project or property is an acceptable risk giving consideration to the acute housing shortage in Alaska, Guam, Hawaii, or the Virgin Islands: *Provided*, That any such mortgage may be insured or accepted for insurance without regard to any requirement in any other section of this chapter that the Secretary find the project or property to be economically sound or an acceptable risk. Notwithstanding any of the provisions of this chapter or any other law, the Alaska Housing Authority or the Government of Guam, the Virgin Islands, or Hawaii or any agency or instrumentality thereof shall be eligible as mortgagor or mortgagee, as the case may be, for any of the purposes of mortgage insurance under the provisions of this chapter. Upon application by the mortgagee (1) where the mortgagor is regulated or restricted pursuant to the last sentence of this section or (2) where the Alaska Housing Authority or the Government of Guam, the Virgin Islands, or Hawaii or any agency or instrumentality thereof is the mortgagor or mortgagee, for the insurance of a mortgage under any provisions of this chapter, the Secretary is authorized to insure the mortgage (including advances thereon where otherwise authorized), and to make commitments for the insuring of any such mortgages prior to the date of their execution or disbursement thereon, under such provision (and this section) without regard to any requirement that the mortgagor shall have paid a prescribed amount on account of such property. Without limiting the authority of the Secretary under any other provision of law, the Secretary is authorized, with respect to any mortgagor in such case (except where the Alaska Housing Authority is the mortgagor or mortgagee), to require the mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of

return, and methods of operation to such an extent and in such manner as the Secretary determines advisable to provide reasonable rentals and sales prices and a reasonable return on the investment.

(3) a mortgagor, approved by the Secretary which (A) has certified to the Secretary, as a condition of obtaining the insurance of a mortgage under this section, that upon completion of the property or project covered by such mortgage it intends to sell such property or project to a nonprofit corporation or nonprofit trust of the character described in paragraph (1) of this subsection at the actual cost of such property or project as certified pursuant to section 1715r of this title and will faithfully and diligently make and carry out all reasonable efforts to consummate such sale, and (B) shall be regulated or restricted by the Secretary as to rents, charges, capital structure, rate of return, and methods of operation during any period while it holds the mortgaged property or project; and for such purpose the Secretary may make such contracts with, and acquire for not to exceed \$100 such stock or interest in, any such mortgagor as the Secretary may deem necessary to render effective such restriction or regulation, such stock or interest to be paid for out of the Cooperative Management Housing Insurance Fund and to be redeemed by such mortgagor at par upon the sale of such property or project to such nonprofit corporation or nonprofit trust;

which corporations or trusts referred to in paragraphs (1) and (2) of this subsection are regulated or restricted for the purposes and in the manner provided in paragraphs (1) and (2) of subsection (b) of section 1713 of this title: *Provided*, That as applied to mortgages the insurance for which is the obligation of the Management Fund, the reference to the General Insurance Fund in section 1713(b)(2) of this title shall be construed to refer to the Management Fund. Nothing in this section may be construed to prevent membership in a nonprofit housing cooperative from being held in the name of a trust, the beneficiary of which shall occupy the dwelling unit in accordance with rules and regulations prescribed by the Secretary.

(b) Eligibility conditions for projects under subsection (a)(1) of this section

(1) Repealed. Pub. L. 93-383, title III, §304(b), Aug. 22, 1974, 88 Stat. 678.

(2)(A) not to exceed, for such part of the property or project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary), \$41,207 per family unit without a bedroom, \$47,511 per family unit with one bedroom, \$57,300 per family unit with two bedrooms, \$73,343 per family

unit with three bedrooms, and \$81,708 per family unit with four or more bedrooms, and not to exceed 98 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed physical improvements are completed: *Provided*, That as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$43,875 per family unit without a bedroom, \$49,710 per family unit with one bedroom, \$60,446 per family unit with two bedrooms, \$78,197 per family unit with three bedrooms, and \$85,836 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design; (B)(i) the Secretary may, by regulation, increase any of the dollar amount limitations in subparagraph (A) (as such limitations may have been adjusted in accordance with section 1712a of this title) by not to exceed 170 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 170 percent, or 215 percent in high cost areas, where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 1720¹ of this title (as such section existed immediately before November 30, 1983) is involved; and (ii) in the case of a mortgagor of the character described in paragraph (3) of subsection (a) the mortgage shall involve a principal obligation in an amount not to exceed 90 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed physical improvements are completed; and (iii) upon the sale of a property or project by a mortgagor of the character described in paragraph (3) of subsection (a) to a nonprofit cooperative ownership housing corporation or trust within two years after the completion of such property or project the mortgage given to finance such sale shall involve a principal obligation in an amount not to exceed the maximum amount computed in accordance with this subparagraph (B)(i)..²

(c) Eligibility conditions for projects under subsection (a)(2) of this section

To be eligible for insurance under this section a mortgage on any property or project of a corporation or trust of the character described in paragraph (2) of subsection (a) of this section shall involve a principal obligation in an amount not to exceed a sum computed on the basis of a separate mortgage for each single-family dwelling (irrespective of whether such dwelling has a party wall or is otherwise physically connected with another dwelling or dwellings) comprising the property or project, equal

to the total of each of the maximum principal obligations of such mortgages which would meet the requirements of section 1709(b)(2) of this title if the mortgagor were the owner and occupant who had made any required payment on account of the property prescribed in such paragraph.

(d) Amortization; release from mortgage lien; individual insurance; commercial and community facilities

Any mortgage insured under this section shall provide for complete amortization by periodic payments within such term as the Secretary may prescribe but not to exceed 40 years from the beginning of amortization of the mortgage, and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgage may provide for such release, and a mortgage on any project of a corporation or trust of the character described in paragraph (2) of subsection (a) of this section may provide that, at any time after the completion of the construction of the project, such mortgage may be replaced, in whole or in part, by individual mortgages covering each individual dwelling in the project in amounts not to exceed the unpaid balance of the blanket mortgage allocable to the individual property. Each such individual mortgage may be insured under this section. Property covered by a mortgage, insured under this section, on a property or project of a corporation or trust of the character described in paragraph (1) of subsection (a) of this section may include five or more family units and may include such commercial and community facilities as the Secretary deems adequate to serve the occupants. Property held by a corporation or trust of the character described in paragraph numbered (2) of subsection (a) of this section which is covered by a mortgage insured under this section may include such community facilities, and property held by a mortgagor of the character described in paragraph numbered (3) of subsection (a) of this section which is covered by a mortgage insured under this section may include such commercial and community facilities, as the Secretary deems adequate to serve the occupants.

(e) Applicability of sections 1710 and 1713 of this title

The provisions of subsections (d), (e), (g), (h), (i), (j), (k), (l), and (n) of section 1713 of this title shall be applicable to mortgages insured under this section except individual mortgages insured pursuant to subsection (d) of this section covering the individual dwellings in the project, and as to such individual mortgages the provisions of subsections (a), (c), (d), (e), (f), (g), (h),¹ (j), and (k)¹ of section 1710 of this title shall be applicable: *Provided*, That as applied to mortgages or loans the insurance for which is the obligation of the Management Fund (1) all references to the General Insurance Fund shall be construed to refer to the Management Fund, and (2) all references to section 1713 of this title shall be construed to refer to subsections (a)(1), (a)(3) (if

the project involved is acquired by a cooperative corporation), (i), and (j) of this section.

(f) Technical advice and assistance

The Secretary is authorized, with respect to mortgages insured or to be insured under this section, to furnish technical advice and assistance in the organization of corporations or trusts of the character described in subsection (a) of this section and in the planning, development, construction, and operation of their housing projects.

(g) Housing projects designed for single person occupancy

Nothing in this chapter shall be construed to prevent the insurance of a mortgage under this section covering a housing project designed for occupancy by single persons, and dwelling units in such a project shall constitute family units within the meaning of this section.

(h) Failure to sell to a nonprofit organization

In the event that a mortgagor of the character described in paragraph (3) of subsection (a) obtains an insured mortgage loan pursuant to this section and fails to sell the property or project covered by such mortgage to a nonprofit housing corporation or nonprofit housing trust of the character described in paragraph (1) of subsection (a), the Secretary is authorized to refuse, for such period of time as he shall deem appropriate under the circumstances, to insure under this section any additional investor-sponsor type mortgage loans made to such mortgagor or to any other investor-sponsor mortgagor where, in the determination of the Secretary, any of its stockholders were identified with such mortgagor.

(i) Mortgages executed by consumer cooperatives covering existing structures

Nothing in this chapter shall be construed to prevent the insurance of a mortgage executed by a mortgagor of the character described in paragraph (1) of subsection (a) of this section covering property upon which dwelling units and related facilities have been constructed prior to the filing of the application for mortgage insurance hereunder: *Provided*, That the Secretary determines that the consumer interest is protected and that the mortgagor will be a consumer cooperative. In the case of properties other than new construction, the limitations in this section upon the amount of the mortgage shall be based upon the appraised value of the property for continued use as a cooperative rather than upon the Secretary's estimate of the replacement cost. As to any project on which construction was commenced after September 23, 1959, the mortgage on such project shall be eligible for insurance under this section only in those cases where the construction was subject to inspection by the Secretary and where there was compliance with the provisions of section 1715c of this title. As to any project on which construction was commenced prior to September 23, 1959, such inspection, and compliance with the provisions of section 1715c of this title, shall not be a prerequisite.

(j) Insurance of supplementary cooperative loans

(1) With respect to any property covered by a mortgage insured under this section (or any co-

operative housing project covered by a mortgage insured under section 1713 of this title as in effect prior to April 20, 1950), the Secretary is authorized, upon such terms and conditions as he may prescribe, to make commitments to insure and to insure supplementary cooperative loans (including advances during construction or improvement) made by financial institutions approved by the Secretary. The Secretary is further authorized to make commitments to insure and to insure supplementary cooperative loans (including advances during construction or improvement) with respect to any property purchased from the Federal Government by a nonprofit corporation or trust of the character described in paragraph (1) of subsection (a), if the property is covered by an uninsured mortgage representing a part of the purchase price. As used in this subsection "supplementary cooperative loan" means a loan, advance of credit, or purchase of an obligation representing a loan or advance of credit made for the purpose of financing any of the following:

- (A) Improvements or repairs of the property covered by such mortgage;
- (B) Community facilities necessary to serve the occupants of the property; or
- (C) Cooperative purchases and resales of memberships in order to provide necessary refinancing for resales of memberships which involve increases in equity; but in such resales by the cooperative the downpayments by the new members shall not be less than those made on the original sales of such memberships.

(2) To be eligible for insurance under this subsection, a supplementary cooperative loan shall—

- (A) be limited to an amount which, when added to the outstanding mortgage indebtedness on the property, creates a total outstanding indebtedness which does not exceed the original principal obligation of the mortgage; except that, in the case of improvements or additional community facilities, the outstanding indebtedness may be increased by an amount equal to 97 per centum of the amount which the Secretary estimates will be the value of such improvements or facilities, and the new outstanding indebtedness may exceed the original principal obligation of the mortgage if such new outstanding indebtedness does not exceed the limitations imposed by subsection (b);
- (B) have a maturity satisfactory to the Secretary but not to exceed the remaining term of the mortgage; except that, in the case of repairs or improvements to a property covered by an uninsured mortgage dated more than twenty years prior to the date of the commitment to insure, of such magnitude that the Secretary deems them to be a major rehabilitation or modernization of such property, the loan may have a maturity date up to ten years in excess of the remaining term of the uninsured mortgage;
- (C) be secured in such manner as the Secretary may require;
- (D) contain such other terms, conditions, and restrictions as the Secretary may prescribe; and

(E) represent the obligation of a borrower of the character described in paragraph (1) of subsection (a).

(k) Cooperative Management Housing Insurance Fund

There is hereby created a Cooperative Management Housing Insurance Fund (hereinafter referred to as the "Management Fund"). The Management Fund shall be used by the Secretary as a revolving fund for carrying out the provisions of this section with respect to mortgages or loans insured, on or after August 10, 1965, under subsections (a)(1), (a)(3) (if the project is acquired by a cooperative corporation), (i), and (j). The Management Fund shall also be used as a revolving fund for mortgages, loans, and commitments transferred to it pursuant to subsection (m). The Secretary is directed to transfer to the Management Fund from the General Insurance Fund an amount equal to the total of the premium payments theretofore made with respect to the insurance of mortgages and loans transferred to the Management Fund pursuant to subsection (m) minus the total of any administrative expenses theretofore incurred in connection with such mortgages and loans, plus such other amounts as the Secretary determines to be necessary and appropriate. General expenses of operation of the Department of Housing and Urban Development relating to mortgages or loans which are the obligation of the Management Fund may be charged to the Management Fund.

(l) General Surplus Account; Participating Reserve Account

The Secretary shall establish in the Management Fund, as of August 10, 1965, a General Surplus Account and a Participating Reserve Account. The aggregate net income thereafter received or any net loss thereafter sustained by the Management Fund, in any semiannual period, shall be credited or charged to the General Surplus Account or the Participating Reserve Account or both in such manner and amounts as the Secretary may determine to be in accord with sound actuarial and accounting practice. Upon termination of the insurance obligation of the Management Fund by payment of any mortgage or loan insured under this section, and at such time or times prior to such termination as the Secretary may determine, the Secretary is authorized to distribute to the mortgagor or borrower a share of the Participating Reserve Account in such manner and amount as the Secretary shall determine to be equitable and in accordance with sound actuarial and accounting practice: *Provided*, That in no event shall the amount of the distributable share exceed the aggregate scheduled annual premiums of the mortgagor or borrower to the year of payment of the share less the total amount of any share or shares previously distributed by the Secretary to the mortgagor or borrower: *And provided further*, That in no event may a distributable share be distributed until any funds transferred from the General Insurance Fund to the Management Fund pursuant to subsection (o) have been repaid in full to the General Insurance Fund. No mortgagor, mortgagee, borrower, or lender shall have any vested right in a credit balance in any

such account or be subject to any liability arising out of the mutuality of the Management Fund. The determination of the Secretary as to the amount to be paid by him to any mortgagor or borrower shall be final and conclusive.

(m) Transfer of insurance to Management Fund

The Secretary is authorized to transfer to the Management Fund commitments for insurance issued under subsections (a)(1), (i), and (j) prior to August 10, 1965, and to transfer to the Management Fund the insurance of any mortgage or loan insured prior to August 10, 1965, under subsection (a)(1), (a)(3) (if the project is acquired by a cooperative corporation), (i), or (j): *Provided*, That the insurance of any mortgage or loan shall not be transferred under the provisions of this subsection if on August 10, 1965, the mortgage or loan is in default and the mortgagee or lender has notified the Secretary in writing of its intention to file an insurance claim. Any insurance or commitment not so transferred shall continue to be an obligation of the General Insurance Fund.

(n) Payment of premium charges in debentures

Notwithstanding the limitations contained in other provisions of this chapter, premium charges for mortgages or loans the insurance of which is the obligation of either the Management Fund or the General Insurance Fund may be payable in debentures issued in connection with mortgages or loans transferred to the Management Fund or in connection with mortgages or loans insured pursuant to commitments transferred to the Management Fund, as provided in subsection (m) of this section. Premium charges on the insurance of mortgages or loans transferred to the Management Fund or insured pursuant to commitments transferred to the Management Fund may be payable in debentures which are the obligation of either the Management Fund or the General Insurance Fund.

(o) Transfer of funds between Management Fund and General Insurance Fund; investment of monies

Notwithstanding any other provision of this chapter the Secretary is authorized to transfer funds between the Cooperative Management Housing Insurance Fund and the General Insurance Fund in such amounts and at such times as he may determine, taking into consideration the requirements of each such Fund, to assist in carrying out effectively the insurance programs for which such Funds were respectively established. Moneys in the Cooperative Management Housing Insurance Fund not needed for current operations of the fund shall be deposited with the Treasurer of the United States to the credit of the Cooperative Management Housing Insurance Fund or invested in bonds or other obligations of, or in bonds or other obligations guaranteed as to principal and interest by, the United States or any agency of the United States: *Provided*, That such moneys shall to the maximum extent feasible be invested in such bonds or other obligations the proceeds of which will be used to directly support the residential mortgage market. The Secretary may, with the approval of the Secretary of the Treasury, pur-

chase in the open market debentures which are the obligations of the Cooperative Management Housing Insurance Fund. Such purchases shall be made at a price which will provide an investment yield of not less than the yield obtainable from other investments authorized by this subsection. Debentures so purchased shall be canceled and not reissued.

(p) Increase in maximum mortgage amounts for solar energy systems and energy conservation measures

Notwithstanding any other provision of this section, the project mortgage amounts which may be insured under this section may be increased by up to 20 per centum if such increase is necessary to account for the increased cost of the project due to the installation therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)¹ in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure.

§ 1715k. Rehabilitation and neighborhood conservation housing insurance

(a) Purpose of section

The purpose of this section is to aid in the elimination of slums and blighted conditions and the prevention of the deterioration of residential property by supplementing the insurance of mortgages under sections 1709 and 1713 of this title with a system of loan and mortgage insurance designed to assist the financing required for the rehabilitation of existing dwelling accommodations and the construction of new dwelling accommodations where such dwelling accommodations are located in an area referred to in paragraph (1) of subsection (d) of this section.

(b) Authorization

The Secretary is authorized, upon application by the mortgagee, to insure, as hereinafter provided, any mortgage (including advances during construction on mortgages covering property of the character described in paragraph (3)(B) of subsection (d) of this section) which is eligible for insurance as hereinafter provided, and, upon such terms and conditions as he may prescribe, to make commitments for the insurance of such mortgages prior to the date of their execution or disbursement thereon.

(c) Definitions

As used in this section, the terms “mortgage”, “first mortgage”, “mortgagee”, “mortgagor”, “maturity date”, and “State” shall have the same meaning as in section 1707 of this title.

(d) Eligibility for insurance; conditions; limits

To be eligible for insurance under this section a mortgage shall meet the following conditions:

(1) The mortgaged property shall—

(A) be located in (i) the area of a slum clearance and urban redevelopment project covered by a Federal-aid contract executed or a prior approval granted, pursuant to title I of the Housing Act of 1949 [42 U.S.C. 1450 et seq.] before August 2, 1954, or (ii) an urban renewal area (as defined in title I of the Housing Act of 1949, as amended), or (iii) the area of an urban renewal project assisted under section 111 of the Housing Act of 1949 [42 U.S.C. 1462], or (iv) an area in which a program of concentrated code enforcement activities is being carried out pursuant to section 117 of the Housing Act of 1949 [42 U.S.C. 1468], or (v) an area, designated by the Secretary, where concentrated housing, physical development, and public service activities are being or will be carried out in a coordinated manner, pursuant to a locally developed strategy for neighborhood improvement, conservation, or preservation: *Provided*, That, in the case of an area within the purview of clause (i) or (ii) of this subparagraph, a redevelopment plan or an urban renewal plan (as defined in title I of the Housing Act of 1949, as amended), as the case may be, has been approved for such area by the governing body of the locality involved and by the Secretary of Housing and Urban Development, and the Secretary has determined that such plan conforms to a general plan for the locality as a whole and that there exist the necessary authority and financial capacity to assure the completion of such redevelopment or urban renewal plan: *And provided further*, That, in the case of an area within the purview of clause (iii) of this subparagraph, an urban renewal plan (as required for projects assisted under such section 111 [42 U.S.C. 1462]) has been approved for such area by such governing body and by the Secretary, and the Secretary has determined that such plan conforms to definite local objectives respecting appropriate land uses, improved traffic, public transportation, public utilities, recreational and community facilities, and other public improvements, and that there exist the necessary authority and financial capacity to assure the completion of such urban renewal plan, and

(B) meet such standards and conditions as the Secretary shall prescribe to establish the acceptability of such property for mortgage insurance under this section.

(2) The mortgaged property shall be held by—

(A) a mortgagor approved by the Secretary, and the Secretary may in his discretion require such mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return and methods of operation, and for such purpose the Secretary may make such contracts with and acquire for not to exceed \$100 stock or interest in any such mortgagor as the Sec-

retary may deem necessary to render effective such restriction or regulations. Such stock or interest shall be paid for out of the General Insurance Fund and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance; or

(B) by Federal or State instrumentalities, municipal corporate instrumentalities of one or more States, or limited dividend or redevelopment or housing corporations or other legal entities restricted by or under Federal or State laws or regulations of State banking or insurance departments as to rents, charges, capital structure, rate of return, or methods of operation.

(3) The mortgage shall—

(A)(i) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed the applicable maximum principal obligation which may be insured in the area under section 1709(b) of this title; or in the case of a dwelling designed principally for residential use for more than four families (but not exceeding such additional number of family units as the Secretary may prescribe) the applicable maximum principal obligation secured by a four-family residence which may be insured in the area under section 1709(b) of this title plus not to exceed \$9,165 for each additional family unit in excess of four located on such property; and not to exceed an amount equal to the sum of (1) 97 per centum (but, in any case where the dwelling is not approved for mortgage insurance prior to the beginning of construction, unless the construction of the dwelling was completed more than one year prior to the application for mortgage insurance, 90 per centum) of \$25,000 of the Secretary's estimate of replacement cost of the property, as of the date the mortgage is accepted for insurance and (2) 95 per centum of such value in excess of \$25,000: *Provided*, That in the case of properties other than new construction, the foregoing limitations upon the amount of the mortgage shall be based upon the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation rather than upon the Secretary's estimate of the replacement cost: *Provided further*, That if the mortgagor is a veteran and the mortgage to be insured under this section covers property upon which there is located a dwelling designed principally for a one-family residence, the principal obligation may be in an amount equal to the sum of (1) 100 per centum of \$25,000 of the Secretary's estimate of replacement cost of the property, as of the date the mortgage is accepted for insurance and (2) 95 per centum of such value in excess of \$25,000. As used herein, the term "veteran" means any person who served on active duty in the Armed Forces of the United States for a period of not less than ninety days (or is certified by the Secretary of Defense as having performed extrahazardous

service), and who was discharged or released therefrom under conditions other than dishonorable, except that persons enlisting in the armed forces after September 7, 1980, or entering active duty after October 16, 1981, shall have their eligibility determined in accordance with section 5303A(d) of title 38; and

(ii) in no case involving refinancing have a principal obligation in an amount exceeding the sum of the estimated cost of repair and rehabilitation and the amount (as determined by the Secretary) required to refinance existing indebtedness secured by the property or project, plus any existing indebtedness incurred in connection with improving, repairing, or rehabilitating the property; or

(B)(i) Repealed. Pub. L. 93-383, title III, §304(d), Aug. 22, 1974, 88 Stat. 678.

(i) not exceed 90 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the replacement cost of the property or project may include the land, the proposed physical improvements, utilities within the boundaries of the property or project, architect's fees, taxes, and interest during construction, and other miscellaneous charges incident to construction and approved by the Secretary, and shall include an allowance for builder's and sponsor's profit and risk of 10 per centum of all of the foregoing items except the land unless the Secretary, after certification that such allowance is unreasonable, shall by regulation prescribe a lesser percentage): *Provided*, That in the case of properties other than new construction, the foregoing limitations upon the amount of the mortgage shall be based upon the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation rather than upon the Secretary's estimate of the replacement cost: *Provided further*, That the mortgage may involve the financing of the purchase of property which has been rehabilitated by a local public agency with Federal assistance pursuant to section 110(c)(8) of the Housing Act of 1949 [42 U.S.C. 1460(c)(8)], and, in such case the foregoing limitations upon the amount of the mortgage shall be based upon the appraised value of the property as of the date the mortgage is accepted for insurance;

(iii)(I) not exceed, for such part of the property or project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary), \$38,025 per family unit without a bedroom, \$42,120 per family unit with one bedroom, \$50,310 per family unit with two bedrooms, \$62,010 per family unit with three bedrooms, and \$70,200 per family unit with four or more bedrooms; except that as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$43,875 per family unit without a bedroom, \$49,140 per family unit with one

bedroom, \$60,255 per family unit with two bedrooms, \$75,465 per family unit with three bedrooms, and \$85,328 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design; and (II) with respect to rehabilitation projects involving not more than five family units, the Secretary may by regulation increase by 25 per centum any of the dollar amount limitations in subparagraph (B)(iii)(I) (as such limitations may have been adjusted in accordance with section 1712a of this title) which are applicable to units with two, three, or four or more bedrooms; (III) the Secretary may, by regulation, increase the dollar amount limitations contained in subparagraph (B)(iii)(I) (as such limitations may have been adjusted in accordance with section 1712a of this title) by not to exceed 170 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 170 percent, or 215 percent in high cost areas, where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 1720¹ of this title (as such section existed immediately before November 30, 1983) is involved; (IV) That nothing contained in this² subparagraph (B)(iii)(I) shall preclude the insurance of mortgages covering existing multifamily dwellings to be rehabilitated or reconstructed for the purposes set forth in subsection (a) of this section; (V) the Secretary may further increase any of the dollar limitations which would otherwise apply to such projects by not to exceed 20 per centum if such increase is necessary to account for the increased cost of the project due to the installation therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)¹ in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure; and

(iv) include such nondwelling facilities as the Secretary deems desirable and consistent with the urban renewal plan or, where appropriate, with the locally developed strategy for neighborhood improvement, conservation or preservation: *Provided*, That the project shall be predominantly residential and any nondwelling facility included in the mortgage shall be found by the Secretary to contribute to the economic feasibility of the project, and the Secretary shall give due consideration to the possible

effect of the project on other business enterprises in the community.

(4) The mortgage shall provide for complete amortization by periodic payments (unless otherwise approved by the Secretary) within such terms as the Secretary may prescribe, but as to mortgages coming within the provisions of paragraph (3)(A) of this subsection not to exceed the maximum maturity prescribed by the provisions of section 1709(b)(3) of this title. The mortgage shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee and contain such terms and provisions with respect to the application of the mortgagor's periodic payment to amortization of the principal of the mortgage, insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in the Secretary's discretion prescribe.

(e) Release of mortgagor or part of property

The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage.

(f) Entitlement of mortgagee to benefits; payment in cash or debentures; acquisition of mortgages; applicability of other provisions

The mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided—

(1) as to mortgages meeting the requirements of paragraph (3)(A) of subsection (d) of this section as provided in section 1710(a) of this title with respect to mortgages insured under section 1709 of this title, and the provisions of subsections (b), (c), (d), (e), (f), (g), (h),¹ (j), and (k)¹ of section 1710 of this title shall be applicable to such mortgages insured under this section, except that all references therein to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund and all references therein to section 1709 of this title shall be construed to refer to this section;

(2) as to mortgages meeting the requirements of paragraph (3)(B) of subsection (d) of this section, as provided in section 1713(g) of this title with respect to mortgages insured under said section 1713, and the provisions of subsections (h), (i), (j), (k), and (l) of section 1713 of this title shall be applicable to such mortgages insured under this section, and all references therein to the Housing Insurance Fund or the Housing Fund shall be construed to refer to the General Insurance Fund; or

(3) as to mortgages meeting the requirements of this section that are insured or initially endorsed for insurance on or after June 30, 1961, notwithstanding the provisions of paragraphs (1) and (2) of this subsection, the Secretary in his discretion, in accordance with such regulations as he may prescribe, may make payments pursuant to such paragraphs

in cash or in debentures (as provided in the mortgage insurance contract), or may acquire a mortgage loan that is in default and the security therefor upon payment to the mortgagee in cash or in debentures (as provided in the mortgage insurance contract) of a total amount equal to the unpaid principal balance of the loan plus any accrued interest and any advances approved by the Secretary and made previously by the mortgagee under the provisions of the mortgage. After the acquisition of the mortgage by the Secretary the mortgagee shall have no further rights, liabilities, or obligations with respect to the loan or the security for the loan. The appropriate provisions of sections 1710 and 1713 of this title relating to the rights, liabilities, and obligations of a mortgagee shall apply with respect to the Secretary when he has acquired an insured mortgage under this paragraph, in accordance with and subject to regulations (modifying such provisions to the extent necessary to render their application for such purposes appropriate and effective) which shall be prescribed by the Secretary, except that as applied to mortgages so acquired (A) all references in section 1710 of this title to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund, and (B) all references in section 1710 of this title to section 1709 of this title shall be construed to refer to this section. If the insurance payment is made in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

(h) Home improvement loans; eligibility; conditions; refinancing; premium charge; defaults; debentures; exception; limitation

(1) To assist further in the conservation, improvement, repair, and rehabilitation of property located in the area of an urban renewal project or in an area in which a program of concentrated code enforcement activities is being carried out pursuant to section 117 of the Housing Act of 1949 [42 U.S.C. 1468], as provided in paragraph (1) of subsection (d) of this section, the Secretary is authorized upon such terms and conditions as he may prescribe to make commitments to insure and to insure home improvement loans (including advances during construction or improvement) made by financial institutions on and after June 30, 1961. As used in this subsection—

(A) the term "home improvement loan" means a loan, advance of credit, or purchase of an obligation representing a loan or advance of credit made—

(i) for the purpose of financing the improvement of an existing structure (or in connection with an existing structure) which was constructed not less than ten years prior to the making of such loan, advance of credit, or purchase, and which is used or will be used primarily for residential purposes: *Provided*, That a home improvement loan

shall include a loan, advance, or purchase with respect to the improvement of a structure which was constructed less than ten years prior to the making of such loan, advance, or purchase if the proceeds are or will be used primarily for major structural improvements, or to correct defects which were not known at the time of the completion of the structure or which were caused by fire, flood, windstorm, or other casualty; or

(ii) for the purpose of enabling the borrower to pay that part of the cost of the construction or installation of sidewalks, curbs, gutters, street paving, street lights, sewers, or other public improvements, adjacent to or in the vicinity of property owned by him and used primarily for residential purposes, which is assessed against him or for which he is otherwise legally liable as the owner of such property;

(B) the term "improvement" means conservation, repair, restoration, rehabilitation, conversion, alteration, enlargement, or remodeling; and

(C) the term "financial institution" means a lender approved by the Secretary as eligible for insurance under section 1703 of this title or a mortgagee approved under section 1709(b)(1) of this title.

(2) To be eligible for insurance under this subsection, a home improvement loan shall—

(i) not exceed the Secretary's estimate of the cost of improvement, or \$12,000 per family unit, whichever is the lesser, and be limited as required by paragraph (11): *Provided*, That the Secretary may, by regulation, increase such amount by not to exceed 45 per centum in any geographical area where he finds that cost levels so require;

(ii) be limited to an amount which when added to any outstanding indebtedness related to the property (as determined by the Secretary) creates a total outstanding indebtedness which does not exceed the limits provided in subsection (d)(3) for properties (of the same type) other than new construction;

(iii) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee;

(iv) have a maturity satisfactory to the Secretary, but not to exceed twenty years from the beginning of amortization of the loan;

(v) comply with such other terms, conditions, and restrictions as the Secretary may prescribe; and

(vi) represent the obligation of a borrower who is the owner of the property improved, or a lessee of the property under a lease for not less than 99 years which is renewable or under a lease having an expiration date in excess of 10 years later than the maturity date of the loan.

(3) Any home improvement loan insured under this subsection may be refinanced and extended in accordance with such terms and conditions as the Secretary may prescribe, but in no event for an additional amount or term in excess of the maximum provided for in this subsection.

(4) Repealed. Pub. L. 89-117, title XI, §1108(h)(3), Aug. 10, 1965, 79 Stat. 505.

(5) The Secretary is authorized to fix a premium charge for the insurance of home improvement loans under this subsection but in the case of any such loan such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to 1 per centum per annum of the amount of the principal obligation of the loan outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the financial institution either in cash or in debentures (at par plus accrued interest) issued by the Secretary as obligations of the General Insurance Fund, in such manner as may be prescribed by the Secretary, and the Secretary may require the payment of one or more such premium charges at the time the loan is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the loan. If the Secretary finds upon presentation of a loan for insurance and the tender of the initial premium charge or charges so required that the loan complies with the provisions of this subsection, such loan may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe. In the event the principal obligation of any loan accepted for insurance under this subsection is paid in full prior to the maturity date, the Secretary is authorized to refund to the financial institution for the account of the borrower all, or such portions as he shall determine to be equitable, of the current unearned premium charges theretofore paid.

(6) In cases of defaults on loans insured under this subsection, upon receiving notice of default, the Secretary, in accordance with such regulations as he may prescribe, may acquire the loan and any security therefor upon payment to the financial institution in cash or in debentures (as provided in the loan insurance contract) of a total amount equal to the unpaid principal balance of the loan, plus any accrued interest, any advances approved by the Secretary made previously by the financial institution under the provisions of the loan instruments, and reimbursement for such collection costs, court costs, and attorney fees as may be approved by the Secretary. If the insurance payment is made in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

(7) Debentures issued under this subsection shall be executed in the name of the General Insurance Fund as obligor, shall be negotiable, and, if in book entry form, transferable, in the manner described by the Secretary in regulations, and shall be dated as of the date the loan is assigned to the Secretary and shall bear interest from that date. They shall bear interest at a rate established by the Secretary pursuant to section 1715o of this title, payable semiannually on the 1st day of January and the 1st day of July of each year, and shall mature ten years after their date of issuance. They shall be exempt from taxation as provided in section 1713(i) of this title with respect to debentures issued under that section. They shall be paid out of the General Insurance Fund which shall be pri-

marily liable therefor and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and, in the case of debentures issued in certificated registered form, the guaranty shall be expressed on the face of the debentures. In the event the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures so guaranteed, the Secretary of the Treasury shall pay to the holders the amount thereof which is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, and thereupon, to the extent of the amounts so paid, the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures. Debentures issued under this subsection shall be in such form and amounts; shall be subject to such terms and conditions; and shall include such provisions for redemption, if any, as may be prescribed by the Secretary of Housing and Urban Development, with the approval of the Secretary of the Treasury; and may be in book entry or certificated registered form, or such other form as the Secretary of Housing and Urban Development may prescribe in regulations.

(8) The provisions of subsections (c), (d), and (h) of section 1703 of this title shall apply to home improvement loans insured under this subsection, and for the purposes of this subsection references in subsections (c), (d), and (h) of section 1703 of this title to "this section" or "this subchapter" shall be construed to refer to this subsection.

(9)(A) Notwithstanding any other provisions of this chapter, no home improvement loan executed in connection with the improvement of a structure for use as rental accommodations for five or more families shall be insured under this subsection unless the borrower has agreed (i) to certify, upon completion of the improvement and prior to final endorsement of the loan, either that the actual cost of improvement equaled or exceeded the proceeds of the home improvement loan, or the amount by which the proceeds of the loan exceed the actual cost, as the case may be, and (ii) to pay forthwith to the financial institution, for application to the reduction of the principal of the loan, the amount, if any, certified to be in excess of the actual cost of improvement. Upon the Secretary's approval of the borrower's certification as required under this paragraph, the certification shall be final and incontestable, except for fraud or material misrepresentation on the part of the borrower.

(B) As used in subparagraph (A), the term "actual cost" means the cost to the borrower of the improvement, including the amounts paid for labor, materials, construction contracts, off-site public utilities, streets, organization and legal expenses, such allocations of general overhead items as are acceptable to the Secretary, and other items of expense approved by the Secretary, plus a reasonable allowance for builder's profit if the borrower is also the builder, as defined by the Secretary, and excluding the amount of any kickbacks, rebates, or trade discounts received in connection with the improvement.

(10) Notwithstanding any other provision of this chapter, the Secretary is authorized and

empowered (i) to make expenditures and advances out of funds made available by this chapter to preserve and protect his interest in any security for, or the lien or priority of the lien securing, any loan or other indebtedness owing to, insured by, or acquired by the Secretary or by the United States under this subsection, or section 1703 or 1709(k) of this title; and (ii) to bid for and to purchase at any foreclosure or other sale or otherwise acquire property pledged, mortgaged, conveyed, attached, or levied upon to secure the payment of any loan or other indebtedness owing to or acquired by the Secretary or by the United States under this subsection or section 1703 or 1709(k) of this title. The authority conferred by this paragraph may be exercised as provided in the last sentence of section 1710(g) of this title.

(11) Notwithstanding any other provision of this chapter, no home improvement loan made in whole or in part for the purpose specified in clause (A)(ii) of the second sentence of paragraph (1) shall be insured under this subsection if such loan (or the portion thereof which is attributable to such purpose), when added to the aggregate principal balance of any outstanding loans insured under this subsection or section 1709(k) of this title which were made to the same borrower for the purpose so specified (or the portion of such aggregate balance which is attributable to such purpose), would exceed \$10,000 or such additional amount as the Secretary has by regulation prescribed in any geographical area where he finds cost levels so require pursuant to the authority vested in him by the proviso in paragraph (2)(i) of this subsection.

(ii)(I) not exceed, for such part of the property or project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary) \$42,048 per family unit without a bedroom, \$48,481 per family unit with one bedroom, \$58,469¹ per family unit with two bedrooms, \$74,840 per family unit with three bedrooms, and \$83,375 per family unit with four or more bedrooms; except that as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$44,250 per family unit without a bedroom, \$50,724 per family unit with one bedroom, \$61,680 per family unit with two bedrooms, \$79,793 per family unit with three bedrooms, and \$87,588 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design; (II) the Secretary may, by regulation, increase any of the dollar amount limitations in subclause (I) (as such limitations may have been adjusted in accordance with section 1712a of this title) by not to exceed 170 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 170 percent, or 215 percent in high cost areas, where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 1720² of this title (as such section existed immediately before November 30, 1983) is involved; and

(iii) not exceed (1) in the case of new construction, the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the replacement cost may include the land, the proposed physical improvements, utilities within the boundaries of the land, architect's fees, taxes, interest during construction, and other miscellaneous charges incident to construction and approved by the Secretary), or

(2) in the case of repair and rehabilitation, the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation: *Provided*, That the mortgage may involve the financing of the purchase of property which has been rehabilitated by a local public agency with Federal assistance pursuant to section 110(c)(8) of the Housing Act of 1949 [42 U.S.C. 1460(c)(8)], and, in such case, the amount of the mortgage shall not exceed the appraised value of the property as of the date the mortgage is accepted for insurance: *Provided further*, That in the case of any mortgagor other than a nonprofit corporation or association, cooperative (including an investor-sponsor), or public body, or a mortgagor meeting the special requirements of subsection (e)(1), the amount of the mortgage shall not exceed 90 per centum of the amount otherwise authorized under this section: *Provided further*, That such property or project, when constructed, or repaired and rehabilitated, shall be for use as a rental or cooperative project, and low and moderate income families or displaced families shall be eligible for occupancy in accordance with such regulations and procedures as may be prescribed by the Secretary and the Secretary may adopt such requirements as he determines to be desirable regarding consultation with local public officials where such consultation is appropriate by reason of the relationship of such project to projects under other local programs; or

(4) if executed by a mortgagor and which is approved by the Secretary—

determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 1720² of this title (as such section existed immediately before November 30, 1983) is involved;

(iii) not exceed (in the case of a property or project approved for mortgage insurance prior to the beginning of construction) 90 percent of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the replacement cost may include the land, the proposed physical improvements, utilities within the boundaries of the land, architect's fees, taxes, interest during construction, and other miscellaneous charges incident to construction and approved by the Secretary, and shall include an allowance for builder's and sponsor's profit and risk of 10 percent of all of the foregoing items, except the land, unless the Secretary, after certification that such allowance is unreasonable, shall by regulation prescribe a lesser percentage); and

(iv) not exceed 90 percent of the sum of the estimated cost of repair and rehabilitation (including the cost of evaluating and reducing lead-based paint hazards, as such terms are defined in section 4851b of title 42) and the Secretary's estimate of the value of the property before repair and rehabilitation if the proceeds of the mortgage are to be used for the repair and rehabilitation of a property or project: *Provided*, That the Secretary may, in his discretion, require the mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation, and for such purpose the Secretary may make such contracts with and acquire for not to exceed \$100 such stock or interest in any such mortgagor as the Secretary may deem necessary to render effective such restrictions or regulations, with such stock or interest being paid for out of the General Insurance Fund and being required to be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance;

(5) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee; and contain such terms and provisions with respect to the application of the mortgagor's periodic payment to amortization of the principal of the mortgage, insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in his discretion prescribe: *Provided*, That a mortgage insured under the provisions of subsection (d)(3) shall bear interest (exclusive of any premium charges for insurance and service charge, if any) at not less than the lower of (A) 3 per centum per annum,

or (B) the annual rate of interest determined, from time to time by the Secretary of the Treasury at the request of the Secretary, by estimating the average market yield to maturity on all outstanding marketable obligations of the United States, and by adjusting such yield to the nearest one-eighth of 1 per centum, and there shall be no differentiation in the rate of interest charged under this proviso as between mortgagors under subsection (d)(3) on the basis of differences in the types or classes of such mortgagors, and

(6) provide for complete amortization by periodic payments (unless otherwise approved by the Secretary) within such terms as the Secretary may prescribe, but as to mortgages coming within the provisions of subsection (d)(2) not to exceed from the date of the beginning of amortization of the mortgage (i) 40 years in the case of a displaced family, (ii) 35 years in the case of any other family if the mortgage is approved for insurance prior to construction, except that the period in such case may be increased to not more than 40 years where the mortgagor is not able, as determined by the Secretary, to make the required payments under a mortgage having a shorter amortization period, and (iii) 30 years in the case of any other family where the mortgage is not approved for insurance prior to construction.

(e) "Mortgagor" defined; release of mortgagor or part of property

(1) A mortgagor which may be approved by the Secretary as provided in subsection (d)(3) includes a mortgagor which, as a condition of obtaining insurance of the mortgage and prior to the submission of its application for such insurance, has entered into an agreement (in form and substance satisfactory to the Secretary) with a private nonprofit corporation eligible for an insured mortgage under the provisions of subsection (d)(3), that the mortgagor will sell the project when it is completed to the corporation at the actual cost of the project, as certified pursuant to section 1715r of this title. The mortgagor to whom the property is sold shall be regulated or supervised by the Secretary as provided in subsection (d)(3) to effectuate its purposes.

(2) The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage.

(f) Compliance with standards; nondwelling facilities in projects in urban renewal areas; number of family units; premium charges; housing for low-income purchasers; expiration of mortgage insurance authority; "family" defined; single occupants in subsection (d)(3) housing; use of certain housing facilities for classroom purposes; return of advances for capital improvements

The property or project shall comply with such standards and conditions as the Secretary may prescribe to establish the acceptability of such property for mortgage insurance and may

include such commercial and community facilities as the Secretary deems adequate to serve the occupants: *Provided*, That in the case of any such property or project located in an urban renewal area, the provisions of section 1715k(d)(3)(B)(iv) of this title shall apply with respect to the nondwelling facilities which may be included in the mortgage: *Provided further*, That, in the case of a mortgage which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), the provisions of section 1715k(d)(3)(B)(iv) of this title shall only apply if the mortgagor waives the right to receive dividends on its equity investment in the portion thereof devoted to commercial facilities.

A property or project covered by a mortgage insured under the provisions of subsection (d)(3) or (d)(4) shall include five or more family units: *Provided*, That such units, in the case of a project designed primarily for occupancy by displaced, elderly, or handicapped families, need not, with the approval of the Secretary, contain kitchen facilities, and such projects may include central dining and other shared facilities. The Secretary is authorized to adopt such procedures and requirements as he determines are desirable to assure that the dwelling accommodations provided under this section are available to displaced families. Notwithstanding any provision of this chapter, the Secretary, in order to assist further the provision of housing for low and moderate income families, in his discretion and under such conditions as he may prescribe, may insure a mortgage which meets the requirements of subsection (d)(3) of this section as in effect after June 30, 1961, or which meets the requirements of subsection (h), (i), or (j) with no premium charge, with a reduced premium charge, or with a premium charge for such period or periods during the time the insurance is in effect as the Secretary may determine, and there is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, such amounts as may be necessary to reimburse the General Insurance Fund for any net losses in connection with such insurance. Any person who is sixty-two years of age or over, or who is a handicapped person within the meaning of section 1701q² of this title, or who is a displaced person, shall be deemed to be a family within the meaning of the terms "family" and "families" as those terms are used in this section. Low- and moderate-income persons who are less than 62 years of age shall be eligible for occupancy of dwelling units in a project financed with a mortgage insured under subsection (d)(3). In any case in which it is determined in accordance with regulations of the Secretary that facilities in existence or under construction on December 31, 1970, which could appropriately be used for classroom purposes are available in any such property or project and that public schools in the community are overcrowded due in part to the attendance at such schools of residents of the property or project, such facilities may be used for such purposes to the extent permitted in such regulations (without being subject to any of the requirements of the proviso in section 1715k(d)(3)(B)(iv) of this title except the requirement that the project be predominantly residential).

As used in this section the terms "displaced family", "displaced families", and "displaced person" shall mean a family or families, or a person, displaced from an urban renewal area, or as a result of governmental action, or as a result of a major disaster as determined by the President pursuant to the Disaster Relief and Emergency Assistance Act [42 U.S.C. 5121 et seq.].

In order to induce advances by owners for capital improvements (excluding any owner contributions that may be required by the Secretary as a condition for assistance under section 201 of the Housing and Community Development Amendments of 1978) to benefit projects covered by a mortgage under the provisions of subsection (d)(3) that bears a below market interest rate prescribed in the proviso to subsection (d)(5), in establishing the rental charge for the project the Secretary may include an amount that would permit a return out of such advances with interest to the owner out of project income, on such terms and conditions as the Secretary may determine. Any resulting increase in rent contributions shall be—

(A) to a level not exceeding the lower of 30 percent of the adjusted income of the tenant or the published existing fair market rent for comparable housing established under section 8(c) of the United States Housing Act of 1937 [42 U.S.C. 1437f(c)];

(B) phased in equally over a period of not less than 3 years, if such increase is 30 percent or more; and

(C) limited to not more than 10 percent per year if such increase is more than 10 percent but less than 30 percent.

Assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] shall be provided, to the extent available under appropriations Acts, if necessary to mitigate any adverse effects on income-eligible tenants.

(g) Entitlement of mortgagee to benefits; applicability of other provisions; debentures; "going Federal rate" defined; transfer of original credit instrument

The mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided—

(1) as to mortgages meeting the requirements of paragraph (2) of subsection (d) of this section, paragraph (5) of subsection (h) of this section, or paragraph (2) of subsection (i) of this section, as provided in section 1710(a) of this title with respect to mortgages insured under section 1709 of this title, and the provisions of subsections (b), (c), (d), (e), (f), (g), (h),² (j), and (k)² of section 1710 of this title shall be applicable to such mortgages insured under this section, except that all references therein to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund and all references therein to section 1709 of this title shall be construed to refer to this section; or

(2) as to mortgages meeting the requirements of paragraph (3) or (4) of subsection (d) of this section, paragraph (1) of subsection (h) of this section, or paragraph (2) of subsection (j) of this section as provided in section 1713(g) of this title with respect to mortgages insured

under said section 1713, and the provisions of subsections (h), (i), (j), (k), and (l) of section 1713 of this title shall be applicable to such mortgages insured under this section; or

(3) as to mortgages meeting the requirements of this section which are insured or initially endorsed for insurance on or after June 30, 1961, notwithstanding the provisions of paragraphs (1) and (2) of this subsection, the Secretary in his discretion, in accordance with such regulations as he may prescribe, may make payments pursuant to such paragraphs in cash or in debentures (as provided in the mortgage insurance contract), or may acquire a mortgage loan that is in default and the security therefor upon payment to the mortgagee in cash or in debentures (as provided in the mortgage insurance contract) of a total amount equal to the unpaid principal balance of the loan plus any accrued interest and any advances approved by the Secretary and made previously by the mortgagee under the provisions of the mortgage, and after the acquisition of any such mortgage by the Secretary the mortgagee shall have no further rights, liabilities, or obligations with respect to the loan or the security for the loan. The appropriate provisions of sections 1710 and 1713 of this title relating to the issuance of debentures shall apply with respect to debentures issued under this paragraph, and the appropriate provisions of sections 1710 and 1713 of this title relating to the rights, liabilities, and obligations of a mortgagee shall apply with respect to the Secretary when he has acquired an insured mortgage under this paragraph, in accordance with and subject to regulations (modifying such provisions to the extent necessary to render their application for such purposes appropriate and effective) which shall be prescribed by the Secretary, except that as applied to mortgages so acquired (A) all references in section 1710 of this title to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund, and (B) all references in section 1710 of this title to section 1709 of this title shall be construed to refer to this section. If the insurance is paid in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

(4)(A) in the event any mortgage insured under this section pursuant to a commitment to insure entered into before November 30, 1983, is not in default at the expiration of twenty years from the date the mortgage was endorsed for insurance, the mortgagee shall, within a period thereafter to be determined by the Secretary, have the option to assign, transfer, and deliver to the Secretary the original credit instrument and the mortgage securing the same and receive the benefits of the insurance as hereinafter provided in this paragraph, upon compliance with such requirements and conditions as to the validity of the mortgage as a first lien and such other matters as may be prescribed by the Secretary at the time the loan is endorsed for insurance.

Upon such assignment, transfer, and delivery the obligation of the mortgagee to pay the premium charges for insurance shall cease, and the Secretary shall issue to the mortgagee debentures having a par value equal to the amount of the original principal obligation of the mortgage which was unpaid on the date of the assignment, plus accrued interest to such date. Debentures issued pursuant to this paragraph shall be issued in the same manner and subject to the same terms and conditions as debentures issued under paragraph (1) of this subsection, except that the debentures issued pursuant to this paragraph shall be dated as of the date the mortgage is assigned to the Secretary, shall mature ten years after such date, and shall bear interest from such date at the going Federal rate determined at the time of issuance. The term "going Federal rate" as used herein means the annual rate of interest which the Secretary of the Treasury shall specify as applicable to the six-month period (consisting of January through June or July through December) which includes the issuance date of such debentures, which applicable rate for each such six-month period shall be determined by the Secretary of the Treasury by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the month of May or the month of November, as the case may be, next preceding such six-month period, on all outstanding marketable obligations of the United States having a maturity date of eight to twelve years from the first day of such month of May or November (or, if no such obligations are outstanding, the obligation next shorter than eight years and the obligation next longer than twelve years, respectively, shall be used), and by adjusting such estimated average annual yield to the nearest one-eighth of 1 per centum. The Secretary shall have the same authority with respect to mortgages assigned to him under this paragraph as contained in sections 1713(k) and 1713(l) of this title as to mortgages insured by the Secretary and assigned to him under section 1713 of this title.

(B) In processing a claim for insurance benefits under this paragraph, the Secretary may direct the mortgagee to assign, transfer, and deliver the original credit instrument and the mortgage securing it directly to the Government National Mortgage Association in lieu of assigning, transferring, and delivering the credit instrument and the mortgage to the Secretary. Upon the assignment, transfer, and delivery of the credit instrument and the mortgage to the Association, the mortgage insurance contract shall terminate and the mortgagee shall receive insurance benefits as provided in subparagraph (A). The Association is authorized to accept such loan documents in its own name and to hold, service, and sell such loans as agent for the Secretary. The mortgagor's obligation to pay a service charge in lieu of a mortgage insurance premium shall continue as long as the mortgage is held by the Association or by the Secretary. The Secretary shall have the same authority with respect to mortgages assigned to the Secretary

or the Association under this subparagraph as provided by section 1715n(c) of this title.

(C)(i) In lieu of accepting assignment of the original credit instrument and the mortgage securing the credit instrument under subparagraph (A) in exchange for receipt of debentures, the Secretary shall arrange for the sale of the beneficial interests in the mortgage loan through an auction and sale of the (I) mortgage loans, or (II) participation certificates, or other mortgage-backed obligations in a form acceptable to the Secretary (in this subparagraph referred to as "participation certificates"). The Secretary shall arrange the auction and sale at a price, to be paid to the mortgagee, of par plus accrued interest to the date of sale. The sale price shall also include the right to a subsidy payment described in clause (iii).

(ii)(I) The Secretary shall conduct a public auction to determine the lowest interest rate necessary to accomplish a sale of the beneficial interests in the original credit instrument and mortgage securing the credit instrument.

(II) A mortgagee who elects to assign a mortgage shall provide the Secretary and persons bidding at the auction a description of the characteristics of the original credit instrument and mortgage securing the original credit instrument, which shall include the principal mortgage balance, original stated interest rate, service fees, real estate and tenant characteristics, the level and duration of applicable Federal subsidies, and any other information determined by the Secretary to be appropriate. The Secretary shall also provide information regarding the status of the property with respect to the provisions of the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act with respect to eligibility to prepay the mortgage, a statement of whether the owner has filed a notice of intent to prepay or a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, and the details with respect to incentives provided under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act in lieu of exercising prepayment rights.

(III) The Secretary shall, upon receipt of the information in subclause (II), promptly advertise for an auction and publish such mortgage descriptions in advance of the auction. The Secretary may conduct the auction at any time during the 6-month period beginning upon receipt of the information in subclause (II) but under no circumstances may the Secretary conduct an auction before 2 months after receiving the mortgagee's written notice of intent to assign its mortgage to the Secretary.

(IV) In any auction under this subparagraph, the Secretary shall accept the lowest interest rate bid for purchase that the Secretary determines to be acceptable. The Secretary shall cause the accepted bid to be published in the Federal Register. Settlement for the sale of the credit instrument and the mortgage securing the credit instrument shall occur not later than 30 business days after the date winning

bidders are selected in the auction, unless the Secretary determines that extraordinary circumstances require an extension (not to exceed 60 days) of the period.

(V) If no bids are received, the bids that are received are not acceptable to the Secretary, or settlement does not occur within the period under subclause (IV), the mortgagee shall retain all rights (including the right to interest, at a rate to be determined by the Secretary, for the period covering any actions taken under this subparagraph) under this section to assign the mortgage loan to the Secretary.

(iii) As part of the auction process, the Secretary shall agree to provide a monthly interest subsidy payment from the General Insurance Fund to the purchaser under the auction of the original credit instrument or the mortgage securing the credit instrument (and any subsequent holders or assigns who are approved mortgagees). The subsidy payment shall be paid on the first day of each month in an amount equal to the difference between the stated interest due on the mortgage loan and the lowest interest rate necessary to accomplish a sale of the mortgage loan or participation certificates (less the servicing fee, if appropriate) for the then unpaid principal balance plus accrued interest at a rate determined by the Secretary. Each interest subsidy payment shall be treated by the holder of the mortgage as interest paid on the mortgage. The interest subsidy payment shall be provided until the earlier of—

(I) the maturity date of the loan;

(II) prepayment of the mortgage loan in accordance with the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, where applicable; or

(III) default and full payment of insurance benefits on the mortgage loan by the Federal Housing Administration.

(iv) The Secretary shall require that the mortgage loans or participation certificates presented for assignment are auctioned as whole loans with servicing rights released and also are auctioned with servicing rights retained by the current servicer.

(v) To the extent practicable, the Secretary shall encourage State housing finance agencies, nonprofit organizations, and organizations representing the tenants of the property securing the mortgage, or a qualified mortgagee participating in a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act to participate in the auction.

(vi) The Secretary shall implement the requirements imposed by this subparagraph within 30 days from November 5, 1990, and not be subject to the requirement of prior issuance of regulations in the Federal Register. The Secretary shall issue regulations implementing this section within 6 months of November 5, 1990.

(vii) Nothing in this subparagraph shall diminish or impair the low income use restrictions applicable to the project under the original regulatory agreement or the revised agreement entered into pursuant to the Emergency Low Income Housing Preservation Act of 1987

or subsequent Act, if any, or other agreements for the provision of Federal assistance to the housing or its tenants.

(viii) This subparagraph shall not apply after December 31, 2002, except that this subparagraph shall continue to apply if the Secretary receives a mortgagee's written notice of intent to assign its mortgage to the Secretary on or before such date. Not later than January 31 of each year (beginning in 1992), the Secretary shall submit to the Congress a report including statements of the number of mortgages auctioned and sold and their value, the amount of subsidies committed to the program under this subparagraph, the ability of the Secretary to coordinate the program with the incentives provided under the Emergency Low Income Housing Preservation Act of 1992 or subsequent Act, and the costs and benefits derived from the program for the Federal Government.

(ix) The authority of the Secretary to conduct multifamily auctions under this paragraph shall be effective for any fiscal year only to the extent and in such amounts as are approved in appropriations Acts for the costs of loan guarantees (as defined in section 661a of title 2), including the cost of modifying loans.

(h) Insurance of mortgages to finance purchase and rehabilitation by nonprofit organizations of housing for resale to low-income purchasers, and insurance of mortgages executed for the purpose of financing rehabilitation or improvement of dwellings owned and occupied by mortgagors who purchased from nonprofit organizations

(1) In addition to mortgages insured under the other provisions of this section, the Secretary is authorized, upon application by the mortgagee, to insure under this subsection as hereinafter provided any mortgage (including advances under such mortgage during rehabilitation) which is executed by a nonprofit organization to finance the purchase and rehabilitation of deteriorating or substandard housing for subsequent resale to low-income home purchasers and, upon such terms and conditions as the Secretary may prescribe, to make commitments for the insurance of such mortgages prior to the date of their execution or disbursement thereon.

(2) To be eligible for insurance under paragraph (1) of this subsection, a mortgage shall—

(A) be executed by a private nonprofit corporation or association, approved by the Secretary, for financing the purchase and rehabilitation (with the intention of subsequent resale) of property comprising one or more tracts or parcels, whether or not contiguous, upon which there is located deteriorating or substandard housing consisting of (i) four or more single-family dwellings of detached, semidetached, or row construction, or (ii) four or more one-family units in a structure or structures for which a plan of family unit ownership approved by the Secretary is established;

(B) be secured by the property which is to be purchased and rehabilitated with the proceeds thereof;

(C) be in a principal amount not exceeding the appraised value of the property at the time of its purchase under the mortgage plus the estimated cost of the rehabilitation;

(D) bear interest (exclusive of premium charges for insurance and service charge, if any) at the rate in effect under the proviso in subsection (d)(5) at the time of execution;

(E) provide for complete amortization (subject to paragraph (5)(E)) by periodic payments within such term as the Secretary may prescribe; and

(F) provide for the release of individual single-family dwellings from the lien of the mortgage upon the sale of the rehabilitated dwellings in accordance with paragraph (5).

(3) No mortgage shall be insured under paragraph (1) unless the mortgagor shall have demonstrated to the satisfaction of the Secretary that (A) the property to be rehabilitated is located in a neighborhood which is sufficiently stable and contains sufficient public facilities and amenities to support long-term values, or (B) the rehabilitation to be carried out by the mortgagor plus its related activities and the activities of other owners of housing in the neighborhood, together with actions to be taken by public authorities, will be of such scope and quality as to give reasonable promise that a stable environment will be created in the neighborhood.

(4) The aggregate principal balance of all mortgages insured under paragraph (1) and outstanding at any one time shall not exceed \$50,000,000.

(5)(A) No mortgage shall be insured under paragraph (1) unless the mortgagor enters into an agreement (in form and substance satisfactory to the Secretary) that it will offer to sell the dwellings involved, upon completion of their rehabilitation, to individuals or families (hereinafter referred to as "low-income purchasers") determined by the Secretary to have incomes below the maximum amount specified (with respect to the area involved) in section 1701s(c)(1) of this title.

(B) The Secretary is authorized to insure under this paragraph mortgages executed to finance the sale of individual dwellings to low-income purchasers as provided in subparagraph (A). Any such mortgage shall—

(i) be in a principal amount equal to that portion of the unpaid balance of the principal mortgage covering the property (insured under paragraph (1)) which is allocable to the individual dwelling involved; and

(ii) bear interest at the same rate as the principal mortgage or such lower rate, not less than 1 per centum, as the Secretary may prescribe if in his judgment the purchaser's income is sufficiently low to justify the lower rate, and provide for complete amortization within a term equal to the remaining term (determined without regard to subparagraph (E)) of such principal mortgage: *Provided*, That, if the rate of interest initially prescribed is less than the rate borne by the principal mortgage and the purchaser's income (as determined on the basis of periodic review) subsequently rises, the rate of interest so prescribed shall be increased (but not above the

rate borne by such principal mortgage), under regulations of the Secretary, to the extent appropriate to reflect the increase in such income, and the mortgage shall so provide.

(C) The price for which any individual dwelling is sold to a low-income purchaser under this paragraph shall be the amount of the mortgage covering the sale as determined under subparagraph (B), except that the purchaser shall in addition thereto be required to pay on account of the property at the time of purchase such amount (which shall not be less than \$200, but which may be applied in whole or in part toward closing costs) as the Secretary may determine to be reasonable and appropriate in the circumstances.

(D) Upon the sale under this paragraph of any individual dwelling, such dwelling shall be released from the lien of the principal mortgage, and such mortgage shall thereupon be replaced by an individual mortgage insured under this paragraph to the extent of the portion of its unpaid balance which is allocable to the dwelling covered by such individual mortgage. Until all of the individual dwellings in the property covered by the principal mortgage have been sold, the mortgagor shall hold and operate the dwellings remaining unsold at any given time as though they constituted rental units in a project covered by a mortgage which is insured under subsection (d)(3) (and which receives the benefits of the interest rate provided for in the proviso in subsection (d)(5)).

(E) Upon the sale under this paragraph of all of the individual dwellings in the property covered by the principal mortgage, and the release of all individual dwellings from the lien of the principal mortgage, the insurance of the principal mortgage shall be terminated and no adjusted premium charge shall be charged by the Secretary upon such termination.

(F) Any mortgage insured under this paragraph shall contain a provision that if the low-income mortgagor does not continue to occupy the property the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time of commitment for insurance of the principal mortgage; except that the increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) the nonprofit organization which executed the principal mortgage, (ii) a public housing agency having jurisdiction under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] over the area where the dwelling is located, or (iii) a low-income purchaser approved for the purposes of this paragraph by the Secretary.

(6) In addition to the mortgages that may be insured under paragraphs (1) and (5), the Secretary is authorized to insure under this subsection at any time within one year after August 1, 1968, upon such terms and conditions as he may prescribe, mortgages which are executed by individuals or families that meet the income criteria prescribed in paragraph (5)(A) and are executed for the purpose of financing the rehabilitation or improvement of single-family dwellings of detached, semidetached, or row construction that are owned in each instance by a mortgagor who has purchased the dwelling from

a nonprofit organization of the type described in this subsection. To be eligible for such insurance, a mortgage shall—

(A) be in a principal amount not exceeding the lesser of \$18,000 or the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation, except that in no case involving refinancing shall such mortgage exceed such estimated cost of repair and rehabilitation and the amount (as determined by the Secretary) required to refinance existing indebtedness secured by the property;

(B) bear interest (exclusive of premium charges for insurance and service charge, if any) at 3 per centum per annum or such lower rate, not less than 1 per centum, as the Secretary may prescribe if in his judgment the mortgagor's income is sufficiently low to justify the lower rate: *Provided*, That, if the rate of interest initially prescribed is less than 3 per centum per annum and the mortgagor's income (as determined on the basis of periodic review) subsequently rises, the rate shall be increased (but not above 3 per centum), under regulations of the Secretary, to the extent appropriate to reflect the increase in such income, and the mortgage shall so provide;

(C) involve a mortgagor that shall have paid on account of the property at the time of the rehabilitation such amount (which shall not be less than \$200 in cash or its equivalent, but which may be applied in whole or in part toward closing costs) as the Secretary may determine to be reasonable and appropriate under the circumstances; and

(D) contain a provision that, if the low-income mortgagor does not continue to occupy the property, the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time the commitment was issued for insurance of the mortgage; except that the increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) a nonprofit organization which has been engaged in purchasing and rehabilitating deteriorating and substandard housing with financing under a mortgage insured under paragraph (1) of this subsection, (ii) a public housing agency having jurisdiction under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] over the area where the dwelling is located, or (iii) a low-income purchaser approved for the purposes of this paragraph by the Secretary.

(7) Where the Secretary has approved a plan of family unit ownership, the terms "single-family dwelling", "single-family dwellings", "individual dwelling", and "individual dwellings" shall mean a family unit or family units, together with the undivided interest (or interests) in the common areas and facilities.

(8) For purposes of this subsection, the terms "single-family dwelling" and "single-family dwellings" (except for purposes of paragraph (7)) shall include a two-family dwelling which has been approved by the Secretary.

(i) Conversion of insured project to plan of family unit ownership; sale of units; agreements for maintenance; release from lien of project mortgage; insurance of mortgages financing purchase of individual family units; eligibility for insurance; definitions

(1) The Secretary is authorized, with respect to any project involving a mortgage insured under subsection (d)(3) which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), to permit a conversion of the ownership of such project to a plan of family unit ownership. Under such plan, each family unit shall be eligible for individual ownership and provision shall be included for the sale of the family units, together with an undivided interest in the common areas and facilities which serve the project, to low or moderate income purchasers. The Secretary shall obtain such agreements as he determines to be necessary to assure continued maintenance of the common areas and facilities. Upon such sale, the family unit and the undivided interest in the common areas shall be released from the lien of the project mortgage.

(2)(A) The Secretary is authorized, upon application by the mortgagee, to insure under this subsection mortgages financing the purchase of individual family units under the plan prescribed in paragraph (1). Commitments may be issued by the Secretary for the insurance of such mortgages prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe. To be eligible for such insurance, the mortgage shall—

(i) be executed by a mortgagor having an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at the below-market rate prescribed in the proviso of subsection (d)(5);

(ii) involve a principal obligation (including such initial service charges, and such appraisal, inspection, and other fees, as the Secretary shall approve) in an amount not to exceed the Secretary's estimate of the appraised value of the family unit, including the mortgagor's interest in the common areas and facilities, as of the date the mortgage is accepted for insurance;

(iii) bear interest at a rate determined by the Secretary (which may vary in accordance with the regulations of the Secretary promulgated pursuant to the last sentence of paragraph (4) of this subsection) but not less than the below-market rate in effect under the proviso of subsection (d)(5) at the date of the commitment for insurance; and

(iv) provide for complete amortization by periodic payments within such term as the Secretary may prescribe, but not to exceed forty years from the beginning of amortization of the mortgage.

(B) The price for which the individual family unit is sold to the low or moderate income purchaser shall not exceed the appraised value of the property, as determined under subparagraph (A)(ii), except that the purchaser shall be required to pay on account of the property at the time of purchase at least such amount, in cash

or its equivalent (which shall be not less than 3 per centum of such price, but which may be applied in whole or in part toward closing costs), as the Secretary may determine to be reasonable and appropriate.

(3) Upon the sale of all of the family units covered by the project mortgage, and the release of all of the family units (including the undivided interest allocable to each unit in the common areas and facilities) from the lien of the project mortgage, the insurance of the project mortgage shall be terminated and no adjusted premium charge shall be collected by the Secretary upon such termination.

(4) Any mortgage covering an individual family unit insured under this subsection shall contain a provision that, if the original mortgagor does not continue to occupy the property, the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time the commitment was issued for the insurance of the project mortgage; except that the requirement for an increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) a nonprofit purchaser approved by the Secretary, or (ii) a low or moderate income purchaser who has an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at the below-market rate prescribed in the proviso of subsection (d)(5). The mortgage shall also contain a provision that, if the Secretary determines that the annual income of the original mortgagor (or a purchaser described in clause (ii) of the preceding sentence) has increased to an amount enabling payment of a greater rate of interest, the interest rate of the individual mortgage may be increased up to the highest rate permissible under the regulations of the Secretary for mortgages insured under this section, effective at the time the commitment was issued for the insurance of the mortgage.

(5) For the purpose of this subsection—

(i) the term "mortgage", when used in relation to a mortgage insured under paragraph (2) of this subsection, includes a first mortgage given to secure the unpaid purchase price of a fee interest in, or a long-term leasehold interest in, a one-family unit in a multifamily project and an undivided interest in the common areas and facilities which serve the project; and

(ii) the term "common areas and facilities" includes the land and such commercial, community, and other facilities as are approved by the Secretary.

(j) Conversion of insured rental projects to cooperatives; eligibility for membership; insurance of cooperative mortgages financing purchase of projects; eligibility for insurance

(1) The Secretary is authorized, with respect to any rental project involving a mortgage insured under subsection (d)(3) which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), to permit a conversion of the ownership of such project to a cooperative approved by the Secretary. Membership in such cooperative shall be made available

only to those families having an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at such below-market rate: *Provided*, That families residing in the rental project at the time of its conversion to a cooperative who do not meet such income limits may be permitted to become members in the cooperative under such special terms and conditions as the Secretary may prescribe.

(2) The Secretary is authorized, upon application by the mortgagee, to insure under this subsection cooperative mortgages financing the purchase of projects meeting the requirements of paragraph (1). Commitments may be issued by the Secretary for the insurance of such mortgages prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe. To be eligible for such insurance, the mortgage shall—

(i) involve a principal obligation (including such initial service charges and appraisal, inspection, and other fees as the Secretary shall approve) in an amount not exceeding the appraised value of the property for continued use as a cooperative, which value shall be based upon a mortgage amount on which the debt service can be met from the income of the property when operated on a nonprofit basis, after the payment of all operating expenses, taxes, and required reserves;

(ii) bear interest at the below-market rate prescribed in the proviso of subsection (d)(5); and

(iii) provide for complete amortization within such term as the Secretary may prescribe.

(k) Increase in maximum insurance amounts for costs incurred from solar energy systems and energy conservation measures

With respect to any project insured under subsection (d)(3) or (d)(4), the Secretary may further increase the dollar amount limitations which would otherwise apply for the purpose of those subsections by up to 20 per centum if such increase is necessary to account for the increased cost of the project due to the installation therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)³ in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure.

(l) Rental charges; “eligible multifamily housing” defined

(1) Notwithstanding any other provision of law, tenants residing in eligible multifamily housing whose incomes exceed 80 percent of area median income shall pay as rent not more than the lower of the following amounts: (A) 30 percent of the family’s adjusted monthly income; or (B) the relevant fair market rental established under section 8(b) of the United States Housing Act of 1937 [42 U.S.C. 1437f(b)] for the jurisdiction in which the housing is located. An

owner shall phase in any increase in rents for current tenants resulting from this subsection.

(2) For purposes of this subsection, the term “eligible multifamily housing” means any housing financed by a loan or mortgage that is (A) insured or held by the Secretary under subsection (d)(3) and assisted under section 1701s of this title or section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f]; or (B) insured or held by the Secretary and bears interest at a rate determined under the proviso of subsection (d)(5).

PRESERVATION OF LOW-INCOME HOUSING

The Emergency Low Income Housing Preservation Act of 1987, consisting of title II of Pub. L. 100-242, Feb. 5, 1988, 101 Stat. 1877, amended the National Housing Act, the United States Housing Act of 1937, and the Housing Act of 1949, and enacted provisions formerly set out as a note under this section. The provisions set out as a note under this section consisted of subtitles A and B [§§ 201-203, 221-230, and 231-235] of title II of Pub. L. 100-242, as amended by Pub. L. 100-628, title X, §§ 1021-1027, Nov. 7, 1988, 102 Stat. 3270, 3271; Pub. L. 101-235, title II, §§ 201, 202(a)-(c), 203(b), Dec. 15, 1989, 103 Stat. 2037, 2038; Pub. L. 101-402, § 1, Oct. 1, 1990, 104 Stat. 866; Pub. L. 101-494, §§ 1(c), 2(a), Oct. 31, 1990, 104 Stat. 1185, which set up a temporary program for the prepayment of mortgages on low income housing insured under the National Housing Act that terminated on the date of enactment of the Cranston-Gonzalez National Affordable Housing Act (Nov. 28, 1990). The Cranston-Gonzalez National Affordable Housing Act [Pub. L. 101-625] amended subtitles A and B of title II of Pub. L. 100-242 generally, changing the name of title II of Pub. L. 100-242 to the “Low-Income Housing Preservation and Resident Homeownership Act of 1990”. As amended, subtitles A and B of title II are classified generally to subchapter I (§ 4101 et seq.) of chapter 42 of this title. Prior to the general revision by Pub. L. 101-625, subtitles A and B of title II read as follows:

“SUBTITLE A—GENERAL PROVISIONS

“SEC. 201. SHORT TITLE.

“This title [amending sections 1715z-6 and 1715z-15 of this title and sections 1437f, 1472, 1485, and 1487 of Title 42, The Public Health and Welfare] may be cited as the ‘Emergency Low Income Housing Preservation Act of 1987’.

“SEC. 202. FINDINGS AND PURPOSE.

“(a) FINDINGS.—The Congress finds that—

“(1) in the next 15 years, more than 330,000 low income housing units insured or assisted under sections 221(d)(3) and 236 of the National Housing Act [12 U.S.C. 1715(d)(3), 1715z-1] could be lost as a result of the termination of low income affordability restrictions;

“(2) in the next decade, more than 465,000 low income housing units produced with assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] could be lost as a result of the expiration of the rental assistance contracts;

“(3) some 150,000 units of rural low income housing financed under section 515 of the Housing Act of 1949 [42 U.S.C. 1485] are threatened with loss as a result of the prepayment of mortgages by owners;

“(4) the loss of this privately owned and federally assisted housing, which would occur in a period of sharply rising rents on unassisted housing and extremely low production of additional low rent housing, would inflict unacceptable harm on current tenants and would precipitate a grave national crisis in the supply of low income housing that was neither anticipated nor intended when contracts for these units were entered into;

“(5) the loss of this affordable housing, to encourage the production of which the public has provided substantial benefits over past years, would irreparably damage hard-won progress toward such important and long-established national objectives as—

“(A) providing a more adequate supply of decent, safe, and sanitary housing that is affordable to low income Americans;

“(B) increasing the supply of housing affordable to low income Americans that is accessible to employment opportunities; and

“(C) expanding housing opportunities for all Americans, particularly members of disadvantaged minorities;

“(6) the provision of an adequate supply of low income housing has depended and will continue to depend upon a strong, long-term partnership between the public and private sectors that accommodates a fair return on investment;

“(7) recent reductions in Federal housing assistance and tax benefits related to low income housing have increased the incentives for private industry to withdraw from the production and management of low income housing;

“(8) efforts to retain this housing must take account of specific financial and market conditions that differ markedly from project to project;

“(9) a major review of alternative responses to this threatened loss of affordable housing is now being undertaken by numerous private sector task forces as well as State and local organizations; and

“(10) until the Congress can act on recommendations that will emerge from this review, interim measures are needed to avoid the irreplaceable loss of low income housing and irrevocable displacement of current tenants.

“(b) PURPOSE.—It is the purpose of this title—

“(1) to preserve and retain to the maximum extent practicable as housing affordable to low income families or persons those privately owned dwelling units that were produced for such purpose with Federal assistance;

“(2) to minimize the involuntary displacement of tenants currently residing in such housing; and

“(3) to continue the partnership between all levels of government and the private sector in the production and operation of housing that is affordable to low income Americans.

“SEC. 203. TERMINATION OF CERTAIN PROVISIONS.

“(a) IN GENERAL.—Effective on November 30, 1990, or the date of enactment of the Cranston-Gonzalez National Affordable Housing Act [Nov. 28, 1990], whichever is earlier—

“(1) subtitles B and D [amending sections 1715z-6 and 1715z-15 of this title and sections 1437f and 1485 of Title 42, The Public Health and Welfare and enacting provisions set out in this note] are repealed; and

“(2) each provision of law amended by subtitle B or D is amended to read as it would without such amendment.

“(b) SAVINGS PROVISION.—The repeal or amendment of any provision under subsection (a) shall have no effect on any action taken or authorized under the provision prior to such repeal or amendment.

“SUBTITLE B—PREPAYMENT OF MORTGAGES INSURED UNDER NATIONAL HOUSING ACT

“SEC. 221. GENERAL PREPAYMENT LIMITATION.

“(a) PRIOR APPROVAL OF PLAN OF ACTION.—An owner of eligible low income housing may prepay, and a mortgagee may accept prepayment of, a mortgage on such housing only in accordance with a plan of action approved by the Secretary of Housing and Urban Development under this subtitle. An insurance contract with respect to eligible low-income housing may be terminated pursuant to section 229 of the National Housing Act [12 U.S.C. 1715t] only in accordance with a plan of action approved by the Secretary under this subtitle.

“(b) ALTERNATIVE PREPAYMENT MORATORIUM.—In the event any court of the United States or any State invalidates the requirements established in this subtitle (1) an owner of eligible low income housing located in the geographic area subject to the jurisdiction of such court may not prepay, and a mortgagee may not accept

prepayment of, a mortgage on such housing during the 2-year period following the date of such invalidation, and (2) an insurance contract with respect to eligible low-income housing located in the geographic area subject to the jurisdiction of such court may not be terminated pursuant to section 229 of the National Housing Act [12 U.S.C. 1715t] during the 2-year period following the date of such invalidation.

“SEC. 222. NOTICE OF INTENT.

“An owner of eligible low income housing seeking to initiate prepayment or other changes in the status or terms of the mortgage or regulatory agreement (including a request to terminate the insurance contract pursuant to section 229 of the National Housing Act [12 U.S.C. 1715t]) shall file with the Secretary a notice of the intent of the owner in such form and manner as the Secretary shall prescribe. The owner shall simultaneously file the notice of intent with any appropriate State or local government agency for the jurisdiction within which the housing is located.

“SEC. 223. PLAN OF ACTION.

“(a) PREPARATION AND SUBMISSION.—Upon receipt of a notice of intent, the Secretary shall provide the owner with such information as the owner needs to prepare a plan of action, which information shall include a description of the Federal incentives authorized under this title, and any relevant market area and demographic information that the Secretary has custody of and that the owner may use in preparing the plan. The owner shall submit the plan of action to the Secretary in such form and manner as the Secretary shall prescribe. The owner may simultaneously submit the plan of action to any appropriate State or local government agency for the jurisdiction within which the housing is located, which agency shall, in reviewing the plan, consult with representatives of the tenants of the housing.

“(b) CONTENTS.—The plan of action shall include—

- “(1) a description of any proposed changes in the status or terms of the mortgage or regulatory agreement, which may include a request for incentives to extend the low income use of the housing;
- “(2) a description of any assistance that could be provided by State or local government agencies, as determined by prior consultation between the owner and any appropriate State or local agencies;
- “(3) a description of any proposed changes in the low income affordability restrictions;
- “(4) a description of any change in ownership that is related to prepayment;
- “(5) an assessment of the effect of the proposed changes on existing tenants;
- “(6) a statement of the effect of the proposed changes on the supply of housing affordable to lower and very low income families or persons in the community within which the housing is located and in the area that the housing could reasonably be expected to serve; and
- “(7) any other information that the Secretary determines is necessary to achieve the purposes of this title.

“(c) REVISIONS.—The owner may from time to time revise and amend the plan of action as may be necessary to obtain approval of the plan under this subtitle.

“(d) AUTHORITY TO LIMIT CONTENTS OF PLAN.—The Secretary shall limit the amount of appraisal, market area, and demographic information required under this section in the case of a plan of action requesting incentives.

“SEC. 224. INCENTIVES TO EXTEND LOW INCOME USE.

“(a) AGREEMENTS BY SECRETARY.—After receiving a plan of action from an owner of eligible low income housing, the Secretary may enter into such agreements as are necessary to satisfy the criteria for approval under section 225.

“(b) PERMISSIBLE INCENTIVES.—Agreements entered into under subsection (a) that by modifications to the

existing regulatory agreement or mortgage extend the low income affordability restrictions through the term of the mortgage or, in the case of the prepayment of a mortgage, by a recorded instrument impose low income affordability restrictions (including the obligations specified in the regulatory agreement) through a period equivalent to the term of the original mortgage may include one or more of the following incentives that the Secretary, after taking into account local market conditions, determines to be necessary to achieve the purposes of this title:

“(1) An increase in the allowable distribution or other measures to increase the rate of return on investment.

“(2) Revisions to the method of calculating equity.

“(3) Increased access to residual receipts accounts or excess replacement reserves.

“(4) Provision of insurance for a second mortgage under section 241(f) of the National Housing Act [12 U.S.C. 1715z-6(f)].

“(5) An increase in the rents permitted under an existing contract under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f], or (subject to the availability of amounts provided in appropriation Acts) additional assistance under such section 8 or an extension of any project-based assistance attached to the housing.

“(6) Financing of capital improvements under section 201 of the Housing and Community Development Amendments of 1978 [12 U.S.C. 1715z-1a].

“(7) Other actions, authorized in other provisions of law, to facilitate a transfer or sale of the project to a qualified nonprofit organization, limited equity tenant cooperative, public agency, or other entity acceptable to the Secretary.

“(8) Other incentives authorized in law.

“SEC. 225. CRITERIA FOR APPROVAL OF PLAN OF ACTION.

“(a) PLAN OF ACTION INVOLVING TERMINATION OF LOW INCOME AFFORDABILITY RESTRICTIONS.—The Secretary may approve a plan of action that involves termination of the low income affordability restrictions only upon a written finding that—

“(1) implementation of the plan of action will not materially increase economic hardship for current tenants (and will not in any event result in (A) a monthly rental payment by a current tenant that exceeds 30 percent of the monthly adjusted income of the tenant or an increase in the monthly rental payment in any year that exceeds 10 percent (whichever is lower), or (B) in the case of a current tenant who already pays more than such percentage, an increase in the monthly rental payment in any year that exceeds the increase in the Consumer Price Index or 10 percent (whichever is lower)) or involuntarily displace current tenants (except for good cause) where comparable and affordable housing is not readily available, determined without regard to the availability of Federal housing assistance that would address any such hardship or involuntary displacement; and

“(2)(A) the supply of vacant, comparable housing is sufficient to ensure that such prepayment will not materially affect—

“(i) the availability of decent, safe, and sanitary housing affordable to lower income and very low-income families or persons in the area that the housing could reasonably be expected to serve;

“(ii) the ability of lower income and very low-income families or persons to find affordable, decent, safe, and sanitary housing near employment opportunities; or

“(iii) the housing opportunities of minorities in the community within which the housing is located; or

“(B) the plan has been approved by the appropriate State agency and any appropriate local government agency for the jurisdiction within which the housing is located as being in accordance with a State strategy approved by the Secretary under section 226.

“(b) PLAN OF ACTION INCLUDING INCENTIVES.—The Secretary may approve a plan of action that includes incentives only upon finding that—

“(1) the package of incentives is necessary to provide a fair return on the investment of the owner;

“(2) due diligence has been given to ensuring that the package of incentives is, for the Federal Government, the least costly alternative that is consistent with the full achievement of the purposes of this title; and

“(3) binding commitments have been made to ensure that—

“(A) the housing will be retained as housing affordable for very low-income families or persons, lower income families or persons, and moderate income families or persons for the remaining term of the mortgage;

“(B) throughout such period, adequate expenditures will be made for maintenance and operation of the housing;

“(C) current tenants shall not be involuntarily displaced (except for good cause);

“(D) any increase in rent contributions for current tenants shall be to a level that does not exceed 30 percent of the adjusted income of the tenant or the fair market rent for comparable housing under section 8(b) of the United States Housing Act of 1937 [42 U.S.C. 1437f(b)], whichever is lower;

“(E)(i) any resulting increase in rents for current tenants (except for increases made necessary by increased operating costs)—

“(I) shall be phased in equally over a period of not less than 3 years, if such increase is 30 percent or more; and

“(II) shall be limited to not more than 10 percent per year if such increase is more than 10 percent but less than 30 percent; and

“(ii) assistance under section 8 of the United States Housing Act of 1937 shall be provided if necessary to mitigate any adverse affect on current income eligible tenants; and

“(F)(i) rents for units becoming available to new tenants shall be at levels approved by the Secretary that will ensure, to the extent practicable, that the units will be available and affordable to the same proportions of very low-income families or persons, lower income families or persons, and moderate income families or persons (including families or persons whose incomes are 95 percent or more of area median income) as resided in the housing as of January 1, 1987 (based on the area median income limits established by the Secretary in February, 1987), or the date the plan of action is approved, whichever date results in the highest proportion of very low-income families, except that this limitation shall not prohibit a higher proportion of very low-income families from occupying the housing; and

“(ii) in approving rents under this paragraph, the Secretary shall take into account any additional incentives provided under this subtitle and shall make provision for such annual rent adjustments as may be made necessary by future reasonable increases in operating costs.

“(c) SECTION 8 RENTAL ASSISTANCE.—When providing rental assistance under section 8 [of the United States Housing Act of 1937, 42 U.S.C. 1437f], the Secretary may enter into a contract with an owner, contingent upon the future availability of appropriations for the purpose of renewing expiring contracts for rental assistance as provided in appropriations Acts, to extend the term of such rental assistance for such additional period or periods as is necessary to carry out an approved plan of action. The contract and the approved plan of action shall provide that, if the Secretary is unable to extend the term of such rental assistance or is unable to develop a revised package of incentives providing benefits to the owner comparable to those received under the original approved plan of action, the Secretary, upon the request of the owner, shall take the following actions (subject to the limitations under the following paragraphs):—

“(1) Modification of the binding commitments made pursuant to subsection (b) that are dependent on such rental assistance.

“(2) If action under paragraph (1) is not feasible, release of an owner from the binding commitments made pursuant to subsection (b) that are dependent on such rental assistance.

“(3) If action under paragraphs (1) and (2) would, in the determination of the Secretary, result in the default of the insured loan, approval of the revised plan of action, notwithstanding subsection (a), that involves the termination of low-income affordability restrictions.

At least 30 days prior to making a request under the preceding sentence, an owner shall notify the Secretary of the owner's intention to submit the request. The Secretary shall have a period of 90 days following receipt of such notice to take action to extend the rental assistance contract and to continue the binding commitments under subsection (b).

“(d) RELOCATION OF DISPLACED TENANTS.—Any plan of action shall specify actions that the Secretary and the owner shall take to ensure that any tenants, displaced as a result of a plan of action approved under subsection (a) or as a result of modifications taken pursuant to subsection (c), are relocated to affordable housing.

“SEC. 226. ALTERNATIVE STATE STRATEGY.

“(a) CRITERIA FOR APPROVAL.—The Secretary may approve a State strategy for purposes of section 225(a) only upon finding that it is a practicable statewide strategy that ensures at a minimum that—

“(1) current tenants will not be involuntarily displaced (except for good cause);

“(2) housing opportunities for minorities will not be adversely affected in the communities within which the housing is located;

“(3) any increase in rent for current tenants shall be to a level that does not exceed 30 percent of the adjusted income of the tenants or the fair market rent for comparable housing under section 8(b) of the United States Housing Act of 1937 [42 U.S.C. 1437f(b)], whichever is lower, except that any increase not necessitated by increased operating costs shall be phased in equally over not less than 3 years if such increase exceeds 10 percent;

“(4) housing approved under the State strategy will remain affordable to very low-income, lower income or moderate income families and persons for not less than the remaining term of the original mortgage, if the housing is to be made available for rental, or for not less than 40 years, if the housing is to be made available for homeownership;

“(5)(A) not less than 80 of all units in eligible low income housing approved under the State strategy shall be retained as affordable to families or persons meeting the income eligibility standards for initial occupancy that applies to the housing on January 1, 1987; and

“(B) not less than 60 percent of the units in any one project shall remain available and affordable to such families or persons, within which not less than 20 percent of the units shall remain available and affordable to very low income families or persons as determined by the Secretary with adjustments for smaller and larger families;

“(6) expenditures for rehabilitation, maintenance and operation shall be at a level necessary to maintain the housing as decent, safe and sanitary for the period specified in paragraph (4);

“(7) not less than 25 percent of new assistance required to maintain low income affordability in accordance with this section shall be provided through State and local actions, such as tax exempt financing, low-income tax credits, State or local tax concessions, and other incentives provided by the State or local governments; and

“(8) for each unit of eligible low income housing approved under the State strategy that is not retained

as affordable to families or persons meeting the income eligibility standards for initial occupancy on January 1, 1987, the State will provide with State funds 1 additional unit of comparable housing in the same market area that is available and affordable to such families or persons, and such units or funds shall be made available before the Secretary approves the State strategy.

“(b) ADDITIONAL REQUIREMENTS.—

“(1) The Secretary may not approve a State strategy until the State has entered into all of the agreements necessary to carry out the strategy.

“(2) Each State strategy shall include any other provision that the Secretary determines to be necessary to implement an approved State strategy.

“(c) IMPLEMENTATION AGREEMENTS.—The Secretary may enter into such agreements as are necessary to implement an approved State strategy, which agreements may include incentives that are authorized in other provisions of this subtitle.

“SEC. 227. TIMETABLE FOR APPROVAL OF PLAN OF ACTION.

“(a) NOTIFICATION OF DEFICIENCIES.—Not later than 60 days after receipt of a plan of action, the Secretary shall notify the owner in writing of any deficiencies that prevent the plan of action from being approved. If deficiencies are found, such notice shall describe alternative ways in which the plan could be revised to meet the criteria for approval.

“(b) NOTIFICATION OF APPROVAL.—

“(1) IN GENERAL.—Not later than 180 days after receipt of a plan of action, or such longer period as the owner requests, the Secretary shall notify the owner in writing whether the plan of action, including any revisions, is approved. If approval is withheld, the notice shall describe—

“(A) the reasons for withholding approval; and

“(B) the actions that could be taken to meet the criteria for approval.

“(2) OPPORTUNITY TO REVISE.—The Secretary shall subsequently give the owner a reasonable opportunity to revise the plan of action and seek approval.

“SEC. 228. MODIFICATION OF EXISTING REGULATORY AGREEMENTS.

“(a) IN GENERAL.—If a plan of action cannot be approved within 300 days after a plan of action is submitted, the Secretary may, upon the request of the owner, modify existing regulatory agreements to—

“(1) prevent involuntary displacement of current tenants (except for good cause);

“(2) ensure that adequate expenditures will be made for maintenance and operation of the housing;

“(3) extend any expiring project-based assistance on the housing for the term of the agreement;

“(4) permit an increase in the allowable distribution that could be accommodated by a rise in rents on occupied units to rise to a level no higher than 30 percent of the adjusted income of the current tenants, as determined by the Secretary, except that rents shall not exceed the fair market rent for comparable housing under section 8(b) of the United States Housing Act of 1937 [42 U.S.C. 1437f(b)] and any resulting increase in rents for current tenants shall be phased in equally over a period of no less than 3 years unless such increase is less than 10 percent; and

“(5) ensure that units becoming vacant during the term of the agreement are made available in accordance with section 225(b)(3)(F).

“(b) EXPIRATION.—Agreements entered into under this section shall expire upon the expiration of the 4-year period beginning on the date of the enactment of this Act [Feb. 5, 1988]. Upon the expiration of the agreements, the housing covered by the agreements shall be subject to any law then affecting low income affordability restrictions.

“SEC. 229. CONSULTATIONS WITH OTHER INTERESTED PARTIES.

“The Secretary shall confer with any appropriate State or local government agency to confirm any State

or local assistance that is available to achieve the purposes of this title and shall give consideration to the views of any such agency when making determinations under section 225. The Secretary shall also confer with appropriate interested parties that the Secretary believes could assist in the development of a plan of action that best achieves the purposes of this title.

“SEC. 230. RIGHT OF CONVERSION TO ALTERNATIVE PREPAYMENT SYSTEM.

“Any agreement to extend low income affordability restrictions under section 225(b) shall, for 4 years from the date of the enactment of this Act [Feb. 5, 1988], provide the owner the right to convert to any system of incentives and restrictions provided in law during such period, with such adjustments as the Secretary determines are appropriate to compensate for the value of any benefits the owner had received under this title.

“SEC. 232. REPORT TO CONGRESS.

“Not later than 1 year after the date of the enactment of this Act [Feb. 5, 1988], the Secretary shall submit to the Congress a report setting forth the activities carried out under this subtitle. The report shall include a description of the plans of action approved under subsections (a) and (b) of section 225 and an analysis of the extent to which the plans retain housing affordable for very low-income families or persons, lower income families or persons, and moderate income families or persons. The report shall also include a detailed description of (1) the actions taken by the Secretary to ensure meaningful participation by affected tenants; and (2) the incentives developed by the Secretary under section 224 to ensure compliance with this subtitle.

“SEC. 233. DEFINITIONS.

“For purposes of this subtitle:

(2) executed in connection with the sale by the Secretary of Housing and Urban Development, or by any public housing agency with the approval of the Secretary, of any housing (including any property acquired, held, or constructed in connection with such housing or to serve the inhabitants thereof) owned or financially assisted pursuant to the provisions of Public Law 671, Seventy-sixth Congress; or

(3) executed in connection with the sale by the Government, or any agency or official thereof, of any of the so-called Greenbelt towns, or parts thereof, including projects, or parts thereof, known as Greenhills, Ohio; Greenbelt, Maryland; and Greendale, Wisconsin, developed under the Emergency Relief Appropriation Act of 1935, or of any of the village properties or employee's housing under the jurisdiction of Tennessee Valley Authority, or of any housing under the jurisdiction of the Department of the Interior located within the town area of Coulee Dam, Washington, acquired by the United States for the construction, operation, and maintenance of Grand Coulee Dam and its appurtenant works: *Provided*, That for the purpose of the application of this subchapter to sales by the Secretary of

the Interior pursuant to subsections 3(b)(1) and 3(b)(2) of the Coulee Dam Community Act of 1957, the selling price of the property involved shall be deemed to be the appraised value, of any permanent housing under the jurisdiction of the Department of the Interior constructed under the Boulder Canyon Project Act of December 21, 1928, as amended and supplemented [43 U.S.C. 617 et seq.] located within the Boulder City municipal area: *Provided*, That for purposes of the application of this subchapter to sales by the Secretary of the Interior pursuant to subsections 3(b)(1) and 3(b)(2) of the Boulder City Act of 1958, the selling price of the property involved shall be deemed to be the appraised value; or

(4) executed in connection with the sale by the Government, or any agency or official thereof, of any housing (including any property acquired, held, or constructed in connection therewith or to serve the inhabitants thereof) pursuant to the Atomic Energy Community Act of 1955, as amended [42 U.S.C. 2301 et seq.]: *Provided*, That such insurance shall be issued without regard to any preferences or priorities except those prescribed by this chapter or the Atomic Energy Community Act of 1955, as amended; or

(7) given to refinance an existing mortgage insured under this chapter, or an existing mortgage held by the Secretary that is subject to a mortgage restructuring and rental assistance sufficiency plan pursuant to the Multifamily Assisted Housing Reform and Affordability Act of 1997 (42 U.S.C. 1437f note), provided that—

(A) the principal amount of any such refinancing mortgage shall not exceed the original principal amount or the unexpired term of such existing mortgage and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee, except that (i) the principal amount of any such refinancing mortgage may equal the outstanding balance of an existing mortgage insured pursuant to section 1715z-10¹ of this title, if the amount of the monthly payment due under the refinancing mortgage is less than that due under the existing mortgage for the month in which the refinancing mortgage is executed; (ii) a mortgagee may not require a minimum principal amount to be outstand-

ing on the loan secured by the existing mortgage; (iii) in any case involving the refinancing of a loan in which the Secretary determines that the insurance of a mortgage for an additional term will inure to the benefit of the applicable insurance fund, taking into consideration the outstanding insurance liability under the existing insured mortgage, such refinancing mortgage may have a term not more than twelve years in excess of the unexpired term of such existing insured mortgage; and (iv) any multifamily mortgage that is refinanced under this paragraph shall be documented through amendments to the existing insurance contract and shall not be structured through the provisions of a new insurance contract; and

(B) a mortgage of the character described in paragraphs (1) through (6) of this subsection shall have a maturity and a principal obligation not in excess of the maximums prescribed under the applicable section or subchapter of this chapter, except that in no case may the principal obligation of a mortgage referred to in paragraph (5) of this subsection exceed 90 per centum of the appraised value of the mortgaged property, and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee;

(C) a mortgage that is subject to a mortgage restructuring and rental assistance sufficiency plan pursuant to the Multifamily Assisted Housing Reform and Affordability Act of 1997 (42 U.S.C. 1437f note) and is refinanced under this paragraph may have a term of not more than 30 years; or

(8) executed in connection with the sale by the Government of any housing acquired pursuant to section 3374 of title 42.

(b) Insurance of mortgages given to refinance mortgages covering existing property or projects in urban renewal areas

Notwithstanding any of the provisions of this subchapter and without regard to limitations upon eligibility contained in section 1715l of this title, the Secretary may in his discretion insure under section 1715l(d)(3) of this title any mortgage executed by a mortgagor of the character described therein where such mortgage is given to refinance a mortgage covering an existing property or project (other than a one- to four-family structure) located in an urban renewal area, if the Secretary finds that such insurance will facilitate the occupancy of dwelling units in the property or project by families of low or moderate income or families displaced from an urban renewal area or displaced as a result of governmental action.

(c) Insurance of certain assigned mortgages

The Secretary shall also have authority to insure under this chapter any mortgage assigned to the Secretary in connection with payment under a contract of mortgage insurance or executed in connection with the sale by the Secretary, including a sale through another entity acting under authority of the fourth sentence of section 1710(g) of this title, of any property acquired under any section or subchapter of this

chapter without regard to any limitations or requirements contained in this chapter upon the eligibility of the mortgage, upon the payment of insurance premiums, or upon the terms and conditions of insurance settlement and the benefits of the insurance to be included in such settlement.

(d) Insurance of loans made to cover operating losses of certain projects having existing mortgages insured by Secretary

(1) Notwithstanding any other provision of this chapter, the Secretary is authorized to insure loans made to cover the operating losses of certain projects that have existing project mortgages insured by the Secretary. Insurance under this subsection shall be in the Secretary's discretion and upon such terms and conditions as the Secretary may prescribe, and shall be provided in accordance with the provisions of this subsection. For purposes of this subsection, the term "operating loss" means the amount by which the sum of the taxes, interest on the mortgage debt, mortgage insurance premiums, hazard insurance premiums, and the expense of maintenance and operation of the project covered by the mortgage, exceeds the income of the project.

(2) To be eligible for insurance pursuant to this paragraph—

(A) the existing project mortgage (i) shall have been insured by the Secretary at any time before or after February 5, 1988; and (ii) shall cover any property, other than a property upon which there is located a 1- to 4-family dwelling;

(B) the operating loss shall have occurred during the first 24 months after the date of completion of the project, as determined by the Secretary; and

(C) the loan shall be in an amount not exceeding the operating loss.

(3) To be eligible for insurance pursuant to this paragraph—

(A) the existing project mortgage (i) shall have been insured by the Secretary at any time before or after February 5, 1988; (ii) shall cover any property, other than a property upon which there is located a 1- to 4-family dwelling; and (iii) shall not cover a subsidized project, as defined by the Secretary;

(B) the loan shall be in an amount not exceeding 80 percent of the unreimbursed cash contributions made on or after March 18, 1987, by the project owner for the use of the project, during any period of consecutive months (not exceeding 24 months) in the first 10 years after the date of completion of the project, as determined by the Secretary, except that in no event may the amount of the loan exceed the operating loss during such period;

(C) the loan shall be made within 10 years after the end of the period of consecutive months referred to in the preceding subparagraph; and

(D) the project shall meet all applicable underwriting and other requirements of the Secretary at the time the loan is to be made.

(4) Any loan insured pursuant to this subsection shall (A) bear interest at such rate as

may be agreed upon by the mortgagor and mortgagee; (B) be secured in such manner as the Secretary shall require; (C) be limited to a term not exceeding the unexpired term of the original mortgage; and (D) be insured under the same section as the original mortgage. The Secretary may provide insurance pursuant to paragraph (2) or (3), or pursuant to both such paragraphs, in connection with an existing project mortgage, except that the Secretary may not provide insurance pursuant to both such paragraphs in connection with the same period of months referred to in paragraphs (2)(B) and (3)(B). The Secretary is authorized to collect a premium charge for insurance of loans pursuant to this subsection in an amount computed at the same premium rate as is applicable to the original mortgage. This premium shall be payable in cash or in debentures of the insurance fund under which the loan is insured at par plus accrued interest. In the event of a failure of the borrower to make any payment due under such loan or under the original mortgage, both the loan and original mortgage shall be considered in default, and if such default continues for a period of thirty days, the lender shall be entitled to insurance benefits, computed in the same manner as for the original mortgage, except that in determining the interest rate under section 1715o of this title for the debentures representing the portion of the claim applicable to the loan, the date of the commitment to insure the loan and the insurance date of the loan shall be taken into consideration rather than the commitment or insurance date for the original mortgage.

(5) A loan involving a project covered by a mortgage insured under section 1715e of this title that is the obligation of the Cooperative Management Housing Insurance Fund shall be the obligation of such fund, and loans involving projects covered by a mortgage insured under section 1715z-1 of this title or under any section of this subchapter pursuant to subsection (e) of this section shall be the obligation of the Special Risk Insurance Fund.

(6) In determining the amount of an operating loss loan to be insured pursuant to this subsection, the Secretary shall not reduce such amount solely to reflect any amounts placed in escrow (at the time the existing project mortgage was insured) for initial operating deficits. If an operating loss loan was insured by the Secretary pursuant to this subsection before October 28, 1992, and was reduced solely to reflect the amount placed in escrow for initial operating deficits, the Secretary shall insure, to the extent of the availability of insurance authority provided in appropriation Acts, an increase in the existing loan or a separate loan, in an amount equal to the lesser of (A) the maximum amount permitted under this subsection and the applicable underwriting requirements established by the Secretary and in effect at the time the loan is to be made, or (B) the amount of the escrow for initial operating deficits.

(e) Insurance of mortgages executed in connection with repair, rehabilitation, construction, or purchase of property in older, declining urban areas

Notwithstanding any of the provisions of this chapter except section 1715c of this title, and without regard to limitations upon eligibility contained in any section of this subchapter or subchapter IX-B, other than the limitation in section 1709(g) of this title, the Secretary is authorized, upon application by the mortgagee, to insure under any section of this subchapter or subchapter IX-B a mortgage executed in connection with the repair, rehabilitation, construction, or purchase of property located in an older, declining urban area in which the conditions are such that one or more of the eligibility requirements applicable to the section or subchapter under which insurance is sought could not be met, if the Secretary finds that (1) the area is reasonably viable, giving consideration to the need for providing adequate housing or group practice facilities for families of low and moderate income in such area, and (2) the property is an acceptable risk in view of such consideration. The insurance of a mortgage pursuant to this subsection shall be the obligation of the Special Risk Insurance Fund.

(f) Insurance of mortgages executed in connection with purchase or refinancing of existing multifamily housing project; refinancing of existing debt of existing hospital, or purchase or refinancing of rental rehabilitated property; terms and conditions, etc.

(1) Notwithstanding any of the provisions of this chapter, the Secretary is authorized, in his discretion, to insure under any section of this subchapter a mortgage executed in connection with the purchase of² refinancing of an existing multifamily housing project or the purchase or refinancing of existing debt of an existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof).

(2) In the case of the purchase or refinancing under this subsection of a multifamily housing project located in an older, declining urban area, the Secretary shall make available an amount not to exceed \$30,000,000 of available purchase authority pursuant to section 1720¹ of this title to reduce interest rates on low- and moderate-income rental housing in projects having 100 units or less which otherwise could not support refinancing and moderate rehabilitation without causing excessive rent burdens on current tenants due to rent increases. The Secretary shall prescribe such terms and conditions as he deems necessary to assure that—

(A) the refinancing is used to lower the monthly debt service only to the extent necessary to assure the continued economic viability of the project, taking into account any rent reductions to be implemented by the mortgagor; and

(B) during the mortgage term no rental increases shall be made except those which are necessary to offset actual and reasonable oper-

ating expense increases or other necessary expense increases and maintain reasonable profit levels approved by the Secretary.

(3) For all insurance authorized by this subsection and provided pursuant to a commitment entered into after October 8, 1980, the Secretary may not accept an offer to prepay or request refinancing of a mortgage secured by rental housing unless the Secretary takes appropriate action that will obligate the borrower (and successors in interest thereof) to utilize the property as a rental property for a period of five years from the date on which the insurance was provided (twenty years in the case of any such mortgage purchased under section 1720¹ of this title) unless the Secretary finds that—

(A) the conversion of the property to a cooperative, or condominium form of ownership is sponsored by a bona fide tenants' organization representing a majority of the households in the project;

(B) continuance of the property as rental housing is clearly unnecessary to assure adequate rental housing opportunities for low- and moderate-income people in the community; or

(C) continuance of the property as rental housing would have an undesirable and deleterious effect on the surrounding neighborhood.

(4) In the case of refinancing of an existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof) the Secretary shall prescribe such terms and conditions as the Secretary deems necessary to assure that—

(A) the refinancing is employed to lower the monthly debt service costs (taking into account any fees or charges connected with such refinancing) of such existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof);

(B) the proceeds of any refinancing will be employed only to retire the existing indebtedness and pay the necessary cost of refinancing on such existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof);

(C) such existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof) is economically viable; and

(D) the applicable requirements for certificates, studies, and statements of section 1715w of this title (for the existing nursing home, existing assisted living facility, intermediate care facility, board and care home, or any combination thereof, proposed to be refinanced) or of section 1715z-7 of this title (for the existing hospital proposed to be refinanced) have been met.

(5) In the case of any purchase or refinancing under this subsection involving property to be rehabilitated or developed under section 1437o¹ of title 42, the Secretary may—

(A) include rehabilitation or development costs of not to exceed \$20,000 per unit, except

²So in original. Probably should be "or".

that the Secretary may increase such amount by not to exceed 25 per centum for specific properties where cost levels so require;

(B) permit subordinated liens securing up to the full amount of mortgage financing provided by State or local governments or agencies thereof; and

(C) pay such benefits in cash unless the mortgagee submits a written request for debtent payment.

(g) Insurance of mortgages covering multifamily housing projects including units not self-contained

Notwithstanding any other provisions of this chapter, the Secretary may, in his discretion, insure a mortgage covering a multifamily housing project including units which are not self-contained.

L. 90-19, § 10(b), May 25, 1967, 81 Stat. 22, in enacting this section, provided in part that the purpose thereof was to transfer to title II of the National Housing Act [this subchapter] “the mortgage insurance program in connection with the sale of certain publicly owned property as contained in section 610 of title VI [section 1745 of this title]; the insurance of mortgages to refinance existing loans insured under section 608 of title VI and sections 903 and 908 of title IX [sections 1743, 1750b and 1750g of this title]; and to authorize the insurance under title II [this subchapter] of mortgages assigned to the Secretary of Housing and Urban Development under insurance contracts and mortgages held by the Secretary of Housing and Urban Development in connection with the sale of property acquired under insurance contracts”.

(d) Terms and conditions; limitation on maximum amount of mortgage; amortization; interest; certification from State agency

In order to carry out the purposes of this section, the Secretary is authorized to insure any mortgage which covers a new or rehabilitated nursing home,² assisted living facility, or intermediate care facility, including a new addition to an existing nursing home, assisted living facility, or intermediate care facility and regardless of whether the existing home or facility is being rehabilitated, or any combination of nursing home, assisted living facility, and intermediate care facility or a board and care home, including equipment to be used in its operation, subject to the following conditions:

(1) The mortgage shall be executed by a mortgagor approved by the Secretary. The Secretary may in his discretion require any such mortgagor to be regulated or restricted as to charges and methods of financing, and, in addition thereto, if the mortgagor is a corporate entity, as to capital structure and rate of return. As an aid to the regulation or restriction of any mortgagor with respect to any of the foregoing matters, the Secretary may make such contracts with and acquire for not to exceed \$100 such stock or interest in such mortgagor as he may deem necessary. Any stock or interest so purchased shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance.

(3) The mortgage shall—

(B) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee.

(4)(A) With respect to nursing homes and intermediate care facilities and combined nursing home and intermediate care facilities, the Secretary shall not insure any mortgage under this section unless he has received, from the State agency designated in accordance with section 604(a)(1) or section 1521³ of the Public Health Service Act [42 U.S.C. 291d (a)(1), 300m] for the State in which is located the nursing home or intermediate care facility or combined nursing home and intermediate care facility covered by the mortgage, a certification that (i) there is a need for such home or facility or combined home and facility, and (ii) there are in force in such State or in the municipality or other political subdivision of the State in which the proposed home or facility or combined home and facility is to be located reasonable minimum standards of licensure and methods of operation governing it. No such mortgage shall be insured under this section unless the Secretary has received such assurance as he may deem satisfactory from the State agency that such standards will be applied and enforced with respect to any home or facility or combined home and facility located in the State for which mortgage insurance is provided under this section. If no such State agency exists, or if the State agency exists but is not empowered to provide a certification that there is a need for the home or facility or combined home and facility as required in clause (i) of the first sentence, the Secretary shall not insure any mortgage under this section unless (i) the State in which the home or facility or combined home and facility is located has conducted or commissioned and paid for the preparation of an independent study of market need and feasibility that (I) is prepared in accordance with the principles estab-

The proposed mortgagor may reimburse the State for the cost of the independent feasibility study required in the preceding sentence. In the case of a small intermediate care facility for the mentally retarded or developmentally disabled, or a board and care home housing less than 10 individuals, the State program agency or agencies responsible for licensing, certifying, financing, or monitoring the facility or home may, in lieu of the requirements of clause (i) of the third sentence, provide the Secretary with written support identifying the need for the facility or home.

(B) With respect to board and care homes, the Secretary shall not insure any mortgage under this section unless he has received from the appropriate State licensing agency a statement verifying that the State in which the home is or is to be located is in compliance with the provisions of section 1616(e) of the Social Security Act [42 U.S.C. 1382e(e)].

(C) With respect to assisted living facilities or any such facility combined with any other home or facility, the Secretary shall not insure any mortgage under this section unless—

(ii) the mortgagor provides assurances satisfactory to the Secretary that each dwelling unit in the facility will not be occupied by more than 1 person without the consent of all such occupants; and

(iii) the appropriate State licensing agency for the State, municipality, or other political subdivision in which the facility is or is to be located provides such assurances as the Secretary considers necessary that the facility will comply with any applicable standards and requirements for such facilities.

§ 1715x. Experimental housing insurance

(a) Purpose; authorization

(1) In order to assist in lowering housing costs and improving housing standards, quality, liv-

ability, or durability or neighborhood design through the utilization of advanced housing technology, or experimental property standards, the Secretary is authorized to insure and to make commitments to insure, under this section, mortgages (including home improvement loans, and including advances on mortgages during construction) secured by properties including dwellings involving the utilization and testing of advanced technology in housing design, materials, or construction, or experimental property standards for neighborhood design if the Secretary determines that (A) the property is an acceptable risk, giving consideration to the need for testing advanced housing technology or experimental property standards, (B) the utilization and testing of the advanced technology or experimental property standards involved will provide data or experience which the Secretary deems to be significant in reducing housing costs or improving housing standards, quality, livability, or durability, or improving neighborhood design, and (C) the mortgages are eligible for insurance under the provisions of this section and under any further terms and conditions which may be prescribed by the Secretary to establish the acceptability of the mortgages for insurance.

(2) The Secretary is further authorized to insure and to make commitments to insure, under this section, mortgages (including advances on mortgages during construction) secured by properties in projects to be carried out in accordance with plans approved by the Secretary under section 1701z of this title.

(b) Eligibility for insurance; conditions; limits

To be eligible for insurance under this section, a mortgage shall meet the requirements of one of the other sections or subchapters of this chapter; except that, in lieu of determining the appraised value or the replacement cost of the property in cases involving new construction or the estimated cost of repair and rehabilitation or improvement in cases involving existing properties, the Secretary shall estimate the cost of replacing the property using comparable conventional design, materials, and construction, and any limitation upon the maximum mortgage amount available to a nonoccupant owner shall not, in the discretion of the Secretary, be applicable to mortgages insured under this section.

(c) Contracts, agreements, and financial undertakings with mortgagor

The Secretary may enter into such contracts, agreements, and financial undertakings with the mortgagor and others as he deems necessary or desirable to carry out the purposes of this section, and may expend available funds for such purposes, including the correction (when he determines it necessary to protect the occupants), at any time subsequent to insurance of a mortgage, of defects or failures in the dwellings which the Secretary finds are caused by or related to the advanced housing technology utilized in their design or construction or experimental property standards. Any authority which the Secretary may exercise in connection with a mortgage, or property covered by a mortgage, insured under any other section of this sub-

chapter (including payments to reduce rentals for, or to facilitate homeownership by, lower income families) may be exercised in connection with a mortgage, or property covered by a mortgage, meeting the requirements of such other section (except as specified in subsection (b)), which is insured under this section to the same extent and in the same manner as if the mortgage insured under this section was insured under such other section.

(d) Investigations and analysis of data; publication and distribution of reports

The Secretary may make such investigations and analyses of data, and publish and distribute such reports, as he determines to be necessary or desirable to assure the most beneficial use of the data and information to be acquired as a result of this section.

(e) Entitlement to insurance benefits

Any mortgagee or lender under a mortgage insured under subsection (b) shall be entitled to insurance benefits determined in the same manner as such benefits would be determined if such mortgage or loan were insured under the section or subchapter of this chapter for which it otherwise would have been eligible except for the experimental feature of the property involved.

(f) Defaults; payment in cash or debentures; acquisition of mortgage

Notwithstanding the provisions of subsection (e) of this section, in the case of default on any mortgage insured under this section, the Secretary in his discretion, in accordance with such regulations as he may prescribe, may make payments pursuant to such subsections in cash or in debentures (as provided in the mortgage insurance contract), or may acquire the mortgage loan and the security therefor upon payment to the mortgagee in cash or in debentures (as provided in the mortgage insurance contract) of a total amount equal to the unpaid principal balance of the loan plus any accrued interest and any advances approved by the Secretary made previously by the mortgagee under the provisions of the mortgage. After the acquisition of the mortgage by the Secretary the mortgagee shall have no further rights, liabilities, or obligations with respect to the mortgage. The appropriate provisions of sections 1710 and 1713 of this title relating to the issuance of debentures shall apply with respect to debentures issued under this subsection, and the appropriate provisions of sections 1710 and 1713 of this title relating to the rights, liabilities, and obligations of a mortgagee shall apply with respect to the Secretary when he has acquired an insured mortgage under this subsection, in accordance with and subject to regulations (modifying such provisions to the extent necessary to render their application for such purposes appropriate and effective) which shall be prescribed by the Secretary, except that as applied to mortgages insured under this section (1) all references in section 1710 of this title to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund, and (2) all references in section 1710 of this title to section 1709 of this title shall be construed to refer to this section. If the insurance payment is

made in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

§ 1715y. Mortgage insurance for condominiums

(a) Purpose

The purpose of this section is to provide an additional means of increasing the supply of privately owned dwelling units where, under the laws of the State in which the property is located, real property title and ownership are established with respect to a one-family unit which is part of a multifamily project.

(b) Definitions

The terms "mortgage", "mortgagee", "mortgagor", "maturity date", and "State" shall have the meanings respectively set forth in section 1707 of this title, except that the term "mortgage" for the purposes of subsection (c) may include a first mortgage given to secure the unpaid purchase price of a fee interest in, or a long-term leasehold interest in, a one-family unit in a multifamily project, including a project in which the dwelling units are attached, semi-attached, or detached, and an undivided interest in the common areas and facilities which serve the project where the mortgage is determined by the Secretary to be eligible for insurance under this section. The term "common areas and facilities" as used in this section shall be deemed to include the land and such commercial, community, and other facilities as are approved by the Secretary.

(c) Authorization; eligibility for insurance; conditions; limits

The Secretary is authorized, in his discretion and under such terms and conditions as he may prescribe (including the minimum number of family units in the project which shall be offered for sale and provisions for the protection of the consumer and the public interest), to insure any mortgage covering a one-family unit in a multifamily project and an undivided interest in the common areas and facilities which serve the project, if (1) the mortgage meets the requirements of this subsection and of section 1709(b) of this title, except as that section is modified by this subsection, (2) at least 80 percent of the units in the project covered by mortgages insured under this subchapter are occupied by the mortgagors or comortgagors, and (3)

the project has a blanket mortgage insured by the Secretary under subsection (d). Any project proposed to be constructed or rehabilitated after June 30, 1961, with the assistance of mortgage insurance under this chapter, where the sale of family units is to be assisted with mortgage insurance under this subsection, shall be subject to such requirements as the Secretary may prescribe. To be eligible for insurance pursuant to this subsection, a mortgage shall (A) involve a principal obligation in an amount not to exceed the maximum principal obligation of a mortgage which may be insured in the area pursuant to section 1709(b)(2) of this title or pursuant to section 1709(h) of this title under the conditions described in section 1709(h) of this title, and (B) have a maturity satisfactory to the Secretary, but not to exceed, in any event, thirty-five years from the date of the beginning of amortization of the mortgage. The mortgage shall contain such provisions as the Secretary determines to be necessary for the maintenance of common areas and facilities and the multifamily project. The mortgagor shall have exclusive right to the use of the one-family unit covered by the mortgage and, together with the owners of other units in the multifamily project, shall have the right to the use of the common areas and facilities serving the project and the obligation of maintaining all such common areas and facilities. The Secretary may require that the rights and obligations of the mortgagor and the owners of other dwelling units in the project shall be subject to such controls as he determines to be necessary and feasible to promote and protect individual owners, the multifamily project, and its occupants. For the purposes of this subsection, the Secretary is authorized in his discretion and under such terms and conditions as he may prescribe to permit one-family units and interests in common areas and facilities in multifamily projects covered by mortgages insured under any section of this chapter (other than section 1715e(a)(1) and (2) of this title) to be released from the liens of those mortgages.

(d) Blanket mortgages of multifamily projects; plan of family unit ownership; regulations; stock purchase and redemption

In addition to individual mortgages insured under subsection (c), the Secretary is authorized, in his discretion and under such terms and conditions as he may prescribe, to insure blanket mortgages (including advances on such mortgages during construction) which cover multifamily projects to be constructed or rehabilitated in cases where the mortgage is held by a mortgagor, approved by the Secretary, which—

(1) has certified to the Secretary, as a condition of obtaining the insurance of a blanket mortgage under this subsection, that upon completion of the multifamily project covered by such mortgage it intends to commit the ownership of the multifamily project to a plan of family unit ownership under which each family unit would be eligible for individual mortgage insurance under subsection (c) and will faithfully and diligently make and carry out all reasonable efforts to establish such plan of family unit ownership and to sell such

family units to purchasers approved by the Secretary; and

(2) may, in the Secretary's discretion, be regulated or restricted as to rents, charges, capital structure, rate of return, and methods of operation until the termination of all obligations of the Secretary under the insurance and during such further period of time as the Secretary shall be the owner, holder or reinsurer of the mortgage. The Secretary may make such contracts with and acquire for not to exceed \$100 such stock or interest in such mortgagor as he may deem necessary to render effective any such regulation or restriction of such mortgagor. The stock or interest acquired by the Secretary shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par at any time upon the request of the Secretary after the termination of all obligations of the Secretary under the insurance.

(e) Eligibility for insurance of blanket mortgages of multifamily projects

To be eligible for insurance, a blanket mortgage on any multifamily project of a mortgagor of the character described in subsection (d) shall involve a principal obligation in an amount—

(1) Repealed. Pub. L. 93-383, title III, §304(h), Aug. 22, 1974, 88 Stat. 678;

(2) not to exceed 90 per centum of the amount which the Secretary estimates will be the replacement cost of the project when the proposed physical improvements are completed;

(3)(A) not to exceed, for such part of the project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary), \$42,048 per family unit without a bedroom, \$48,481 per family unit with one bedroom, \$58,469 per family unit with two bedrooms, \$74,840 per family unit with three bedrooms, and \$83,375 per family unit with four or more bedrooms; except that as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$44,250 per family unit without a bedroom, \$50,724 per family unit with one bedroom, \$61,680 per family unit with two bedrooms, \$79,793 per family unit with three bedrooms, and \$87,588 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design; (B) the Secretary may, by regulation, increase any of the dollar limitations in subparagraph (A) (as such limitations may have been adjusted in accordance with section 1712a of this title) by not to exceed 170 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 170 percent, or 215 percent in high cost areas, where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions

under section 1720¹ of this title (as such section existed immediately before November 30, 1983) is involved; and

(4) not to exceed an amount equal to the sum of the unit mortgage amounts determined under the provisions of subsection (c) assuming the mortgagor to be the owner and occupant of each family unit.

(f) Amortization of blanket mortgages of multifamily projects; interest; releases; extent of project

Any blanket mortgage insured under subsection (d) shall provide for complete amortization by periodic payments within such terms as the Secretary may prescribe but not to exceed 40 years from the beginning of amortization of the mortgage, and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the blanket mortgage upon such terms and conditions as he may prescribe and the blanket mortgage may provide for such release. The project covered by the blanket mortgage may include four or more family units and such commercial and community facilities as the Secretary deems adequate to serve the occupants.

(g) Entitlement to insurance benefits as provided in section 1710(a) of this title

Any mortgagee under a mortgage insured under subsection (c) of this section is entitled to receive the benefits of the insurance as provided in section 1710(a) of this title with respect to mortgages insured under section 1709 of this title, and the provisions of subsections (b), (c), (d), (e), (f), (g), (h),¹ (j), and (k)¹ of section 1710 of this title shall be applicable to the mortgages insured under subsection (c) of this section.

(h) Applicability of other provisions

The provisions of subsections (d), (e), (g), (h), (i), (j), (k), (l), and (n) of section 1713 of this title shall be applicable to mortgages insured under subsection (d) of this section.

(i) Applicability of other provisions

The provisions of sections 1715p and 1715u of this title shall be applicable to the mortgages insured under subsection (c) of this section.

(j) Increase in maximum insurance amounts for costs incurred from solar energy systems and energy conservation measures

The Secretary may further increase the dollar amount limitations which would otherwise apply under subsection (e) by not to exceed 20 per centum if such increase is necessary to account for the increased cost of a project due to the installation therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)¹ in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure.

¹ See References in Text note below.

(k) Rental housing conversion

With respect to a unit in any project which was converted from rental housing, no insurance may be provided under this section unless (1) the conversion occurred more than one year prior to the application for insurance, (2) the mortgagor or comortgagor was a tenant of that rental housing, (3) the conversion of the property is sponsored by a bona fide tenants organization representing a majority of the households in the project, or (4) before April 20, 1984 (A) application was made to the Secretary for a commitment to insure a mortgage covering any unit in the project, (B) in the case of direct endorsement, the mortgagee received the case number assigned by the Secretary for any unit in the project, or (C) application was made for approval of the project for guarantee, insurance, or direct loan under chapter 37 of title 38.

may such limit, as so increased, exceed the lesser of 111 per centum of such amount or 95 per centum of the median one-family house price in the area, as determined by the Secretary: *Provided*, That the foregoing maximum mortgage amounts may be increased by the amount of the mortgage insurance premium paid at the time the mortgage is insured; and not to exceed the sum of (i) 97 per centum (100 per centum if the mortgagor is a veteran as defined under section 1709(b)(2) of this title) of \$25,000 of the appraised value of the property as of the date the mortgage is accepted for insurance and (ii) 95 per centum of such value in excess of \$25,000".

§ 1715z. Homeownership or membership in cooperative association for lower income families

(a) Authorization for periodic assistance payments to mortgagees; assistance to manufactured home buyers

(1) For the purpose of assisting lower income families in acquiring homeownership or in acquiring membership in a cooperative association operating a housing project, the Secretary is authorized to make, and to contract to make, periodic assistance payments on behalf of such homeowners and cooperative members. The assistance shall be accomplished through payments to mortgagees holding mortgages meeting the special requirements specified in this section or which mortgages are assisted under a State or local program providing assistance through loans, loan insurance or tax abatement. In making such assistance available, the Secretary shall give preference to low-income families who, without such assistance, would be likely to be involuntarily displaced (including those who would be likely to be displaced from rental units which are to be converted into a condominium project or a cooperative project). Such assistance may include the acquisition of a condominium or a membership in a cooperative association.

(2)(A) Notwithstanding any other provision of this section, the Secretary is authorized to make periodic assistance payments under this section on behalf of families whose incomes do not exceed the maximum income limits prescribed pursuant to subsection (h)(2) of this section for the purpose of assisting such families in acquiring ownership of a manufactured home consisting of two or more modules and a lot on which such manufactured home is or will be situated, except that periodic assistance payments pursuant to this paragraph shall not be made with respect to more than 20 per centum of the total number of units with respect to which assistance is approved under this section after January 1, 1976. Assistance payments under this section pursuant to this paragraph shall be accomplished through payments on behalf of an owner of lower-income of a manufactured home as described in the preceding sentence to the financial institution which makes the loan, advance of credit, or purchase of an obligation representing the loan or advance of credit to finance the purchase of the manufactured home and the lot on which such manufactured home is or will be situated, but only if insurance under section 1703 of this title covering such loan, advance of credit, or obligation has been granted to such institution.

(B) Notwithstanding the provisions of subsection (c) of this section, assistance payments provided pursuant to this paragraph shall be in an amount not exceeding the lesser of—

(i) the balance of the monthly payment for principal, interest, real and personal property taxes, insurance, and insurance premium chargeable under section 1703 of this title due under the loan or advance of credit remaining unpaid after applying 20 per centum of the manufactured homeowner's income; or

(ii) the difference between the amount of the monthly payment for principal, interest, and insurance premium chargeable under section 1703 of this title which the manufactured homeowner is obligated to pay under the loan or advance of credit and the monthly payment of principal and interest which the owner would be obligated to pay if the loan or advance of credit were to bear interest at a rate derived by subtracting from the interest rate applicable to such loan or advance of credit the interest rate differential between the maximum interest rate plus mortgage insurance premium applicable to mortgages insured under subsection (i) of this section at the time such loan or advance of credit is made and the interest rate which such mortgages are presumed, under regulations prescribed by the Secretary, to bear for purposes of subsection (c)(2) of this section.

(b) Qualifications and eligibility requirements for assistance payments

To qualify for assistance payments, the homeowner or the cooperative member shall be of lower income and satisfy eligibility requirements prescribed by the Secretary, and—

(1) the homeowner shall be a mortgagor under a mortgage which meets the requirements of and is insured under subsection (i) or (j)(4) of this section: *Provided*, That a mortgage meeting the requirements of subsection (i)(3)(A) of this section but insured under section 1715z-2 of this title may qualify for assistance payments if such mortgage was executed by a mortgagor who is determined not to be an acceptable credit risk for mortgage insurance purposes (but otherwise eligible) under subsection (j)(4) of this section or under section 1715(d)(2) or 1715y(c) of this title and accepted as a reasonably satisfactory credit risk under section 1715z-2¹ of this title; or

(2) the cooperative association of which the family is a member shall operate (A) a housing project the construction or substantial rehabilitation of which has been financed with a mortgage insured under section 1715e or section 1715l(d)(3) of this title and which has been completed within two years prior to the filing of the application for assistance payments and the dwelling unit has had no previous occupant other than the family: *Provided*, That if any cooperative member who has received assistance payments transfers his membership and occupancy rights to another person who satisfies the eligibility requirements prescribed by the Secretary and undertakes the obligation to pay occupancy charges, the new

cooperative member may qualify for assistance payments upon the filing of an application with respect to the dwelling unit involved to be occupied by him: *Provided further*, That assistance payments may be made with respect to a dwelling unit in an existing cooperative project which meets such standards as the Secretary may prescribe, if the family qualifies as a displaced family as defined in section 1715(f) of this title, or a family which includes five or more minor persons, or a family occupying low-rent public housing: *Provided further*, That the amount of the mortgage attributable to the dwelling unit shall involve a principal obligation not in excess of \$40,000 (\$47,500 in any geographical area where the Secretary authorizes an increase on the basis of a finding that costs levels so require), except that with respect to any family with five or more persons the foregoing limits shall be \$47,500 and \$55,000, respectively; or (B) a housing project which is financed under a State or local program providing assistance through loans, loan insurance, or tax abatements, and which prior to completion of construction or rehabilitation is approved for receiving the benefits of this section.

(c) Limitation on payments on behalf of mortgagor; occupancy of property; maximum amount of payment; recapture of amounts; determination, applicability, etc.

(1) Subject to the second sentence of this paragraph, the assistance payments to a mortgagee by the Secretary on behalf of a mortgagor shall be made during such time as the mortgagor shall continue to occupy the property which secures the mortgage: *Provided*, That assistance payments may be made on behalf of a homeowner who assumes a mortgage insured under subsection (i) or (j)(4) with respect to which assistance payments have been made on behalf of the previous owner, if the homeowner is approved by the Secretary as eligible for receiving such assistance: *Provided further*, That the Secretary is authorized to continue making such assistance payments where the mortgage has been assigned to the Secretary. Assistance payments pursuant to any new contract, other than a contract in connection with a refinancing under subsection (r), entered into after September 30, 1983, that utilizes authority approved in appropriation Acts for any fiscal year beginning after such date may not be made for more than a 10-year period. The payment shall be in an amount not exceeding the lesser of—

(A) the balance of the monthly payment for principal, interest, taxes, insurance, and mortgage insurance premium due under the mortgage remaining unpaid after applying 20 per centum of the mortgagor's income; or

(B) the difference between the amount of the monthly payment for principal, interest and mortgage insurance premium which the mortgagor is obligated to pay under the mortgage and the monthly payment for principal and interest which the mortgagor would be obligated to pay if the mortgage were to bear interest at the rate of 1 per centum per annum (4 per centum per annum in the case of a mortgage described in subsection (o)).

(2)(A) Upon disposition by the homeowner of any property assisted pursuant to this section or where the homeowner rents such a property (or the owner's unit in the case of a two- to four-family property) for a period longer than one year, the Secretary shall provide for the recapture of an amount equal to the lesser of (i) the amount of assistance actually received under this section, other than any amount provided under subsection (e), or (ii) an amount equal to at least 50 per centum of the net appreciation of the property, as determined by the Secretary. For the purpose of this paragraph, the term "net appreciation of the property" means any increase in the value of the property over the original purchase price, less the reasonable costs of sale, the reasonable costs of improvements made to the property, and any increase in the mortgage amount as of the time of sale over the original mortgage balance due to the mortgage being insured pursuant to section 1715z-10¹ of this title. Notwithstanding any other provision of law, any such assistance shall constitute a debt secured by the property to the extent that the Secretary may provide for such recapture.

(B) Subparagraph (A) does not apply to any property with respect to which there is assumption in accordance with paragraph (1) of this subsection or to any property which is subject to a mortgage, loan, or other advance of credit insured pursuant to subsection (q).

(3)(A) There hereby is established in the Treasury of the United States a fund, which, to the extent approved in appropriation Acts, may be used by the Secretary for purposes of carrying out subparagraph (B). There shall be deposited into such fund (i) any amount recaptured under paragraph (2); (ii) any authority to make assistance payments under subsection (a) that is committed for use in a contract but is unused because the mortgage, loan, or advance of credit involved is refinanced (except to the extent provided in subsection (r) for mortgages insured under such subsection) or because such assistance payments are terminated or suspended for other reasons before the original termination date of such contract; and (iii) any amount received under subparagraph (C).

(B) In the case of any homeowner whose assistance payments are terminated by reason of the 10-year limitation referred to in paragraph (1), and who is determined by the Secretary to be unable to assume the full payments due under the mortgage, loan, or advance of credit involved, the Secretary shall, to the extent of the availability of amounts in the fund established in subparagraph (A), contract to make, and make, continued assistance payments on behalf of such homeowner. Such continued assistance payments shall be made in an amount determined in accordance with the applicable provisions of paragraph (1) or subsection (a)(2)(B) and for such period as the Secretary determines to be appropriate.

(C) Any amounts in such fund determined by the Secretary to be in excess of the amounts currently required to carry out the provisions of subparagraph (B) shall be invested by the Secretary in obligations of, or obligations guaranteed as to both principal and interest by, the United States or any agency of the United

States. Notwithstanding the preceding sentence, any amounts of budget authority or contract authority recaptured from assistance payments contracts relating to mortgages that are being refinanced that are not required for assistance payments contracts relating to mortgages insured under this subsection, shall be rescinded.

(d) Limitation on payments on behalf of family holding membership in cooperative association; occupancy; maximum amount of payment

Assistance payments to a mortgagee by the Secretary on behalf of a family holding membership in a cooperative association operating a housing project shall be made only during such time as the family is an occupant of such project and shall be in amounts computed on the basis of the formula set forth in subsection (c) applying the cooperative member's proportionate share of the obligations under the project mortgage to the items specified in the formula.

(e) Reimbursement for expenses in handling the mortgage

The Secretary may include in the payment to the mortgagee such amount, in addition to the amount computed under subsection (a)(2)(B), (c), (d), (j)(7), or (r), as he deems appropriate to reimburse the mortgagee for its expenses in handling the mortgage.

(f) Adoption of procedures for recertifications of mortgagor's or cooperative member's income

Procedures shall be adopted by the Secretary for recertifications of the mortgagor's (or cooperative member's) income at intervals of two years (or at shorter intervals where the Secretary deems it desirable) for the purpose of adjusting the amount of such assistance payments within the limits of the formula described in subsection (c).

(g) Regulations to assure that sales price or other consideration paid is not increased above appraised value

The Secretary shall prescribe such regulations as he deems necessary to assure that the sales price of, or other consideration paid in connection with, the purchase by a homeowner of the property with respect to which assistance payments are to be made is not increased above the appraised value on which the maximum mortgage which the Secretary will insure is computed.

(h) Authorization of appropriations; aggregate amount of assistance payment contracts; maximum income limits of families; limitation on payments with respect to existing dwellings or dwelling units in existing projects and for approved substantial rehabilitation of dwellings or dwelling units in projects

(1) There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this section, including such sums as may be necessary to make the assistance payments under contracts entered into under this section. The aggregate amount of outstanding contracts to make such payments shall not exceed amounts approved in appropriation Acts,

and payments pursuant to such contracts shall not exceed \$75,000,000 per annum prior to July 1, 1969, which maximum dollar amount shall be increased by \$125,000,000 on July 1, 1969, by \$150,000,000 on July 1, 1970, by \$200,000,000 on July 1, 1971, by such sums as may be approved in appropriation Acts after June 30, 1974, and prior to July 1, 1976, and by such sums as may be approved in an appropriation Act on or after October 1, 1983 (from the additional authority to enter into contracts made available on such date under the first sentence of section 1437c(c)(1) of title 42). The aggregate amount that may be obligated over the duration of the contracts entered into with the authority provided on or after October 1, 1983 (other than obligations in connection with mortgages insured under subsection (r)), may not exceed such sums of new budget authority as may be appropriated after November 30, 1983. The Secretary shall begin issuing new commitments and reservations to provide mortgage insurance and assistance payments under this section before the expiration of the 30-day period following the approval in any appropriation Act of budget authority for this section after November 30, 1983. Upon the expiration of one year following August 22, 1974, the Secretary shall not enter into new contracts for assistance payments under this section utilizing authority approved in appropriation Acts prior to July 1, 1974. The Secretary shall not enter into new contracts for assistance payments under this section (except under subsection (r)) after May 20, 1983, utilizing amounts approved in appropriation Acts before November 30, 1983, except (i) pursuant to a firm commitment issued on or before May 20, 1983, (ii) pursuant to other commitments issued by the Secretary prior to June 30, 1981, reserving funds for housing to be assisted under this section where such housing is included in a project pursuant to section 119 of the Housing and Community Development Act of 1974 [42 U.S.C. 5318], or (iii) pursuant to other commitments issued on or before September 30, 1981, where housing under this section is to be developed on land which was municipally owned on September 30, 1981, and where a local government contributes at least \$1,000 per unit of funds obtained under title I of the Housing and Community Development Act of 1974 [42 U.S.C. 5301 et seq.] and at least \$2,000 per unit of additional funds to assist housing under this section. In no event may the Secretary enter into any new contract for assistance payments under this section (other than a contract in connection with a mortgage insured under subsection (r)) after September 30, 1989.

(2) Assistance payments under this section may be made only with respect to a family whose income at the time of initial occupancy does not exceed 95 per centum of the median income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 95 per centum of the median for the area on the basis of his findings that such variations are necessary because of prevailing levels of construction costs, unusually high or low median family incomes, or other factors.

(3) Notwithstanding the provisions of subsections (b)(2) and (i)(3)(A) with respect to the prior construction or rehabilitation of a dwelling, or of the project in which there is a dwelling unit, for which assistance payments may be made, and notwithstanding the provisions of subsection (j)(1) authorizing the purchase of housing which is neither deteriorating nor substandard, not more than—

(B) 30 per centum of the total additional amount of contracts for assistance payments authorized by appropriation Acts to be made on or after July 1, 1969,

may be made with respect to existing dwellings, or dwelling units in existing projects. The preceding sentence shall not apply to contracts in connection with mortgages insured under subsection (r).

(4) At least 10 per centum of the total amount of contracts for assistance payments authorized by appropriation Acts to be made after June 30, 1971, shall be available for use only with respect to dwellings, or dwelling units in projects, which are approved by the Secretary prior to substantial rehabilitation.

(i) Insurance of mortgages executed by mortgagors meeting eligibility requirements for assistance payments; issuance of commitment; eligibility requirements for insurance

(1) The Secretary is authorized, upon application by the mortgagee, to insure a mortgage (including advances with respect to property construction or rehabilitation pursuant to a self-help program) executed by a mortgagor who meets the eligibility requirements for assistance payments prescribed by the Secretary under subsection (b). Commitments for the insurance of such mortgages may be issued by the Secretary prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe.

(2) To be eligible for insurance under this subsection, a mortgage shall meet the requirements of section 1715(d)(2) or 1715y(c) of this title, except as such requirements are modified by this subsection.

(3) A mortgage to be insured under this subsection shall—

(A) involve a single-family or a two-family dwelling which has been approved by the Secretary prior to the beginning of construction or substantial rehabilitation, or a three-family dwelling which is approved by the Secretary prior to the beginning of substantial rehabilitation, or a one-family unit in a condominium project (together with an undivided interest in the common areas and facilities serving the project) which is released from a multi-family project, the construction or substantial rehabilitation of which has been completed within two years prior to the filing of the application for assistance payments with respect to such family unit and the unit has had no previous occupant other than the mortgagor: *Provided*, That the mortgage may involve an existing dwelling or a family unit in

an existing condominium project which meets such standards as the Secretary may prescribe: *Provided further*, That the mortgage may involve an existing dwelling or a family unit in an existing condominium project if assistance payments have been made on behalf of the previous owner of the dwelling or family unit with respect to a mortgage insured under subsection (j)(4): *Provided further*, That the mortgage may involve a dwelling unit in an existing project covered by a mortgage insured under section 1715z-1 of this title or in an existing project receiving the benefits of financial assistance under section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s];

(B) where it is to cover a one-family unit in a condominium project, have a principal obligation not exceeding \$40,000 (\$47,500 in any geographical area where the Secretary authorizes an increase on the basis of a finding that cost levels so require), except that with respect to any family with five or more persons the foregoing limits shall be \$47,500 and \$55,000, respectively;

(C) involve, in the case of a dwelling unit other than a condominium or cooperative unit, a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed \$40,000 (\$47,500 in any geographical area where the Secretary authorizes an increase on the basis of a finding that cost levels so require), except that with respect to any family with five or more persons the foregoing limits shall be \$47,500 and \$55,000, respectively;

(D) involve, in the case of a two-family or three-family dwelling, a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed \$60,000 (\$66,250 in any geographical area where the Secretary authorizes an increase on the basis of a finding that cost levels so require);

(E) be executed by a mortgagor who shall have paid in cash or its equivalent, on account of the property, at least an amount equal to 3 per centum of the Secretary's estimate of the cost of acquisition (excluding the mortgage insurance premium paid at the time the mortgage is insured); and

(F) bear interest at a rate not to exceed such percent per annum on the amount of the principal obligation outstanding at any time as the Secretary finds necessary to meet the mortgage market, taking into consideration the yields on mortgages in the primary and secondary markets.

(4) In insuring eligible mortgages under this subsection, the Secretary may not deny insurance on the basis that a mortgage involves a two- to three-family dwelling or is to be used to finance substantial rehabilitation rather than new construction.

(5) As a condition of insuring a mortgage on a two- to three-family dwelling, the Secretary shall require the mortgagor (A) not to discriminate against prospective tenants on the basis of their receipt of or eligibility for housing assist-

ance under any Federal, State or local housing assistance program and (B) to agree that during the term of the mortgage each of the rental units shall be occupied by, or available for occupancy by, persons and families whose incomes do not exceed 100 per centum of the area median income.

(j) Insurance of mortgages executed by nonprofit organizations or public bodies or agencies; issuance of commitment; eligibility requirements for insurance; insurance of mortgages executed to finance sale of individual dwellings to lower income individuals or families; definitions; assistance payments to mortgagees on behalf of nonprofit organizations or public bodies and agencies

(1) In addition to mortgages insured under the provisions of subsection (i), the Secretary is authorized, upon application by the mortgagee, to insure a mortgage (including advances under such mortgage during rehabilitation) which is executed by a nonprofit organization or public body or agency to finance the purchase of housing, and the rehabilitation of such housing if it is deteriorating or substandard, for subsequent resale to lower income home purchasers who meet the eligibility requirements for assistance payments prescribed by the Secretary under subsection (b). Commitments for the insurance of such mortgages may be issued by the Secretary prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe.

(2) To be eligible for insurance under paragraph (1) of this subsection, a mortgage shall—

(A) be executed by a private nonprofit organization or public body or agency, approved by the Secretary, for the purpose of financing the purchase (with the intention of subsequent resale), and rehabilitation where the housing involved is deteriorating or substandard, of property comprising one or more tracts or parcels, whether or not contiguous, consisting of (i) four or more single-family dwellings of detached, semidetached, or row construction, or (ii) four or more one-family units in a structure or structures for which a plan of family unit ownership approved by the Secretary is established; except that in a case not involving the rehabilitation of deteriorating or substandard housing the property purchased may consist of one or more such dwellings or units;

(B) be in a principal amount not exceeding the appraised value of the property at the time of its purchase under the mortgage plus the estimated cost of any rehabilitation;

(C) bear interest at a rate not to exceed such percent per annum on the amount of the principal obligation outstanding at any time as the Secretary determines is necessary to meet the mortgage market, taking into consideration the yields on mortgages in the primary and secondary markets;

(D) provide for complete amortization (subject to paragraph (4)(E)) by periodic payments within such term as the Secretary may prescribe; and

(E) provide for the release of individual single-family dwellings from the lien of the mortgage upon their sale in accordance with paragraph (4).

(3) No mortgage shall be insured under paragraph (1) unless the mortgagor shall have demonstrated to the satisfaction of the Secretary that (A) the property involved is located in a neighborhood which is sufficiently stable and contains sufficient public facilities and amenities to support long-term values, or (B) the purchase or rehabilitation of such property plus the mortgagor's related activities and the activities of other owners of housing in the neighborhood, together with actions to be taken by public authorities, will be of such scope and quality as to give reasonable promise that a stable environment will be created in the neighborhood.

(4)(A) No mortgage shall be insured under paragraph (1) unless the mortgagor enters into an agreement, satisfactory to the Secretary, that it will offer to sell the dwellings involved, after purchase and upon completion of any rehabilitation, to lower income individuals or families meeting the eligibility requirements established by the Secretary under subsection (b).

(B) The Secretary is authorized to insure under this paragraph mortgages executed to finance the sale of individual dwellings to lower income purchasers as provided in subparagraph (A). Any such mortgage shall—

(i) be in a principal amount not in excess of that portion of the unpaid principal balance of the blanket mortgage covering the property which is allocable to the individual dwelling involved;

(ii) bear interest at the same rate as the blanket mortgage; and

(iii) provide for complete amortization by periodic payments within a term equal to the remaining term (determined without regard to subparagraph (E)) of such blanket mortgage.

(C) The price for which any individual dwelling is sold under this paragraph shall be in an amount equal to that portion of the unpaid principal balance of the blanket mortgage covering the property which is allocable to the dwelling plus such additional amount, not less than \$200 (which may be applied in whole or in part toward closing costs and may be paid in cash or its equivalent), as the Secretary may determine to be reasonable.

(D) Upon the sale under this paragraph of any individual dwelling, such dwelling shall be released from the lien of the blanket mortgage. Until all of the individual dwellings in the property covered by the blanket mortgage have been sold, the mortgagor shall hold and operate the dwellings remaining unsold at any given time, in such manner and under such terms as the Secretary may prescribe, as though they constituted rental units.

(E) Upon the sale under this paragraph of all the individual dwellings in the property covered by the blanket mortgage and the release of all individual dwellings from the lien of the blanket mortgage, the insurance of the blanket mortgage shall be terminated and no adjusted premium charge shall be charged by the Secretary upon such termination.

(5) Where the Secretary has approved a plan of family unit ownership the terms "single-family dwelling", "single-family dwellings", "individual dwelling", and "individual dwellings" shall mean a family unit or family units, together

with the undivided interest (or interests) in the common areas and facilities.

(6) For purposes of this subsection, the terms “single-family dwelling” and “single-family dwellings” (except for purposes of paragraph (5)) shall include a two- to three-family dwelling which has been approved by the Secretary.

(7) In addition to the assistance payments authorized under subsection (b), the Secretary may make such payments to a mortgagee on behalf of a nonprofit organization or public body or agency which is a mortgagor under the provisions of paragraph (1) in an amount not exceeding the difference between the monthly payment for principal, interest, and mortgage insurance premium which the mortgagor is obligated to pay under the mortgage and the monthly payment for principal and interest such mortgagor would be obligated to pay if the mortgage were to bear interest at the rate of 1 per centum per annum.

(8) A mortgage covering property which is not deteriorating or substandard may be insured under this subsection only if it is situated in an area in which mortgages may be insured under section 1715(h) of this title.

(9) In insuring eligible mortgages under this subsection, the Secretary may not deny insurance on the basis that a mortgage involves a two- to three-family dwelling or is to be used to finance substantial rehabilitation rather than new construction.

(k) Allocation and transfer of reasonable portion of total authority to contract to make assistance payments to Secretary of Agriculture for use in rural areas and small towns

The Secretary shall from time to time allocate and transfer to the Secretary of Agriculture, for use (in accordance with the terms and conditions of this section) in rural areas and small towns, a reasonable portion of the total authority to contract to make assistance payments as approved in appropriation Acts under subsection (h)(1).

(l) Deductions for minors in determining income limits; exclusion of earnings of minors

In determining the income of any person for the purposes of this section, there shall be deducted an amount equal to \$300 for each minor person who is a member of the immediate family of such person and living with such family, and the earnings of any such minor person shall not be included in the income of such person or his family.

(m) Termination date for insurance of mortgages

No mortgage (except a mortgage insured under subsection (r)) shall be insured under this section after September 30, 1989, except pursuant to a commitment to insure before that date.

(n) Percentage limitation of mortgage insurance on subdivision units; exceptions

No mortgage may be insured under this section on a unit in a subdivision, after October 12, 1977, which, when added to any other mortgages insured under this section in that subdivision after such date, represents more than 40 per centum of the total number of units in the subdivision, except that the preceding limitation shall

not apply with regard to any rehabilitated unit, or to any unit or subdivision located or to be located in an established urban neighborhood or area, where a sound proposal is involved and where an aggregation of subsidized units is essential to a community sponsored overall redevelopment plan, as determined by the Secretary or to a mortgage insured under subsection (r).

(o) Mortgage insurance over maximum limits involving dwellings of community sponsored programs of concentrated redevelopment or revitalization

The Secretary may insure a mortgage under this section involving a principal obligation which exceeds, by not more than 20 per centum, the maximum limits specified under subsection (b)(2) or (i)(3) of this section if the mortgage relates to a dwelling in an urban neighborhood where the Secretary determines that a community sponsored program of concentrated redevelopment or revitalization is being undertaken and the Secretary determines that such action is necessary to enable eligible families residing in the area who occupy substandard housing or are being involuntarily displaced to remain in the area in decent, safe, and sanitary housing.

(p) Mortgage insurance over maximum limits involving dwellings to be occupied by physically handicapped persons; applicability, etc.

The Secretary may insure a mortgage under this section involving a principal obligation which exceeds, by not more than 10 per centum, the maximum limits specified under subsection (b)(2) or (i)(3) of this section, or, if applicable, the maximum principal obligation insurable pursuant to subsection (o) of this section, if the mortgage relates to a dwelling to be occupied by a physically handicapped person and the Secretary determines that such action is necessary to reflect the cost of making such dwelling accessible to and usable by such person.

(q) Periodic assistance payments for emergency stimulation of housing market; contracts, terms and conditions, eligibility, etc., for payments

(1) Notwithstanding any other provision of this section, except subsection (n), if the Secretary determines that there is a substantial need for emergency stimulation of the housing market, the Secretary is authorized to make and enter into contracts to make periodic assistance payments, to the extent of not to exceed 75 per centum of the authority available pursuant to subsection (h)(1), on behalf of homeowners, including owners of manufactured homes, to mortgagees or other lenders holding mortgages, loans, or advances of credit which meet the requirements of this subsection. The Secretary may establish such criteria, terms, and conditions relating to homeowners and mortgages, loans, or advances of credit assisted under this subsection as the Secretary deems appropriate, consistent with the provisions of this subsection. The Secretary is authorized to insure a mortgage which meets the requirements of and is to be assisted under this subsection. The authority to enter into contracts to provide assistance payments and to insure mort-

gages under this subsection shall terminate on September 30, 1989, or at such earlier date as the Secretary may deem appropriate, upon a determination by the Secretary that the conditions which gave rise to the exercise of authority under this subsection are no longer present, except pursuant to a commitment entered into prior to such date.

(2) Payments under this subsection may be made only on behalf of a homeowner who satisfies such eligibility requirements as may be prescribed by the Secretary and who—

(A)(i) is a mortgagor under a mortgage which meets the requirements of and is insured under this subsection, or (ii) is the original owner of a new manufactured home consisting of two or more modules and a lot on which the manufactured home is situated, where insurance under section 1703 of this title covering the loan, advance of credit, or purchase of an obligation representing such loan or advance of credit to finance the purchase of such manufactured home and lot has been granted to the lender making such loan, advance of credit, or purchase of an obligation; and

(B) has a family income, at the time of initial occupancy, which does not exceed 130 per centum of the area median income for the area (with adjustments for smaller and larger families, unusually high or low median family income, or other factors), as determined by the Secretary.

(3) Assistance payments to a mortgagee or other lender by the Secretary on behalf of a homeowner shall be made only during such time as the homeowner shall continue to occupy the property which secures the mortgage, loan, or advance of credit. The Secretary may, where a mortgage insured under this subsection has been assigned to the Secretary, continue making such assistance payments.

(4) The amount of the assistance payments in the case of a mortgage shall not at any time exceed the lesser of—

(A) the balance of the monthly payment for principal, interest, taxes, insurance, and any mortgage insurance premium due under the mortgage remaining unpaid after applying a minimum of 25 per centum of the mortgagor's income, except that the Secretary may reduce such per centum of income to the extent he deems necessary, but not lower than 20 per centum of the mortgagor's income; or

(B) the difference between the amount of the monthly payment for principal, interest, and any mortgage insurance premium which would be required if the mortgage were a level payment mortgage bearing interest at a rate equal to the maximum interest rate which is applicable to level payment mortgages insured under section 1709(b) of this title, other than mortgages subject to section 1709-1(2)¹ of this title, and the monthly payment for principal and interest which the mortgagor would be obligated to pay if the mortgage were a level payment mortgage bearing interest at the rate of at least 9½ per centum per annum.

(5) Assistance payments on behalf of the owner of a manufactured home shall not at any time exceed the lesser of—

(A) the balance of the monthly payment for principal, interest, real and personal property taxes, insurance, and insurance premium chargeable under section 1703 of this title due under the loan or advance of credit remaining unpaid after applying a minimum of 25 per centum of the manufactured homeowner's income, except that the Secretary may reduce such per centum of income to the extent he deems necessary, but not lower than 20 per centum of the mortgagor's income; or

(B) the difference between the amount of the monthly payment for principal, interest, and insurance premium chargeable under section 1703 of this title which the manufactured homeowner is obligated to pay under the loan or advance of credit and the monthly payment of principal and interest which the owner would be obligated to pay if the loan or advance of credit were to bear an interest rate determined by the Secretary which shall not be less than 12 per centum per annum.

(6) The Secretary may include in the payment to the mortgagee or other lender such amount, in addition to the amount computed under paragraph (4) or (5), as the Secretary deems appropriate to reimburse the mortgagee or other lender for its reasonable and necessary expenses in handling the mortgage, loan, or advance of credit.

(7) The Secretary shall prescribe such regulations as the Secretary deems necessary to assure that the sales price of, or other consideration paid in connection with, the purchase by a homeowner of the property with respect to which assistance payments are to be made is not greater than the appraised value as determined by the Secretary.

(8) Assistance payments pursuant to paragraph (5) shall not be made with respect to more than 20 per centum of the total number of units with respect to which assistance is approved under this subsection.

(9) The Secretary may, in addition to mortgages insured under subsection (i) or (j), insure, upon application by the mortgagee, a mortgage executed by a mortgagor who meets the eligibility requirements for assistance payments prescribed by the Secretary under paragraph (2). Commitments for the insurance of such mortgages may be issued by the Secretary prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe.

(10) To be eligible for insurance under this subsection, a mortgage shall—

(A) be a first lien on real estate held in fee simple, or on a leasehold under a lease which meets terms and conditions established by the Secretary;

(B) have been made to, and be held by, a mortgagee approved by the Secretary as responsible and able to service the mortgage properly;

(C) involve a one- to four-family dwelling which has been approved by the Secretary prior to the beginning of construction, or if not so approved, has been completed within one year prior to the filing of the application for insurance and which has never been sold other than to the mortgagor;

(D) involve a principal residence the sales price of which does not exceed 82 per centum of the applicable maximum principal obligation of a mortgage which may be insured in the area pursuant to section 1709(b)(2) of this title, determined without regard to the last sentence of such section;

(E) have maturity and amortization provisions satisfactory to the Secretary;

(F) bear interest (exclusive of premium charges for insurance, and service charges if any) at not to exceed the applicable maximum rate for mortgages insured pursuant to section 1709(b) of this title;

(G) be executed by a mortgagor who shall have paid in cash or its equivalent, on account of the property, at least an amount equal to 3 per centum of the Secretary's estimate of the cost of acquisition; and

(H) contain such other terms and conditions as the Secretary may prescribe.

(11) The Secretary shall, to the extent practicable, insure mortgages under this subsection which are secured by properties which contribute to the conservation of land and energy resources.

(12) A mortgage to be assisted under this subsection shall, where the Secretary deems it appropriate, provide for graduated payments pursuant to section 1715z-10¹ of this title.

(13) The Secretary shall develop and utilize a system to allocate assistance under this subsection in a manner which assures a reasonable distribution of such assistance among the various regions of the country and which takes into consideration such factors as population, relative decline in building permits, the need for increased housing production, and other factors he deems appropriate. Assistance provided under this subsection shall not be subject to section 1439 of title 42.

(14) Upon the disposition by the homeowner of any property assisted pursuant to this subsection, or where the homeowner rents the property (or the owner's unit in the case of a two- to four-family residence) for a period longer than one year, the Secretary shall provide for the recapture of an amount equal to the lesser of (A) the amount of assistance actually received under this subsection, other than any amount provided under paragraph (6), or (B) an amount at least equal to 50 per centum of the net appreciation of the property, as determined by the Secretary. For the purpose of this paragraph, the term "net appreciation of the property" means any increase in the value of the property over the original purchase price, less the reasonable costs of sale, the reasonable costs of improvements made to the property, and any increase in the mortgage balance as of the time of sale over the original mortgage balance due to the mortgage being insured pursuant to section 1715z-10¹ of this title. In providing for such recapture, the Secretary shall include incentives for the homeowner to maintain the property in a marketable condition. Notwithstanding any other provision of law, any such assistance shall constitute a debt secured by the property to the extent that the Secretary may provide for such recapture.

(15) Procedures shall be adopted by the Secretary for recertification of the homeowner's in-

come at intervals of two years (or at shorter intervals where the Secretary deems it desirable) for the purpose of adjusting the amount of such assistance payments within the limits of the formula described in paragraph (4) or (5).

(r) Refinancing

(1) The Secretary is authorized, upon application of a mortgagee, to insure under this subsection a mortgage the proceeds of which are used to refinance a mortgage insured under this section.

(2) To be eligible for insurance under this subsection, a mortgage must be executed by a mortgagor meeting the requirements of paragraph (3) and shall—

(A) be a first lien on real estate held in fee simple, or on a leasehold under a lease—

(i) for not less than 99 years which is renewable; or

(ii) having a period of not less than 10 years to run beyond the maturity date of the mortgage;

(B) have been made to, and held by, a mortgagee approved by the Secretary;

(C) be in an amount not exceeding the outstanding principal balance, including any unpaid interest, due on the mortgage being refinanced;

(D) have a maturity not exceeding the unexpired term of the mortgage being refinanced;

(E) bear an interest rate not exceeding such percent per annum on the amount of the principal obligation outstanding at any time as the Secretary finds necessary to meet the mortgage market, taking into consideration the yields on mortgages in the primary and secondary markets; to the extent that the amounts described in paragraphs (4)(A) and (B) are not otherwise paid by the Secretary, the foregoing interest rate may be increased, in the discretion of the Secretary, to compensate the mortgagee for its payment to, or on behalf of, the mortgagor of such amounts; and

(F) meet the criteria for refinancing as determined by the Secretary.

(3) Notwithstanding the provisions of subsection (h)(2), assistance payments in connection with mortgages insured under paragraph (2) shall be made only with respect to a family who is eligible for, and receiving assistance payments with respect to, the insured mortgage being refinanced.

(4) The Secretary is authorized and, to the extent provided in appropriation Acts, may pay to the mortgagor (directly, through the mortgagee, or otherwise)—

(A) an amount, as approved by the Secretary, as an incentive to the mortgagor to refinance a mortgage insured under this section; and

(B) an amount as approved by the Secretary for costs incurred in connection with the refinancing, including but not limited to discounts, loan origination fees, and closing costs.

(5) Amounts of budget authority required for assistance payments contracts with respect to mortgages insured under this subsection shall be

derived from amounts recaptured from assistance payments contracts relating to mortgages that are being refinanced. For purposes of subsection (c)(3)(A), the amount of recaptured budget authority that the Secretary commits for assistance payments contracts relating to mortgages insured under this subsection shall not be construed as “unused”.

(6) The Secretary is authorized to take any actions to identify and communicate with any mortgagor of a mortgage insured under this section to implement the refinancing of such mortgages with insurance under this subsection. The Secretary may take such actions directly, or under contract. Notwithstanding the restriction of section 552a(b) of title 5, upon the request of an approved mortgagee, the Secretary may disclose to such mortgagee the name and address of any mortgagor of a mortgage insured under this section that meets the criteria for refinancing, pursuant to paragraph (2)(F), and the unpaid principal balance and interest rate on such mortgage.

(7) The Secretary shall implement the provisions of this subsection by a notice published in the Federal Register.

§ 1715z-1. Rental and cooperative housing for lower income families

(a) Authorization for periodic interest reduction payments on behalf of owner of rental housing project

For the purpose of reducing rentals for lower income families, the Secretary is authorized to make, and to contract to make, periodic interest reduction payments on behalf of the owner of a rental housing project designed for occupancy by lower income families, which shall be accomplished through payments to mortgagees¹ holding mortgages meeting the special requirements specified in this section.

(b) Restrictions on payments; payments with respect to projects financed under State or local programs; mortgage insurance premium

Interest reduction payments with respect to a project shall only be made during such time as the project is operated as a rental housing project and is subject to a mortgage which meets the requirements of, and is insured under, subsection (j) of this section: *Provided*, That the Secretary is authorized to continue making such interest reduction payments where the mortgage has been assigned to the Secretary: *Provided further*, That interest reduction payments may be made with respect to a mortgage or part thereof on a rental or cooperative housing project owned by a private nonprofit corporation or other private nonprofit entity, a limited dividend corporation or other limited dividend entity, public² entity, or a cooperative housing corporation, which is financed under a State or local program providing assistance through loans, loan insurance, or tax abatements, and which may involve either new or existing construction and which is approved for receiving the benefits of this section. The term “mortgage insurance premium”, when used in this section in relation to a project financed by a loan under a State or local program, means such fees and charges, approved by the Secretary, as are payable by the mortgagor to the State or local agency mortgagee to meet reserve requirements and administrative expenses of such agency.

¹ So in original. Probably should be “mortgagees”.

² So in original. Probably should be preceded by “a”.

(c) Amount of payments

The interest reduction payments to a mortgagee by the Secretary on behalf of a project owner shall be in an amount not exceeding the difference between the monthly payment for principal, interest, and mortgage insurance premium which the project owner as a mortgagor is obligated to pay under the mortgage and the monthly payment for principal and interest such project owner would be obligated to pay if the mortgage were to bear interest at the rate of 1 per centum per annum.

(d) Mortgage handling expenses

The Secretary may include in the payment to the mortgagee such amount, in addition to the amount computed under subsection (c), as he deems appropriate to reimburse the mortgagee for its expenses in handling the mortgage.

(e) Operation of project in accordance with requirements respecting tenant eligibility and rents prescribed by Secretary

(1) As a condition for receiving the benefits of interest reduction payments, the project owner shall operate the project in accordance with such requirements with respect to tenant eligibility and rents as the Secretary may prescribe. Procedures shall be adopted by the Secretary for review of tenant incomes at intervals of one year (or at shorter intervals where the Secretary deems it desirable).

(2) A project for which interest reduction payments are made under this section and for which the mortgage on the project has been refinanced shall continue to receive the interest reduction payments under this section under the terms of the contract for such payments, but only if the project owner enters into such binding commitments as the Secretary may require (which shall be applicable to any subsequent owner) to ensure that the owner will continue to operate the project in accordance with all low-income affordability restrictions for the project in connection with the Federal assistance for the project for a period having a duration that is not less than the term for which such interest reduction payments are made plus an additional 5 years.

(f) Establishment of basic and fair market rental charges; rental for dwelling units; separate utility metering; additional assistance payments for low-income tenants; limitations; amounts; approval of payments

(1)(A)(i) For each dwelling unit there shall be established, with the approval of the Secretary, a basic rental charge and fair market rental charge.

(ii) The basic rental charge shall be—

(I) the amount needed to operate the project with payments of principal and interest due under a mortgage bearing interest at the rate of 1 percent per annum; or

(II) an amount greater than that determined under clause (ii)(I), but not greater than the market rent for a comparable unassisted unit, reduced by the value of the interest reduction payments subsidy.

(iii) The fair market rental charge shall be—

(I) the amount needed to operate the project with payments of principal, interest, and

mortgage insurance premium which the mortgagor is obligated to pay under the mortgage covering the project; or

(II) an amount greater than that determined under clause (iii)(I), but not greater than the market rent for a comparable unassisted unit.

(iv) The Secretary may approve a basic rental charge and fair market rental charge for a unit that exceeds the minimum amounts permitted by this subparagraph for such charges only if—

(I) the approved basic rental charge and fair market rental charges each exceed the applicable minimum charge by the same amount; and

(II) the project owner agrees to restrictions on project use or mortgage prepayment that are acceptable to the Secretary.

(v) The Secretary may approve a basic rental charge and fair market rental charge under this paragraph for a unit with assistance under section 1437f of title 42 that differs from the basic rental charge and fair market rental charge for a unit in the same project that is similar in size and amenities but without such assistance, as needed to ensure equitable treatment of tenants in units without such assistance.

(B)(i) The rental charge for each dwelling unit shall be at the basic rental charge or such greater amount, not exceeding the fair market rental charge determined pursuant to subparagraph (A), as represents 30 percent of the tenant's adjusted income, except as otherwise provided in this subparagraph.

(ii) In the case of a project which contains more than 5000 units, is subject to an interest reduction payments contract, and is financed under a State or local project, the Secretary may reduce the rental charge ceiling, but in no case shall the rental charge be below the basic rental charge set forth in subparagraph (A)(ii)(I).

(iii) For plans of action approved for capital grants under the Low-Income Housing Preservation and Resident Homeownership Act of 1990 [12 U.S.C. 4101 et seq.] or the Emergency Low Income Housing Preservation Act of 1987, the rental charge for each dwelling unit shall be at the minimum basic rental charge set forth in subparagraph (A)(ii)(I) or such greater amount, not exceeding the lower of: (I) the fair market rental charge set forth in subparagraph (A)(iii)(I); or (II) the actual rent paid for a comparable unit in comparable unassisted housing in the market area in which the housing assisted under this section is located, as represents 30 percent of the tenant's adjusted income.

(C) With respect to those projects which the Secretary determines have separate utility metering paid by the tenants for some or all dwelling units, the Secretary may—

(i) permit the basic rental charge and the fair market rental charge to be determined on the basis of operating the project without the payment of the cost of utility services used by such dwelling units; and

(ii) permit the charging of a rental for such dwelling units at such an amount less than 30 percent of a tenant's adjusted income as the Secretary determines represents a proportionate decrease for the utility charges to be

paid by such tenant, but in no case shall rental be lower than 25 percent of a tenant's adjusted income.

(2) With respect to 20 per centum of the dwelling units in any project made subject to a contract under this section after August 22, 1974, the Secretary shall make, and contract to make, additional assistance payments to the project owner on behalf of tenants whose incomes are too low for them to afford the basic rentals (including the amount allowed for utilities in the case of a project with separate utility metering) with 30 per centum of their adjusted income. The additional assistance payments authorized by this paragraph with respect to any dwelling unit shall be the amount required to reduce the rental payment (including the amount allowed for utilities in the case of a project with separate utility metering) by the tenant to the highest of the following amounts, rounded to the nearest dollar:

(A) 30 per centum of the tenant's monthly adjusted income;

(B) 10 per centum of the tenant's monthly income; or

(C) if the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.

Notwithstanding the foregoing provisions of this paragraph, the Secretary may—

(A) reduce such 20 per centum requirement in the case of any project if he determines that such action is necessary to assure the economic viability of the project; or

(B) increase such 20 per centum requirement in the case of any project if he determines that such action is necessary and feasible in order to assure, insofar as is practicable, that there is in the project a reasonable range in the income levels of tenants, or that such action is to be taken to meet the housing needs of elderly or handicapped families.

(3) The Secretary shall utilize amounts credited to the fund described in subsection (g) for the sole purpose of carrying out the purposes of section 201 of the Housing and Community Development Amendments of 1978. No payments may be made from such fund unless approved in an appropriation Act. No amount may be so approved for any fiscal year beginning after September 30, 1994.

(4) To ensure that eligible tenants occupying that number of units with respect to which assistance was being provided under this subsection immediately prior to November 30, 1983, receive the benefit of assistance contracted for under paragraph (2), the Secretary shall offer annually to amend contracts entered into under this subsection with owners of projects assisted but not subject to mortgages insured under this section to provide sufficient payments to cover 100 percent of the necessary rent increases and changes in the incomes of eligible tenants, subject to the availability of authority for such purpose under section 1437c(c) of title 42. The Secretary shall take such actions as may be nec-

essary to ensure that payments, including payments that reflect necessary rent increases and changes in the incomes of tenants, are made on a timely basis for all units covered by contracts entered into under paragraph (2).

(5)(A) In order to induce advances by owners for capital improvements (excluding any owner contributions that may be required by the Secretary as a condition for assistance under section 201 of the Housing and Community Development Amendments of 1978) to benefit projects assisted under this section, in establishing basic rental charges and fair market rental charges under paragraph (1) the Secretary may include an amount that would permit a return of such advances with interest to the owner out of project income, on such terms and conditions as the Secretary may determine. Any resulting increase in rent contributions shall be—

(i) to a level not exceeding the lower of 30 percent of the adjusted income of the tenant or the published existing fair market rent for comparable housing established under section 1437f(c) of title 42;

(ii) phased in equally over a period of not less than 3 years, if such increase is 30 percent or more; and

(iii) limited to not more than 10 percent per year if such increase is more than 10 percent but less than 30 percent.

(B) Assistance under section 1437f of title 42 shall be provided, to the extent available under appropriations Acts, if necessary to mitigate any adverse effects on income-eligible tenants.

(6) Repealed. Pub. L. 104-99, title IV, § 405(d)(2), Jan. 26, 1996, 110 Stat. 45.

(7) The Secretary shall determine whether and under what conditions the provisions of this subsection shall apply to mortgages sold by the Secretary on a negotiated basis.

(g) Collection of excess rental charges; credit to reserve for additional assistance payments; retention by project owner

(1) The project owner shall, as required by the Secretary, accumulate, safeguard, and periodically pay the Secretary or such other entity as determined by the Secretary and upon such terms and conditions as the Secretary deems appropriate, all rental charges collected on a unit-by-unit basis in excess of the basic rental charges. Unless otherwise directed by the Secretary, such excess charges shall be credited to a reserve used by the Secretary to make additional assistance payments as provided in paragraph (3) of subsection (f).

(2) Notwithstanding any other requirements of this subsection, a project owner may retain some or all of such excess charges for project use if authorized by the Secretary. Such excess charges shall be used for the project and upon terms and conditions established by the Secretary, unless the Secretary permits the owner to retain funds for non-project use after a determination that the project is well-maintained housing in good condition and that the owner has not engaged in material adverse financial or managerial actions or omissions as described in section 516 of the Multifamily Assisted Housing Reform and Affordability Act of 1997. In connection with the retention of funds for non-project

use, the Secretary may require the project owner to enter into a binding commitment (which shall be applicable to any subsequent owner) to ensure that the owner will continue to operate the project in accordance with all low-income affordability restrictions for the project in connection with the Federal assistance for the project for a period having a duration of not less than the term of the existing affordability restrictions plus an additional 5 years.

(3) The Secretary shall not withhold approval of the retention by the owner of such excess charges because of the existence of unpaid excess charges if such unpaid amount is being remitted to the Secretary over a period of time in accordance with a workout agreement with the Secretary, unless the Secretary determines that the owner is in violation of the workout agreement.

(h) Rules and regulations

In addition to establishing the requirements specified in subsection (e), the Secretary is authorized to make such rules and regulations, to enter into such agreements, and to adopt such procedures as he may deem necessary or desirable to carry out the provisions of this section.

(i) Authorization of appropriations; aggregate amount of contracts; contracts for assistance payments; income limitations; availability of amounts for projects approved prior to rehabilitation and projects for occupancy by elderly or handicapped families; definitions

(1) There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this section, including such sums as may be necessary to make interest reduction payments under contracts entered into by the Secretary under this section. The aggregate amount of outstanding contracts to make such payments shall not exceed amounts approved in appropriation Acts, and payments pursuant to such contracts shall not exceed \$75,000,000 per annum prior to July 1, 1969, which maximum dollar amount shall be increased by \$125,000,000 on July 1, 1969, by \$150,000,000 on July 1, 1970, by \$200,000,000 on July 1, 1971 and by \$75,000,000 on July 1, 1974. The Secretary shall utilize, to the extent necessary after September 30, 1984, any authority under this section that is recaptured either as the result of the conversion of housing projects covered by assistance under subsection (f)(2) to contracts for assistance under section 1437f of title 42 or otherwise for the purpose of making assistance payments, including amendments as provided in subsection (f)(4), with respect to housing projects assisted, but not subject to mortgages insured, under this section that remain covered by assistance under subsection (f)(2).

(2) Contracts for assistance payments under this section may be entered into only with respect to tenants whose incomes do not exceed 80 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of his findings that such variations are necessary because of prevailing levels of construction costs, unusu-

ally high or low family incomes, or other factors.

(3) Not less than 10 per centum of the total amount of contracts for assistance payments authorized by appropriation Acts to be made after June 30, 1974, shall be available for use only with respect to dwellings, or dwelling units in projects, which are approved by the Secretary prior to rehabilitation.

(4) At least 20 per centum of the total amount of contracts for assistance payments authorized in appropriation Acts to be made after June 30, 1974, shall be available for use only with respect to projects which are planned in whole or in part for occupancy by elderly or handicapped families. As used in this paragraph, the term "elderly families" means families which consist of two or more persons the head of which (or his spouse) is sixty-two years of age or over or is handicapped. Such term also means a single person who is sixty-two years of age or over or is handicapped. A person shall be considered handicapped if such person is determined, pursuant to regulations issued by the Secretary, to have an impairment which (A) is expected to be of long-continued and indefinite duration, (B) substantially impedes his ability to live independently, and (C) is of such a nature that such ability could be improved by more suitable housing conditions.

(j) Insurance of mortgages; definitions; eligibility for insurance; mortgage requirements; property or project requirements; sale of individual dwelling units; release of mortgagor from liability or release of property from lien of mortgage

(1) The Secretary is authorized, upon application by the mortgagee, to insure a mortgage (including advances on such mortgage during construction) which meets the requirements of this subsection. Commitments for the insurance of such mortgages may be issued by the Secretary prior to the date of their execution or disbursement thereon, upon such terms and conditions as he may prescribe.

(2) As used in this subsection—

(A) the terms "family" and "families" shall have the same meaning as in section 1715l of this title;

(B) the term "elderly or handicapped families" shall have the same meaning as in section 1701q³ of this title; and

(C) the terms "mortgage", "mortgagee", and "mortgagor" shall have the same meaning as in section 1707 of this title.

(3) To be eligible for insurance under this subsection, a mortgage shall meet the requirements specified in subsections (d)(1) and (d)(3) of section 1715l of this title, except as such requirements are modified by this subsection. In the case of a project financed with a mortgage insured under this subsection which involves a mortgagor other than a cooperative or a private nonprofit corporation or association and which is sold to a cooperative or a nonprofit corporation or association, the Secretary is further authorized to insure under this subsection a mortgage given by such purchaser in an amount not

exceeding the appraised value of the property at the time of purchase, which value shall be based upon a mortgage amount on which the debt service can be met from the income of the property when operated on a nonprofit basis, after payment of all operating expenses, taxes, and required reserves.

(4) A mortgage to be insured under this subsection shall—

(A) be executed by a mortgagor eligible under subsection (d)(3) or (e) of section 1715l of this title;

(B) bear interest at a rate not to exceed such percent per annum on the amount of the principal obligation outstanding at any time as the Secretary determines is necessary to meet the mortgage market, taking into consideration the yields on mortgages in the primary and secondary markets; and

(C) provide for complete amortization by periodic payments within such term as the Secretary may prescribe.

(5) The property or project shall—

(A) comply with such standards and conditions as the Secretary may prescribe to establish the acceptability of the property for mortgage insurance and may include such non-dwelling facilities as the Secretary deems adequate and appropriate to serve the occupants and the surrounding neighborhood: *Provided*, That the project shall be predominantly residential and any nondwelling facility included in the mortgage shall be found by the Secretary to contribute to the economic feasibility of the project, and the Secretary shall give due consideration to the possible effect of the project on other business enterprises in the community: *Provided further*, That, in the case of a project designed primarily for occupancy by elderly or handicapped families, the project may include related facilities for use by elderly or handicapped families, including cafeterias or dining halls, community rooms, workshops, infirmaries, or other inpatient or outpatient health facilities, and other essential service facilities;

(B) include five or more dwelling units, but such units, in the case of a project designed primarily for occupancy by displaced, elderly, or handicapped families, need not, with the approval of the Secretary, contain kitchen facilities; and

(C) be designed primarily for use as a rental project to be occupied by lower income families or by elderly or handicapped families: *Provided*, That lower income persons who are less than sixty-two years of age shall be eligible for occupancy in such a project.

In any case in which it is determined in accordance with regulations of the Secretary that facilities in existence or under construction on December 31, 1970, which could appropriately be used for classroom purposes are available in any such property or project and that public schools in the community are overcrowded due in part to the attendance at such schools of residents of the property or project, such facilities may be used for such purposes to the extent permitted in such regulations (without being subject to any of the requirements of the first proviso in

³ See References in Text note below.

subparagraph (A) except the requirement that the project be predominantly residential).

(6) With the approval of the Secretary, the mortgagor may sell the individual dwelling units to lower income or elderly or handicapped purchasers. The Secretary may consent to the release of the mortgagor from his liability under the mortgage and the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage, upon such terms and conditions as he may prescribe, and the mortgage may provide for such release.

(k) Definitions

As used in this section the term "tenant" includes a member of a cooperative; the term "rental housing project" includes a cooperative housing project; and the terms "rental" and "rental charge" mean, with respect to members of a cooperative, the charges under the occupancy agreements between such members and the cooperative.

(l) Allocation and transfer of reasonable portion of total authority to contract to make payments to Secretary of Agriculture for use in rural areas and small towns

The Secretary shall from time to time allocate and transfer to the Secretary of Agriculture, for use (in accordance with the terms and conditions of this section) in rural areas and small towns, a reasonable portion of the total authority to contract to make periodic interest reduction payments as approved in appropriation Acts under subsection (i).

(m) "Income" defined

For the purpose of this section the term "income" means income from all sources of each member of the household, as determined in accordance with criteria prescribed by the Secretary, except that any amounts not actually received by the family may not be considered as income under this subsection. In determining amounts to be excluded from income, the Secretary may, in the Secretary's discretion, take into account the number of minor children in the household and such other factors as the Secretary may determine are appropriate.

(n) Termination date for insurance of mortgages; exception

No mortgage shall be insured under this section after November 30, 1983, except pursuant to a commitment to insure before that date. A mortgage may be insured under this section after the date in the preceding sentence in order to refinance a mortgage insured under this section or to finance pursuant to subsection (j)(3) the purchase, by a cooperative or nonprofit corporation or association, of a project assisted under this section.

(o) State funding of interest reduction payments

The Secretary is authorized to enter into agreements with any State or agency thereof under which such State or agency thereof contracts to make interest reduction payments, subject to all the terms and conditions specified in this section and in rules, regulations and procedures adopted by the Secretary under this section, with respect to all or a part of a project

covered by a mortgage insured under this section. Any funds provided by a State or agency thereof for the purpose of making interest reduction payments shall be administered, disbursed and accounted for by the Secretary in accordance with the agreements entered into by the Secretary with the State or agency thereof and for such fees as shall be specified therein. Before entering into any agreements pursuant to this subsection the Secretary shall require assurances satisfactory to him that the State or agency thereof is able to provide sufficient funds for the making of interest reduction payments for the full period specified in the interest reduction contract.

(p) Contracts with State or local agencies for monitoring and supervision of management by private sponsors of assisted projects

The Secretary is authorized to enter into contracts with State or local agencies approved by him to provide for the monitoring and supervision by such agencies of the management by private sponsors of projects assisted under this section. Such contracts shall require that such agencies promptly report to the Secretary any deficiencies in the management of such projects in order to enable the Secretary to take corrective action at the earliest practicable time.

(q) Assistance to residents of covered projects; contracting authority; applicability

The Secretary may provide assistance under section 1437f of title 42 with respect to residents of units in a project assisted under this section. In entering into contracts under section 1437c(c) of title 42 with respect to the additional authority provided on October 1, 1980, the Secretary shall not utilize more than \$20,000,000 of such additional authority to provide assistance for elderly or handicapped families which, at the time of applying for assistance under such section 1437f of title 42, are residents of a project assisted under this section and are expending more than 50 percent of their income on rental payments.

(r) Payments for benefit of certain projects having mortgages made by State or local housing finance or government agencies

The Secretary shall, not later than 45 days after receipt of an application by the mortgagee, provide interest reduction and rental assistance payments for the benefit of projects assisted under this section whose mortgages were made by State or local housing finance agencies or State or local government agencies for a term equal to the remaining mortgage term to maturity on projects assisted under this section to the extent of—

(1) unexpended balances of amounts of authority as set forth in certain letter agreements between the Department of Housing and Urban Development and such State or local housing finance agencies or State or local government agencies, and

(2) existing allocation under section 236 contracts on projects whose mortgages were made by State or local housing finance agencies or State or local government agencies which are not being funded, to the extent of such excess allocation, for any purposes permitted under

the provisions of this section, including without limitation rent supplement and rental assistance payment unit increases and mortgage increases for any eligible purpose under this section, including without limitation operating deficit loans.

An application shall be eligible for assistance under the previous sentence only if the mortgagee submits the application within 548 days after February 5, 1988, along with a certification of the mortgagee that amounts hereunder are to be utilized only for the purpose of either (A) reducing rents or rent increases to tenants, or (B) making repairs or otherwise increasing the economic viability of a related project. Unexpended balances referred to in the first sentence of this subsection which remain after disposition of all such applications is favorably concluded shall be rescinded. The calculation of the amount of assistance to be provided under an interest reduction contract pursuant to this subsection shall be made on the basis of an assumed mortgage term equal to the lesser of a 40-year amortization period or the term of that part of the mortgage which relates to the additional assistance provided under this subsection, even though the additional assistance may be provided for a shorter period. The authority conferred by this subsection to provide interest reduction and rental assistance payments shall be available only to the extent approved in appropriation Acts.

(D)(i) if the Secretary determines that the owner or purchaser of the project has not en-

gaged in material adverse financial or managerial actions or omissions with regard to such project; or

(ii) if the Secretary elects to make such determination, that the owner or purchaser of the project has not engaged in material adverse financial or managerial actions or omissions with regard to other projects of such owner or purchaser that are federally assisted or financed with a loan from, or mortgage insured or guaranteed by, an agency of the Federal Government;

(E) if the project owner demonstrates to the satisfaction of the Secretary—

(i) using information in a comprehensive needs assessment, that capital assistance under this subsection from a grant or loan (as appropriate) is needed for rehabilitation of the project; and

(ii) that project income is not sufficient to support such rehabilitation.

The Secretary shall include in a grant or loan agreement under this subsection a requirement for the project owners to maintain such affordability and use restrictions as the Secretary determines to be appropriate and consistent with paragraph (2)(C).

(C) Other terms

The Secretary may include in a grant or loan agreement under this subsection such other terms and conditions as the Secretary determines to be necessary.

(5) Loan terms

A loan under this subsection—

(A) shall provide amounts for the eligible uses under paragraph (3) in a single loan disbursement of loan principal;

(B) shall be repaid, as to principal and interest, on behalf of the borrower using amounts recaptured from contracts for interest reduction payments pursuant to clause (i) or (ii) of paragraph (7)(A);

(C) shall have a term to maturity of a duration not shorter than the remaining period for which the interest reduction payments for the insured mortgage or mortgages that fund repayment of the loan would have continued after extinguishment or writedown of the mortgage (in accordance with the terms of such mortgage in effect immediately before such extinguishment or writedown);

(D) shall bear interest at a rate, as determined by the Secretary of the Treasury, that is based upon the current market yields on outstanding marketable obligations of the United States having comparable maturities; and

(E) shall involve a principal obligation of an amount not exceeding the amount that can be repaid using amounts described in subparagraph (B) over the term determined in accordance with subparagraph (C), with interest at the rate determined under subparagraph (D).

(6) Delegation

(ii) that become available as a result of the outstanding principal balance of a mortgage having been written down;

(iii) that are uncommitted balances within the limitation on maximum payments that may have been, before October 27, 1997, permitted in any fiscal year; or

(iv) that become available from any other source.

(B) Liquidation authority

The Secretary may liquidate obligations entered into under this subsection under section 1305(10) of title 31.

(C) Capital grants

In making capital grants under the terms of this subsection, using the amounts that the Secretary has recaptured from contracts for interest reduction payments, the Secretary shall ensure that the rates and amounts of outlays do not at any time exceed the rates and amounts of outlays that would have been experienced if the insured mortgage had not been extinguished or the principal amount had not been written down, and the interest reduction payments that the Secretary has recaptured had continued in accordance with the terms in effect immediately prior to such extinguishment or write-down.

(D) Loans

In making loans under this subsection using the amounts that the Secretary has recaptured from contracts for interest reduction payments pursuant to clause (i) or (ii) of paragraph (7)(A)—

(i) the Secretary may use such recaptured amounts for costs (as such term is defined in section 661a of title 2) of such loans; and

§ 1715z-1a. Assistance for troubled multifamily housing projects

(a) Purpose

The purposes of this section are to provide assistance to restore or maintain the financial soundness, to assist in the improvement of the management, to permit capital improvements to be made to maintain certain projects as decent, safe, and sanitary housing, and to maintain the low- to moderate-income character of certain

projects assisted or approved for assistance under the National Housing Act [12 U.S.C. 1701 et seq.], the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.], the Housing Act of 1959, or the Housing and Urban Development Act of 1965, without regard to whether such projects are insured under the National Housing Act.

(b) Availability of financial assistance

The Secretary of Housing and Urban Development (hereinafter referred to in this section as the "Secretary") may make available, and contract to make available, to such extent and in such amounts as may be approved in appropriation Acts, financial assistance to owners of rental or cooperative housing projects meeting the requirements of this section. Such assistance shall be made on an annual basis and in accordance with the provisions of this section, without regard to whether such projects are insured under the National Housing Act [12 U.S.C. 1701 et seq.].

(c) Eligibility for financial assistance

A rental or cooperative housing project is eligible for assistance under this section only if such project—

(1)(A) is assisted under section 236 [12 U.S.C. 1715z-1] or the proviso of section 221(d)(5) of the National Housing Act [12 U.S.C. 1715(d)(5)], or under section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s], or received a loan under section 202 of the Housing Act of 1959 [12 U.S.C. 1701q] more than 15 years before the date on which assistance is made available under this section;

(B) is assisted under section 23 of the United States Housing Act of 1937 [42 U.S.C. 1421b], as in effect immediately before January 1, 1975, section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] following conversion to such assistance from assistance under section 236 of the National Housing Act [12 U.S.C. 1715z-1] or section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s]; or

(C) met the criteria specified in subparagraph (A) of this paragraph before the acquisition of such project by the Secretary and has been sold by the Secretary, subject to a mortgage insured or held by the Secretary and subject to an agreement (in effect during the period of assistance under this section) which provides that the low- and moderate-income character of the project will be maintained; except that, with respect to projects sold after October 1, 1978, assistance shall be available for a period not to exceed three years; and

(2) meets such other requirements consistent with the purposes of this section as the Secretary may prescribe.

(d) Criteria for granting financial assistance

No assistance may be made available under this section unless the Secretary has determined that—

(1) such assistance, when considered with other resources available to the project, is necessary and, in the determination of the Secretary, will restore or maintain the financial or physical soundness of the project and maintain the low- and moderate-income char-

acter of the project, and the owner has agreed to maintain the low- and moderate-income character of such project for a period at least equal to the remaining term of the project mortgage;

(2) the assistance which could reasonably be expected to be provided over the useful life of the project will be less costly to the Federal Government than other reasonable alternatives by which the Secretary could maintain the low- and moderate-income character of the project;

(3) the owner of the project, together with the mortgagee in the case of a project not insured under the National Housing Act [12 U.S.C. 1701 et seq.], has provided or has agreed to provide assistance to the project in such manner as the Secretary may determine;

(4) the project is or can reasonably be made structurally sound, as determined on the basis of information obtained as a result of an on-site inspection of the project;

(5) the management of the project is being conducted by persons who meet minimum levels of competency and experience prescribed by the Secretary;

(6) the project is being operated and managed in accordance with a management-improvement-and-operating plan which is designed to reduce the operating costs of the project, which has been approved by the Secretary, and which includes the following: (A) a detailed maintenance schedule; (B) a schedule for correcting past deficiencies in maintenance, repairs, and replacements; (C) a plan to upgrade the project to meet cost-effective energy efficiency standards prescribed by the Secretary; (D) a plan to improve financial and management control systems; (E) a detailed annual operating budget taking into account such standards for operating costs in the area as may be determined by the Secretary; and (F) such other requirements as the Secretary may determine; except that the Secretary may excuse an owner from compliance with the plan requirement set forth in this paragraph in any case in which such owner seeks only assistance for capital improvements under this section; and except that the Secretary shall review and approve or disapprove each plan not later than the expiration of the 30-day period beginning upon the date of submission of the plan to the Secretary by the owner, but if the Secretary fails to inform the owner of approval or disapproval of the plan within such period the plan shall be considered to have been approved;

(7) all reasonable attempts have been made to take all appropriate actions and provide suitable housing for project residents;

(8) the project has a feasible plan to involve the residents in project decisions;

(9) the affirmative fair housing marketing plan meets applicable requirements; and

(10) the owner certifies that it will comply with various equal opportunity statutes.

(e) Consultation with local officials

Prior to making assistance available to a project, the Secretary shall consult with the appropriate officials of the unit of local government

in which such project is located and seek assurances that—

(1) the community in which the project is located is or will provide essential services to the project in keeping with the community's general level of such services;

(2) the real estate taxes on the project are or will be no greater than would be the case if the property were assessed in a manner consistent with normal property assessment procedures for the community; and

(3) assistance to the project under this section would not be inconsistent with local plans and priorities.

(f) Amount of financial assistance

(1) The Secretary may, with respect to any year, provide assistance under this section, and make commitments to provide such assistance, with respect to any project (except a project assisted only for capital improvements) in any amount which the Secretary determines is consistent with the project's management-improvement-and-operating plan described in subsection (d)(6) and which does not exceed the sum of—

(A) an amount determined by the Secretary to be necessary to correct deficiencies in the project which exist at the beginning of the first year with respect to which assistance is made available for the project under this section, which were caused by the deferral of regularly scheduled maintenance and repairs or the failure to make necessary and timely replacements of equipment and other components of the project, and for which payment has not previously been made;

(B) an amount determined by the Secretary to be necessary to maintain the low- and moderate-income character of the project by reducing deficiencies, which exist at the beginning of the first year with respect to which assistance is made available for the project under this section and for which payment has not previously been made, in the reserve funds established by the project owner for the purpose of replacing capital items;

(C) an amount not greater than the amount by which the estimated operating expenses (as described in paragraph (2) of this subsection) for the year with respect to which such assistance is made available exceeds the estimated revenues to be received (as described in paragraph (2) of this subsection) by the project during such year; and

(D) an amount determined by the Secretary to be necessary to carry out a plan to upgrade the project to meet cost-effective energy efficiency standards prescribed by the Secretary.

(2) The estimated revenues for any project under paragraph (1)(C) of this subsection with respect to any year shall be equal to the sum of—

(A) the estimated amount of rent which is to be expended by the tenants of such project during such year, as determined by the Secretary without regard to section 236(f)(1) of the National Housing Act [12 U.S.C. 1715z-1(f)(1)];

(B) the estimated amount of rental assistance payments to be made on behalf of such tenants during such year, other than assistance made under this section;

(C) the estimated amount of assistance payments to be made on behalf of the owner of such project under section 221(d)(5) or section 236 of the National Housing Act [12 U.S.C. 1715l(d)(5) or 1715z-1] during such year; and

(D) other income attributable to the project as determined by the Secretary;

except that—

(E) in computing the estimated amount of rent to be expended by tenants, the Secretary shall provide that (i) at least 25 percent (or such lesser percentage as is provided for under any other Federal housing assistance program in which such tenant is participating) of the income of each such tenant is included, or (ii) in the case of a tenant paying his or her own utilities, a percentage of income which is less than 25 percent and which takes into account the reasonable costs of such utilities; except that no amount shall be provided for any tenant under clause (i) or (ii) which exceeds the fair market rental charge as determined pursuant to section 236(f)(1) of the National Housing Act [12 U.S.C. 1715z-1(f)(1)] for such tenant; and

(F) in computing the estimated amount of rent to be expended by tenants and the estimated amount of rental assistance payments to be made on behalf of such tenants, the Secretary may permit a delinquency-and-vacancy allowance of not more than 6 per centum of the estimated amount of such rent and payments computed without regard to such allowance; except that, with respect to the first three years in which assistance is provided to a project under this section, the Secretary may permit such allowance for such project to exceed such 6 percent by an amount which the Secretary determines is appropriate to carry out the purposes of this section.

For purposes of computing estimated operating expenses of any such project with respect to any year, the Secretary shall include all estimated operating costs which the Secretary determines to be necessary and consistent with the management-improvement-and-operating plan for the project for such year, including, but not limited to, taxes, utilities, maintenance and repairs (except for maintenance and repairs which should have been performed in previous years), management, insurance, debt service, and payments made by the owner for the purpose of establishing or maintaining a reserve fund for replacement costs. The Secretary may not include in such estimated operating expenses any return on the equity investment of the owner in such project.

(3) In order to carry out the purposes of this section, the Secretary may, notwithstanding the provisions of section 236(f)(1) of the National Housing Act [12 U.S.C. 1715z-1(f)(1)], provide that, for purposes of establishing a rental charge under such section, there may be excluded from the computation of the cost of operating a project an amount equivalent to the amount of assistance payments made for the project under this section.

(4) Any assistance payments made pursuant to this section with respect to any project shall be made on an annual basis, payable at such inter-

vals, but at least quarterly, as the Secretary may determine, and may be in any amount (which the Secretary determines to be consistent with the purpose of this section), except that the sum of such assistance payments for any year for a project (other than a project receiving assistance only for capital improvements) may not exceed the amount computed pursuant to paragraph (1) of this subsection. The Secretary shall review the operations of the project at the time of such payments to determine that such operations are consistent with the management-improvement-and-operating plan.

(g) Rules and regulations

The Secretary is authorized to issue such rules and regulations as may be necessary to carry out the provisions and purposes of this section, including regulations requiring the establishment of a project reserve or such other safeguards as the Secretary determines to be necessary for the financial soundness of any project for which assistance payments are provided, to the extent applicable.

(h) Limitation on use of financial assistance

The Secretary may not use any of the assistance available under this section during any fiscal year beginning on or after October 1, 1981, to supplement any contract to make rental assistance payments which was made pursuant to section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s].

(j) Flexible Subsidy Fund

(1) For purposes of carrying out the provisions of this section, there is hereby established in the Treasury of the United States a revolving fund, to be known as the Flexible Subsidy Fund. The Fund shall, to the extent approved in appropriation Acts, be available to the Secretary to provide assistance under this section (including assistance for capital improvements) and shall not (except as provided in Public Law 100-4-4¹ (102 Stat. 1018), as in effect on October 1, 1988) be available for any other purpose.

(2) The Fund shall consist of (A) any amount appropriated to carry out the purposes of this section; (B) any amount repaid on any assistance provided under this section; (C) any amounts credited to the reserve fund described in section 236(g) of the National Housing Act [12 U.S.C. 1715z-1(g)]; (D) any other amount received by the Secretary under this section (including any amount realized under paragraph (3)),² and (E) any amount received by the Secretary pursuant to section 537 of the National Housing Act [12 U.S.C. 1735f-15] and section 202a of the Housing Act of 1959 [12 U.S.C. 1701q-1].

(3) Any amounts in the Fund determined by the Secretary to be in excess of the amounts currently required to carry out the provisions of this section shall be invested by the Secretary in obligations of, or obligations guaranteed as to both principal and interest by, the United States or any agency of the United States.

(4) The Secretary shall, to the extent of approvable applications and subject to paragraph (1), use not less than \$30,000,000 or 40 percent (whichever is less) of the amounts available from the Fund in any fiscal year for purposes of providing assistance for capital improvements in accordance with this section. Any amount reserved under this paragraph for assistance for capital improvements that is not used before the last 60 days of a fiscal year shall become available for other assistance under this section.

(5) There is authorized to be appropriated for assistance under the flexible subsidy fund not to exceed \$52,200,000 for fiscal year 1993 and \$54,392,400 for fiscal year 1994.

(k) Assistance for capital improvements; loans as medium of assistance; owner contributions; priority of projects

(1) Assistance for capital improvements under this section shall include assistance for any major repair or replacement of a capital item in a multifamily housing project, including any such repair or replacement required as a result of deferred or inadequate maintenance. Capital improvements do not include maintenance of any such item. Assistance for capital improvements under this section shall be in the form of a loan.

(2) The owner of a project receiving assistance for capital improvements shall agree to contribute assistance to such project in such amounts, from such sources, and in such manner as the Secretary determines to be appropriate.

(3) The Secretary may provide assistance for capital improvements under this section if the Secretary finds that the reserve funds established by the owner of a project for the purpose of making capital improvements are insufficient to finance both the capital improvements for which such assistance is to be used and other capital improvements that are reasonably expected to be required in the near future, and such insufficiency is not the result of the failure of such owner to comply with any standard established by the Secretary for management of such reserve funds.

(l) Amount of assistance for capital improvements; term of loan; rate of interest; allowance for administrative costs and probable program losses; nondischargeable liability; other forms for loans

(1) The principal amount of any assistance for capital improvements under this section that is provided to the owner of a project shall not exceed the difference between the contribution made by the owner in accordance with subsection (k)(2) and the sum of—

(A) the amount determined by the Secretary to be necessary for such owner to make capital improvements with respect to capital items that have failed, or are likely to deteriorate seriously or fail in the near future, in such projects;

(B) the amount determined by the Secretary to be necessary to carry out a plan to upgrade the capital items being improved, and any other capital items determined by the Secretary to be associated with such capital items being improved and to require upgrading, to meet cost-effective energy efficiency standards prescribed by the Secretary; and

¹ See References in Text note below.

² So in original. The comma probably should be a semicolon.

(C) the amount determined by the Secretary to be necessary to comply with the requirements of section 794 of title 29.

(2)(A) The term of any assistance for capital improvements in the form of a loan under this section shall not exceed the remaining term of the mortgage of the project with respect to which such loan is provided.

(B) Each loan for capital improvements provided under this section shall bear interest at a rate determined by the Secretary to be appropriate, except that—

(i) such rate shall not be more than 3 percentage points below a rate determined by the Secretary of the Treasury taking into consideration the average interest rate on all interest bearing obligations of the United States then forming a part of the public debt, computed at the end of the fiscal year next preceding date on which the loan is made, adjusted to the nearest 1/8 of 1 percent, plus an allowance adequate in the judgment of the Secretary of Housing and Urban Development to cover administrative costs and probable losses under the program; and

(ii) such interest rate plus such allowance shall not exceed 6 percent per annum nor be less than 3 percent per annum.

(C) Each loan for capital improvements provided under this section shall be considered to be a liability of the project involved, and shall not be dischargeable in any bankruptcy proceeding under section 727, 1141, or 1328(b) of title 11.

(D) The Secretary may establish such additional conditions on loans provided under this section as the Secretary determines to be appropriate. The Secretary may require owners receiving assistance for capital improvements under this section to retain the housing as housing affordable for very low-income families or persons, low-income families or persons and moderate-income families or persons for the remaining useful life of the housing. For purposes of this section, the term “remaining useful life” means, with respect to housing assisted under this section, the period during which the physical characteristics of the housing remain in a condition suitable for occupancy, assuming normal maintenance and repairs are made and major systems and capital components are replaced as becomes necessary.

(E) The Secretary may provide more than one loan or assistance in any other form to any project under this section, if each loan or other assistance complies with the provisions of this section.

(m) Rental payment increases; minimization of increases

(1) Increases in rental payments that may occur as a result of the debt service and other expenses of a loan for capital improvements provided under this section for a project subject to a plan of action approved under subtitle B of the Emergency Low Income Housing Preservation Act of 1987 shall be governed by the rent agreements entered into under such subtitle.

(2) In order to minimize any increases in rental payments that may occur as a result of the debt service and other expenses of a loan for

capital improvements provided under this section for a project and that would be incurred by lower income residents of the project involved whose rental payments are, or would as a result of such expenses be, in excess of the amount allowable if section 3(a) of the United States Housing Act of 1937 [42 U.S.C. 1437a(a)] were applicable to such residents, or where appropriate to implement a plan of action under subtitle B of the Emergency Low Income Housing Preservation Act of 1987, the Secretary may take any or all of the following actions:

(A) Provide assistance with respect to such project under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f], to the extent amounts are available for such assistance and without regard to section 16 of such Act [42 U.S.C. 1437n].

(B) Notwithstanding subsection (l)(2)(B), reduce the rate of interest charged on such loan to a rate of not less than 1 percent.

(C) Increase the term of such loan to a term that does not exceed the remaining term of the mortgage on such project.

(D) Increase the amount of assistance to be provided by the owner of such project under subsection (k)(2), if applicable, to an amount not to exceed 30 percent of the total estimated cost of the capital improvements involved.

(E) Permit repayment of the debt service to be deferred as long as the low and moderate income character of the project is maintained in accordance with subsection (d).

(n) Allocation of assistance

(1) Set-aside

In providing, and contracting to provide, assistance for capital improvements under this section, in each fiscal year the Secretary shall set aside an amount, as determined by the Secretary, for projects that are eligible for incentives under section 224(b) of the Emergency Low Income Housing Preservation Act of 1987, as such section existed before November 28, 1990. The Secretary may make such assistance available on a noncompetitive basis.

(2) General rules for allocation

Except as provided in paragraph (3), with respect to assistance under this section not set aside for projects under paragraph (1), the Secretary—

(A) may award assistance on a noncompetitive basis; and

(B) shall award assistance to eligible projects on the basis of—

(i) the extent to which the project is physically or financially troubled, as evidenced by the comprehensive needs assessment submitted in accordance with title IV of the Housing and Community Development Act of 1992; and

(ii) the extent to which such assistance is necessary and reasonable to prevent the default of federally insured mortgages.

(3) Exceptions

The Secretary may make exceptions to selection criteria set forth in paragraph (2)(B) to permit the provision of assistance to eligible projects based upon—

(A) the extent to which such assistance is necessary to prevent the imminent fore-

closure or default of a project whose owner has not submitted a comprehensive needs assessment pursuant to title IV of the Housing and Community Development Act of 1992;

(B) the extent to which the project presents an imminent threat to the life, health, and safety of project residents; or

(C) such other criteria as the Secretary may specify by regulation or by notice printed in the Federal Register.

(4) Considerations

In providing assistance under this section, the Secretary shall take into consideration—

(A) the extent to which there is evidence that there will be significant opportunities for residents (including a resident council or resident management corporation, as appropriate) to be involved in the management of the project (except that this paragraph shall have no application to projects that are owned as cooperatives); and

(B) the extent to which there is evidence that the project owner has provided competent management and complied with all regulatory and administrative requirements.

(o) Coordination of assistance

The Secretary shall coordinate the allocation of assistance under this section with assistance made available under section 8(v) of the United States Housing Act of 1937 [42 U.S.C. 1437f(v)] and section 1701z-11 of this title to enhance the cost effectiveness of the Federal response to troubled multifamily housing.

(p) Enhanced voucher eligibility

Notwithstanding any other provision of law, any project that receives or has received assistance under this section and which is the subject of a transaction under which the project is preserved as affordable housing, as determined by the Secretary, shall be considered eligible low-income housing under section 229 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (12 U.S.C. 4119) for purposes of eligibility of residents of such project for enhanced voucher assistance provided under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)) (pursuant to section 223(f) of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (12 U.S.C. 4113(f))).

The insurance of a mortgage pursuant to this subsection shall be the obligation of the Special Risk Insurance Fund.

(3) The Secretary shall undertake an annual assessment of the risks associated with each of the insurance programs comprising the Special Risk Insurance Fund, and shall present findings from such review to the Congress in the FHA Annual Management Report.

(a) Action to recover assets or income

(1) The Secretary of Housing and Urban Development (referred to in this section as the “Secretary”) may request the Attorney General to bring an action in a United States district court to recover any assets or income used by any person in violation of (A) a regulatory agreement that applies to a multifamily project, nursing home, intermediate care facility, board and care home, assisted living facility, or hospital whose mortgage is or, at the time of the violations, was insured or held by the Secretary under title II of the National Housing Act [12 U.S.C. 1707 et seq.]; (B) a regulatory agreement that applies to a multifamily project whose mortgage is or, at the time of the violations, was insured or held by the Secretary under section 1701q of this title (including property subject to section 1701q of this title as it existed before November 28, 1990); (C) a regulatory agreement or such other form of regulatory control as may be imposed by the Secretary that applies to mortgages insured or held or, at the time of the violations, was¹ insured or held by the Secretary under section 1715z-22 of this title, but not reinsured under section 1715z-22 of this title; or (D) any applicable regulation. For purposes of this section, a

use of assets or income in violation of the regulatory agreement, or such other form of regulatory control as may be imposed by the Secretary, or any applicable regulation shall include any use for which the documentation in the books and accounts does not establish that the use was made for a reasonable operating expense or necessary repair of the property and has not been maintained in accordance with the requirements of the Secretary and in reasonable condition for proper audit.

(2) For purposes of a mortgage insured or held by the Secretary under title II of the National Housing Act [12 U.S.C. 1707 et seq.], under section 1701q of this title (including section 1701q of this title as it existed before November 28, 1990) and under section 1715z-22 of this title, the term “any person” shall mean any person or entity that owns or operates a property, as identified in the regulatory agreement, including but not limited to—

(G) any heir, assignee, successor in interest, or agent of any person or entity described in the preceding subparagraphs.

(b) Initiation of proceedings and temporary relief

The Attorney General, upon request of the Secretary, shall have the exclusive authority to authorize the initiation of proceedings under this section. Pending final resolution of any action under this section, the court may grant appropriate temporary or preliminary relief, including restraining orders, injunctions, and acceptance of satisfactory performance bonds, to protect the interests of the Secretary and to prevent use of assets or income in violation of the regulatory agreement, or such other form of regulatory control as may be imposed by the Secretary, and any applicable regulation and to prevent loss of value of the realty and personally involved.

In any judgment favorable to the United States entered under this section, the Attorney General may recover double the value of the assets and income of the property that the court determines to have been used in violation of the regulatory agreement, or such other form of regulatory control as may be imposed by the Secretary, or any applicable regulation, plus all costs relating to the action, including but not limited to reasonable attorney and auditing fees. Notwithstanding any other provision of law, the Secretary may apply the recovery, or any portion of the recovery, to the property or to the applicable insurance fund under the National Housing Act [12 U.S.C. 1701 et seq.] or, in the case of any project for which the mortgage

(d) Time limitation

Notwithstanding any other statute of limitations, the Secretary may request the Attorney General to bring an action under this section at any time up to and including 6 years after the latest date that the Secretary discovers any use of a property's assets and income in violation of the regulatory agreement, or such other form of regulatory control as may be imposed by the Secretary, or any applicable regulation.

§ 1715z-6. Supplemental loans for multifamily projects

(a) Authorization to insure; “supplemental loan” defined

With respect to a multifamily project, hospital, or group practice facility covered by a mortgage insured under any section or subchapter of this chapter or covered by a mortgage held by the Secretary, the Secretary is authorized, upon such terms and conditions as he may prescribe, to make commitments to insure, and to insure, supplemental loans (including advances during construction or improvement) made by financial institutions approved by the Secretary. As used in this section, “supplemental loan” means a loan, advance of credit, or purchase of an obligation representing a loan or advance of credit made for the purpose of financing improvements or additions to such project, hospital, or facility: *Provided*, That a loan in-

volving a nursing home, hospital, or a group practice facility may also be made for the purpose of financing equipment to be used in the operation of such nursing home, hospital, or facility.

(b) Eligibility for insurance

To be eligible for insurance under this section, a supplemental loan shall—

(1) be limited to 90 per centum of the amount which the Secretary estimates will be the value of such improvements, additions, and equipment, except that such amount when added to the outstanding balance of the mortgage covering the project or facility, shall not exceed the maximum mortgage amount insurable under the section or subchapter pursuant to which the mortgage covering such project or facility is insured or an amount acceptable to the Secretary;

(3) bear interest at such rate as may be agreed upon by the borrower and the financial institution;

(d) Authorization to insure loans for improvements or additions; terms and conditions; limitation on amount

Notwithstanding the foregoing, the Secretary may insure a loan for improvements or additions to a multifamily housing project, or a group practice or medical practice facility or hospital or other health facility approved by the Secretary, which is not covered by a mortgage insured under this chapter, if he finds that such a loan would assist in preserving, expanding, or improving housing opportunities, or in providing protection against fire or other hazards. Such loans shall have a maturity satisfactory to the Secretary and shall meet such other conditions as the Secretary may prescribe. In no event shall such a loan be insured if it is for an amount in excess of the maximum amount

which could be approved if the outstanding indebtedness, if any, covering the property were a mortgage insured under this chapter. At any sale under foreclosure of a mortgage on a project or facility which is not insured under this chapter but which is senior to a loan assigned to the Secretary pursuant to subsection (c), the Secretary is authorized to bid, in addition to amounts authorized under section 1713(k) of this title, any sum up to but not in excess of the total unpaid indebtedness secured by such senior mortgage, plus taxes, insurance, foreclosure costs, fees, and other expenses. In the event that, pursuant to subsection (c), the Secretary acquires title to, or is assigned, a loan covering a project or facility which is subject to a mortgage which is not insured under this chapter, the Secretary is authorized to make payments from the General Insurance Fund on the debt secured by such mortgage, and to take such other steps as the Secretary may deem appropriate to preserve or protect the Secretary's interest in the project or facility.

(e) Loan insurance for energy conserving improvements and solar energy systems

(1) Notwithstanding any other provision of this section, the Secretary may insure a loan for purchasing and installing energy conserving improvements (as defined in subparagraph (2) of the last paragraph of section 1703(a) of this title), for purchasing and installing a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title), and for purchasing or installing (or both) individual utility meters in a multifamily housing project if such meters are purchased or installed in connection with other energy conserving improvements or with a solar energy system or the project meets minimum standards of energy conservation established by the Secretary, without regard to whether the project is covered by a mortgage under this chapter.

(2) Notwithstanding the provisions of subsection (b), a loan insured under this subsection shall—

(A) not exceed an amount which the Secretary determines is necessary for the purchase and installation of individual utility meters plus an amount which the Secretary deems appropriate taking into account amounts which will be saved in operation costs over the period of repayment of the loan by reducing the energy requirements of the project as a result of the installation of energy conserving improvements or a solar energy system therein;

(B) be insured for 90 percent of any loss incurred by the person holding the note for the loan; except that, for cooperative multifamily projects receiving assistance under section 1715z-1 of this title or financed with a below market interest rate mortgage insured under section 1715(d)(3) of this title, 100 percent of any such loss may be insured;

(C) bear an interest rate not to exceed an amount which the Secretary determines, after consulting with the Secretary of Energy, to be necessary to meet market demands;

(D) have a maturity satisfactory to the Secretary;

(E) be insured pursuant to a premium rate established on a sound actuarial basis to the extent practicable;

(F) be secured in such manner as the Secretary may require;

(G) be an acceptable risk in that energy conservation or solar energy benefits to be derived outweigh the risks of possible loss to the Federal Government; and

(H) contain such other terms, conditions, and restrictions as the Secretary may prescribe.

(3) The provisions of subsection (c) shall apply to loans insured under this subsection.

(4) The Secretary shall provide that any person obligated on the note for any loan insured under this section be regulated or restricted, until the termination of all obligations of the Secretary under the insurance, by the Secretary as to rents or sales, charges, capital structure, rate of return, and methods of operations of the multifamily project to such an extent and in such manner as to provide reasonable rentals to tenants and a reasonable return on the investment.

(f) Repealed. Pub. L. 104-204, title II, Sept. 26, 1996, 110 Stat. 2885

(g) Extension of rental assistance for term of loan

(1) When underwriting a rehabilitation loan under this section in connection with eligible multifamily housing, the Secretary may assume that any rental assistance provided for purposes of servicing the additional debt will be extended for the term of the rehabilitation loan. The Secretary shall exercise prudent underwriting practices in insuring rehabilitation loans under this section. For purposes of this subsection, the term "eligible multifamily housing" means any housing financed by a loan or mortgage that is—

(A) insured or held by the Secretary under section 1715(d)(3) of this title and assisted under section 1701s of this title or section 1437f of title 42;

(B) insured or held by the Secretary and bears interest at a rate determined under the proviso of section 1715(d)(5) of this title; or

(a) Purpose

The purpose of this section is to assist the provision of urgently needed hospitals for the care and treatment of persons who are acutely ill or who otherwise require medical care and related services of the kind customarily furnished only (or most effectively) by hospitals. Such assistance shall be provided regardless of the amount of public financial or other support a hospital may receive, and the Secretary shall neither require additional security or collateral to guarantee such support, nor impose more stringent eligibility or other requirements on publicly owned or supported hospitals.

(C) which is a public facility, proprietary facility, or facility of a private nonprofit corporation or association, licensed or regulated by the State (or, if there is no State law providing for such licensing or regulation by the State, by the municipality or other political subdivision in which the facility is located); and

The Secretary may in his discretion require any such mortgagor to be regulated or restricted as to charges and methods of financing, and, in addition thereto, if the mortgagor is a corporate entity, as to capital structure and rate of return. As an aid to the regulation or restriction of any mortgagor with respect to any of the foregoing matters, the Secretary may make such contracts with and acquire for not to exceed \$100 such stock or interest in such mortgagor as he may deem necessary. Any stock or interest so purchased shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance.

(2) The mortgage shall involve a principal obligation in the amount requested by the mortgagor if such amount does not exceed 90 percent of the estimated replacement cost of the property or project including—

(A) equipment to be used in the operation of the hospital, when the proposed improvements are completed and the equipment is installed; and

(B) a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)¹ in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure.

(B) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee.

hospital, if the State does not have an official procedure for determining need for hospitals. If the State has an official procedure for determining need for hospitals, the Secretary shall require that such procedure be followed before the application for insurance is submitted, and the application shall document that need has also been established under that procedure.

(5) The Secretary shall not insure any mortgage or approve any modification of an existing mortgage insured pursuant to this section or section 1715n(f) of this title if such insurance or modification is to be made in connection with a guarantee, as authorized pursuant to section 1721 of this title, of a trust certificate or other security which is exempt from Federal taxation or which is to be used to collateralize obligations which are so exempt, except that the Secretary shall not refuse to insure such a mortgage or approve such a modification solely on the basis that such insurance or modification is to be made in connection with a guarantee, as authorized pursuant to section 1721 of this title, of a trust certificate or other security which is exempt from Federal taxation or which is to be used to collateralize obligations which are so exempt if—

(A) a written application for such insurance or modification submitted at the express direction of the hospital has been submitted to the appropriate office of the Department of Health and Human Services prior to March 29, 1979; or

(B) in the case of a nonprofit mortgagor which is seeking refinancing or modification of an existing mortgage insured pursuant to this section or section 1715n(f) of this title, the mortgagor (i) had engaged an investment banker for the purpose of obtaining such refinancing or modification, or had undertaken or arranged for the undertaking of a market or feasibility study with respect to the advisability of obtaining such refinancing or modification, and had made written notification of its interest in such refinancing or modification to the Department of Health and Human Services or the Department of Housing and Urban Development prior to June 7, 1979; and (ii) receives from the programs established under titles XVIII [42 U.S.C. 1395 et seq.] and XIX [42 U.S.C. 1396 et seq.] of the Social Security Act a percentage of its total revenue which is greater than 125 per centum of the national average for hospitals which derive revenue from such titles.

This paragraph shall not limit the authority of the Secretary to approve a mortgage increase on any mortgage eligible for insurance under this paragraph at any time prior to final endorsement of the loan for insurance; except that such mortgage increase may not be approved for the cost of constructing any improvements not included in the original plans and specifications approved by the Department of Health and Human Services unless approved by the Secretary of Housing and Urban Development and by the Secretary of Health and Human Services.

(6) To the extent that a private nonprofit or public facility mortgagor is required by the

Secretary to provide cash equity in excess of the amount of the mortgage to complete the project, the mortgagor shall be entitled, at the option of the mortgagee, to fund the excess with a letter of credit. In such event, mortgage proceeds may be advanced to the mortgagor prior to any demand being made on the letter of credit.

(e) Release of part of property or project from lien

The Secretary may consent to the release of a part or parts of the mortgaged property or project from the lien of any mortgage insured under this section upon such terms and conditions as he may prescribe.

(f) Encouragement of programs undertaking responsibility to provide comprehensive health care; immediate processing of applications for public hospitals

The activities and functions provided for in this section shall be carried out by the agencies involved so as to encourage programs that undertake responsibility to provide comprehensive health care, including outpatient and preventive care, as well as hospitalization, to a defined population, and, in the case of public hospitals, to encourage programs that are undertaken to provide essential health care services to all residents of a community regardless of ability to pay. The Secretary shall begin immediately to process applications of public facilities for mortgage insurance under this section in accordance with regulations, guidelines, and procedures applicable to facilities of private nonprofit corporations and associations.

(g) Insurance of mortgages providing permanent financing or refinancing of existing mortgage indebtedness; aggregate principal balance of mortgages

(1) Notwithstanding any of the other provisions of this subchapter, the Secretary may insure under this section a mortgage which provides permanent financing or refinancing of existing mortgage indebtedness in the case of a hospital whose permanent financing is presently lacking, if the construction of such hospital was completed between January 1, 1966, and August 1, 1968.

(2) The aggregate principal balance of all mortgages insured under paragraph (1) and outstanding at any one time shall not exceed \$20,000,000.

(h) Applicability of other laws

The provisions of subsections (d), (e), (g), (h), (i), (j), (k), (l), and (n) of section 1713 of this title shall apply to mortgages insured under this section and all references therein to section 1713 of this title shall be deemed to refer to this section.

(i) Termination of exemption for critical access hospitals

(1) In general

(2) Report to Congress

Not later than 3 years after July 31, 2003, the Secretary shall submit a report to Congress

detailing the effects of the exemption of critical access hospitals from the provisions of subsection (b)(1)(B) on—

- (A) the provision of mortgage insurance to hospitals under this section; and

§ 1715z-8. Mortgage assistance payments for middle-income families

(a) Determination by Secretary of necessity; interest subsidy payments; effective date

Whenever he determines such action to be necessary in furtherance of the purposes set forth in

section 501 of the Emergency Home Finance Act of 1970, the Secretary is authorized to make, and to contract to make, periodic assistance payments on behalf of families of middle income. The assistance shall be accomplished through interest subsidy payments to the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation (hereinafter referred to as "the investor") with respect to mortgages meeting the special requirements specified in this section and made after July 24, 1970.

(b) Qualifications of mortgagor for assistance payments

To qualify for assistance payments a middle-income family shall be a mortgagor under a mortgage which is (1) insured under subsection (j) of this section, (2) guaranteed under chapter 37 of title 38, or (3) a conventional mortgage meeting the requirements of subsection (j)(3) of this section. In addition to the foregoing requirement, the Secretary may require that the mortgagor have an income, at the time of acquisition of the property, of not more than the median income for the area in which the property is located, as determined by the Secretary, with appropriate adjustments for smaller and larger families.

(c) Termination of interest subsidy payments

The interest subsidy payments authorized by this section shall cease when (1) the mortgagor no longer occupies the property which secures the mortgage, (2) the mortgages are no longer held by the investor, or (3) the rate of interest paid by the mortgagor reaches the rate of interest specified on the mortgage.

(d) Monthly mortgage payments as determining eligibility for interest subsidy payments; mortgage assistance payments for middle-income cooperative members; interest subsidy payments; applicability of provisions to cooperative mortgagors

(1) Interest subsidy payments shall be on mortgages on which the mortgagor makes monthly payments towards principal and interest equal to an amount which would be required if the mortgage bore an effective interest rate of 7 per centum per annum including any discounts or charges in the nature of points or otherwise (but not including premiums, if any, for mortgage insurance) or such higher rate (not to exceed the rate specified in the mortgage), which the mortgagor could pay by applying at least 20 per centum of his income towards homeownership expenses. As used in this subsection, the term "monthly homeownership expense" includes the monthly payment for principal, interest, mortgage insurance premium, insurance, and taxes due under the mortgage.

(2) In addition to the mortgages eligible for assistance under paragraph (1) of this subsection, the Secretary is authorized to make periodic assistance payments on behalf of cooperative members of middle income. Such assistance payments shall be accomplished through interest subsidy payments to the investor with respect to mortgages insured (subsequent to July 24, 1970) under section 1715e of this title which are executed by cooperatives, the membership in

which is limited to middle-income families. For purposes of this paragraph—

(A) the term “mortgagor”, when used in subsection (b) in the case of a mortgage covering a cooperative housing project, means a member of the cooperative;

(B) the term “acquisition of the property”, when used in subsection (b), means the family’s application for a dwelling unit; and

(C) in the case of a cooperative mortgagor, subsection (c) shall not apply and the interest subsidy payments shall cease when the mortgage is no longer held by the investor or the cooperative fails to limit membership to families whose incomes at the time of their application for a dwelling unit meets such requirements as are laid down by the Secretary pursuant to subsection (b).

(e) Amount of interest subsidy payments

The interest subsidy payments shall be in an amount equal to the difference, as determined by the Secretary, between the total amount of interest per calendar quarter received by the investor on mortgages assisted under this section and purchased by it and the total amount of interest which the investor would have received if the yield on such mortgages was equal to the sum of (1) the average costs (expressed as an annual percentage rate) to it of all borrowed funds outstanding in the immediately preceding calendar quarter, and (2) such per centum per annum as will provide for administrative and other expenses of the investor and a reasonable economic return, as determined by the Secretary to be necessary and appropriate taking into account the purpose of this section to provide additional mortgage credit at reasonable rates of interest to middle-income families.

(f) Adoption of procedures for recertifications of mortgagor’s income

Procedures shall be adopted by the Secretary for recertifications of the mortgagor’s income at intervals of two years (or at shorter intervals where the Secretary deems it desirable) for the purpose of adjusting the amount of the mortgagor’s payments pursuant to subsection (d).

(g) Regulations to assure that sales price or other consideration paid is not increased above appraised value

The Secretary shall prescribe such regulations as he deems necessary to assure that the sales price of, or other consideration paid in connection with, the purchase by a homeowner of the property with respect to which assistance payments are to be made is not increased above the appraised value on which the maximum mortgage which the Secretary will insure is computed.

(h) Authorization of appropriations; aggregate amount of assistance payment contracts; termination date

(1) There are authorized to be appropriated such sums as may be necessary to enable the Secretary to make interest subsidy payments under contracts entered into under this section. The aggregate amount of contracts to make such payments shall not exceed amounts approved in appropriation Acts, and payments pur-

suant to such contracts shall not exceed \$105,000,000 during the first year of such contracts prior to July 1, 1971, which amount shall be increased by an additional \$105,000,000 during the first year of an additional number of such contracts on July 1 of each of the years 1971 and 1972.

(2) No interest subsidy payments under this section shall be made after June 30, 1973, except pursuant to contracts entered into on or before such date.

(i) Determination of family income; exclusion of income of minors

In determining the income of any family for the purposes of this section, income from all sources of each member of the family in the household shall be included, except that the Secretary shall exclude income earned by any minor person.

(j) Insurance of mortgages executed by mortgagors meeting eligibility requirements for assistance payments; issuance of commitment; eligibility requirements for insurance

(1) The Secretary is authorized, upon application by the mortgagee, to insure a mortgage executed by a mortgagor who meets the eligibility requirements for assistance payments prescribed by the Secretary under subsection (b). Commitments for the insurance of such mortgages may be issued by the Secretary prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe.

(2) To be eligible for insurance under this subsection, a mortgage shall meet the requirements of section 1715l(d)(2) or 1715y(c) of this title, except as such requirements are modified by this subsection: *Provided, however,* That in the discretion of the Secretary 25 per centum of the authority conferred by this section and subject to all the terms thereof may be used for mortgages on existing housing.

(3) A mortgage to be insured under this section shall—

(i) involve a single-family dwelling which has been approved by the Secretary prior to the beginning of construction, or a one-family unit in a condominium project (together with an undivided interest in the common areas and facilities serving the project) which is released from a multifamily project, the construction of which has been completed within two years prior to the filing of the application for assistance payments with respect to such family unit and the unit shall have had no previous occupant other than the mortgagor;

(ii) involve a single-family dwelling whose appraised value, as determined by the Secretary, is not in excess of \$20,000 (which amount may be increased by not more than 50 per centum in any geographical area where the Secretary authorizes an increase on the basis of a finding that the cost level so requires); and

(iii) be executed by a mortgagor who shall have paid in cash or its equivalent on account of the property (A) 3 per centum of the first \$15,000 of the appraised value of the property, (B) 10 per centum of such value in excess of \$15,000 but not in excess of \$25,000, and (C) 20 per centum of such value in excess of \$25,000.

(June 27, 1934, ch. 847, title II, §243, as added Pub. L. 91-351, title V, §502, July 24, 1970, 84 Stat. 458; amended Pub. L. 98-479, title II, §204(a)(14), (15), Oct. 17, 1984, 98 Stat. 2232.)

CONGRESSIONAL FINDINGS AND DECLARATION OF PURPOSE

Pub. L. 91-351, title V, §501, July 24, 1970, 84 Stat. 458, provided that: “The Congress finds that—

“(1) periodic episodes of monetary stringency and high interest rates make it extremely difficult for families of middle income to obtain mortgage credit at rates which they can afford to pay;

“(2) periods of monetary stringency and high interest rates are directly related to the Government’s monetary and fiscal policies;

“(3) a disproportionate share of the burden of sustaining these anti-inflationary policies of the Government falls on families of middle income who are buyers or prospective buyers of homes; and

“(4) the Government has a responsibility to lessen the disproportionate burden which such families bear as a result of such policies.

It is the purpose of this title [enacting this section, and amending sections 1715z-3 and 1719 of this title] to provide, during periods of high mortgage interest rates, a source of mortgage credit for such families which is within their financial means.”

§ 1715z-9. Co-insurance of eligible mortgage, advance, or loan**(a) Authority of Secretary; request of mortgagee; premium charges; provisions of contract of co-insurance; non-applicability of state insurance laws**

In addition to providing insurance as otherwise authorized under this chapter, and notwithstanding any other provision of this chapter inconsistent with this section, the Secretary, upon request of any mortgagee and for such mortgage insurance premium as he may prescribe (which premium, or other charges to be paid by the mortgagor, shall not exceed the premium, or other charges, that would otherwise be applicable), may insure and make a commitment to insure under any provision of this subchapter any mortgage, advance, or loan otherwise eligible under such provision, pursuant to a co-insurance contract providing that the mortgagee will—

(1) assume a percentage of any loss on the insured mortgage, advance, or loan in direct proportion to the amount of the co-insurance, which co-insurance shall not be less than 10 per centum, subject to any reasonable limit or limits on the liability of the mortgagee that may be specified in the event of unusual or catastrophic losses that may be incurred by any one mortgagee; and

(2) carry out (under a delegation or otherwise and with or without compensation but subject to audit, exception, or review requirements) such credit approval, appraisal, inspec-

tion, commitment, property disposition, or other functions as the Secretary, pursuant to regulations, shall approve as consistent with the purposes of this chapter.

Any contract of co-insurance under this section shall contain such provisions relating to the sharing of premiums on a sound actuarial basis, establishment of mortgage reserves, manner of calculating insurance benefits, conditions with respect to foreclosure, handling and disposition of property prior to claim or settlement, rights of assignees (which may elect not to be subject to the loss sharing provisions), and other similar matters as the Secretary may prescribe pursuant to regulations. A mortgagee which enters into a contract of co-insurance under this section shall not by reason of such contract, or its adherence to such contract or applicable regulations of the Secretary, including provisions relating to the retention of risks in the event of sale or assignment of a mortgage, be made subject to any State law regulating the business of insurance.

(b) Inspection of construction of dwellings or projects as prerequisite; minimum standards or criteria applicable

No insurance shall be granted pursuant to this section with respect to dwellings or projects approved for insurance prior to the beginning of construction unless the inspection of such construction is conducted in accordance with at least the minimum standards and criteria used with respect to dwellings or projects approved for mortgage insurance pursuant to other provisions of this subchapter.

The Secretary shall not withdraw, deny, or delay insurance otherwise authorized under any other provision of this chapter by reason of the availability of insurance pursuant to this section. (1) Where the mortgage covers a multifamily housing project, the co-insurance contract may provide that the mortgagee assume (i) the full amount of any loss on the insured mortgage up to an amount equal to a fixed percentage of the outstanding principal balance of the mortgage at the time of claim for insurance benefits, or (ii) the full amount of any losses on insured

mortgages in a portfolio of mortgages approved by the Secretary up to an amount equal to a fixed percentage of the outstanding principal balance of all mortgages in such portfolio at the time of claim for insurance benefits on a mortgage in the portfolio, plus a share of any loss in excess of the amount under clause (i) or (ii), whichever is applicable.

(4) As used in this subsection, the term “public housing agency” has the meaning given such term in section 1437a(b)(6) of title 42.

(5) Notwithstanding any other provision of this chapter, the Secretary may include in the determination of replacement cost of a project to be covered by a mortgage made to a public housing agency and insured pursuant to this subsection, such reserves and development costs, not to exceed 5 per centum of the amount otherwise allowable, as may be established or authorized by the public housing agency consistent with such agency’s procedures and underwriting standards.

(1) insurance benefits shall equal the sum of (A) 90 per centum of the mortgage on the date of institution of foreclosure proceedings (or on the date of acquisition of the property otherwise after default), and (B) 90 per centum of interest arrearages on the date benefits are paid;

(2) the mortgagee shall remit to the Secretary, for credit to the General Insurance Fund, 90 per centum of any proceeds of the property, including sale proceeds, net of the mortgagee’s actual and reasonable costs related to the property and the enforcement of security;

(3) payment of such benefits shall be made in cash unless the mortgagee submits a written request for debenture payment; and

(4) the underwriter of co-insurance may reinsure 10 per centum of the mortgage amount with a private mortgage insurance company or with a State mortgage insurance agency.

(i)² Annual review of, and assessment of compliance with, requirements; report; adjustment of requirements

The Secretary shall, by January 15 and July 15 of each year (1) review the adequacy of capital and other requirements for mortgagees under this section, (2) assess the compliance by mortgagees with such requirements, and (3) make such adjustment to such requirements as the Secretary, after providing opportunity for hearing, determines to be appropriate to improve the long-term financial soundness of the Federal Housing Administration funds. Such requirements shall include the minimum capital or net worth of mortgagees; the ratio that mortgagees shall maintain between the mortgagee’s capital and the volume of mortgages co-insured by such mortgagee; and such other requirements as the Secretary determines to be appropriate to ensure the long-term financial soundness of the Federal Housing Administration funds. The Secretary shall submit to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Banking, Finance and Urban Affairs of the House of Representatives a report on the review and assessment under the previous sentence, and an explanation of the Secretary’s reasons for making any adjustment in requirements authorized under this section.

A grant provided under this subsection during fiscal years 2006 through 2010 shall be available only to the extent that appropriations are made in advance for such purposes and shall not be derived from the General Insurance Fund.

(iii) the Secretary may accept an offer to purchase a property made by a community development corporation only if the offer provides for purchase on a cost recovery basis; and

(iv) the Secretary shall accept an offer to purchase such a property that is made during such period by such a unit or corporation and that complies with the requirements of this paragraph; and

(E) a written explanation, to any unit of general local government or community development corporation making an offer to purchase a qualified HUD property under this subsection that is not accepted, of the reason that such offer was not acceptable.

(8) Use of property

Property transferred under this subsection shall be used only for appropriate neighborhood revitalization efforts, including homeownership, rental units, commercial space, and parks, consistent with local zoning regulations, local building codes, and subdivision regulations and restrictions of record.

§ 1715z-13. Single family mortgage insurance on Indian reservations**(a) One- to four-family residence; eligibility**

The Secretary, subject to such special conditions as the Secretary may prescribe, may insure under any provision of this subchapter that authorizes such insurance, a mortgage covering a property upon which there is located a one- to four-family residence, without regard to any limitation in this chapter relating to marketability of title or any other limitation in this chapter that the Secretary determines is contrary to promoting the availability of such insurance on Indian reservations if the mortgage (1) is executed by an Indian tribe and the property is located on trust or otherwise restricted land; or (2) is executed by a member of an Indian tribe who will use the property as a principal residence and the property is on trust or otherwise restricted land.

(b) Construction advances; percentage limitation on amount of principal obligation; pledge of income from tribal resources or assets

Notwithstanding any other provision of this chapter, with respect to mortgages covering a property upon which there is located a one- to four-family residence—

(1) the Secretary may insure and make commitments to insure under this subchapter pursuant to this section advances made during construction where the Secretary determines that the proposed construction is otherwise acceptable and meets an applicable tribal or national model building code, and that no feasible financing alternative is available;

(2) the applicable percentage limitation on the amount of the principal obligation of a mortgage based on the appraised value or replacement cost, as appropriate, of a one- to four-family owner-occupied residence contained in this subchapter shall apply in the case of all mortgages insured pursuant to this section without regard to whether the residences are owner-occupied where the residences are owned by the tribe; and

(3)(A) the Secretary may require an Indian tribe, only as a condition of insurance made under this subchapter pursuant to this section, to pledge income from tribal resources or income from tribal assets not subject to a restriction by the Secretary of the Interior or pledge grants under title I of the Housing and Community Development Act of 1974 [42 U.S.C.

5301 et seq.] or any other Federal grant program administered by the Secretary of Housing and Urban Development to be used to reimburse the Secretary for any mortgage insurance claims paid in connection with residences insured pursuant to this section; or

(B) in the case of an individual Indian mortgagor, the Secretary may require a pledge of his or her share of distributed income from tribal resources or income from tribal assets, excluding any Federal grants received by the tribe.

(c) Lack of tribal or trust fund income

The Secretary may not refuse to insure a mortgage under this section to an individual home purchaser because there is no distributed tribal or trust fund income attributable to that purchaser.

(d) Availability of tribal eviction procedures

Before making any commitment to insure a mortgage under this section with respect to property located on trust or otherwise restricted land, the Secretary shall require a showing by the tribe that it has adopted eviction procedures to be used in the event of a default.

(e) Assumption of mortgage

A mortgage insured under this section may be assumed, subject to credit approval by the lender and the consent of the tribe to an assumption of the existing lease or the grant of a new lease, without an adjustment of the interest rate. Any other sale of a property subject to a mortgage insured under this section may be made only if a new lease is granted, except that a sale following a foreclosure may be accompanied by an assumption of the lease with the consent of the tribe.

(f) Insurance of mortgage as obligation of General Insurance Fund

Notwithstanding any other provision of this chapter, the insurance of a mortgage using the authority contained in this section shall be the obligation of the Mutual Mortgage Insurance Fund. The mortgagee shall be eligible to receive the benefits of insurance as provided in section 1710 of this title with respect to mortgages insured pursuant to this section, except that all references in section 1710 of this title to section 1709 of this title shall be construed to refer to the section under which the mortgage is insured.

(g) Availability of status and payment history of loans; entitlement to benefit of insurance; reinstatement of loan upon cure of default; garnishment proceedings; foreclosure proceedings

(1) The Secretary shall make information regarding the status and payment history of loans insured under this section available to local credit bureaus and prospective creditors. Prior to accepting assignment of a mortgage, the Secretary shall require mortgagees to submit documentation that mortgagors have been counseled in a face-to-face interview, informed of the provisions of this subsection or other available assistance, and provided with the names and addresses of officials of the Department of Housing and Urban Development to whom further communications shall be addressed.

(2) Notwithstanding the requirement for conveyance of title under section 1710 of this title, a mortgagee under this section shall be entitled to receive the benefit of insurance under this section in the case of a mortgage which is more than 90 days in default upon conveyance of the lease agreement and the mortgage documents.

(3) In the event that any default is cured, the Secretary shall seek to reinstate the loan with the mortgagee or another mortgagee. For purposes of this paragraph, the Secretary may provide appropriate financial incentives to reinstate the loan commensurate with sound management of the General Insurance Fund.

(4) If the Secretary determines that a mortgagor is not making a good-faith effort to cure a default, and that trust fund or tribal income is available under subsection (b)(3)(B), the Secretary shall commence proceedings for the garnishment of the mortgagor's distributed share of tribal or trust fund income in order to collect loan payments that are past due. Proceedings under this paragraph may be instituted in a tribal court, court of competent jurisdiction designated by the tribe, or Federal district court.

(5) If the Secretary determines such action is necessary to protect the General Insurance Fund from undue loss, the Secretary may initiate foreclosure proceedings with respect to any mortgage acquired under this subsection. Such proceeding may take place in a tribal court, a court of competent jurisdiction, or Federal district court. Any such court shall have jurisdiction to convey to the Secretary the remaining life of a lease on the real property and to order eviction of the delinquent mortgagor.

(h) Premium charge for insurance; report to Congress

In the administration of this section, the Secretary shall establish a premium charge for insurance that will be sufficient to cover the full costs of the mortgage insurance program under this section, except that such charge may not exceed 3 percent per annum of the principal amount of the mortgage outstanding at any time. Not later than September 30, 1984, the Secretary shall determine and report to the Congress on the feasibility of eliminating any excess amount of the premium under this section over the premium under section 1709 of this title. In the event such premiums are not sufficient to cover the full costs of the mortgage insurance program under this section, the Secretary shall make recommendations to the Congress about changes to the program.

(i) "Indian tribe" and "trust or otherwise restricted land" defined

For purposes of this section:

(1) The term "Indian tribe" means any Indian or Alaska native tribe, band, nation, or other organized group or community of Indians or Alaska natives recognized as eligible for the services provided to Indians or Alaska natives by the Secretary of the Interior because of its status as such an entity, or that was an eligible recipient under chapter 67 of title 31, prior to the repeal of such chapter.

(2) The term "trust or otherwise restricted land" means (A) that area of land, as defined

To provide access to sources of private financing to Indian families, Indian housing authorities, and Indian tribes, who otherwise could not acquire housing financing because of the unique legal status of Indian lands, the Secretary may guarantee not to exceed 100 percent of the unpaid principal and interest due on any loan eligible under subsection (b) made to an Indian family, Indian housing authority, or Indian tribe.

(b) Eligible loans

Loans guaranteed pursuant to this section shall meet the following requirements:

(1) Eligible borrowers

The loans shall be made only to borrowers who are Indian families, Indian housing authorities, or Indian tribes.

(2) Eligible housing

The loan shall be used to construct, acquire, refinance, or rehabilitate 1- to 4-family dwellings that are standard housing and are located on trust land or land located in an Indian or Alaska Native area.

(3) Security

The loan may be secured by any collateral authorized under existing Federal law or applicable State or tribal law.

(4) Lenders

The loan shall be made only by a lender approved by and meeting qualifications established by the Secretary, except that loans otherwise insured or guaranteed by an agency of the Federal Government or made by an organization of Indians from amounts borrowed from the United States shall not be eligible for guarantee under this section. The following lenders are deemed to be approved under this paragraph:

(A) Any mortgagee approved by the Secretary of Housing and Urban Development for participation in the single family mortgage insurance program under title II of the National Housing Act [12 U.S.C. 1707 et seq.].

(B) Any lender whose housing loans under chapter 37 of title 38 are automatically guaranteed pursuant to section 1802(d)¹ of such title.

- (ii) the amount approved by the Secretary under this section; and

(D) involve a payment on account of the property (i) in cash or its equivalent, or (ii) through the value of any improvements to the property made through the skilled or unskilled labor of the borrower, as the Secretary shall provide.

(c) Certificate of guarantee

(1) Approval process

Before the Secretary approves any loan for guarantee under this section, the lender shall submit the application for the loan to the Secretary for examination. If the Secretary approves the loan for guarantee, the Secretary shall issue a certificate under this paragraph as evidence of the guarantee.

(2) Standard for approval

The Secretary may approve a loan for guarantee under this section and issue a certificate under this paragraph only if the Secretary determines there is a reasonable prospect of repayment of the loan.

(3) Effect

A certificate of guarantee issued under this paragraph by the Secretary shall be conclusive evidence of the eligibility of the loan for guarantee under the provisions of this section and the amount of such guarantee. Such evidence shall be incontestable in the hands of the bearer and the full faith and credit of the United States is pledged to the payment of all amounts agreed to be paid by the Secretary as security for such obligations.

(4) Fraud and misrepresentation

This subsection may not be construed to preclude the Secretary from establishing defenses against the original lender based on fraud or material misrepresentation or to bar the Secretary from establishing by regulations in effect on the date of issuance or disbursement, whichever is earlier, partial defenses to the amount payable on the guarantee.

(d) Guarantee fee

The Secretary shall establish and collect, at the time of issuance of the guarantee, a fee for the guarantee of loans under this section, in an amount not exceeding 3 percent of the principal obligation of the loan. The Secretary may also establish and collect annual premium payments in an amount not exceeding 1 percent of the remaining guaranteed balance (excluding the portion of the remaining balance attributable to the fee collected at the time of issuance of the guarantee). The Secretary shall establish the

amount of the fees and premiums by publishing a notice in the Federal Register. The Secretary shall deposit any fees and premiums collected under this subsection in the Indian Housing Loan Guarantee Fund established under subsection (i).

(e) Liability under guarantee

The liability under a guarantee provided under this section shall decrease or increase on a pro rata basis according to any decrease or increase in the amount of the unpaid obligation under the provisions of the loan agreement.

(f) Transfer and assumption

Notwithstanding any other provision of law, any loan guaranteed under this section, including the security given for the loan, may be sold or assigned by the lender to any financial institution subject to examination and supervision by an agency of the Federal Government or of any State or the District of Columbia.

(g) Disqualification of lenders and civil money penalties

(1) In general

If the Secretary determines that any lender or holder of a guarantee certificate under subsection (c) has failed to maintain adequate accounting records, to adequately service loans guaranteed under this section, to exercise proper credit or underwriting judgment, or has engaged in practices otherwise detrimental to the interest of a borrower or the United States, the Secretary may—

(A) refuse, either temporarily or permanently, to guarantee any further loans made by such lender or holder;

(B) bar such lender or holder from acquiring additional loans guaranteed under this section; and

(C) require that such lender or holder assume not less than 10 percent of any loss on further loans made or held by the lender or holder that are guaranteed under this section.

(2) Civil money penalties for intentional violations

If the Secretary determines that any lender or holder of a guarantee certificate under subsection (c) has intentionally failed to maintain adequate accounting records, to adequately service loans guaranteed under this section, or to exercise proper credit or underwriting judgment, the Secretary may impose a civil money penalty on such lender or holder in the manner and amount provided under section 536 of the National Housing Act [12 U.S.C. 1735f-14] with respect to mortgagees and lenders under such Act.

(3) Payment on loans made in good faith

Notwithstanding paragraphs (1) and (2), the Secretary may not refuse to pay pursuant to a valid guarantee on loans of a lender or holder barred under this subsection if the loans were previously made in good faith.

(h) Payment under guarantee

(1) Lender options

(A) In general

In the event of default by the borrower on a loan guaranteed under this section, the

holder of the guarantee certificate shall provide written notice of the default to the Secretary. Upon providing such notice, the holder of the guarantee certificate shall be entitled to payment under the guarantee (subject to the provisions of this section) and may proceed to obtain payment in one of the following manners:

(i) Foreclosure

The holder of the certificate may initiate foreclosure proceedings (after providing written notice of such action to the Secretary) and upon a final order by the court authorizing foreclosure and submission to the Secretary of a claim for payment under the guarantee, the Secretary shall pay to the holder of the certificate the pro rata portion of the amount guaranteed (as determined pursuant to subsection (e)) plus reasonable fees and expenses as approved by the Secretary. The Secretary shall be subrogated to the rights of the holder of the guarantee and the lender holder shall assign the obligation and security to the Secretary.

(ii) No foreclosure

Without seeking foreclosure (or in any case in which a foreclosure proceeding initiated under clause (i) continues for a period in excess of 1 year), the holder of the guarantee may submit to the Secretary a request to assign the obligation and security interest to the Secretary in return for payment of the claim under the guarantee. The Secretary may accept assignment of the loan if the Secretary determines that the assignment is in the best interests of the United States. Upon assignment, the Secretary shall pay to the holder of the guarantee the pro rata portion of the amount guaranteed (as determined under subsection (e)). The Secretary shall be subrogated to the rights of the holder of the guarantee and the holder shall assign the obligation and security to the Secretary.

(B) Requirements

Before any payment under a guarantee is made under subparagraph (A), the holder of the guarantee shall exhaust all reasonable possibilities of collection. Exhausting all reasonable possibilities of collection by the holder of the guarantee shall include a good faith consideration of loan modification as well as meeting standards for servicing loans in default, as determined by the Secretary. Upon payment, in whole or in part, to the holder, the note or judgment evidencing the debt shall be assigned to the United States and the holder shall have no further claim against the borrower or the United States. The Secretary shall then take such action to collect as the Secretary determines appropriate.

(2) Limitations on liquidation

In the event of a default by the borrower on a loan guaranteed under this section involving a security interest in restricted Indian land, the mortgagee or the Secretary shall only pur-

sue liquidation after offering to transfer the account to an eligible tribal member, the tribe, or the Indian housing authority serving the tribe or tribes. If the mortgagee or the Secretary subsequently proceeds to liquidate the account, the mortgagee or the Secretary shall not sell, transfer, or otherwise dispose of or alienate the property except to one of the entities described in the preceding sentence.

(1) Establishment

(D) paying administrative expenses in connection with this section; and

(E) reasonable and necessary costs of rehabilitation and repair to properties that the Secretary holds or owns pursuant to this section.

Any amounts appropriated pursuant to this subparagraph shall remain available until expended.

(C) Limitation on outstanding aggregate principal amount

Subject to the limitations in subparagraphs (A) and (B), the Secretary may enter into commitments to guarantee loans under this section in each of fiscal years 2008 through 2012 with an aggregate outstanding principal amount not exceeding such amount as may be provided in appropriation Acts for such fiscal year.

The Secretary may insure under any provision of this subchapter a mortgage involving property upon which there is located a dwelling designed principally for occupancy by one to four families, where the mortgage provides for periodic adjustments by the mortgagee in the effective rate of interest charged. Such interest rate adjustments may be accomplished through adjustments in the monthly payment amount, the outstanding principal balance, or the mortgage term, or a combination of these factors, except that in no case may any extension of a mortgage term result in a total term in excess of 40 years. Adjustments in the effective rate of interest shall (1) be made on an annual basis; (2) be limited, with respect to any single interest rate increase, to no more than 1 percent on the outstanding loan balance; and (3) be limited to a maximum increase of 5 percentage points above the initial contract interest rate over the term of the mortgage.

The Secretary shall require that the mortgagee make available to the mortgagor, at the time of loan application, a written explanation

(1) The Secretary may insure under this subsection a mortgage that meets the requirements of subsection (a), except that the effective rate of interest—

(A) shall be fixed for a period of not less than the first 3 years of the mortgage term;

(B) shall be adjusted by the mortgagee initially upon the expiration of such period and annually thereafter; and

(C) in the case of the initial interest rate adjustment, is subject to the 1 percent limitation only if the interest rate remained fixed for 3 or fewer years.

(2) The disclosure required under subsection (b) shall be required for a mortgage insured under this subsection.

(2) bears interest at a rate which meets criteria prescribed by the Secretary;

(3) provides for amortization over a period of not to exceed 30 years, but the actual term of the mortgage (excluding any refinancing) may be not less than 10 nor more than 30 years, and contains such provisions relating to refinancing of the principal balance of the mortgage and any contingent deferred interest as the Secretary may provide; and

(4) meets such other conditions as the Secretary may require by regulation.

If there has been no sale or transfer at the time the mortgagee's share of net appreciated value becomes payable, the sales price for purposes of this section shall be determined by means of an appraisal conducted in accordance with procedures approved by the Secretary and provided for in the mortgage.

(c) Entitlement of mortgagee upon default

In the event of a default, the mortgagee shall be entitled to receive the benefits of insurance in accordance with section 1710(a) of this title, but such insurance benefits shall not include the mortgagee's share of net appreciated value. The term "original principal obligation of the mortgage" as used in section 1710 of this title shall not include the mortgagee's share of net appreciated value.

(d) Inapplicability of State constitution, statute, etc., limiting or prohibiting increases in outstanding loan balance

Mortgages insured pursuant to this section which contain provisions for sharing apprecia-

tion or which otherwise require or permit increases in the outstanding loan balance which are authorized under this section or under applicable regulations shall not be subject to any State constitution, statute, court decree, common law, rule, or public policy limiting or prohibiting increases in the outstanding loan balance after execution of the mortgage.

(e) Encouraged use of insurance by low and moderate income families

In carrying out the provisions of this section, the Secretary shall encourage the use of insurance under this section by low and moderate income tenants who would otherwise be displaced by the conversion of their rental housing to condominium or cooperative ownership.

(f) Consumer protections and disclosure requirements

The Secretary shall prescribe adequate consumer protections and disclosure requirements with respect to mortgages insured under this section, and may prescribe such other terms and conditions as may be appropriate to carry out the provisions of this section.

(g) Number of mortgages and loans

(e) Inapplicability of State constitution, statute, etc., limiting or prohibiting increases in outstanding loan balance

Mortgages insured pursuant to this section which contain provisions for sharing appreciation or which otherwise require or permit increases in the outstanding loan balance which are authorized under this section or under applicable regulations shall not be subject to any State constitution, statute, court decree, common law, rule, or public policy limiting or prohibiting increases in the outstanding loan balance after execution of the mortgage.

(f) Number of dwelling units

The number of dwelling units included in properties covered by mortgages insured pursuant to this section in any fiscal year may not exceed 5,000.

The Secretary shall require each mortgagee of a mortgage insured under this section to make available to the homeowner—

(1) at the time of the loan application, a written list of the names and addresses of third-party information sources who are approved by the Secretary as responsible and able to provide the information required by subsection (f);

The Secretary shall consult with consumer groups, industry representatives, representatives of counseling organizations, and other interested parties to identify alternative approaches to providing consumer information required by this subsection that may be feasible and desirable for home equity conversion mortgages insured under this section and other types of reverse mortgages. The Secretary may, in lieu of providing the consumer education re-

(g) Limitation on insurance authority

The aggregate number of mortgages insured under this section may not exceed 275,000. In no case may the benefits of insurance under this section exceed the maximum dollar amount limitation established under section 1454(a)(2) of this title for a 1-family residence.

(l) Funding for counseling

The Secretary may use a portion of the mortgage insurance premiums collected under the program under this section to adequately fund the counseling and disclosure activities required under subsection (f), including counseling for those homeowners who elect not to take out a home equity conversion mortgage, provided that the use of such funds is based upon accepted actuarial principles.

(m) Authority to insure home purchase mortgage**(1) In general**

(p) Study to determine consumer protections and underwriting standards

The Secretary shall conduct a study to examine and determine appropriate consumer protections and underwriting standards to ensure that the purchase of products referred to in subsection (o) is appropriate for the consumer. In conducting such study, the Secretary shall consult with consumer advocates (including recognized experts in consumer protection), industry representatives, representatives of counseling organizations, and other interested parties.

(b) Considerations

(c) Enforcement of insurance requirements

(1) In general

If the Secretary determines that a mortgage insured by a mortgagee pursuant to delegation of authority under this section was not originated in accordance with the requirements established by the Secretary, and the Secretary pays an insurance claim with respect to the mortgage within a reasonable period specified by the Secretary, the Secretary may require the mortgagee approved under this section to indemnify the Secretary for the loss.

(2) Fraud or misrepresentation

If fraud or misrepresentation was involved in connection with the origination, the Secretary may require the mortgagee approved under this section to indemnify the Secretary for the loss regardless of when an insurance claim is paid.

(d) Termination of mortgagee's authority

If a mortgagee to which the Secretary has made a delegation under this section violates the requirements and procedures established by the Secretary or the Secretary determines that other good cause exists, the Secretary may cancel a delegation of authority under this section to the mortgagee by giving notice to the mortgagee. Such a cancellation shall be effective upon receipt of the notice by the mortgagee or at a later date specified by the Secretary. A decision by the Secretary to cancel a delegation shall be final and conclusive and shall not be subject to judicial review.

(e) Requirements and procedures

Before approving a delegation under this section, the Secretary shall issue regulations establishing appropriate requirements and procedures, including requirements and procedures governing the indemnification of the Secretary by the mortgagee.

§ 1715z-22. Multifamily mortgage credit programs**(a) In general**

The Secretary of Housing and Urban Development (hereinafter referred to as the “Secretary”) shall carry out programs through the Federal Housing Administration to provide new forms of Federal credit enhancement for multifamily loans. In carrying out the programs, the Secretary shall include an evaluation of the effectiveness of entering into partnerships or other contractual arrangements including reinsurance and risk-sharing agreements with State or local housing finance agencies, the Federal Housing Finance Board, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, qualified financial institutions, and other State or local mortgage insurance companies or bank lending consortia.

(b) Risk-sharing program**(1) In general**

The Secretary shall carry out a program in conjunction with qualified participating entities to provide Federal credit enhancement for loans for affordable multifamily housing through a system of risk-sharing agreements with such entities.

(2) Program requirements**(A) In general**

In carrying out the program under this subsection, the Secretary shall enter into risk-sharing agreements with qualified participating entities.

(B) Mortgage insurance and reinsurance

Agreements under subparagraph (A) may provide for (i) mortgage insurance through the Federal Housing Administration of loans for affordable multifamily housing originated by or through, or purchased by, qualified participating entities, and (ii) reinsurance, including reinsurance of pools of loans, on affordable multifamily housing. In entering into risk-sharing agreements under this subsection covering mortgages, the Secretary may give preference to mortgages that are not already in the portfolios of qualified participating entities.

(C) Risk apportionment

Agreements entered into under this subsection between the Secretary and a qualified participating entity shall specify the percentage of loss that each of the parties to the agreement will assume in the event of default of the insured or reinsured multifamily mortgage. Such agreements shall specify

that the qualified participating entity and the Secretary shall share any loss in accordance with the risk-sharing agreement.

(D) Reimbursement capacity

Agreements entered into under this subsection between the Secretary and a qualified participating entity shall provide evidence acceptable to the Secretary of the capacity of such entity to fulfill any reimbursement obligations made pursuant to this subsection. Evidence of such capacity which may be considered by the Secretary may include—

- (i) a pledge of the full faith and credit of a qualified participating entity to fulfill any obligations entered into by the entity;
- (ii) reserves pledged or otherwise restricted by the qualified participating entity in an amount equal to an agreed upon percentage of the loss assumed by the entity under subparagraph (C);
- (iii) funds pledged through a State or local guarantee fund; or
- (iv) any other form of evidence mutually agreed upon by the Secretary and the qualified participating entity.

(E) Underwriting standards

The Secretary shall allow any qualified participating entity to use its own underwriting standards and loan terms and conditions for purposes of underwriting loans to be insured under this subsection, except as provided in this section, without further review by the Secretary, except that the Secretary may impose additional underwriting criteria and loan terms and conditions for contractual agreements where the Secretary retains more than 50 percent of the risk of loss. Any financing permitted on property insured under this subsection other than the first mortgage shall be expressly subordinate to the insured mortgage.

(F) Authority of Secretary

The Secretary, upon request of a qualified participating entity, may insure or reinsure and make commitments to insure or reinsure under this section any mortgage, advance, loan, or pool of mortgages otherwise eligible under this section, pursuant to a risk-sharing agreement providing that the qualified participating entity will carry out (under a delegation or otherwise, and with or without compensation, but subject to audit, exception, or review requirements) such credit approval, appraisal, inspection, issuance of commitments, approval of insurance of advances, cost certification, servicing, property disposition, or other functions as the Secretary shall approve as consistent with the purpose of this section. All appraisals of property for mortgage insurance under this section shall be completed by a Certified General Appraiser in accordance with the Uniform Standards of Professional Appraisal Practice.

(G) Disclosure of records

Qualified participating entities shall make available to the Secretary or the Secretary’s

designee, at the Secretary's request, such financial and other records as the Secretary deems necessary for purposes of review and monitoring for the program under this section.

(3) Development of alternatives

The Secretary shall develop and assess a variety of risk-sharing alternatives, including arrangements under which the Secretary assumes an appropriate share of the risk related to long-term mortgage loans on newly constructed or acquired multifamily rental housing, mortgage refinancings, bridge financing for construction, and other forms of multifamily housing mortgage lending that the Secretary deems appropriate to carry out the purposes of this subsection. Such alternatives shall be designed—

(A) to ensure that other parties bear a share of the risk, in percentage amount and in position of exposure, that is sufficient to create strong, market-oriented incentives for other participating parties to maintain sound underwriting and loan management practices;

(B) to develop credit mechanisms, including sound underwriting criteria, processing methods, and credit enhancements, through which resources of the Federal Housing Administration can assist in increasing multifamily housing lending as needed to meet the expected need in the United States;

(C) to provide a more adequate supply of mortgage credit for sound multifamily rental housing projects in underserved urban and rural markets;

(D) to encourage major financial institutions to expand their participation in mortgage lending for sound multifamily housing, through means such as mitigating uncertainties regarding actions of the Federal Government (including the possible failure to renew short-term subsidy contracts);

(E) to increase the efficiency, and lower the costs to the Federal Government, of processing and servicing multifamily housing mortgage loans insured by the Federal Housing Administration; and

(F) to improve the quality and expertise of Federal Housing Administration staff and other resources, as required for sound management of reinsurance and other market-oriented forms of credit enhancement.

(4) Eligibility standards

The Secretary shall establish and enforce standards for eligibility under this subsection of qualified participating entities under this subsection, as the Secretary determines to be appropriate.

(5) Insurance authority

Using any authority provided in appropriation Acts to insure mortgages under the National Housing Act [12 U.S.C. 1701 et seq.], the Secretary may enter into commitments under this subsection for risk-sharing units.

(6) Fees

the Secretary determines appropriate to (A) achieve the purpose of this subsection, and (B) compensate the Federal Housing Administration for the risks assumed and related administrative costs.

(7) Non-Federal participation

The Secretary shall carry out this subsection, to the maximum extent practicable, with the participation of well-established residential mortgage originators, financial institutions that invest in multifamily housing mortgages, multifamily housing sponsors, and such other private sector experts in multifamily housing finance as the Secretary determines to be appropriate.

(8) Prohibition on Ginnie Mae securitization

The Government National Mortgage Association shall not securitize any multifamily loans insured or reinsured under this subsection.

(9) Qualification as affordable housing

Multifamily housing securing loans insured or reinsured under this subsection shall qualify as affordable only if the housing is occupied by families and bears rents not greater than the gross rent for rent-restricted residential units as determined under section 42(g) of title 26.

(10) Certification of subsidy layering compliance

The requirements of section 3545(d) of title 42 may be satisfied in connection with a commitment to insure a mortgage under this subsection by a certification by a housing credit agency (including an entity established by a State that provides mortgage insurance) to the Secretary that the combination of assistance within the jurisdiction of the Secretary and other government assistance provided in connection with a property for which a mortgage is to be insured shall not be any greater than is necessary to provide affordable housing.

(11) Implementation

The Secretary shall take any administrative actions necessary to initiate the program under this subsection.

(c) Housing finance agency program

(1) In general

(C) Risk apportionment

Agreements entered into under this subsection between the Secretary and a qualified housing finance agency shall specify the percentage of loss that each of the parties to the agreement will assume in the event of default of the insured multifamily mortgage. Such agreements shall specify that the qualified housing finance agency and the Secretary shall share any loss in accordance with the risk-sharing agreement.

(D) Reimbursement capacity

Agreements entered into under this subsection between the Secretary and a qualified housing finance agency shall provide evidence of the capacity of such agency to fulfill any reimbursement obligations made pursuant to this subsection. Evidence of such capacity may include—

- (i) a pledge of the full faith and credit of a qualified State or local agency to fulfill any obligations entered into by the qualified housing finance agency;
- (ii) reserves pledged or otherwise restricted by the qualified housing finance agency in an amount equal to an agreed upon percentage of the loss assumed by the housing finance agency under subparagraph (C);
- (iii) funds pledged through a State or local guarantee fund; or
- (iv) any other form of evidence mutually agreed upon by the Secretary and the qualified housing finance agency.

(E) Underwriting standards

The Secretary shall allow any qualified housing finance agency to use its own underwriting standards and loan terms and conditions for purposes of underwriting loans to be insured under this subsection without further review by the Secretary, except that the Secretary may impose additional underwriting criteria and loan terms and conditions for contractual agreements where the Secretary retains more than 50 percent of the risk of loss.

(F) Disclosure of records

Qualified housing finance agencies shall make available to the Secretary such financial and other records as the Secretary deems necessary for program review and monitoring purposes.

(3) Mortgage insurance premiums

The Secretary shall establish a schedule of insurance premium payments for mortgages insured under this subsection based on the percentage of loss the Secretary may assume. Such schedule shall reflect lower or nominal premiums for qualified housing finance agencies that assume a greater share of the risk apportioned according to paragraph (2)(C).

(4) Insurance authority

Using any authority provided in appropriation Acts to insure mortgages under the National Housing Act [12 U.S.C. 1701 et seq.], the Secretary may enter into commitments under this subsection for risk-sharing units.

Notwithstanding any other provision of law, the Secretary shall not apply identity of interest provisions to agreements entered into with qualified State housing finance agencies under this subsection.

(6) Prohibition on Ginnie Mae securitization

The Government National Mortgage Association shall not securitize any multifamily loans insured under this subsection.

(7) Qualification as affordable housing

Multifamily housing securing loans insured under this subsection shall qualify as affordable only if the housing is occupied by families and bears rents not greater than the gross rent for rent-restricted residential units as determined under section 42(g) of title 26.

(8) Regulations

Not later than 90 days after October 28, 1992, the Secretary shall issue such regulations as may be necessary to carry out this subsection.

The Secretary's approval of any such certification shall be deemed to satisfy the Secretary's responsibilities under the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] and such other provisions of law as the regulations of the Secretary specify insofar as those responsibilities relate to the provision of mortgage insurance on the property that is covered by such certification.

(C) Certification of subsidy layering compliance

The requirements of section 3545(d) of title 42 may be satisfied in connection with a commitment to insure a mortgage under this subsection by a certification by a housing credit agency (including an entity established by a State that provides mortgage insurance) to the Secretary that the combination of assistance within the jurisdiction of the Secretary and other government assistance provided in connection with a property for which a mortgage is to be insured shall not be any greater than is necessary to provide affordable housing.

(2) to allow homeowners to avoid foreclosure by reducing the principle¹ balance outstanding, and interest rate charged, on their mortgages;

(3) to help stabilize and provide confidence in mortgage markets by bringing transparency to the value of assets based on mortgage assets;

(4) to target mortgage assistance under this section to homeowners for their principal residence;

(5) to enhance the administrative capacity of the FHA to carry out its expanded role under the HOPE for Homeowners Program;

(6) to ensure the HOPE for Homeowners Program remains in effect only for as long as is necessary to provide stability to the housing market; and

(7) to provide servicers of delinquent mortgages with additional methods and approaches to avoid foreclosure.

To be eligible for insurance under this section, a refinanced eligible mortgage shall comply with all of the following requirements:

(1) Borrower certification

(A) No intentional default or false information

The mortgagor shall provide a certification to the Secretary that the mortgagor has not intentionally defaulted on the existing mortgage or mortgages or any other substantial debt within the last 5 years and has not knowingly, or willfully and with actual knowledge, furnished material information known to be false for the purpose of obtaining the eligible mortgage to be insured and has not been convicted under Federal or State law for fraud during the 10-year period ending upon the insurance of the mortgage under this section.

(B) Liability for repayment

The mortgagor shall agree in writing that the mortgagor shall be liable to repay to the Secretary any direct financial benefit achieved from the reduction of indebtedness on the existing mortgage or mortgages on the residence refinanced under this section derived from misrepresentations made by the mortgagor in the certifications and documentation required under this paragraph, subject to the discretion of the Secretary.

(C) Current borrower debt-to-income ratio

As of the date of application for a commitment to insure or insurance under this section, the mortgagor shall have had, or thereafter is likely to have, due to the terms of the mortgage being reset, a ratio of mortgage debt to income, taking into consideration all existing mortgages of that mortgagor at such time, greater than 31 percent (or such higher amount as the Secretary determines appropriate).

(2) Determination of principal obligation amount

The principal obligation amount of the refinanced eligible mortgage to be insured shall—

All penalties for prepayment or refinancing of the eligible mortgage, and all fees and penalties related to default or delinquency on the eligible mortgage, shall be waived or forgiven.

(4) Extinction of subordinate liens

(A) Required agreement

All holders of outstanding mortgage liens on the property to which the eligible mortgage relates shall agree to accept the proceeds of the insured loan and any payments made under this paragraph, as payment in full of all indebtedness under the eligible mortgage, and all encumbrances related to such eligible mortgage shall be removed. The Secretary may take such actions as may be necessary and appropriate to facilitate coordination and agreement between the holders of the existing senior mortgage and any existing subordinate mortgages, taking into consideration the subordinate lien status of such subordinate mortgages. Such actions may include making payments, which shall be accepted as payment in full of all indebtedness under the eligible mortgage, to any holder of an existing subordinate mortgage, in lieu of any future appreciation payments authorized under subparagraph (B).

(B) Shared appreciation

(i) In general

The Secretary may establish standards and policies that will allow for the payment to the holder of any existing subordinate mortgage of a portion of any future appreciation in the property secured by such eligible mortgage that is owed to the Secretary pursuant to subsection (k).

(ii) Factors

In establishing the standards and policies required under clause (i), the Secretary shall take into consideration—

(I) the status of any subordinate mortgage;

(II) the outstanding principal balance of and accrued interest on the existing senior mortgage and any outstanding subordinate mortgages;

(C) Voluntary program

This paragraph may not be construed to require any holder of any existing mortgage to participate in the program under this section generally, or with respect to any particular loan.

(11) Primary residence

The mortgagor shall provide documentation satisfactory in the determination of the Secretary to prove that the residence covered by the mortgage to be insured under this section is occupied by the mortgagor as the primary residence of the mortgagor, and that such residence is the only residence in which the mortgagor has any present ownership interest, except that the Secretary may provide exceptions to such latter requirement (relating to present ownership interest) for any mortgagor who has inherited a property.

(A) Analysis

The study required under paragraph (1) shall analyze—

(ii) whether such a mechanism would provide an effective and efficient mechanism to reduce foreclosures on qualified existing mortgages;

(iii) whether the use of an auction or bulk refinance program is necessary to stabilize the housing market and reduce the impact of turmoil in that market on the economy of the United States;

(iv) whether there are other mechanisms or authority that would be useful to reduce foreclosure; and

(v) and any other factors that the Board considers relevant.

(B) Determinations

To the extent that the Board finds that a facility of the type described in subparagraph (A) is feasible and useful, the study shall—

(i) determine and identify any additional authority or resources needed to establish and operate such a mechanism;

(ii) determine whether there is a need for additional authority with respect to the loan underwriting criteria established in this section or with respect to eligibility of participating borrowers, lenders, or holders of liens;

(iii) determine whether such underwriting criteria should be established on the basis of individual loans, in the aggregate, or otherwise to facilitate the goal of refinancing borrowers at risk of foreclosure into viable loans insured under this section.

(3) Report

Not later than the expiration of the 60-day period beginning on July 30, 2008, the Board shall submit a report regarding the results of the study conducted under this subsection to the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate. (i) Premiums

(1) Premiums

For each refinanced eligible mortgage insured under this section, the Secretary shall establish and collect—

(B) in addition to the premium required under paragraph (1), an annual premium in an amount not more than 1.5 percent of the amount of the remaining insured principal balance of the mortgage.

§ 1717. Federal National Mortgage Association and Government National Mortgage Association

(a) Creation; succession; principal and other offices

(1) There is created a body corporate to be known as the “Federal National Mortgage Association”, which shall be in the Department of Housing and Urban Development. The Association shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia and shall be deemed, for purposes of venue in civil actions, to be a resident thereof. Agencies or offices may be established by the Association in such other place or places as it may deem necessary or appropriate in the conduct of its business.

(2) On September 1, 1968, the body corporate described in the foregoing paragraph shall cease

to exist in that form and is hereby partitioned into two separate and distinct bodies corporate, each of which shall have continuity and corporate succession as a separated portion of the previously existing body corporate, as follows:

(A) One of such separated portions shall be a body corporate without capital stock to be known as Government National Mortgage Association (hereinafter referred to as the “Association”), which shall be in the Department of Housing and Urban Development and which shall retain the assets and liabilities acquired and incurred under sections 1720¹ and 1721 of this title prior to such date, including any and all liabilities incurred pursuant to subsection (c). The Association shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia and shall be deemed, for purposes of venue in civil actions, to be a resident thereof. Agencies or offices may be established by the Association in such other place or places as it may deem necessary or appropriate in the conduct of its business.

(B) The other such separated portion shall be a body corporate to be known as Federal National Mortgage Association (hereinafter referred to as the “corporation”), which shall retain the assets and liabilities acquired and incurred under sections 1718 and 1719 of this title prior to such date. The corporation shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia or the metropolitan area thereof and shall be deemed, for purposes of jurisdiction and venue in civil actions, to be a District of Columbia corporation.

(3) The partition transaction effected pursuant to the foregoing paragraph constitutes a reorganization within the meaning of section 368(a)(1)(E) of title 26; and for the purposes of such title 26, no gain or loss is recognized by the previously existing body corporate by reason of the partition, and the basis and holding period of the assets of the corporation immediately following such partition are the same as the basis and holding period of such assets immediately prior to such partition.

(b) Purchase and sale of insured and conventional mortgages; transactions in loans and advances of credit

(1) For the purposes set forth in section 1716 of this title and subject to the limitations and restrictions of this subchapter, each of the bodies corporate named in subsection (a)(2) is authorized pursuant to commitments or otherwise, to purchase, service, sell, or otherwise deal in any mortgages which are insured under this chapter or title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.], or which are insured or guaranteed under the Servicemen’s Readjustment Act of 1944 or chapter 37 of title 38; and to purchase, service, sell, or otherwise deal in any loans made or guaranteed under part B of title VI of the Public Health Service Act [42 U.S.C. 291j-1 et seq.]; and the corporation is authorized to lend on the security of any such mortgages and to purchase, sell, or otherwise deal in any securi-

ties guaranteed by the Association under section 1721(g) of this title: *Provided*, That (1) the Association may not purchase any mortgage at a price exceeding 100 per centum of the unpaid principal amount thereof at the time of purchase, with adjustments for interest and any comparable items; (2) the Association may not purchase any mortgage, except a mortgage insured under title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.], if it is offered by, or covers property held by, a State, territorial, or municipal instrumentality; and (3) the Association may not purchase any mortgage under section 1720¹ of this title, except a mortgage insured under section 1715k of this title or subchapter VIII or section 1709(k) of this title, or under subchapter IX-A¹ with respect to a new community approved under section 1749cc-1¹ of this title, or insured under section 1715e of this title and covering property located in an urban renewal area, or a mortgage covering property located in Alaska, Guam, or Hawaii, if the original principal obligation thereof exceeds or exceeded \$55,000 in the case of property upon which is located a dwelling designed principally for a one-family residence; or \$60,000 in the case of a two- or three-family residence; or \$68,750 in the case of a four-family residence; or, in the case of a property containing more than four dwelling units, \$38,000 per dwelling unit (or such higher amount not in excess of \$45,000 per dwelling unit as the Secretary may by regulation specify in any geographical area where the Secretary finds that cost levels so require) for that part of the property attributable to dwelling use. Notwithstanding the provisions of clause (3) of the preceding sentence, the Association may purchase a mortgage under section 1720¹ of this title with an original principal obligation which exceeds the otherwise applicable maximum amount per dwelling unit if the mortgage is insured under section 1713(c)(3), 1715e(b)(2), 1715k(d)(3)(B)(iii), 1715l(d)(3)(ii), 1715l(d)(4)(ii), 1715v(c)(2), 1715y(e)(3), or 1715z-1 of this title. For the purposes of this subchapter, the terms “mortgages” and “home mortgages” shall be inclusive of any mortgages or other loans insured under any of the provisions of this chapter or title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.].

(2) For the purposes set forth in section 1716(a) of this title, the corporation is authorized, pursuant to commitments or otherwise, to purchase, service, sell, lend on the security of, or otherwise deal in mortgages which are not insured or guaranteed as provided in paragraph (1) (such mortgages referred to hereinafter as “conventional mortgages”). No such purchase of a conventional mortgage secured by a property comprising one- to four-family dwelling units shall be made if the outstanding principal balance of the mortgage at the time of purchase exceeds 80 per centum of the value of the property securing the mortgage, unless (A) the seller retains a participation of not less than 10 per centum in the mortgage; (B) for such period and under such circumstances as the corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the corporation in the event that the mortgage is in default; or (C) that portion of the unpaid principal balance of the mortgage which is in excess of

such 80 per centum is guaranteed or insured by a qualified insurer as determined by the corporation. The corporation shall not issue a commitment to purchase a conventional mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (A) of such sentence. The corporation may purchase a conventional mortgage which was originated more than one year prior to the purchase date only if the seller is the Federal Deposit Insurance Corporation, the Resolution Trust Corporation, the National Credit Union Administration, or any other seller currently engaged in mortgage lending or investing activities. For the purpose of this section, the term “conventional mortgages” shall include a mortgage, lien, or other security interest on the stock or membership certificate issued to a tenant-stockholder or resident-member of a cooperative housing corporation, as defined in section 216 of title 26, and on the proprietary lease, occupancy agreement, or right of tenancy in the dwelling unit of the tenant-stockholder or resident-member in such cooperative housing corporation. The corporation shall establish limitations governing the maximum original principal obligation of conventional mortgages that are purchased by it; in any case in which the corporation purchases a participation interest in such a mortgage, the limitation shall be calculated with respect to the total original principal obligation of the mortgage and not merely with respect to the interest purchased by the corporation. Such limitations shall not exceed \$417,000 for a mortgage secured by a single-family residence, \$533,850 for a mortgage secured by a 2-family residence, \$645,300 for a mortgage secured by a 3-family residence, and \$801,950 for a mortgage secured by a 4-family residence, except that such maximum limitations shall be adjusted effective January 1 of each year beginning after the effective date of the Federal Housing Finance Regulatory Reform Act of 2008, subject to the limitations in this paragraph. Each adjustment shall be made by adding to each such amount (as it may have been previously adjusted) a percentage thereof equal to the percentage increase, during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment, in the housing price index maintained by the Director of the Federal Housing Finance Agency (pursuant to section 4542 of this title). If the change in such house price index during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment is a decrease, then no adjustment shall be made for the next year, and the next adjustment shall take into account prior declines in the house price index, so that any adjustment shall reflect the net change in the house price index since the last adjustment. Declines in the house price index shall be accumulated and then reduce increases until subsequent increases exceed prior declines. The foregoing limitations may be increased by not to exceed 50 per centum with respect to properties located in Alaska, Guam, Hawaii, and the Virgin Islands. Such foregoing limitations shall also be increased, with respect to properties of a particular size lo-

cated in any area for which 115 percent of the median house price for such size residence exceeds the foregoing limitation for such size residence, to the lesser of 150 percent of such limitation for such size residence or the amount that is equal to 115 percent of the median house price in such area for such size residence.

(3) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in loans or advances of credit for the purchase and installation of home improvements, including energy conserving improvements or solar energy systems described in the last paragraph of section 1703(a) of this title and residential energy conservation measures as described in section 210(11) of the National Energy Conservation Policy Act [42 U.S.C. 8211(11)]¹ and financed by a public utility in accordance with the requirements of title II of such Act [42 U.S.C. 8211 et seq.]. To be eligible for purchase, any such loan or advance of credit (other than a loan or advance made with respect to energy conserving improvements or solar energy systems or residential energy conservation measures) not insured under subchapter I of this chapter shall be secured by a lien against the property to be improved.

(4) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in loans or advances of credit secured by mortgages or other liens against manufactured homes.

(5)(A) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in (i) conventional mortgages that are secured by a subordinate lien against a one- to four-family residence that is the principal residence of the mortgagor; and (ii) conventional mortgages that are secured by a subordinate lien against a property comprising five or more family dwelling units. If the corporation, pursuant to paragraphs (1) through (4), shall have purchased, serviced, sold, or otherwise dealt with any other outstanding mortgage secured by the same residence, the aggregate original amount of such other mortgage and the mortgage authorized to be purchased, serviced, sold, or otherwise dealt with under this paragraph shall not exceed the applicable limitation determined under paragraph (2).

(B) The corporation shall establish limitations governing the maximum original principal obligation of conventional mortgages described in subparagraph (A). In any case in which the corporation purchases a participation interest in such a mortgage, the limitation shall be calculated with respect to the total original principal obligation of such mortgage described in subparagraph (A) and not merely with respect to the interest purchased by the corporation. Such limitations shall not exceed (i) with respect to mortgages described in subparagraph (A)(i), 50 per centum of the single-family residence mortgage limitation determined under paragraph (2); and (ii) with respect to mortgages described in subparagraph (A)(ii), the applicable limitation determined under paragraph (2).

(C) No subordinate mortgage against a one- to four-family residence shall be purchased by the corporation if the total outstanding indebtedness secured by the property as a result of such

mortgage exceeds 80 per centum of the value of such property unless (i) that portion of such total outstanding indebtedness that exceeds such 80 per centum is guaranteed or insured by a qualified insurer as determined by the corporation; (ii) the seller retains a participation of not less than 10 per centum in the mortgage; or (iii) for such period and under such circumstances as the corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the corporation in the event that the mortgage is in default. The corporation shall not issue a commitment to purchase a subordinate mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (ii) of such sentence.

(6) The corporation may not implement any new program (as such term is defined in section 4502 of this title) before obtaining the approval of the Secretary under section 4542¹ of this title.

(c) Administration of trusts; obligations of departments and agencies of the United States; exemption of interest income from taxation; authorization of appropriations for differential reimbursements

(1) Notwithstanding any other provision of this chapter or of any other law, the Association is authorized under section 1721 of this title to create, accept, execute, and otherwise administer in all respects such trusts, receiverships, conservatorships, liquidating or other agencies, or other fiduciary and representative undertakings and activities, hereinafter in this subsection called "trusts", as might be appropriate for financing purposes; and in relation thereto the Association may acquire, hold and manage, dispose of, and otherwise deal in any mortgages or other types of obligations in which any department or agency of the United States listed in paragraph (2) of this subsection may have a financial interest. The Association may join in any such undertakings and activities, hereinafter in this subsection called "trusts"; notwithstanding that it is also serving in a fiduciary or representative capacity; and is authorized to guarantee any participations or other instruments, whether evidence of property rights or debt, issued for such financing purposes. Participations or other instruments issued by the Association pursuant to this subsection shall to the same extent as securities which are direct obligations of or obligations guaranteed as to principal or interest by the United States be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission. The amounts of any mortgages and their obligations acquired by the Association under section 1721 of this title, pursuant to this subsection, shall not be included in the total amounts set forth in section 1721(c) of this title.

(2) Subject to the limitations provided in paragraph (4) of this subsection, one or more trusts may be established as provided in this subsection by each of the following departments or agencies:

(A) The Farmers Home Administration of the Department of Agriculture, but only with

respect to operating loans, direct farm ownership loans, direct housing loans, and direct soil and water loans. Such trusts may not be established with respect to loans for housing for the elderly under sections 502 and 515(a) of the Housing Act of 1949 [42 U.S.C. 1472 and 1485(a)], nor with respect to loans for nonfarm recreational development.

(B) The Department of Education, but only with respect to loans made by the Secretary of Education for construction of academic facilities, and loans to help finance student loan programs.

(C) The Department of Housing and Urban Development.

(D) The Department of Veterans Affairs.

(E) The Export-Import Bank.

(F) The Small Business Administration.

The head of each such department or agency, hereinafter in this subsection called the "trustor," is authorized to set aside a part or all of any obligations held by the trustor and subject them to a trust or trusts and, incident thereto, shall guarantee to the trustee timely payment thereof. The trust instrument may provide for the issuance and sale of beneficial interests or participations, by the trustee, in such obligations or in the right to receive interest and principal collections therefrom; and may provide for the substitution or withdrawal of such obligations, or for the substitution of cash for obligations. The trust or trusts shall be exempt from all taxation. The trust instrument may also contain other appropriate provisions in keeping with the purposes of this subsection. The Association shall be named and shall act as trustee of any such trusts and, for the purposes thereof, the title to such obligations shall be deemed to have passed to the Association in trust. The trust instrument shall provide that custody, control, and administration of the obligations shall remain in the trustor subjecting the obligations to the trust, subject to transfer to the trustee in event of default or probable default, as determined by the trustee, in the payment of principal and interest of the beneficial interests or participations. Collections from obligations subject to the trust shall be dealt with as provided in the instrument creating the trust. The trust instrument shall provide that the trustee will promptly pay to the trustor the full net proceeds of any sale of beneficial interests or participations to the extent they are based upon such obligations or collections. Such proceeds shall be dealt with as otherwise provided by law for sales or repayment of such obligations. The effect of both past and future sales of any issue of beneficial interests or participations shall be the same, to the extent of the principal of such issue, as the direct sale with recourse of the obligations subject to the trust. Any trustor creating a trust or trusts hereunder is authorized to purchase, through the facilities of the trustee, outstanding beneficial interests or participations to the extent of the amount of the trustor's responsibility to the trustee on beneficial interests or participations outstanding, and to pay the trustor's proper share of the costs and expenses incurred by the Association as trustee pursuant to the trust instrument.

(3) When any trustor guarantees to the trustee the timely payment of obligations the trustor

subjects to a trust pursuant to this subsection, and it becomes necessary for such trustor to meet his responsibilities under such guaranty, the trustor is authorized to fulfill such guaranty.

(4) Beneficial interests or participations shall not be issued for the account of any trustor in an aggregate principal amount greater than is authorized with respect to such trustor in an appropriation Act. Any such authorization shall remain available only for the fiscal year for which it is granted and for the succeeding fiscal year.

(5) The Association, as trustee, is authorized to issue and sell beneficial interests or participations under this subsection, notwithstanding that there may be an insufficiency in aggregate receipts from obligations subject to the related trust to provide for the payment by the trustee (on a timely basis out of current receipts or otherwise) of all interest or principal on such interests or participations (after provision for all costs and expenses incurred by the trustee, fairly prorated among trustors). There are authorized to be appropriated without fiscal year limitation such sums as may be necessary to enable any trustor to pay the trustee such insufficiency as the trustee may require on account of outstanding beneficial interests or participations authorized to be issued pursuant to paragraph (4) of this subsection. Such trustor shall make timely payments to the trustee from such appropriations, subject to and in accord with the trust instrument. In the event that the insufficiency required by the trustee is on account of principal maturities of outstanding beneficial interests or participations authorized to be issued pursuant to paragraph (4) of this subsection, or pursuant hereto, the trustee is authorized to elect to issue additional beneficial interests or participations for refinancing purposes in lieu of requiring any trustor or trustors to make payments to the trustee from appropriated funds or other sources. Each such issue of beneficial interests or participations shall be in an amount determined by the trustee but not in excess of the aggregate amount which the trustee would otherwise require the trustor or trustors to pay from appropriated funds or other sources, and may be issued without regard to the provisions of paragraph (4) of this subsection. All refinancing issues of beneficial interests or participations shall be deemed to have been issued pursuant to the authority contained in the appropriation Act or Acts under which the beneficial interests or participations were originally issued.

§ 1718. Capitalization of Federal National Mortgage Association

(a) Common stock; preferred stock; transferability of shares

The corporation shall have common stock, without par value, which shall be vested with all voting rights, each share being entitled to one vote with rights of cumulative voting at all elections of directors. The corporation may eliminate such rights of cumulative voting by a resolution adopted by its board of directors and approved by the holders of a majority of the shares of common stock voting in person or by proxy at the annual meeting, or other special meeting, at which such resolution is considered. The corporation may have preferred stock on such terms and conditions as the board of directors shall prescribe. The free transferability of the stock at all times to any person, firm, corporation, or other entity shall not be restricted except that, as to the corporation, it shall be transferable only on the books of the corporation. The corporation may issue shares of common stock in return for appropriate payments into capital or capital and surplus.

(b) Fees and charges; annual transfer of earnings to general surplus account

(1) The corporation may impose charges or fees, which may be regarded as elements of pricing, with the objective that all costs and expenses of the operations of the corporation should be within its income derived from such operations and that such operations should be fully self-supporting.

(2) All earnings from the operations of the corporation shall annually be transferred to the general surplus account of the corporation. At any time, funds of the general surplus account may, in the discretion of the board of directors, be transferred to reserves.

(c) Capital distributions from general surplus account; minimum capitalization levels

(1) Except as provided in paragraph (2), the corporation may make such capital distributions (as such term is defined in section 4502 of this title) as may be declared by the board of directors. All capital distributions shall be charged against the general surplus account of the corporation.

(2) The corporation may not make any capital distribution that would decrease the total capital of the corporation (as such term is defined in section 4502 of this title) to an amount less than the risk-based capital level for the corporation established under section 4611 of this title or that would decrease the core capital of the corporation (as such term is defined in section 4502 of this title) to an amount less than the minimum capital level for the corporation established under section 4612 of this title, without prior written approval of the distribution by the Director of the Federal Housing Finance Agency.

(d) Institutions eligible to purchase stock

Notwithstanding any other provision of law, any institution, including a national bank or State member bank of the Federal Reserve System or any member of the Federal Deposit In-

surance Corporation, trust company, or other banking organization, organized under any law of the United States, including the laws relating to the District of Columbia, shall be authorized to purchase shares of common stock of the corporation and to hold or dispose of such stock, subject to the provisions of this subchapter.

SPECIAL ASSISTANCE FUNDS OF ASSOCIATION FOR
FINANCING LOW-COST HOMES

Pub. L. 89-754, title X, § 1006, Nov. 3, 1966, 80 Stat. 1285, provided that the Congress found that the sharp decline in new home construction over the past year threatened to undercut the present high level of prosperity and employment as such declines had in the past; that the substantial reduction which had taken place had its greatest impact on families of modest income who were seeking to achieve the goal of homeownership; that this decline in homebuilding was due primarily to the shortage of mortgage financing on terms which moderate income families could afford; and that national policy objectives in the field of housing and community development were thereby being thwarted. The Congress therefore expressed its intent that the special assistance funds made available to the Federal National Mortgage Association for the financing of new low-cost homes by the Act of September 10, 1966 (Public Law 89-556) [amending sections 1718, 1719, and 1720 of this title], should be released immediately to halt the continuing decline in the construction of new homes for families of moderate incomes.

§ 1719. Secondary market operations

(a) Purchase and sale of mortgages; secondary market operations; advance of funds or origination of loans; settlement or extinguishment of borrower's rights

(1) To carry out the purposes set forth in paragraph (a)¹ of section 1716 of this title, the operations of the corporation under this section shall be confined, so far as practicable, to mortgages which are deemed by the corporation to be of such quality, type, and class as to meet, generally, the purchase standards imposed by private institutional mortgage investors. In the interest of assuring sound operation, the prices to be paid by the corporation for mortgages purchased in its secondary market operations under this section, should be established, from time to time, within the range of market prices for the particular class of mortgages involved, as determined by the corporation. The volume of the corporation's purchases and sales, and the establishment of the purchase prices, sale prices, and charges or fees, in its secondary market operations under this section, should be determined by the corporation from time to time, and such determinations should be consistent with the objectives that such purchases and sales should be effected only at such prices and on such terms as will reasonably prevent excessive use of the corporation's facilities, and that the operations of the corporation under this section should be within its income derived from such operations and that such operations should be fully self-supporting. Nothing in this subchapter shall prohibit the corporation from purchasing, and making commitments to purchase, any mortgage with respect to which the Secretary of Housing and Urban Development has entered into a contract with the corporation to make interest subsidy payments under section 1715z-8 of this title.

(2) The volume of the corporation's lending activities and the establishment of its loan ratios, interest rates, maturities, and charges or fees, in its secondary market operations under this section, should be determined by the corpora-

tion from time to time; and such determinations, in conjunction with determinations made under paragraph (1), should be consistent with the objectives that the lending activities should be conducted on such terms as will reasonably prevent excessive use of the corporation's facilities, and that the operations of the corporation under this section should be within its income derived from such operations and that such operations should be fully self-supporting. The corporation shall not be permitted to use its lending authority (A) to advance funds to a mortgage seller on an interim basis, using mortgage loans as collateral, pending the sale of the mortgages in the secondary market; or (B) to originate mortgage loans. Notwithstanding any Federal, State, or other law to the contrary, the corporation is empowered, in connection with any loan under this section, whether before or after any default, to provide by contract with the borrower for the settlement or extinguishment, upon default, of any redemption, equitable, legal, or other right, title, or interest of the borrower in any mortgage or mortgages that constitute the security for the loan; and with respect to any such loan, in the event of default and pursuant otherwise to the terms of the contract, the mortgages that constitute such security shall become the absolute property of the corporation.

(b) Obligations of the Corporation

For the purposes of this section, the corporation is authorized to issue, upon the approval of the Secretary of the Treasury, and have outstanding at any one time obligations having such maturities and bearing such rate or rates of interest as may be determined by the corporation with the approval of the Secretary of the Treasury, to be redeemable at the option of the corporation before maturity in such manner as may be stipulated in such obligations. The corporation shall insert appropriate language in all of its obligations issued under this subsection clearly indicating that such obligations, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than the corporation. The corporation is authorized to purchase in the open market any of its obligations outstanding under this subsection at any time and at any price.

(c) Purchase of obligations by Treasury; conditions and restrictions

The Secretary of the Treasury is authorized in the Secretary's discretion to purchase any obligations issued pursuant to subsection (b) of this section, as now or hereafter in force, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities hereafter issued under chapter 31 of title 31, and the purposes for which securities may be issued under chapter 31 of title 31 are extended to include such purchases. The Secretary of the Treasury shall not at any time purchase any obligations under this subsection if such purchase would increase the aggregate principal amount of the Secretary's then outstanding holdings of such obligations under this subsection to an

amount greater than \$2,250,000,000. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States as of the last day of the month preceding the making of such purchase. The Secretary of the Treasury may, at any time, sell, upon such terms and conditions and at such price or prices as the Secretary shall determine, any of the obligations acquired by the Secretary under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public debt transactions of the United States.

(d) Mortgage-backed securities; issuance; maturities; rates of interest; exempt securities; adequacy of mortgages to permit principal and interest payments; statement in securities

To provide a greater degree of liquidity to the mortgage investment market and an additional means of financing its operations under this section, the corporation is authorized to set aside any mortgages held by it under this section, and, upon approval of the Secretary of the Treasury, to issue and sell securities based upon the mortgages so set aside. Securities issued under this subsection may be in the form of debt obligations or trust certificates of beneficial interest, or both. Securities issued under this subsection shall have such maturities and bear such rate or rates of interest as may be determined by the corporation with the approval of the Secretary of the Treasury. Securities issued by the corporation under this subsection shall, to the same extent as securities which are direct obligations of or obligations guaranteed as to principal and interest by the United States, be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission. Mortgages set aside pursuant to this subsection shall at all times be adequate to enable the corporation to make timely principal and interest payments on the securities issued and sold pursuant to this subsection. The corporation shall insert appropriate language in all of the securities issued under this subsection clearly indicating that such securities, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than the corporation.

(e) Subordinated or convertible obligations; issuance; maturities; rate of interest; redemption; exempt securities; debt or obligation of United States; purchases in open market

For the purposes of this section, the corporation is authorized to issue, upon the approval of the Secretary of the Treasury, obligations which are subordinated to any or all other obligations of the corporation, including subsequent obligations. The obligations issued under this subsection shall have such maturities and bear such rate or rates of interest as may be determined by the corporation with the approval of the Sec-

retary of the Treasury and may be made redeemable at the option of the corporation before maturity in such manner as may be stipulated in such obligations. Any of such obligations may be made convertible into shares of common stock in such manner, at such price or prices, and at such time or times as may be stipulated therein. Obligations issued by the corporation under this subsection shall, to the same extent as securities which are direct obligations of or obligations guaranteed as to principal or interest by the United States, be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission. The corporation shall insert appropriate language in all of its obligations issued under this subsection clearly indicating that such obligations, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or of any agency or instrumentality thereof other than the corporation. The corporation is authorized to purchase in the open market any of its obligations outstanding under this subsection at any time and at any price.

(f) Prohibition on assessment or collection of fee or charge by United States

Except for fees paid pursuant to section 1723a(g) of this title and assessments pursuant to section 4516 of this title, no fee or charge may be assessed or collected by the United States (including any executive department, agency, or independent establishment of the United States) on or with regard to the purchase, acquisition, sale, pledge, issuance, guarantee, or redemption of any mortgage, asset, obligation, trust certificate of beneficial interest, or other security by the corporation. (A) General authority

In addition to the authority under subsection (c) of this section, the Secretary of the Treasury is authorized to purchase any obligations and other securities issued by the corporation under any section of this chapter, on such terms and conditions as the Secretary may determine and in such amounts as the Secretary may determine. Nothing in this subsection requires the corporation to issue obligations or securities to the Secretary without mutual agreement between the Secretary and the corporation. Nothing in this subsection permits or authorizes the Secretary, without the agreement of the corporation, to engage in open market purchases of the common securities of the corporation.

(B) Emergency determination required

In connection with any use of this authority, the Secretary must determine that such actions are necessary to—

- (i) provide stability to the financial markets;

- (v) The need to maintain the corporation's status as a private shareholder-owned company.
- (vi) Restrictions on the use of corporation resources, including limitations on the payment of dividends and executive compensation and any such other terms and conditions as appropriate for those purposes.

(D) Reports to Congress

Upon exercise of this authority, the Secretary shall report to the Committees on the Budget, Financial Services, and Ways and Means of the House of Representatives and the Committees on the Budget, Finance, and Banking, Housing, and Urban Affairs of the Senate as to the necessity for the purchase and the determinations made by the Secretary under subparagraph (B) and with respect to the considerations required under subparagraph (C), and the size, terms, and probability of repayment or fulfillment of other terms of such purchase.

(2) Rights; sale of obligations and securities

(A) Exercise of rights

The Secretary of the Treasury may, at any time, exercise any rights received in connection with such purchases.

(B) Sale of obligation and securities

The Secretary of the Treasury may, at any time, subject to the terms of the security or otherwise upon terms and conditions and at prices determined by the Secretary, sell any obligation or security acquired by the Secretary under this subsection.

(C) Deficit reduction

The Secretary of the Treasury shall deposit in the General Fund of the Treasury any amounts received by the Secretary from the sale of any obligation acquired by the Secretary under this subsection, where such amounts shall be—

- (i) dedicated for the sole purpose of deficit reduction; and
- (ii) prohibited from use as an offset for other spending increases or revenue reductions.

(D) Application of sunset to purchased obligations or securities

The authority of the Secretary of the Treasury to hold, exercise any rights re-

ceived in connection with, or sell, any obligations or securities purchased is not subject to the provisions of paragraph (4).

(3) Funding

For the purpose of the authorities granted in this subsection, the Secretary of the Treasury may use the proceeds of the sale of any securities issued under chapter 31 of Title 31, and the purposes for which securities may be issued under chapter 31 of Title 31 are extended to include such purchases and the exercise of any rights in connection with such purchases. Any funds expended for the purchase of, or modifications to, obligations and securities, or the exercise of any rights received in connection with such purchases under this subsection shall be deemed appropriated at the time of such purchase, modification, or exercise.

(4) Termination of authority

The authority under this subsection (g), with the exception of paragraphs (2) and (3) of this subsection, shall expire December 31, 2009.

(5) Authority of the Director with respect to executive compensation

The Director shall have the power to approve, disapprove, or modify the executive compensation of the corporation, as defined under Regulation S-K, 17 C.F.R. 229.

Pub. L. 98-181, title I [title IV, §483(b)], Nov. 30, 1983, 97 Stat. 1240, provided that: "Any purchase or commitment to purchase any mortgage pursuant to section 305 or 313 of the Federal National Mortgage Association Charter Act [former sections 1720 and 1723e of this title] made before the date of the enactment of this Act [Nov. 30, 1983], and the servicing and disposition of any such mortgage, shall continue to be governed by the provisions of such sections as they existed immediately before the effective date of this section [Nov. 30, 1983]."

§ 1721. Management and liquidation functions of Government National Mortgage Association

(a) Separate accountability of assets and liabilities

To carry out the purposes set forth in paragraph (c)¹ of section 1716 of this title, the Asso-

ciation is authorized and directed, as of the close of the cutoff date determined by the Association pursuant to section 1718(d)¹ of this title, to establish separate accountability for all of its assets and liabilities (exclusive of capital, surplus, surplus reserves, and undistributed earnings to be evidenced by preferred stock as provided in section 1718(d)¹ of this title, but inclusive of all rights and obligations under any outstanding contracts), and to maintain such separate accountability for the management and orderly liquidation of such assets and liabilities as provided in this section.

(b) Issuance of obligations to expedite substitution of private financing

For the purposes of this section and to assure that, to the maximum extent, and as rapidly as possible, private financing will be substituted for Treasury borrowings otherwise required to carry mortgages held under the aforesaid separate accountability, the Association is authorized to issue, upon the approval of the Secretary of the Treasury, and have outstanding as any one time obligations having such maturities and bearing such rate or rates of interest as may be determined by the Association with the approval of the Secretary of the Treasury, to be redeemable at the option of the Association before maturity in such manner as may be stipulated in such obligations; but in no event shall any such obligations be issued if, at the time of such proposed issuance, and as a consequence thereof, the resulting aggregate amount of its outstanding obligations under this subsection would exceed the amount of the Association's ownership under the aforesaid separate accountability, free from any liens or encumbrances, of cash, mortgages, and obligations of the United States or guaranteed thereby, or obligations, participations, or other instruments which are lawful investments for fiduciary, trust or public funds. The proceeds of any private financing effected under this subsection shall be paid to the Secretary of the Treasury in reduction of the indebtedness of the Association to the Secretary of the Treasury under the aforesaid separate accountability. The Association shall insert appropriate language in all of its obligations issued under this subsection clearly indicating that such obligations, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or of any agency or instrumentality thereof other than the Association. The Association is authorized to purchase in the open market any of its obligations outstanding under this subsection at any time and at any price.

(c) Cutoff date as controlling purchases; total amount of mortgages and commitments

No mortgage shall be purchased by the Association in its operations under this section except pursuant to and in accordance with the terms of a contract or commitment to purchase the same made prior to the cutoff date provided for in section 1718(d)¹ of this title, which contract or commitment became a part of the aforesaid separate accountability, and the total amount of mortgages and commitments held by the Association under this section shall not, in

any event, exceed \$3,350,000,000: *Provided*, That such maximum amount shall be progressively reduced by the amount of cash realizations on account of principal of mortgages held under the aforesaid separate accountability and by cancellation of any commitments to purchase mortgages thereunder, as reflected by the books of the Association, with the objective that the entire aforesaid maximum amount shall be eliminated with the orderly liquidation of all mortgages held under the aforesaid separate accountability: *And provided further*, That nothing in this subsection shall preclude the Association from granting such usual and customary increases in the amounts of outstanding commitments (resulting from increased costs or otherwise) as have theretofore been covered by like increases in commitments granted by the agencies of the Federal Government insuring or guaranteeing the mortgages. There shall be excluded from the total amounts set forth in this subsection the amounts of any mortgages which, subsequent to May 31, 1954, are transferred by law to the Association and held under the aforesaid separate accountability.

(d) Issuance of obligations sufficient to carry out functions; character; purchase

The Association may issue to the Secretary of the Treasury its obligations in an amount outstanding at any one time sufficient to enable the Association to carry out its functions under this section, such obligations to mature not more than five years from their respective dates of issue, to be redeemable at the option of the Association before maturity in such manner as may be stipulated in such obligations. Each such obligation shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States as of the last day of the month preceding the issuance of the obligation of the Association. The Secretary of the Treasury is authorized to purchase any obligations of the Association to be issued under this section, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which securities may be issued under chapter 31 of title 31 are extended to include any purchases of the Association's obligations hereunder.

(e) Acquisition of mortgages offered by Secretary of Housing and Urban Development

Notwithstanding any other provision of law, the Association is authorized, under the aforesaid separate accountability, to make commitments to purchase, and to purchase, service, or sell any obligations offered to it by the Secretary of Housing and Urban Development, or any mortgages covering residential property offered to it by any Federal instrumentality, or the head thereof. These shall be excluded from the total amounts set forth in subsection (c) the amounts of any obligations or mortgages purchased by the Association pursuant to this subsection.

(f) Transfer of funds

Notwithstanding any of the provisions of this chapter or of any other law, an amount equal to the net decrease for the preceding fiscal year in the aggregate principal amount of all mortgages owned by the Association under this section shall, as of July 1 of each of the years 1961 through 1964, be transferred to and merged with the authority provided under section 1720(a)¹ of this title, and the amount of such authority as specified in section 1720(c)¹ of this title shall be increased by any amounts so transferred.

(g) Guarantee of principal and interest on trust certificates and other securities; fees and charges; subrogation; contract for extinguishment of right, title, or interest in mortgages; protection of interests; full faith and credit; commitments limited; limitation on fees or charges

(1) The Association is authorized, upon such terms and conditions as it may deem appropriate, to guarantee the timely payment of principal of and interest on such trust certificates or other securities as shall (i) be issued by the corporation under section 1719(d) of this title, or by any other issuer approved for the purposes of this subsection by the Association, and (ii) be based on and backed by a trust or pool composed of mortgages which are insured under this chapter, or which are insured or guaranteed under the Servicemen's Readjustment Act of 1944, title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.], or chapter 37 of title 38, or which are guaranteed under title XIII of the Public Health Service Act [42 U.S.C. 300e et seq.];² or guaranteed under section 1715z-13a of this title. The Association shall collect from the issuer a reasonable fee for any guaranty under this subsection and shall make such charges as it may determine to be reasonable for the analysis of any trust or other security arrangement proposed by the issuer. In the event the issuer is unable to make any payment of principal of or interest on any security guaranteed under this subsection, the Association shall make such payment as and when due in cash, and thereupon shall be subrogated fully to the rights satisfied by such payment. In any case in which (I) Federal law requires the reduction of the interest rate on any mortgage backing a security guaranteed under this subsection, (II) the mortgagor under the mortgage is a person in the military service, and (III) the issuer of such security fails to receive from the mortgagor the full amount of interest payment due, the Association may make payments of interest on the security in amounts not exceeding the difference between the amount payable under the interest rate on the mortgage and the amount of interest actually paid by the mortgagor. The Association is hereby empowered, in connection with any guaranty under this subsection, whether before or after any default, to provide by contract with the issuer for the extinguishment, upon default by the issuer, of any redemption, equitable, legal, or other right, title, or interest of the issuer in any mortgage or mortgages constituting the trust or pool against which the guaranteed securities are is-

sued; and with respect to any issue of guaranteed securities, in the event of default and pursuant otherwise to the terms of the contract, the mortgages that constitute such trust or pool shall become the absolute property of the Association subject only to the unsatisfied rights of the holders of the securities based on and backed by such trust or pool. No State or local law, and no Federal law (except Federal law enacted expressly in limitation of this subsection after October 8, 1980), shall preclude or limit the exercise by the Association of (A) its power to contract with the issuer on the terms stated in the preceding sentence, (B) its rights to enforce any such contract with the issuer, or (C) its ownership rights, as provided in the preceding sentence, in the mortgages constituting the trust or pool against which the guaranteed securities are issued. The full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection. There shall be excluded from the total amounts set forth in subsection (c) the amounts of any mortgages acquired by the Association as a result of its operations under this subsection.

(2) Notwithstanding any other provision of law and subject only to the absence of qualified requests for guarantees, to the authority provided in this subsection, and to the extent of or in such amounts as any funding limitation approved in appropriation Acts, the Association shall enter into commitments to issue guarantees under this subsection in an aggregate amount of \$110,000,000,000 during fiscal year 1996. There are authorized to be appropriated to cover the costs (as such term is defined in section 661a of title 2) of guarantees issued under this chapter by the Association such sums as may be necessary for fiscal year 1996.

(3)(A) No fee or charge in excess of 6 basis points may be assessed or collected by the United States (including any executive department, agency, or independent establishment of the United States) on or with regard to any guaranty of the timely payment of principal or interest on securities or notes based on or backed by mortgages that are secured by 1- to 4-family dwellings and (i) insured by the Federal Housing Administration under subchapter II of this chapter; or (ii) insured or guaranteed under the Serviceman's Readjustment Act of 1944, chapter 37 of title 38, or title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.].

(B) The fees charged for the guaranty of securities or on notes based on or backed by mortgages not referred to in subparagraph (A), as authorized by other provisions of law, shall be set by the Association at a level not more than necessary to create reserves sufficient to meet anticipated claims based upon actuarial analysis, and for no other purpose.

(C) Fees or charges for the issuance of commitments or miscellaneous administrative fees of the Association shall not be on a competitive auction basis and shall remain at the level set for such fees or charges as of September 1, 1985, except that such fees or charges may be increased if reasonably related to the cost of administering the program, and for no other purpose.

(D) Not less than 90 days before increasing any fee or charge under subparagraph (B) or (C), the Secretary shall submit to the Congress a certification that such increase is solely for the purpose specified in such subparagraph.

(E)(i) Notwithstanding subparagraphs (A) through (D), fees charged for the guarantee of, or commitment to guarantee, multiclass securities backed by a trust or pool of securities or notes guaranteed by the Association under this subsection, and other related fees shall be charged by the Association in an amount the Association deems appropriate. The Association shall take such action as may be necessary to reasonably assure that such portion of the benefit, resulting from the Association's multiclass securities program, as the Association determines is appropriate accrues to mortgagors who execute eligible mortgages after August 10, 1993.

(ii) The Association shall provide for the initial implementation of the program for which fees are charged under the first sentence of clause (i) by notice published in the Federal Register. The notice shall be effective upon publication and shall provide an opportunity for public comment. Not later than 12 months after publication of the notice, the Association shall issue regulations for such program based on the notice, comments received, and the experience of the Association in carrying out the program during such period.

(iii) The Association shall consult with persons or entities in such manner as the Association deems appropriate to ensure the efficient commencement and operation of the multiclass securities program.

(iv) No State or local law, and no Federal law (except Federal law enacted expressly in limitation of this clause after August 10, 1993) shall preclude or limit the exercise by the Association of its power to contract with persons or entities, and its rights to enforce such contracts, for the purpose of ensuring the efficient commencement and continued operation of the multiclass securities program.

§ 1723i. Civil money penalties against issuers

(a) In general

(1) Authority

Whenever an issuer or custodian approved under section 1721(g) of this title knowingly and materially violates any provisions of sub-

section (b), the Secretary of Housing and Urban Development may impose a civil money penalty on the issuer or the custodian in accordance with the provisions of this section. The penalty shall be in addition to any other available civil remedy or any available criminal penalty and may be imposed whether or not the Secretary imposes other administrative sanctions.

(2) Amount of penalty

The amount of the penalty, as determined by the Secretary, may not exceed \$5,000 for each violation, except that the maximum penalty for all violations by a particular issuer or custodian during any one-year period shall not exceed \$1,000,000. Each violation of a provision of subsection (b)(1) shall constitute a separate violation with respect to each pool of mortgages. In the case of a continuing violation, as determined by the Secretary, each day shall constitute a separate violation.

(b) Violations for which penalty may be imposed

(1) Violations

The violations by an issuer or a custodian for which the Secretary may impose a civil money penalty under subsection (a) are the following:

(A) Failure to make timely payments of principal and interest to holders of securities guaranteed under section 1721(g) of this title.

(B) Failure to segregate cash flow from pooled mortgages or to deposit either principal and interest funds or escrow funds into special accounts with a depository institution whose accounts are insured by the National Credit Union Administration or by the Federal Deposit Insurance Corporation through the Deposit Insurance Fund.

(C) Use of escrow funds for any purpose other than that for which they were received.

(D) Transfer of servicing for a pool of mortgages to an issuer not approved under this subchapter, unless expressly permitted by statute, regulation, or contract approved by the Secretary.

(E) Failure to maintain a minimum net worth in accordance with requirements prescribed by the Association;

(F) Failure to promptly notify the Association in writing of any changes that materially affect the business status of an issuer.

(G) Submission to the Association of false information in connection with any securities guaranteed, or mortgages pooled, under section 1721(g) of this title.

(H) Hiring, or retaining in employment, an officer, director, principal, or employee whose duties involve, directly or indirectly, programs administered by the Association while such person was under suspension or debarment by the Secretary.

(I) Submission to the Association of a false certification either on its own behalf or on behalf of another person or entity.

(J) Failure to comply with an agreement, certification, or condition of approval set forth on, or applicable to, the application for

approval as an issuer of securities under section 1721(g) of this title.

(K) Violation of any provisions of this subchapter or any implementing regulation, handbook, or participant letter issued under authority of this subchapter.

(2) Notification to Attorney General

Before taking action to impose a civil money penalty for a violation under paragraph (1)(G) or paragraph (1)(I), the Secretary shall inform the Attorney General of the United States.

(c) Agency procedures

(1) Establishment

The Secretary shall establish standards and procedures governing the imposition of civil money penalties under subsection (a). The standards and procedures—

(A) shall provide for the Secretary to make the determination to impose the penalty;

(B) shall provide for the imposition of a penalty only after an issuer or a custodian has been given notice of, and opportunity for, a hearing on the record; and

(C) may provide for review by the Secretary of any determination or order, or interlocutory ruling, arising from a hearing.

(2) Final orders

If no hearing is requested within 15 days of receipt of a notice of opportunity for hearing, the imposition of a penalty shall constitute a final and unappealable determination. If the Secretary reviews the determination or order, the Secretary may affirm, modify, or reverse that determination or order. If the Secretary does not review the determination or order within 90 days of the issuance of the determination or order, the determination or order shall be final.

(3) Factors in determining amount of penalty

In determining the amount of a penalty under subsection (a), consideration shall be given to such factors as the gravity of the offense, any history of prior offenses (including offenses occurring before December 15, 1989), ability to pay the penalty, injury to the public, benefits received, deterrence of future violations, and such other factors as the Secretary may determine by regulations.

(4) Reviewability of imposition of penalty

The Secretary's determination or order imposing a penalty under subsection (a) shall not be subject to review, except as provided in subsection (d).

(d) Judicial review of agency determination

(1) In general

After exhausting all administrative remedies established by the Secretary under subsection (c)(1), an issuer or a custodian against which the Secretary has imposed a civil money penalty under subsection (a) may obtain a review of the penalty and such ancillary issues as may be addressed in the notice provided under subsection (c)(1)(A) in the appropriate court of appeals of the United States,

by filing in such court, within 20 days after the entry of such order or determination, a written petition praying that the Secretary's order or determination be modified or be set aside in whole or in part.

(2) Objections not raised in hearing

A court shall not consider any objection that was not raised in the hearing conducted pursuant to subsection (c)(1) unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the court that additional evidence, which was not presented at such hearing, is material and that there were reasonable grounds for the failure to present such evidence at the hearing, the court shall remand the matter to the Secretary for consideration of such additional evidence.

(3) Scope of review

The decisions, findings, and determinations of the Secretary shall be reviewed pursuant to section 706 of title 5.

(4) Order to pay penalty

Notwithstanding any other provision of law, the court shall have the power in any such review to order payment of the penalty imposed by the Secretary.

(e) Action to collect penalty

If any issuer or custodian fails to comply with the Secretary's determination or order imposing a civil money penalty under subsection (a), after the determination or order is no longer subject to review as provided by subsections (c)(1) and (d), the Secretary may request the Attorney General of the United States to bring an action in an appropriate United States district court to obtain a monetary judgment against the issuer or custodian and such other relief as may be available. The monetary judgment may, in the discretion of the court, include any attorneys fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary's determination or order imposing the penalty shall not be subject to review.

(f) Settlement by Secretary

The Secretary may compromise, modify, or remit any civil money penalty which may be, or has been, imposed under this section.

(g) "Knowingly" defined

The term "knowingly" means having actual knowledge of or acting with deliberate ignorance of or reckless disregard for the prohibitions under this section.

(h) Regulations

The Secretary shall issue such regulations as the Secretary deems appropriate to implement this section.

(i) Deposit of penalties

The Secretary shall deposit all civil money penalties collected under this section into moneys of the Association pursuant to section 1722 of this title.

§ 1730e. Repealed. Pub. L. 96-221, title V, § 529, Mar. 31, 1980, 94 Stat. 168

Section, act June 27, 1934, ch. 847, title IV, § 412, as added Dec. 28, 1979, Pub. L. 96-161, title II, § 203, 93 Stat. 1236, provided that if the applicable rate prescribed in this section exceeded the rate an insured institution would be permitted to charge in the absence of this section, then such institution could, for a business or agricultural loan of \$25,000 or more, notwithstanding State law, take or charge on any evidence of debt, interest of not more than 5 per centum in excess of the discount rate in effect at the Federal Reserve bank in the district in which the institution was located, that the taking or charging of interest at a greater rate than that prescribed by this section, if knowingly done, would be deemed a forfeit of the entire interest on that particular evidence of debt, and that if such greater rate of interest had already been paid, the payor could recover twice the amount of such payment in a civil action commenced within two years of such payment. § 1731b. Prohibition against transient housing

(a) Intent of Congress

The Congress declares that it has been its intent since the enactment of this chapter that housing built with the aid of mortgages insured under this chapter is to be used principally for residential use; and that this intent excludes the use of such housing for transient or hotel purposes while such insurance on the mortgage remains outstanding.

(b) Exceptions to prohibition

Notwithstanding any other provisions of this chapter, no new, existing, or rehabilitated multifamily housing with respect to which a mortgage is insured under this chapter shall be operated for transient or hotel purposes unless (1) on or before May 28, 1954, the Secretary has agreed in writing to the rental of all or a portion of the accommodations in the project for transient or hotel purposes (in which case no accommodations in excess of the number so agreed to by the Secretary shall be rented on such basis), or (2) the project covered by the insured mortgage is located in an area which the Secretary determines to be a resort area, and the Secretary finds that prior to May 28, 1954, a portion of the accommodations in the project had been made available for rent for transient or hotel purposes (in which case no accommodations in excess of the number which had been made available for such use shall be rented on such basis).

(c) Certification as to use as requisite for insurance; exceptions to prohibition against insuring

Notwithstanding any other provisions of this chapter, no mortgage with respect to multifamily housing shall be insured under this chapter (except pursuant to a commitment to insure issued prior to August 2, 1954), and (except as to housing coming within the provisions of clause (1) or clause (2) of subsection (b)) no mortgage with respect to multifamily housing shall be insured for an additional term, unless (1) the mortgagor certifies under oath that while such insurance remains outstanding he will not rent, or permit the rental of, such housing or any part thereof for transient or hotel purposes, and (2) the Secretary has entered into such contract with, or purchased such stock of, the mortgagor as the Secretary deems necessary to enable him to prevent or terminate any use of such property or project for transient or hotel purposes while the mortgage insurance remains outstanding.

(d) Enforcement by Secretary

The Secretary is authorized and directed to enforce the provisions of this section by all ap-

propriate means at his disposal, as to all existing multifamily housing with respect to which a mortgage was insured under this chapter prior to August 2, 1954, as well as to all multifamily housing with respect to which a mortgage is hereafter insured under this chapter: *Provided*, That no criminal penalty shall, by reason of enactment of this section, be applicable to the rental or operation of any such existing multifamily housing in violation of any provision of subsection (b) of this section at any time prior to August 2, 1954.

(e) Definitions

As used in this section, (1) the term "rental for transient or hotel purposes" shall have such meaning as prescribed by the Secretary but rental for any period less than thirty days shall in any event constitute rental for such purposes, and (2) the term "multifamily housing" shall mean (i) a property held by a mortgagor upon which there are located five or more single family dwellings, or upon which there is located a two-, three-, or four-family dwelling, or (ii) a property or project covered by mortgage insured or to be insured under section 1713 of this title, under section 1715e of this title with respect to any property or project of a corporation or trust of the character described in paragraph (1) of subsection (a) thereof, under section 1715k of this title if the mortgage is within the provisions of paragraph (3) (B) of subsection (d) thereof, under section 1715l of this title if the mortgage is within the provisions of paragraph (3) of subsection (d) thereof, under section 1743, 1748b, or 1750g of this title, or (iii) a project with respect to which an insurance contract pursuant to subchapter VII is outstanding.

(f) Investigation after notice of violation; cease order

Promptly after receipt of written notice that any portion of any building is being rented or operated in violation of any provision of this section or of any rule or regulation lawfully issued thereunder, the Secretary shall investigate the existence of the facts alleged in the written notice and shall order such violation, if found to exist, to cease forthwith.

(g) Prosecution by Attorney General for continued violation

If such violation does not cease in accordance with such order, the Secretary shall forward the complaint to the Attorney General of the United States for prosecution of such civil or criminal action, if any, which the Attorney General may find to be involved in such violation.

(h) Judicial procedure for injunction or other order

Whenever he finds a violation of any provision of this section has occurred or is about to occur, the Attorney General shall petition the district court of the United States or the district court of any Territory or other place subject to United States jurisdiction within whose jurisdictional limits the person doing or committing the acts or practices constituting the alleged violation of this section shall be found, for an order enjoining such acts or practices, and upon a showing by the Attorney General that such acts or prac-

tices constituting such violation have been engaged in or are about to be engaged in, a permanent or temporary injunction, restraining order, or other order, with or without such injunction or restraining order, shall be granted without bond.

(i) Injunctive relief for hotel owners

Any person owning or operating a hotel within a radius of fifty miles of a place where a violation of any provision of this section has occurred or is about to occur, or any group or association of hotel owners or operators within said fifty-mile radius, at his or their sole charge or cost, may petition any district court of the United States or the district court or any Territory or other place subject to United States jurisdiction within whose jurisdictional limits the person doing or committing the acts or practices constituting the alleged violation of this section shall be found, for an order enjoining such acts or practices, and, upon a showing that such acts or practices constituting such violation have been engaged in or are about to be engaged in, a permanent or temporary injunction, restraining order, or other order, with or without such injunction or restraining order, shall be granted.

(j) Jurisdiction of district courts

The several district courts of the United States and the several district courts of the Territories of the United States or other place subject to United States jurisdiction, within whose jurisdictional limits the person doing or committing the acts or practices constituting the alleged violation shall be found, shall, where-soever such acts or practices may have been done or committed, have full power and jurisdiction to hear, try, and determine such matter under subsections (h) and (i) of this section.

PRIOR PROVISIONS

A prior section 1735f-10, act June 27, 1934, ch. 847, title V, § 532, as added Pub. L. 97-35, title III, § 339G, Aug. 13, 1981, 95 Stat. 418, which related to purchaser-broker arrangement payments for insurance purposes, was repealed by section 203(e) of Pub. L. 111-22.

§ 1735f-11. Review of mortgagee performance and authority to terminate

(a) Periodic review of mortgagee performance

To reduce losses in connection with single family mortgage insurance programs under this chapter, at least once a year the Secretary shall review the rate of early defaults and claims for insured single family mortgages originated or underwritten by each mortgagee.

(b) Comparison with other mortgagees

For each mortgagee, the Secretary shall compare the rate of early defaults and claims for insured single family mortgage loans originated or underwritten by the mortgagee in an area with the rate of early defaults and claims for other mortgagees originating or underwriting insured single family mortgage loans in the area. For purposes of this section, the term “area” means each geographic area in which the mortgagee is

authorized by the Secretary to originate insured single family mortgages.

(c) Termination of mortgagee origination approval

(1) Notwithstanding section 1708(c) of this title, the Secretary may terminate the approval of a mortgagee to originate or underwrite single family mortgages if the Secretary determines that the mortgage loans originated or underwritten by the mortgagee present an unacceptable risk to the insurance funds. The determination shall be based on the comparison required under subsection (b) and shall be made in accordance with regulations of the Secretary. The Secretary may rely on existing regulations published before this section takes effect.

(2) The Secretary shall give a mortgagee at least 60 days prior written notice of any termination under this subsection. The termination shall take effect at the end of the notice period, unless the Secretary withdraws the termination notice or extends the notice period. If requested in writing by the mortgagee within 30 days of the date of the notice, the mortgagee shall be entitled to an informal conference with the official authorized to issue termination notices on behalf of the Secretary (or a designee of that official). At the informal conference, the mortgagee may present for consideration specific factors that it believes were beyond its control and that caused the excessive default and claim rate.

In the notification, the Secretary shall require each mortgagee to submit a report, within a time determined by the Secretary, containing the mortgagee’s (1) explanation for the above normal rate of early serious defaults and claims; (2) plan for corrective action, if applicable, both with regard to (A) mortgages in default; and (B) its mortgage-processing system in general; and (3) a timeframe within which this corrective action will be begun and completed. If the Secretary does not agree with this timeframe or plan, a mutually agreeable timeframe and plan will be determined.

“(b) Failure of the mortgagee to submit a report required under subsection (a) of this section within the time determined by the Secretary or to commence or complete the plan for corrective action within the timeframe agreed upon by the Secretary may be cause for suspension of the mortgagee from participation in programs under this chapter.”

§ 1735f-15. Civil money penalties against multi-family mortgagors

(a) In general

The penalties set forth in this section shall be in addition to any other available civil remedy or any available criminal penalty, and may be imposed whether or not the Secretary imposes other administrative sanctions. The Secretary may not impose penalties under this section for violations a material cause of which are the failure of the Department, an agent of the Department, or a public housing agency to comply with existing agreements.

(b) Penalty for violation of agreement as condition of transfer of physical assets, flexible subsidy loan, capital improvement loan, modification of mortgage terms, or workout agreement

(1) Authority

Whenever a mortgagor of property that includes 5 or more living units and that has a mortgage insured, co-insured, or held pursuant to this chapter, who has agreed in writing, as a condition of a transfer of physical assets, a flexible subsidy loan, a capital improvement loan, a modification of the mortgage terms, or a workout agreement, to use nonproject income to make cash contributions for payments due under the note and mortgage, for payments to the reserve for replacements, to

restore the project to good physical condition, or to pay other project liabilities, knowingly and materially fails to comply with any of these commitments, the Secretary may impose a civil money penalty on that mortgagor, on a general partner of a partnership mortgagor, or on any officer or director of a corporate mortgagor in accordance with the provisions of this section.

(2) Amount of penalty

The amount of the penalty, as determined by the Secretary, for a violation of this subsection may not exceed the amount of the loss the Secretary would experience at a foreclosure sale, or a sale after foreclosure, of the property involved.

(c) Other violations

(1)(A) Liable parties

The Secretary may also impose a civil money penalty under this section on—

- (i) any mortgagor of a property that includes 5 or more living units and that has a mortgage insured, coinsured, or held pursuant to this chapter;

- (iii) any officer or director of a corporate mortgagor;
- (iv) any agent employed to manage the property that has an identity of interest with the mortgagor, with the general partner of a partnership mortgagor, or with any officer or director of a corporate mortgagor of such property; or

(B) Violations

A penalty may be imposed under this section upon any liable party under subparagraph (A) that knowingly and materially takes any of the following actions:

- (i) Conveyance, transfer, or encumbrance of any of the mortgaged property, or permitting the conveyance, transfer, or encumbrance of such property, without the prior written approval of the Secretary.
- (ii) Assignment, transfer, disposition, or encumbrance of any personal property of the project, including rents, other revenues, or contract rights, or paying out any funds, except for reasonable operating expenses and necessary repairs, without the prior written approval of the Secretary.
- (iii) Conveyance, assignment, or transfer of any beneficial interest in any trust holding title to the property, or the interest of any general partner in a partnership owning the property, or any right to manage or receive the rents and profits from the mortgaged property, without the prior written approval of the Secretary.
- (iv) Remodeling, adding to, reconstructing, or demolishing any part of the mortgaged property or subtracting from any real or personal property of the project, without the prior written approval of the Secretary.

(v) Requiring, as a condition of the occupancy or leasing of any unit in the project, any consideration or deposit other than the prepayment of the first month's rent, plus a security deposit in an amount not in excess of 1 month's rent, to guarantee the performance of the covenants of the lease.

(vi) Not holding any funds collected as security deposits separate and apart from all other funds of the project in a trust account, the amount of which at all times equals or exceeds the aggregate of all outstanding obligations under the account.

(vii) Payment for services, supplies, or materials which exceeds \$500 and substantially exceeds the amount ordinarily paid for such services, supplies, or materials in the area where the services are rendered or the supplies or materials furnished.

(viii) Failure to maintain at any time the mortgaged property, equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents, and other related papers (including failure to keep copies of all written contracts or other instruments which affect the mortgaged property) in reasonable condition for proper audit and for examination and inspection at any reasonable time by the Secretary or any duly authorized agents of the Secretary.

(ix) Failure to maintain the books and accounts of the operations of the mortgaged property and of the project in accordance with requirements prescribed by the Secretary.

(x) Failure to furnish the Secretary, by the expiration of the 90-day period beginning on the first day after the completion of each fiscal year (unless the Secretary has approved an extension of the 90-day period in writing), with a complete annual financial report, in accordance with requirements prescribed by the Secretary, including requirements that the report be—

- (I) based upon an examination of the books and records of the mortgagor;
- (II) prepared and certified to by an independent public accountant or a certified public accountant (unless the Secretary has waived this requirement in writing); and
- (III) certified to by the mortgagor or an authorized representative of the mortgagor.

The Secretary shall approve an extension where the mortgagor demonstrates that failure to comply with this clause is due to events beyond the control of the mortgagor.

(xi) At the request of the Secretary, the agents of the Secretary, the employees of the Secretary, or the attorneys of the Secretary, failure to furnish monthly occupancy reports or failure to provide specific answers to questions upon which information is sought relative to income, assets, liabilities, contracts, the operation and condition of the property, or the status of the mortgage.

(xii) Failure to make promptly all payments due under the note and mortgage, including mortgage insurance premiums, tax and insurance escrow payments, and pay-

ments to the reserve for replacements when there is adequate project income available to make such payments.

(xiii) Failure to maintain the premises, accommodations, any living unit in the project, and the grounds and equipment appurtenant thereto in good repair and condition in accordance with regulations and requirements of the Secretary, except that nothing in this clause shall have the effect of altering the provisions of an existing regulatory agreement or federally insured mortgage on the property.

(xiv) Failure, by a mortgagor, a general partner of a partnership mortgagor, or an officer or director of a corporate mortgagor, to provide management for the project that is acceptable to the Secretary pursuant to regulations and requirements of the Secretary.

(xv) Failure to provide access to the books, records, and accounts related to the operations of the mortgaged property and of the project.

The pay out of surplus cash, as defined by and provided for in the regulatory agreement, shall not constitute a violation of this subsection.

(2) Amount of penalty

A penalty imposed for a violation under this subsection, as determined by the Secretary, may not exceed \$25,000.

(d) Agency procedures

(1) Establishment

The Secretary shall establish standards and procedures governing the imposition of civil money penalties under subsections (b) and (c). These standards and procedures—

(A) shall provide for the Secretary or other department official (such as the Assistant Secretary for Housing) to make the determination to impose a penalty;

(B) shall provide for the imposition of a penalty only after the mortgagor, general partner of a partnership mortgagor, officer or director of a corporate mortgagor, or identity of interest agent employed to manage the property has been given an opportunity for a hearing on the record; and

(C) may provide for review by the Secretary of any determination or order, or interlocutory ruling, arising from a hearing.

(2) Final orders

If no hearing is requested within 15 days of receipt of the notice of opportunity for hearing, the imposition of the penalty shall constitute a final and unappealable determination. If the Secretary reviews the determination or order, the Secretary may affirm, modify, or reverse that determination or order. If the Secretary does not review the determination or order within 90 days of the issuance of the determination or order, the determination or order shall be final.

(3) Factors in determining amount of penalty

In determining the amount of a penalty under subsection (b) or (c), consideration shall be given to such factors as the gravity of the offense, any history of prior offenses (includ-

ing offenses occurring before December 15, 1989), ability to pay the penalty, injury to the tenants, injury to the public, benefits received, deterrence of future violations, and such other factors as the Secretary may determine in regulations to be appropriate.

(4) Reviewability of imposition of penalty

The Secretary's determination or order imposing a penalty under subsection (b) or (c) shall not be subject to review, except as provided in subsection (e).

(5) Payment of penalty

No payment of a civil money penalty levied under this section shall be payable out of project income.

(e) Judicial review of agency determination

(1) In general

After exhausting all administrative remedies established by the Secretary under subsection (d)(1), an entity or person against whom the Secretary has imposed a civil money penalty under subsection (b) or (c) may obtain a review of the penalty and such ancillary issues as may be addressed in the notice of determination to impose a penalty under subsection (d)(1)(A) in the appropriate court of appeals of the United States, by filing in such court, within 20 days after the entry of such order or determination, a written petition praying that the Secretary's order or determination be modified or be set aside in whole or in part.

(2) Objections not raised in hearing

The court shall not consider any objection that was not raised in the hearing conducted pursuant to subsection (d)(1) unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the court that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at the hearing, the court shall remand the matter to the Secretary for consideration of such additional evidence.

(3) Scope of review

The decisions, findings, and determinations of the Secretary shall be reviewed pursuant to section 706 of title 5.

(4) Order to pay penalty

Notwithstanding any other provision of law, in any such review, the court shall have the power to order payment of the penalty imposed by the Secretary.

(f) Civil money penalties against multifamily mortgagors, general partners of partnership mortgagors, officers and directors of corporate mortgagors, and certain managing agents

If a mortgagor, general partner of a partnership mortgagor, officer or director of a corporate mortgagor, or identity of interest agent employed to manage the property fails to comply with the Secretary's determination or order imposing a civil money penalty under sub-

section (b) or (c), after the determination or order is no longer subject to review as provided by subsections (d)(1) and (e), the Secretary may request the Attorney General of the United States to bring an action in an appropriate United States district court to obtain a monetary judgment against the mortgagor, general partner of a partnership mortgagor, officer or director of a corporate mortgagor, or identity of interest agent employed to manage the property and such other relief as may be available. The monetary judgment may, in the court's discretion, include the attorneys fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary's determination or order imposing the penalty shall not be subject to review.

(g) Settlement by Secretary

The Secretary may compromise, modify, or remit any civil money penalty which may be, or has been, imposed under this section.

(h) "Knowingly" defined

The term "knowingly" means having actual knowledge of or acting with deliberate ignorance of or reckless disregard for the prohibitions under this section.

(i) Regulations

The Secretary shall issue such regulations as the Secretary deems appropriate to implement this section.

(j) Deposit of penalties in insurance funds

Notwithstanding any other provision of law, all civil money penalties collected under this section shall be deposited in the fund established under section 1715z-1a(j) of this title.

(k) Identity of interest managing agent

In this section, the terms "agent employed to manage the property that has an identity of interest" and "identity of interest agent" mean an agent—

§ 1735g. Mortgage relief for homeowners who are unemployed as result of closing of Federal installation

(a) Definitions

For the purposes of this section—

(1) The term “mortgage” means a mortgage which (A) is insured under the National Housing Act [12 U.S.C. 1701 et seq.], or (B) secures a home loan guaranteed or insured under the Servicemen’s Readjustment Act of 1944 or chapter 37 of title 38.

(2) The term “Federal mortgage agency” means—

(A) The Secretary of Housing and Urban Development when used in connection with mortgages insured under the National Housing Act, and

(B) the Secretary of Veterans Affairs when used in connection with mortgages securing home loans guaranteed or insured under the Servicemen’s Readjustment Act of 1944 or chapter 37 of title 38.

(3) The term “distressed mortgagor” means an individual who—

(A) was employed by the Federal Government at, or was assigned as a serviceman to, a military base or other Federal installation and whose employment or service at such base or installation was terminated subsequent to November 1, 1964, as the result of the closing (in whole or in part) of such base or installation; and

(B) is the owner-occupant of a dwelling situated at or near such base or installation and upon which there is a mortgage securing a loan which is in default because of the inability of such individual to make payments due under such mortgage.

(b) Application for, issuance and expiration of certificate of moratorium

(1) Any distressed mortgagor, for the purpose of avoiding foreclosure of his mortgage, may apply to the appropriate Federal mortgage agency for a determination that suspension of his obligation to make payments due under such mortgage during a temporary period is necessary in order to avoid such foreclosure.

(2) Upon receipt of an application made under this subsection by a distressed mortgagor, the Federal mortgage agency shall issue to such mortgagor a certificate of moratorium if it determines, after consultation with the interested mortgagee, that such action is necessary to avoid foreclosure.

(3) Prior to the issuance to any distressed mortgagor of a certificate of moratorium under paragraph (2), the Federal mortgage agency, the mortgagor, and the mortgagee shall enter into a binding agreement under which—

(A) the mortgagor will be required to make payments to such agency, after the expiration of such certificate, in an aggregate amount equal to the amount paid by such agency on behalf of such mortgagor as provided in subsection (c), together with interest thereon at a rate not to exceed the rate provided in the mortgage; the manner and time in which such payments shall be made to be determined by the Federal mortgage agency having due re-

gard for the purposes sought to be achieved by this section; and

(B) the Federal mortgage agency will be subrogated to the rights of the mortgagee to the extent of payments made pursuant to such certificate, which rights, however, shall be subject to the prior right of the mortgagee to receive the full amount payable under the mortgage.

(4) Any certificate of moratorium issued under this subsection shall expire on whichever of the following dates is the earliest—

(A) two years from the date on which such certificate was issued;

(B) thirty days after the date on which the mortgagor gives notice in writing to the Federal mortgage agency that he is able to resume his obligation to make payments due under his mortgage; or

(C) thirty days after the date on which the Federal mortgage agency determines that the mortgagor to whom such certificate was issued has ceased to be a distressed mortgagor as defined in subsection (a)(3).

(c) Notice to mortgagee of assumption of mortgagor's obligation by agency; amount of payments; suspension of payments by mortgagor; prohibition against further action to enforce or collect payments; liability of mortgagor upon expiration of certificate; notice of expiration of certificate

(1) Whenever a Federal mortgage agency issues a certificate of moratorium to any distressed mortgagor with respect to any mortgage, it shall transmit to the mortgagee a copy of such certificate, together with a notice stating that, while such certificate is in effect, such agency will assume the obligation of such mortgagor to make payments due under the mortgage.

(2) Payments made by any Federal mortgage agency pursuant to a certificate of moratorium issued under this section with respect to the mortgage of any distressed mortgagor may include, in addition to the payments referred to in paragraph (1), an amount equal to the unpaid payments under such mortgage prior to the issuance of such certificate, plus a reasonable allowance for foreclosure costs actually paid by the mortgagee if a foreclosure action was dismissed as a result of the issuance of a moratorium certificate. Payments by the Federal mortgage agency may also include payments of taxes and insurance premiums on the mortgaged property as deemed necessary when these items are not provided for through payments to a tax and insurance account held by the interested mortgagee.

(3) While any certificate of moratorium issued under this section is in effect with respect to the mortgage of any distressed mortgagor, no further payments due under the mortgage shall be required of such mortgagor, and no action (legal or otherwise) shall be taken or maintained by the mortgagee to enforce or collect such payments. Upon the expiration of such certificate, the mortgagor shall again be liable for the payment of all amounts due under the mortgage in accordance with its terms.

(4) Each Federal mortgage agency shall give prompt notice in writing to the interested mort-

gagor and mortgagee of the expiration of any certificate of moratorium issued by it under this section.

(d) Regulations

The Federal mortgage agencies are authorized to issue such individual and joint regulations as may be necessary to carry out this section and to insure the uniform administration thereof.

(e) Fund for extending financial assistance to distressed mortgagors

There shall be in the Treasury (1) a fund which shall be available to the Secretary of Housing and Urban Development for the purpose of extending financial assistance in behalf of distressed mortgagors as provided in subsection (c) and for paying administrative expenses incurred in connection with such assistance, and (2) a fund which shall be available to the Secretary of Veterans Affairs for the same purpose, except administrative expenses. The capital of each such fund shall consist of such sums as may, from time to time, be appropriated thereto, and any sums so appropriated shall remain available until expended. Receipts arising from the programs of assistance under subsection (c) shall be credited to the funds from which such assistance was extended. Moneys in either of such funds not needed for current operations, as determined by the Secretary of Housing and Urban Development, or the Secretary of Veterans Affairs, as the case may be, shall be invested in bonds or other obligations of the United States, or paid into the Treasury as miscellaneous receipts.

§ 1738. Insurance of mortgages

(a) Relief of housing shortage; eligibility; limitations on time and amount

In order to assist in relieving the acute shortage of housing which now exists and to increase the supply of housing accommodations available to veterans of World War II at prices within their reasonable ability to pay, the Secretary is authorized, upon application by the mortgagee, to insure as hereinafter provided any mortgage which is eligible for insurance as hereinafter provided, and, upon such terms as the Secretary may prescribe, to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon: *Provided*, That the aggregate amount of principal obligations of all mortgages insured under this subchapter shall not exceed \$6,150,000,000 except that with the approval of the President such aggregate amount may be increased to not to exceed \$6,650,000,000: *Provided further*, That no mortgage shall be insured under this section after April 30, 1948, except (A) pursuant to a commitment to insure issued on or before April 30, 1948, or (B) a mortgage given to refinance an existing mortgage insured under this section and which does not exceed the original principal amount and unexpired term of such existing mortgage, and no mortgage shall be insured under section 1743 of this title after March 1, 1950, except (i) pursuant to a commitment to insure issued on or before March 1, 1950, or (ii) a mortgage given to refinance an existing mortgage insured under section 1743 of this title and which does not exceed the original principal amount and unexpired term of such existing mortgage: *Provided further*, That no mortgage shall be insured under section 1743 of this title unless the mortgagor certifies under oath that in selecting tenants for the property covered by the mortgage he will not discriminate against any family by reason of the fact that there are children in the family, and that he will not sell the property while the insurance is in effect unless the purchaser so certifies, such certifications to be filed with the Secretary; and violation of any such certification shall be a misdemeanor punishable by a fine of not to exceed \$500: *And provided further*, That the Secretary shall, in his discretion, have power to require the availability for rental purposes of properties covered by mortgages insured under this subchapter, in such instances and for such periods of time as he may prescribe.

Notwithstanding the first proviso of this subsection, mortgages may be insured under sections 1744 and 1746 of this title if the aggregate amounts of principal obligations of mortgages insured under said sections plus the aggregate amount of principal obligations of mortgages insured under section 1745 of this title do not exceed the limitation contained in said section 1745 upon the aggregate amount of principal ob-

ligations of mortgages insured pursuant to said section.

Notwithstanding the second proviso of this subsection, mortgages otherwise eligible for insurance under section 1743 of this title may be hereafter insured thereunder if the application for such insurance was received by the Department of Housing and Urban Development on or before March 1, 1950, and for such purpose the aggregate amount of principal obligations authorized to be insured under section 1743 of this title is increased by not to exceed \$500,000,000.

(b) Eligibility requirements

To be eligible for insurance under this section a mortgage shall—

(1) have been made to, and be held by, a mortgagee approved by the Secretary as responsible and able to service the mortgage properly;

(2) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed 90 per centum of the Secretary's estimate of the value (as of the date the mortgage is accepted for insurance), except that as to applications received by the Secretary on or before March 31, 1948, the mortgage may involve a principal obligation in an amount not to exceed 90 per centum of the Secretary's estimate of the necessary current cost (including the land and such initial service charges and such appraisal, inspection, and other fees as the Secretary shall approve); of a property, urban, suburban, or rural, upon which there is located a dwelling designed principally for residential use for not more than four families in the aggregate, which is approved for mortgage insurance prior to the beginning of construction. The principal obligation of such mortgage shall in no event, however, exceed—

(A) \$5,400 if such dwelling is designed for a single-family residence, or

(B) \$7,500 if such dwelling is designed for a two-family residence, or

(C) \$9,500 if such dwelling is designed for a three-family residence, or

(D) \$12,000 if such dwelling is designed for a four-family residence:

Provided, That the Secretary may, if he finds that at any time or in any particular geographical area it is not feasible, within such limitations of maximum mortgage amounts, to construct dwellings without sacrifice of sound standards of construction, design, or livability, prescribe by regulation or otherwise higher maximum mortgage amounts not to exceed—

(A) \$8,100 if such dwelling is designed for a single-family residence, or

(B) \$12,500 if such dwelling is designed for a two-family residence, or

(C) \$15,750 if such dwelling is designed for a three-family residence, or

(D) \$18,000 if such dwelling is designed for a four-family residence.

(3) have a maturity satisfactory to the Secretary but not to exceed twenty-five years from the date of the insurance of the mortgage;

(4) contain complete amortization provisions satisfactory to the Secretary;

(5) bear interest (exclusive of premium charges for insurance) at not to exceed 4 per centum per annum on the amount of the principal obligation outstanding at any time;

(6) provide, in a manner satisfactory to the Secretary, for the application of the mortgagor's periodic payments (exclusive of the amount allocated to interest and to the premium charge which is required for mortgage insurance as herein provided) to amortization of the principal of the mortgage; and

(7) contain such terms and provisions with respect to insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in his discretion prescribe.

(c) Premium charges; payments; acceptance for insurance; preferences; adjustments and refunds

The Secretary is authorized to fix a premium charge for the insurance of mortgages under this subchapter but in the case of any mortgage such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to 1½ per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the mortgagee, either in cash, or in debentures issued by the Secretary under this subchapter at par plus accrued interest, in such manner as may be prescribed by the Secretary: *Provided*, That the Secretary may require the payment of one or more such premium charges at the time the mortgage is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the mortgage. If the Secretary finds, upon the presentation of a mortgage for insurance and the tender of the initial premium charge and such other charges as the Secretary may require, that the mortgage complies with the provisions of this subchapter, such mortgage may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe; but no mortgage shall be accepted for insurance under this subchapter unless the Secretary finds that the project with respect to which the mortgage is executed is an acceptable risk in view of the shortage of housing referred to in this section. In the event that the principal obligation of any mortgage accepted for insurance under this subchapter is paid in full prior to the maturity date, the Secretary is further authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured under this subchapter until such maturity date; and in the event that the principal obligation is paid in full as herein set forth, the Secretary is authorized to refund to the mortgagee for the account of

the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid. The Secretary shall prescribe such procedures as in his judgment are necessary to secure to veterans of World War II, and their immediate families, and to hardship cases as defined by the Secretary, preference or priority of opportunity to purchase or rent properties covered by mortgages insured under this subchapter.

(d) Conclusiveness of insurance contract as to eligibility

Any contract of insurance heretofore or hereafter executed by the Secretary under this subchapter shall be conclusive evidence of the eligibility of the mortgage for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee.

EFFECTIVE DATE OF 1949 AMENDMENT

Amendment by act July 15, 1949, effective June 30, 1949, see section 202 of that act, set out as a note under section 1703 of this title.

INFLATION SAFEGUARDS

Act Dec. 27, 1947, ch. 525, §2, 61 Stat. 945, provided: "Title VI of the National Housing Act, as amended [this subchapter], shall be employed to assist in maintaining a high volume of new residential construction without supporting unnecessary or artificial costs. In estimating necessary current cost for the purposes of said title, the Federal Housing Commissioner shall therefore use every feasible means to assure that such estimates will approximate as closely as possible the actual costs of efficient building operations."

§ 1739. Mortgage insurance benefits

(a) Conveyance and assignment by mortgagee after foreclosure; debentures and certificates of claim; cost of foreclosure

In any case in which the mortgagee under a mortgage insured under section 1738 of this title shall have foreclosed and taken possession of the mortgaged property, in accordance with regulations of, and within a period to be determined by, the Secretary, or shall, with the consent of the Secretary, have otherwise acquired such property from the mortgagor after default, the mortgagee shall be entitled to receive the benefit of the insurance as hereinafter provided, upon (1) the prompt conveyance to the Secretary of title to the property which meets the requirements of rules and regulations of the Secretary in force at the time the mortgage was insured, and which is evidenced in the manner prescribed by such rules and regulations; and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims as may have been released with the consent of the Secretary. Upon such conveyance and assignment the obligation of the mortgagee to pay the premium charges for insurance shall cease and the Secretary shall, subject to the cash adjustment hereinafter provided, issue to the mortgagee debentures having a total face value equal to the value of the mortgage and a certificate of claim, as hereinafter provided. For the purposes of this subsection, the value of the mortgage shall be determined, in accordance with rules and regulations prescribed by the Secretary, by adding to the amount of the original principal obligation of the mortgage which was unpaid on the date of the institution of foreclosure proceedings, or on the date of the acquisition of the property after default other than by foreclosure, the amount of all payments which have been made by the mortgagee for taxes, ground rents, and water rates, which are liens prior to the mortgage, special assessments which are noted on the application for insurance or which become liens after the insurance of the mortgage, insurance of the mortgaged property, and any mortgage insurance premiums and by deducting from such total amount any amount received on account of the mortgage after either of such dates, and any amount received as rent or other income from the property, less reasonable expenses incurred in handling the property, after either of such dates: *Provided*, That with respect to mortgages which are foreclosed before there shall have been paid on account of the principal obligation of the mortgage a sum equal to 10 per centum of the appraised value of the property as of the date the mortgage was accepted for insurance, there may be included in the debentures issued by the Secretary, on account of the cost of foreclosure (or of acquiring the property by other means) actually paid by the mortgagee and approved by the Secretary an amount—

(1) not in excess of 2 per centum of the unpaid principal of the mortgage as of the date of the institution of foreclosure proceedings and not in excess of \$75; or

(2) not in excess of two-thirds of such cost, whichever is the greater: *Provided further*,

That with respect to any debentures issued on or after September 2, 1964, the Secretary may, with the consent of the mortgagee (in lieu of issuing a certificate of claim as provided in subsection (e)), include in debentures, in addition to amounts otherwise allowed for such costs, an amount not to exceed one-third of the total foreclosure, acquisition, and conveyance costs actually paid by the mortgagee and approved by the Secretary, but in no event may the total allowance for such costs exceed the amount actually paid by the mortgagee: *And provided further*, That with respect to mortgages to which the provisions of sections 302 and 306 of the Soldiers' and Sailors' Civil Relief Act of 1940,¹ as now or hereafter amended, apply and which are insured under section 1738 of this title and subject to such regulations and conditions as the Secretary may prescribe, there shall be included in the debentures an amount which the Secretary finds to be sufficient to compensate the mortgagee for any loss which it may have sustained on account of interest on debentures and the payment of insurance premiums by reason of its having postponed the institution of foreclosure proceedings or the acquisition of the property by other means during any part or all of the period of such military service and three months thereafter.

(b) Consent to release of mortgagee or property

The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage: *Provided*, That the mortgagor shall not be released from such liability in any case until the Secretary is satisfied that the mortgaged property has been sold to a purchaser satisfactory to the Secretary, and that such purchaser has paid on account of the purchase price, in cash or its equivalent, at least 10 per centum of the Secretary's estimate of the value as of the date the mortgage is accepted for insurance.

(c) Debentures; form and denomination

Debentures issued under this subchapter shall be in such form and denominations in multiples of \$50, shall be subject to such terms and conditions, and shall include such provisions for redemption, if any, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury, and may be in coupon or registered form. Any difference between the value of the mortgage determined as herein provided and the aggregate face value of the debentures issued, not to exceed \$350, shall be adjusted by the payment of cash by the Secretary to the mortgagee from the General Insurance Fund.

(d) Debentures; execution; negotiability; terms; tax exemptions

The debenture issued under this section to any mortgagee shall be executed in the name of the General Insurance Fund as obligor, shall be signed by the Secretary by either his written or

engraved signature, and shall be negotiable. All such debentures shall be dated as of the date foreclosure proceedings were instituted, or the property was otherwise acquired by the mortgagee after default, except that debentures issued pursuant to claims for insurance filed on or after September 2, 1964, shall be dated as of the date of default or as of such later date as the Secretary, in his discretion, may establish by regulation. The debentures shall bear interest from such date at a rate determined by the Secretary, with the approval of the Secretary of the Treasury, at the time the mortgage was accepted for insurance, but not to exceed 3 per centum per annum, payable semiannually on the 1st day of January and the 1st day of July of each year. Such debentures as are issued in exchange for property covered by mortgages accepted for insurance under this section on or after May 26, 1942, shall mature ten years after the date thereof. Such debentures as are issued in exchange for property covered by mortgages accepted for insurance under this section prior to May 26, 1942, shall mature three years after the 1st day of July following the maturity date of the mortgage on the property in exchange for which the debentures were issued: *Provided*, That any mortgagee entitled to receive such debentures may elect to receive in lieu thereof debentures which shall mature ten years after the date thereof. Such debentures shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by any Territory, dependency, or possession of the United States, or by the District of Columbia, or by any State, county, municipality, or local taxing authority, and shall be paid out of the General Insurance Fund, which shall be primarily liable therefor, and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and such guaranty shall be expressed on the face of the debentures. In the event that the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures issued under this subchapter, the Secretary of the Treasury shall pay to the holders the amount thereof which is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, and thereupon to the extent of the amount so paid the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures.

(e) Certificate of claim

The certificate of claim issued by the Secretary to any mortgagee shall be for an amount which the Secretary determines to be sufficient, when added to the face value of the debentures issued and the cash adjustment paid to the mortgagee, to equal the amount which the mortgagee would have received if, at the time of the conveyance to the Secretary of the property covered by the mortgage, the mortgagor had redeemed the property and paid in full all obligations under the mortgage and a reasonable amount for necessary expenses incurred by the mortgagee in connection with the foreclosure proceedings, or the acquisition of the mortgaged property otherwise, and the conveyance thereof to the Secretary. Each such certificate of claim

¹ See References in Text note below.

shall provide that there shall accrue to the holder of such certificate with respect to the face amount of such certificate, an increment at the rate of 3 per centum per annum which shall not be compounded. The amount to which the holder of any such certificate shall be entitled shall be determined as provided in subsection (f).

(f) Division of excess proceeds

(1) If, after deducting (in such manner and amount as the Secretary shall determine to be equitable and in accordance with sound accounting practice) the expenses incurred by the Secretary, the net amount realized from any property conveyed to the Secretary under this section and the claims assigned therewith exceed the face value of the debentures issued and the cash paid in exchange for such property plus all interest paid on such debentures, such excess shall be divided as follows:

(i) If such excess is greater than the total amount payable under the certificate of claim issued in connection with such property, the Secretary shall pay to the holder of such certificate the full amount so payable, and any excess remaining thereafter shall be paid to the mortgagor of such property: *Provided*, That on and after September 2, 1964, any excess remaining after payment to the holder of the full amount of the certificate of claim shall be retained by the Secretary and credited to the General Insurance Fund; and

(ii) If such excess is equal to or less than the total amount payable under such certificate of claim, the Secretary shall pay to the holder of such certificate the full amount of such excess.

(2) Notwithstanding any other provisions of this section, the Secretary is authorized, with the consent of the mortgagee or mortgagor, as the case may be, to effect the settlement of certificates of claim and refunds at any time after the sale or transfer of title to the property conveyed to the Secretary under this section and without awaiting the final liquidation of such property for the purpose of determining the net amount to be realized therefrom: *Provided*, That the settlement authority created by the Housing Amendments of 1955 shall be terminated with respect to any certificate of claim outstanding as of September 2, 1964.

(3) With the consent of the holder thereof, the Secretary is authorized to settle, without awaiting the final liquidation of the Secretary's interest in the property, any certificate of claim issued pursuant to subsection (e), with respect to which a settlement had not been effected prior to September 2, 1964, by making payment in cash to the holder thereof of such amount, not exceeding the face amount of the certificate of claim, together with the accrued interest increment thereon, as the Secretary may consider appropriate: *Provided*, That in any case where the certificate of claim is settled in accordance with the provisions of this paragraph, any amounts realized after September 2, 1964, in the liquidation of the Secretary's interest in the property, shall be retained by the Secretary and credited to the applicable insurance fund.

(g) Handling and disposal of property; settlement of claims

Notwithstanding any other provision of law relating to the acquisition, handling, or disposal of real property by the United States, the Secretary shall have power to deal with, complete, rent, renovate, modernize, insure, make contracts or establish suitable agencies for the management of, or sell for cash or credit, in his discretion, any properties conveyed to him in exchange for debentures and certificates of claim as provided in this subchapter; and notwithstanding any other provision of law, the Secretary shall also have power to pursue to final collection, by way of compromise or otherwise, all claims against mortgagees assigned by mortgagees to the Secretary as provided in this subchapter, except that no suit or action shall be commenced by the Secretary against any such mortgagor on account of any claim so assigned with respect to mortgages insured under section 1738 of this title unless such suit or action is commenced within six months after the assignment of such claim to the Secretary, or within six months after the last payment was made to the Secretary with respect to the claim so assigned, whichever is later: *Provided*, That section 6101 of title 41 shall not be construed to apply to any contract for hazard insurance, or to any purchase or contract for services or supplies on account of such property if the amount thereof does not exceed \$1,000. The power to convey and to execute in the name of the Secretary deeds of conveyances, deeds of release, assignments, and satisfactions of mortgages, and any other written instrument relating to real property or any interest therein heretofore or hereafter acquired by the Secretary pursuant to the provisions of this chapter, may be exercised by an officer appointed by him, without the execution of any express delegation of power or power of attorney: *Provided*, That nothing in this subsection shall be construed to prevent the Secretary from delegating such power by order or by power of attorney in his discretion, to any officer, agent, or employee he may appoint.

(h) Mortgagor's or mortgagee's interest in property or claim conveyed

No mortgagee or mortgagor shall have and no certificate of claim shall be construed to give to any mortgagee or mortgagor, any right or interest in any property conveyed to the Secretary or in any claim assigned to him; nor shall the Secretary owe any duty to any mortgagee or mortgagor with respect to the handling or disposal of any such property or the collection of any such claim.

(c) Payments; default; insurance benefits for mortgagee; value of mortgage; foreclosure of mortgage

The failure of the mortgagor to make any payment due under or provided to be paid by the terms of a mortgage insured under this section shall be considered a default under such mortgage, and if such default continues for a period of thirty days, the mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided, upon assignment, transfer, and delivery to the Secretary, within a period and in accordance with rules and regulations to be prescribed by the Secretary of (1) all rights and interests arising under the mortgage so in default; (2) all claims of the mortgagee against the mortgagors or others, arising out of the mortgage transaction; (3) all policies of title or other insurance or surety bonds or other guaranties and any and all claims thereunder; (4) any balance of the mortgage loan not advanced to the mortgagor; (5) any cash or property held by the mortgagee, or to which it is entitled, as deposits made for the account of the mortgagor and which have not been applied in reduction of the principal of the mortgage indebtedness; and (6) all records, documents, books, papers, and accounts relating to the mortgage transaction. Upon such assignment, transfer, and delivery the obligation of the mortgagee to pay the premium charges for mortgage insurance shall cease, and the Secretary shall, subject to the cash adjustment provided for in section 1739(c) of this title, issue to the mortgagee debentures having a total face value equal to the value of the mortgage, and a certificate of claim as hereinafter provided. from the mortgagor after default, and receive the benefits of the insurance as herein provided, upon (1) the prompt conveyance to the Secretary of title to the property which meets the requirements of the rules and regulations of the Secretary in force at the time the mortgage was insured, and which is evidenced in the manner prescribed by such rules and regulations; and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims that may have been released with the consent of the Secretary. Upon such conveyance and assignment, the obligation of the mortgagee to pay the premium charges for insurance shall cease and the mortgagee shall be entitled to receive the benefits of the insurance as provided in this subsection, except that in such event the 1 per centum deduction, set out in (i) hereof, shall not apply.

(a) Relief of housing shortage; advances

In order to assist in relieving the acute shortage of housing which now exists and to promote the production of housing for veterans of World War II at moderate prices or rentals within their reasonable ability to pay, through the application of modern industrial processes, the Secretary is authorized to insure loans to finance the manufacture of housing (including advances on such loans) when such loans are eligible for insurance as hereinafter provided.

(b) Eligibility requirements

Loans for the manufacture of houses shall be eligible for insurance under this section if at the time of such insurance, the Secretary determines they meet the following conditions:

(1) The manufacturer shall establish that binding purchase contracts have been executed satisfactory to the Secretary providing for the purchase and delivery of the houses to be manufactured, which contracts shall provide for

the payment of the purchase price at such time as may be agreed to by the parties thereto, but, in no event, shall the purchase price be payable on a date in excess of thirty days after the date of delivery of such houses, unless not less than 20 per centum of such purchase price is paid on or before the date of delivery and the lender has accepted and discounted or has agreed to accept and discount, pursuant to subsection (i) of this section a promissory note or notes, executed by the purchaser, representing the unpaid portion of such purchase price, in which event such unpaid portion of the purchase price may be payable on a date not in excess of one hundred and eighty days from the date of delivery of such houses;

(2) Such houses to be manufactured shall meet such requirements of sound quality, durability, livability, and safety as may be prescribed by the Secretary;

(3) The borrower shall establish to the satisfaction of the Secretary that he has or will have adequate plant facilities, sufficient capital funds, taking into account the loan applied for, and the experience necessary, to achieve the required production schedule;

(4) The loan shall involve a principal obligation in an amount not to exceed 90 per centum of the amount which the Secretary estimates will be the necessary current cost, exclusive of profit, of manufacturing the houses, which are the subject of such purchase contracts assigned to secure the loan, less any sums paid by the purchaser under said purchase contracts prior to the assignment thereof. The loan shall be secured by an assignment of the aforesaid purchase contracts and of all sums payable thereunder on or after the date of such assignment, with the right in the assignee to proceed against such security in case of default as provided in the assignment, which assignment shall be in such form and contain such terms and conditions, as may be prescribed by the Secretary; and the Secretary may require such other agreements and undertakings to further secure the loan as he may determine, including the right, in case of default or at any time necessary to protect the lender, to compel delivery to the lender of any houses then owned and in the possession of the borrower. The loan shall have a maturity not in excess of one year from the date of the note, except that any such loan may be refinanced and extended in accordance with such terms and conditions as the Secretary may prescribe for an additional term not to exceed one year, and shall bear interest (exclusive of premium charges for insurance) at not to exceed 4 per centum per annum on the amount of the principal obligation outstanding at any time.

(d) Payments; default; insurance benefits for mortgagee; prerequisites; value of mortgage

The failure of the borrower to make any payment due under or provided to be paid by the

terms of a loan under this section, or the failure to perform any other covenant or obligation contained in any assignment, agreement, or undertaking executed by the borrower in connection with such loan, shall be considered as a default under this section, and if such default continues for a period of thirty days, the lender shall be entitled to receive the benefits of the insurance hereinafter provided upon assignment, transfer, and delivery to the Secretary within a period and in accordance with the rules and regulations prescribed by the Secretary of (1) all rights and interest arising with respect to the loan so in default; (2) all claims of the lender against the borrower or others arising out of the loan transaction; (3) any cash or property held by the lender, or to which it is entitled, as deposits made for the account of the borrower and which have not been applied in reduction of the principal of the loan; and (4) all records, documents, books, papers, and accounts relating to the loan transaction. ferred to the Attorney General for suit or collection.

(1) In addition to the insurance of the principal loan to finance the manufacture of housing, as provided in this section, and in order to provide short-term financing in the sale of houses to be delivered pursuant to the purchase contract or contracts assigned as security for such principal loan, the Secretary is authorized, under such terms and conditions and subject to such limitations as he may prescribe, to insure the lender against any losses it may sustain resulting from the acceptance and discount of a promissory note or notes executed by a purchaser of any such houses representing an unpaid portion of the purchase price of any such houses. No such promissory note or notes accepted and discounted by the lender pursuant to this subsection shall involve a principal obligation in excess of 80 per centum of the purchase price of the manufactured house or houses; have a maturity in excess of one hundred and eighty days from the date of the note or bear interest in excess of 4 per centum per annum; nor may the principal amount of such promissory notes, with respect to any individual principal loan, outstanding and unpaid at any one time, exceed in the aggregate an amount prescribed by the Secretary.

(2) The Secretary is authorized to include in any contract of insurance executed by him with respect to the insurance of a loan to finance the manufacture of houses, provisions to effectuate the insurance against any such losses under this subsection.

(3) The failure of the purchaser to make any payment due under or provided to be paid by the terms of any note or notes executed by the purchaser and accepted and discounted by the lender under the provisions of this subsection, shall be considered as a default under this subsection, and if such default continues for a period of thirty days, the lender shall be entitled to receive the benefits of the insurance, as provided in subsection (d) of this section except that debentures issued pursuant to this subsection shall have a face value equal to the unpaid principal balance of the loan plus interest at the rate of 4 per centum per annum from the date of default to the

(A) not to exceed 85 per centum of the amount which the Secretary estimates will be the value of the completed property or project, exclusive of any plant of the character described in paragraph (2) of this subsection located thereon, and

(B) not to exceed a sum computed on the individual dwellings comprising the total project as follows: \$5,950 or 85 per centum of the valuation, whichever is the lower amount, with respect to each single-family dwelling: *Provided*, That if the Secretary finds that it is not feasible, within the dollar amount limitation in this clause on the principal obligation of the mortgage, to construct dwellings containing three or four bedrooms without sacrifice of sound standards of construction, design, and livability, he may increase such dollar amount limitation by not exceeding \$850 for each additional bedroom (as defined by the Secretary)

in excess of two contained in each such dwelling if he finds that such dwelling meets sound standards of design and livability as a three-bedroom unit or a four-bedroom unit, as the case may be, but the amount computed under this clause for each such dwelling shall not exceed, in any event, \$7,650.

With respect to the insurance of advances during construction, the Secretary is authorized to approve advances by the mortgagee to cover the cost of materials delivered upon the mortgaged property and labor performed in the fabrication or erection thereof;

(4) provide for complete amortization by periodic payments within such term as the Secretary shall prescribe and shall bear interest (exclusive of premium charges for insurance) as not to exceed 4 per centum per annum on the amount of the principal obligation outstanding at any time: *Provided*, That the Secretary with the approval of the Secretary of the Treasury, may prescribe by regulation a higher maximum rate of interest, not exceeding 4½ per centum per annum on the amount of the principal obligation outstanding at any time, if he finds that the mortgage market demands it. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgage may provide for such release, and the mortgage may provide that, upon the completion of the construction of the project, such mortgage may be replaced by individual mortgages covering each individual dwelling in the project. Each such individual mortgage may be insured under this section with the mortgagor being either the builder who constructed the dwellings or the owner and occupant of the dwelling at the time, and where the mortgagor is the owner and occupant, may involve a principal obligation in such amount and have such maturity and interest rate as a mortgage eligible for insurance under section 1709(b)(2)(D) of this title.

§ 1748b. Insurance of mortgages

(a) Aggregate amount of insurance; termination date

In order to assist in relieving the acute shortage and urgent need for family housing which now exists at or in areas adjacent to military installations because of uncertainty as to the permanency of such installations and to increase the supply of necessary family housing accommodations for personnel at such installations, the Secretary is authorized, upon application of the mortgagee, to insure mortgages (including advances on such mortgages during construction) which are eligible for insurance as hereinafter provided, and, upon such terms as the Secretary may prescribe, to make commitments for

so insuring such mortgages prior to the date of their execution or disbursement thereon: *Provided*, That the aggregate amount of principal obligations of all mortgages insured under this subchapter (except mortgages insured pursuant to the provisions of this subchapter in effect prior to August 11, 1955) shall not exceed \$2,300,000,000: *And provided further*, That the limitation in section 1715h of this title shall not apply to this subchapter: *And provided further*, That no more mortgages shall be insured under this section after October 1, 1962, except pursuant to a commitment to insure before such date, and not more than twenty-eight thousand family housing units shall be contracted for after June 30, 1959, pursuant to any mortgage insured under this section after such date.

(b) Eligibility for insurance

To be eligible for insurance under this subchapter a mortgage shall meet the following conditions:

(1) The mortgaged property shall be held by a mortgagor approved by the Secretary. The Secretary may, in his discretion, require such mortgagor to be regulated or restricted as to capital structure, and methods of operation. The Secretary may make such contracts with, and acquire for not to exceed \$100 stock or interest in, any such mortgagor, as the Secretary may deem necessary to render effective such restriction or regulation. Such stock or interest shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance.

(2) The mortgaged property shall be designed for use for residential purposes by personnel of the armed services and situated at or near a military installation, and the Secretary of Defense or his designee shall have certified that there is no intention, so far as can reasonably be foreseen, to substantially curtail the personnel assigned or to be assigned to such installation, and (i) shall have determined that for reasons of safety, security, or other essential military requirements, it is necessary that the personnel involved reside in public quarters: *Provided, however*, That for the purposes of this subsection housing covered by a mortgage insured, or for which a commitment to insure has been issued, under this section prior to August 11, 1955, may be considered the same as available quarters, and (ii) with the approval of the Secretary, shall have determined that adequate housing is not available for such personnel at reasonable rentals within reasonable commuting distance of the installation and that the mortgaged property will not, so far as can reasonably be foreseen, substantially curtail occupancy in existing housing covered by mortgages insured under this chapter. The housing accommodations shall comply with such standards and conditions as the Secretary may prescribe to establish the acceptability of such property for mortgage insurance, except that the certification of the Secretary of Defense or his designee shall (for purposes of mortgage insurance under this subchapter) be conclusive evi-

dence to the Secretary of the existence of the need for such housing. However, if the Secretary does not concur in the housing needs as certified by the Secretary of Defense, the Secretary may require the Secretary of Defense to guarantee the General Insurance Fund against loss with respect to the mortgage covering such housing. There are authorized to be appropriated such sums as may be necessary to provide for payment to meet losses arising from such guaranty.

(3) The mortgage shall involve a principal obligation in an amount—

(A) not to exceed the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the cost of the property or project as such term is used in this paragraph may include the cost of the land, the physical improvements, and utilities within the boundaries of the property or project);

(B) not to exceed an average of \$16,500 per family unit for such part of such property or project (including ranges, refrigerators, shades, screens, and fixtures) as may be attributable to dwelling use: *Provided*, That the replacement cost of the property or project as determined by the Secretary, including the estimated value of any usable utilities within the boundaries of the property or project where owned by the United States and not provided for out of the proceeds of the mortgage, shall not exceed an average of \$16,500 per family unit: *Provided further*, That should the financing of housing to be constructed pursuant to a single invitation for bids be accomplished by two or more mortgages, the principal obligation of any single mortgage may exceed an average of \$16,500 per family unit if the sum of the principal obligations of all mortgages for such housing does not exceed an average of \$16,500 per family unit: *And provided further*, That subject to the limitations of this paragraph no family unit included in any mortgaged property shall be contracted for after June 8, 1960 if the cost of such unit exceeds \$19,800; and

(C) not to exceed the bid of the eligible bidder with respect to the property or project under section 1594 of title 42.

The mortgage shall provide for complete amortization by periodic payments within such terms as the Secretary shall prescribe, but not to exceed thirty years from the beginning of amortization of the mortgage, and shall bear interest (exclusive of premium charges for insurance) as not to exceed 4½ per centum per annum of the amount of the principal obligation outstanding at any time. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgage may provide for such release. The property or project may include such nondwelling facilities as the Secretary deems adequate to serve the occupants.

(c) Premium charges

The Secretary is authorized to fix a premium charge for the insurance of mortgages under this

subchapter but in the case of any mortgage such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to 1½ per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the mortgagee, either in cash, or in debentures issued by the Secretary under this subchapter at par plus accrued interest, in such manner as may be prescribed by the Secretary: *Provided*, That the Secretary may require the payment of one or more premium charges at the time the mortgage is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the mortgage. If the Secretary finds, upon the presentation of a mortgage for insurance and the tender of the initial premium charge and such other charges as the Secretary may require, that the mortgage complies with the provisions of this subchapter, such mortgage may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe. In the event that the principal obligation of any mortgage accepted for insurance under this subchapter is paid in full prior to the maturity date, the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid. The Secretary may reduce the payment of premiums provided for herein. The Secretary is further authorized to reduce the amount of the premium charge below one-half of 1 per centum per annum with respect to any mortgage on property acquired by the Secretary of Defense or his designee if the mortgage is insured pursuant to the provisions of this subchapter as in effect prior to August 11, 1955.

(d) Default by mortgagor; rights of mortgagee

The failure of the mortgagor to make any payment due under or provided to be paid by the terms of a mortgage insured under this subchapter shall be considered a default under such mortgage, and, if such default continues for a period of thirty days, the mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided, upon assignment, transfer, and delivery to the Secretary, within a period and in accordance with rules and regulations to be prescribed by the Secretary of (1) all rights and interest arising under the mortgage so in default; (2) all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transactions; (3) all policies of title or other insurance or surety bonds or other guaranties and any and all claims thereunder; (4) any balance of the mortgage loan not advanced to the mortgagor; (5) any cash or property held by the mortgagee, or to which it is entitled, as deposits made for the account of the mortgagor and which have not been applied in reduction of the principal of the mortgage indebtedness; and (6) all records, documents, books, papers, and accounts relating to the mortgage transaction. Upon such assignment, transfer, and delivery, the obligation of the mortgagee to pay the pre-

mium charges for mortgage insurance shall cease, and the Secretary shall, subject to the cash adjustment provided for in subsection (e) of this section, issue to the mortgagee debentures having a total face value equal to the value of the mortgage, and a certificate of claim as hereinafter provided. For the purposes of this subsection, the value of the mortgage shall be determined in accordance with rules and regulations prescribed by the Secretary, by adding to the amount of the original principal obligation of the mortgage which was unpaid on the date of default, the amount the mortgagee may have paid for (A) taxes, special assessments, and water rates, which are liens prior to the mortgage; (B) insurance on the property; and (C) reasonable expenses for the completion and preservation of the property and any mortgage insurance premiums paid after default; less the sum of (i) any amount received on account of the mortgage after such date; and (ii) any net income received by the mortgagee from the property after such date.

(e) Debentures; issuance; form and denomination

Debentures issued under this subchapter shall be in such form and denominations in multiples of \$50, shall be subject to such terms and conditions, and shall include such provisions for redemption, if any, as may be prescribed by the Secretary, with the approval of the Secretary of the Treasury, and may be in coupon or registered form. Any difference between the value of the mortgage determined as herein provided and the aggregate face value of the debentures issued, not to exceed \$50, shall be adjusted by the payment of cash by the Secretary to the mortgagee from the General Insurance Fund.

(f) Debentures; execution; signature; negotiability; interest rate; tax exemption; guarantee

Debentures issued under this subchapter shall be executed in the name of the General Insurance Fund as obligor, shall be signed by the Secretary, by either his written or engraved signature, and shall be negotiable. All such debentures shall be dated as of the date of default as determined in accordance with subsection (d) of this section, and shall bear interest from such date at a rate established by the Secretary pursuant to section 1715o of this title, payable semi-annually on the 1st day of January and the 1st day of July of each year, and shall mature twenty years after the date thereof. Such debentures shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by any Territory, dependency, or possession of the United States or by the District of Columbia, or by any State, county, municipality, or local taxing authority. They shall be paid out of the General Insurance Fund, which shall be primarily liable therefor, and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and such guaranty shall be expressed on the face of the debentures. In the event the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures so guaranteed, the Secretary of the Treasury shall pay to the holders the amount thereof which is authorized to be appropriated, and thereupon to

the extent of the amount so paid the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures.

(g) Claim certificates

The certificate of claim issued by the Secretary to any mortgagee in connection with the insurance of mortgages under this subchapter shall be for an amount determined in accordance with subsections (e) and (f) of section 1739 of this title, except that any amount remaining after the payment of the full amount under the certificate of claim shall be retained by the Secretary and credited to the General Insurance Fund.

(h) Laws applicable

The provisions of section 1713(k) and (l) of this title shall be applicable to mortgages insured under this subchapter and to property acquired by the Secretary hereunder, except that as applied to such mortgages and property, the reference in section 1713(k) of this title to subsection (g) shall be construed to refer to subsection (d) of this section.

(i) Secretary's additional powers to insure certain mortgages

The Secretary shall also have power to insure under this subchapter or subchapter II any mortgage executed in connection with the sale by him of any property acquired under this subchapter without regard to any limit as to eligibility, time or aggregate amount contained in this subchapter or subchapter II.

(j) Conclusiveness and validity of insurance contract

Any contract of insurance executed by the Secretary under this subchapter shall be conclusive evidence of the eligibility of the mortgage for insurance and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee.

(k) Certification as to overtime wages paid to laborers and mechanics

The Secretary shall not insure any mortgage under this section unless the principal contractor or contractors engaged in the construction of the project involved file a certificate or certificates (at such times, in the course of construction or otherwise, as the Secretary may prescribe) certifying that the laborers and mechanics employed in the construction of such project have been paid not less than one and one-half times the regular rate of pay for employment in excess of eight hours in any one day or in excess of forty hours in any one week.

§ 1748h-2. Insurance of mortgages for defense housing for impacted areas

(a) Authorization

Notwithstanding any other provision of this subchapter, the Secretary may insure and make commitments to insure any mortgage under this section which meets the eligibility requirements hereinafter set forth.

(b) Eligibility requirements

No mortgage shall be insured under this section unless (1) the housing which is covered by the insured mortgage is necessary in the interest of national security in order to provide adequate housing for (A) military personnel and essential civilian personnel serving or employed in connection with any installation of one of the armed services of the United States, or (B) essential personnel employed or assigned to duty at or in connection with any research or development installation of the National Aeronautics and Space Administration or of the Atomic Energy Commission, (2) there is no present intention to curtail substantially the number of such

personnel assigned or to be assigned to the installation, (3) adequate housing is not available for such personnel at reasonable rentals within reasonable commuting distances of such installation, and (4) the mortgaged property will not so far as can be reasonably foreseen substantially curtail occupancy in any existing housing in the vicinity of the installation which is covered by mortgages insured under this chapter.

(c) Economical soundness of property or project

The Secretary may accept any mortgage for insurance under this section without regard to any requirement in any other section of this chapter that the property or project be economically sound.

(d) Rental conditions; preferences and priorities in the sale or rental of dwellings

The Secretary shall require each project covered by a mortgage insured under this section to be held for rental for a period of not less than five years after the project or dwelling is made available for initial occupancy or until he finds that the housing may be released from such rental condition. The Secretary shall prescribe such procedures as in his judgment are necessary to secure reasonable preference or priority in the sale or rental of dwellings covered by a mortgage insured under this section for military personnel and essential civilian employees of the armed services, employees of contractors for the armed services, and persons described in clause (1)(B) of subsection (b) of this section.

(e) Property held by mortgagor approved by Secretary; acquisition of stock or interest; redemption

For the purpose of providing multifamily rental housing projects or housing projects consisting of individual single-family dwellings for sale, the Secretary is authorized to insure mortgages (including advances on such mortgages during construction) which cover property held by a mortgagor approved by the Secretary. Any such mortgagor shall possess powers necessary therefor and incidental thereto and shall until the termination of all obligations of the Secretary under such insurance be regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation to such extent and in such manner as to provide reasonable rentals to tenants and a reasonable return on the investment. The Secretary may make such contracts with, and acquire for not to exceed \$100 such stock or interest in, any such mortgagor as he may deem necessary to render effective such restriction or regulation. Such stock or interest shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance.

(f) Mortgage limitations for multifamily rental property or project

To be eligible for insurance under this section, a mortgage on any multifamily rental property or project shall involve a principal obligation in an amount not to exceed, for such part of such property or project as may be attributable to dwelling use, \$9,000 per family unit without a

bedroom, \$12,500 per family unit with one bedroom, \$15,000 per family unit with two bedrooms, and \$18,500 per family unit with three or more bedrooms, and not to exceed 90 per centum of the estimated value of the property or project when the proposed physical improvements are completed. The Secretary may, by regulation, increase any of the foregoing dollar amount limitations contained in this paragraph by not to exceed 45 per centum in any geographical area where he finds that cost levels so require.

(g) Mortgage limitation for property or project constructed for eventual sale of single-family dwellings

To be eligible for insurance under this section a mortgage on any property or project constructed for eventual sale of single-family dwellings shall involve a principal obligation in an amount not to exceed a sum computed on the basis of a separate mortgage for each single-family dwelling (irrespective of whether such dwelling has a party wall or is otherwise physically connected with another dwelling or dwellings) comprising the property or project equal to the total of each of the maximum principal obligations of such mortgages which would meet the requirements of section 1709(b)(2) of this title if the mortgagor were the owner and occupant who had made the required payment on account of the property prescribed in such paragraph.

(h) Amortization; interest; release of part of mortgaged property from lien; replacement of certain mortgages by individual mortgages; commercial and community facilities

Any mortgage insured under this section shall provide for complete amortization by periodic payments within such terms as the Secretary may prescribe but not to exceed the maximum term applicable to mortgages under section 1713 of this title and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee, except that individual mortgages of the character described in subsection (g) covering the individual dwellings in the project may have a term not in excess of the maximum term applicable to mortgages insured under section 1709 of this title or the unexpired term of the project mortgage at the time of the release of the mortgaged property from such project mortgage, whichever is the greater, and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgage may provide for such release, and a mortgage of the character described in subsection (g) of this section may provide that, at any time after the release of the project from the rental period prescribed by subsection (d), such mortgage may be replaced, in whole or in part, by individual mortgages covering each individual dwelling in the project in amounts not to exceed the unpaid balance of the blanket mortgage allocable to the individual property. Each such individual mortgage may be insured under this section. Property covered by a mortgage insured under this section may include eight or more family units and may in-

clude such commercial and community facilities as the Secretary deems adequate to serve the occupants.

(i) Limitation on aggregate number of dwelling units

The aggregate number of dwelling units (including all units in multifamily projects or individual dwellings) covered by outstanding commitments to insure and mortgages insured under this section shall at no time exceed five thousand dwelling units.

(j) Applicability of other laws

The provisions of subsections (d), (e), (g), (h), (i), (j), (k), (l), and (n) of section 1713 of this title shall be applicable to mortgages insured under this section except individual mortgages of the character described in subsection (g) of this section covering the individual dwellings in the project, and as to such individual mortgages the provisions of subsections (a), (c), (d), (e), (f), (g), (h),¹ (j), and (k)¹ of section 1710 of this title shall be applicable: *Provided*, That wherever the words "Fund" or "Mutual Mortgage Insurance Fund" appear in section 1710 of this title, such reference shall refer to the General Insurance Fund with respect to mortgages insured under this section.

(k) Aggregate amount of mortgages insured; termination date

The provisions of sections 1748, 1748a,¹ 1748b(c), 1748b(i), 1748b(j), 1748c(a), 1748c(b),¹ and 1748f of this title and the provisions of section 1748b(a) of this title relating to the aggregate amount of all mortgages insured under this subchapter shall be applicable to mortgages insured under this section.

SUBCHAPTER IX—B—MORTGAGE INSURANCE FOR GROUP PRACTICE FACILITIES AND MEDICAL PRACTICE FACILITIES

§ 1749aaa. Insurance of mortgages

(a) Authority of Secretary; termination date

The Secretary is authorized (1) to insure mortgages (including advances on such mortgages during construction), upon such terms and conditions as he may prescribe, in accordance with the provisions of this subchapter, and (2) to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon.

(b) Eligibility for insurance

To be eligible for insurance under this subchapter, the mortgage shall (1) be executed by a mortgagor that is a group practice unit or orga-

nization or other mortgagor approved by the Secretary, (2) be made to and held by a mortgagee approved by the Secretary as responsible and able to service the mortgage properly, and (3) cover a property or project which is approved for mortgage insurance prior to the beginning of construction or rehabilitation and is designed for use as a group practice facility or medical practice facility which the Secretary finds will be constructed in an economical manner, will not be of elaborate or extravagant design or materials, and will be adequate and suitable for carrying out the purposes of this subchapter. No mortgage shall be insured under this subchapter unless it is shown to the satisfaction of the Secretary that the applicant would be unable to obtain the mortgage loan without such insurance on terms comparable to those specified in subsection (c).

(c) Replacement cost of property; maturity; amortization; interest rate

The mortgage shall—

(1) Repealed. Pub. L. 93-383, title III, §304(l), Aug. 22, 1974, 88 Stat. 678;

(2) not exceed 90 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when construction or rehabilitation is completed. The replacement cost of the property may include the land and the proposed physical improvements, equipment, utilities within the boundaries of the property, a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)¹ in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure, architects' fees, taxes, and interest accruing during construction or rehabilitation, and other miscellaneous charges incident to construction or rehabilitation and approved by the Secretary;

(3) have a maturity satisfactory to the Secretary but not to exceed twenty-five years from the beginning of the amortization of the mortgage, and provide for complete amortization of the principal obligation by periodic payments within such term as the Secretary shall prescribe; and

(4) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee.

(d) Conclusiveness of insurance contract as to eligibility; validity of contract incontestable

Any contract of insurance executed by the Secretary under this subchapter shall be conclusive evidence of the eligibility of the mortgage for insurance, and the validity of any contract for insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee.

(e) Undertaking

Each mortgage insured under this subchapter shall contain an undertaking (in accordance with regulations prescribed under this subchapter and in force at the time the mortgage is approved for insurance) to the effect that, except as authorized by the Secretary and the mortgagee, the property will be used as a group practice facility or medical practice facility until the mortgage has been paid in full or the contract of insurance otherwise terminated.

(f) Recordkeeping; reports; examination and audit

No mortgage shall be insured under this subchapter unless the mortgagor and the mortgagee certify (1) that they will keep such records relating to the mortgage transaction and indebtedness, to the construction of the facility covered by the mortgage, and to the use of such facility as a group practice facility or medical practice facility as are prescribed by the Secretary at the time of such certification, (2) that they will make such reports as may from time to time be required by the Secretary pertaining to such matters, and (3) that the Secretary shall have access to and the right to examine and audit such records.

DECLARATION OF PURPOSE

Pub. § 1749aaa-1. Premiums and other charges

The Secretary shall fix premium charges for the insurance of mortgages under this subchapter, but such charges shall not be more than 1 per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments. In addition to the premium charge, the Secretary is authorized to charge and collect such amounts as he may deem reasonable for the analysis of a proposed project and the appraisal and inspection of the property and improvements. Where the principal obligation of any mortgage accepted for insurance under this subchapter is paid in full prior to the maturity date, the Secretary is authorized to require the payment by the mortgagor of an adjusted premium charge. This charge shall be in such amount as the Secretary deter-

mines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured until the maturity date. Where such prepayment occurs, the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid. Premium charges fixed under this section shall be payable by the mortgagee either in cash, or in debentures which are the obligation of the General Insurance Fund at par plus accrued interest, at such times and in such manner as may be prescribed by the Secretary.

(June 27, 1934, ch. 847, title XI, §1102, as added Pub. L. 89-754, title V, §502(a), Nov. 3, 1966, 80 Stat. 1275.)

§ 1750b. Insurance in critical areas

(a) Limitations; termination of certain commitments; requirements; discrimination against children

This subchapter is designed to supplement systems of mortgage insurance under other provisions of this chapter in order to assist in providing adequate housing in areas which the President, pursuant to section 1591 of title 42, shall have determined to be critical defense housing areas. The Secretary is authorized, upon application by the mortgagee, to insure under this section or section 1750g of this title as hereinafter provided any mortgage which is eligible for insurance as hereinafter provided and upon such terms as the Secretary may prescribe to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon: *Provided*, That the property covered by the mortgage is in an area which the President, pursuant to section 1591 of title 42, shall have determined to be a critical defense housing area, and that the total number of dwelling units in properties covered by mort-

gages insured under this subchapter in any such area does not exceed the number authorized by the Secretary of Housing and Urban Development from time to time as needed in such area for defense purposes and to be insured pursuant to this subchapter: *Provided further*, That in the event the Secretary has issued a commitment to insure a mortgage under this section, which commitment was in force and effect on June 1, 1953, and the Secretary determines that, because of changes in defense requirements, there is reasonable doubt that such housing is needed for defense purposes and that it is probable that the mortgage would become immediately in default and claim made for payment under the mortgage insurance contract if the unit or units are completed and the mortgage insured, the Secretary is authorized, in the interest of conserving the General Insurance Fund, to pay (in cash from the General Insurance Fund) to the mortgagee for the account of the mortgagor such amount as the Secretary shall determine to be necessary to reimburse the mortgagor the amounts paid or to be paid by the mortgagor on account of labor performed and materials in place, less the Secretary's estimate of the reasonable salvage value of such materials, plus an allowance for development costs equal to 4 per centum of the principal amount of the mortgage specified in such commitment, and no payments shall be made pursuant to this proviso unless a claim therefor is filed not later than six months from date of the determination of lack of need and the claim is in such form and contains such supporting information, documents, and data as the Secretary may require: *Provided further*, That the aggregate amount of principal obligations of all mortgages insured under this subchapter shall not exceed such sum as may be authorized by the President from time to time for the purposes of this subchapter pursuant to his authority under section 1715h¹ of this title: *Provided further*, That the Secretary shall have power to require properties covered by mortgages insured under this subchapter to be held for rental for such periods of time and at such rentals or other charges as he may prescribe; and, with respect to such properties being held for rental, (1) to require that the property be held by a mortgagor approved by him, and (2) to prescribe such requirements as he deems to be reasonable governing the method of operation and prohibiting or restricting sales of such properties or interests therein or agreements relating to such sales: *Provided further*, That the Secretary shall require each dwelling covered by a mortgage insured under this section, for which a commitment to insure is issued after August 2, 1954, to be held for rental for a period of not less than three years after the dwelling is made available for initial occupancy: *And provided further*, That no mortgage shall be insured under this subchapter unless the mortgagor certifies under oath that in selecting tenants for any property covered by the mortgage he will not discriminate against any family by reason of the fact that there are children in the family, and that he will not sell the property while the insurance is in effect unless the purchaser so cer-

tifies, such certification to be filed with the Secretary. Violation of any such certification shall be a misdemeanor punishable by a fine of not to exceed \$500.

(b) Eligibility requirements

To be eligible for insurance under this section a mortgage shall—

(1) have been made to, and be held by, a mortgagee approved by the Secretary as responsible and able to service the mortgage properly;

(2) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed 90 per centum of the appraised value (as of the date the mortgage is accepted for insurance) of a property, urban, suburban, or rural, upon which there is located a dwelling designed principally for residential use for not more than two families in the aggregate, which is approved for mortgage insurance prior to the beginning of construction, the construction of which is begun after September 1, 1951. The principal obligation of such mortgage shall not, however, exceed \$8,100 if such dwelling is designed for a single-family residence, or \$15,000 if such dwelling is designed for a two-family residence except that the Secretary may by regulation increase these amounts to not to exceed \$9,000 and \$16,000, respectively, in any geographical area where he finds that cost levels so require: *Provided*, That if the Secretary finds that it is not feasible within the aforesaid dollar amount limitations to construct dwellings containing three or four bedrooms per family unit without sacrifice of sound standards of construction, design, and livability, he may increase such dollar amount limitations by not exceeding \$1,080 for each additional bedroom (as defined by the Secretary) in excess of two contained in such family unit if he finds that such unit meets sound standards of livability as a three-bedroom or a four-bedroom unit as the case may be;

(3) have a maturity satisfactory to the Secretary but not to exceed thirty years from the date of the insurance of the mortgage;

(4) contain complete amortization provisions satisfactory to the Secretary;

(5) bear interest (exclusive of premium charges for insurance) at not to exceed 4½ per centum per annum on the amount of the principal obligation outstanding at any time;

(6) provide, in a manner satisfactory to the Secretary, for the application of the mortgagor's periodic payments (exclusive of the amount allocated to interest and to the premium charge which is required for mortgage insurance as herein provided) to amortization of the principal of the mortgage; and

(7) contain such terms and provisions with respect to insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in his discretion prescribe.

¹ See References in Text note below.

(c) Premium charges; payments; needs of national defense as prerequisite; adjustments and refunds

The Secretary is authorized to fix a premium charge for the insurance of mortgages under this subchapter but in the case of any mortgage such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to 1½ per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the mortgagee, either in cash or in debentures issued by the Secretary under this subchapter at par plus accrued interest, in such manner as may be prescribed by the Secretary: *Provided*, That the Secretary may require the payment of one or more such premium charges at the time the mortgage is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the mortgage. If the Secretary finds upon the presentation of a mortgage for insurance and the tender of the initial premium charge or charges so required that the mortgage complies with the provisions of this subchapter, such mortgage may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe; but no mortgage shall be accepted for insurance under this subchapter unless the Secretary finds that the project with respect to which the mortgage is executed is an acceptable risk in view of the needs of national defense. In the event that the principal obligation of any mortgage accepted for insurance under this subchapter is paid in full prior to the maturity date, the Secretary is further authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage has continued to be insured under this subchapter until such maturity date; and in the event that the principal obligation is paid in full as herein set forth the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid. Upon application of the mortgagee with the consent of the mortgagor of a mortgage for which a commitment to insure has been issued pursuant to section 1709 of this title covering property on which the construction of the dwellings thereon was begun prior to the enactment of this subchapter and the determination of prevailing wages in the locality in accordance with section 1715c of this title, the Secretary is authorized, notwithstanding such beginning of construction, to convert such commitment to a commitment under section 1750g of this title; any charges or fees paid to the Secretary with respect to such insurance under section 1709 of this title shall be credited to charges or fees due the Secretary with respect to such insurance under section 1750g of this title; and the determination of prevailing wages in the locality for purposes of section 1715c of this title may be made by the Sec-

retary of Labor at any time prior to the insurance under section 1750g of this title: *Provided*, That such mortgage, or the mortgage covering the same property executed in substitution therefor, is otherwise eligible for insurance under section 1750g of this title.

(d) Preference or priority in purchasing or renting properties

Notwithstanding any other provisions of this chapter or any other Act, except provisions of law enacted hereafter expressly referring to this subsection (d), the Secretary is further authorized to prescribe such procedures as are necessary to secure to persons engaged or to be engaged in national defense activities preference or priority of opportunity to purchase or rent properties, or interests therein, covered by mortgages insured under this subchapter.

(e) Conclusiveness of insurance contract as to eligibility

Any contract of insurance heretofore or hereafter executed by the Secretary under this subchapter shall be conclusive evidence of the eligibility of the mortgage for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee.

§ 1750c. Mortgage insurance benefits

(a) Conveyance and assignment by mortgagee after foreclosure; debentures and certificates of claim; cost of foreclosure

In any case in which the mortgagee under a mortgage insured under section 1750b of this title shall have foreclosed and taken possession of the mortgaged property, in accordance with regulations of, and within a period to be determined by, the Secretary, or shall, with the consent of the Secretary, have otherwise acquired such property from the mortgagor after default, the mortgagee shall be entitled to receive the benefit of the insurance as hereinafter provided, upon (1) the prompt conveyance to the Secretary of title to the property which meets the requirements of rules and regulations of the Secretary in force at the time the mortgage was insured, and which is evidenced in the manner prescribed by such rules and regulations; and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims as may have been released with the consent of the Secretary. Upon such conveyance and assignment the obligation of the mortgagee to pay the premium charges for insurance shall cease and the Secretary shall, subject to the cash adjustment hereinafter provided, issue to the mortgagee debentures having a total face value equal to the value of the mortgage and a certificate of claim, as hereinafter provided. For the purposes of this subsection, the value of the mortgage shall be determined, in accordance with rules and regulations prescribed by the Secretary, by adding to the amount of the original principal obligation of the mortgage which was unpaid on the date of the institution of foreclosure proceedings, or on the date of the acquisition of the property after default other than by foreclosure, the amount of all payments which have been made by the mortgagee for taxes, ground rents, and water rates, which are liens prior to the mortgage, special assessments which are noted on the application for insurance or which become liens after the insurance of the mortgage, insurance of the mortgaged property, and any mortgage insurance premiums and by deducting from such total amount any amount received on account of the mortgage after either of such dates and any amount received as rent or other income from the property, less reasonable expenses incurred in handling the property, after either of such dates: *Provided*, That with respect to mortgages which are foreclosed before there shall have been paid on account of the principal obligation of the mortgage a sum equal to 10 per centum of the appraised value of the property as of the date the mortgage was accepted for insurance, there may be included in the debentures issued by the Secretary, on account of the cost of foreclosure (or of acquiring the property by other means) actually paid by the mortgagee and approved by the Secretary an amount—

(1) not in excess of 2 per centum of the unpaid principal of the mortgage as of the date of the institution of foreclosure proceedings and not in excess of \$75; or

(2) not in excess of two-thirds of such cost, whichever is the greater: *Provided further*,

That with respect to any debentures issued on or after September 2, 1964, the Secretary may, with the consent of the mortgagee (in lieu of issuing a certificate of claim as provided in subsection (e)), include in debentures, in addition to amounts otherwise allowed for such costs, an amount not to exceed one-third of the total foreclosure, acquisition, and conveyance costs actually paid by the mortgagee and approved by the Secretary, but in no event may the total allowance for such costs exceed the amount actually paid by the mortgagee: *And provided further*, That with respect to mortgages to which the provisions of sections 302 and 306 of the Soldiers' and Sailors' Civil Relief Act of 1940,¹ as now or hereafter amended, apply and which are insured under section 1750b of this title, and subject to such regulations and conditions as the Secretary may prescribe, there shall be included in the debentures an amount which the Secretary finds to be sufficient to compensate the mortgagee for any loss which it may have sustained on account of interest on debentures and the payment of insurance premiums by reason of its having postponed the institution of foreclosure proceedings or the acquisition of the property by other means during any part or all of the period of such military service and three months thereafter.

(b) Consent to release of mortgagee or property

The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage.

(c) Debentures; form and denomination

Debentures issued under this subchapter shall be in such form and denominations in multiples of \$50, shall be subject to such terms and conditions, and shall include such provisions for redemption, if any, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury, and may be in coupon or registered form. Any difference between the amount of debentures to which the mortgagee is entitled under this section or section 1750g of this title and the aggregate face value of the debentures issued, not to exceed \$350, shall be adjusted by the payment of cash by the Secretary to the mortgagee from the General Insurance Fund.

(d) Debentures; execution; negotiability; terms; tax exemptions

The debentures issued under this section to any mortgagee shall be executed in the name of the General Insurance Fund as obligor, shall be signed by the Secretary by either his written or engraved signature, and shall be negotiable. All such debentures shall be dated as of the date foreclosure proceedings were instituted, or the property was otherwise acquired by the mortgagee after default, except that debentures issued pursuant to claims for insurance filed on or after September 2, 1964 shall be dated as of the

¹ See References in Text note below.

date of default or as of such later date as the Secretary, in his discretion, may establish by regulation. The debentures shall bear interest from such date at a rate determined by the Secretary, with the approval of the Secretary of the Treasury, at the time the mortgage was accepted for insurance, but not to exceed 3 per centum per annum, payable semiannually on the 1st day of January and the 1st day of July of each year. Such debentures shall mature twenty years after the date thereof. Such debentures shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, or gift taxes) now or hereafter imposed by any Territory, dependency, or possession of the United States, or by the District of Columbia, or by any State, county, municipality, or local taxing authority, and shall be paid out of the General Insurance Fund, which shall be primarily liable therefor, and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and such guaranty shall be expressed on the face of the debentures. In the event that the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures issued under this subchapter, the Secretary of the Treasury shall pay to the holders the amount thereof which is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, and thereupon to the extent of the amount so paid the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures.

(e) Certificate of claim; division of excess proceeds

The certificate of claim issued by the Secretary to any mortgagee under this section shall be for an amount determined in accordance with, and shall contain provisions and shall be paid in accordance with, the provisions of section 1710(e) and section 1710(f) of this title.

(f) Handling and disposal of property; settlement of claims

Notwithstanding any other provision of law relating to the acquisition, handling, or disposal of real property by the United States, the Secretary shall have power to deal with, complete, rent, renovate, modernize, insure, make contracts or establish suitable agencies for the management of, or sell for cash or credit, in his discretion, any properties conveyed to him in exchange for debentures and certificates of claim as provided in this section; and, notwithstanding any other provision of law, the Secretary shall also have power to pursue to final collection, by way of compromise or otherwise, all claims against mortgagors assigned by mortgagees to the Secretary as provided in this subchapter: *Provided*, That section 6101 of title 41 shall not be construed to apply to any purchase or contract for services or supplies on account of such property if the amount thereof does not exceed \$1,000. The power to convey and to execute in the name of the Secretary deeds of conveyances, deeds of release, assignments, and satisfactions of mortgages, and any other written instrument relating to real property or any interest therein heretofore or hereafter acquired by the Secretary pursuant to the provisions of this

chapter, may be exercised by an officer appointed by him, without the execution of any express delegation of power or power of attorney: *Provided*, That nothing in this subsection shall be construed to prevent the Secretary from delegating such power by order or by power of attorney in his discretion, to any officer, agent, or employee he may appoint.

(g) Mortgagor's or mortgagee's interest in property or claim conveyed

No mortgagee or mortgagor shall have, and no certification of claim shall be construed to give to any mortgagee or mortgagor, any right or interest in any property conveyed to the Secretary or in any claim assigned to him; nor shall the Secretary owe any duty to any mortgagee or mortgagor with respect to the handling or disposal of any such property or the collection of any such claim.

The Secretary may make such contracts with, and acquire for not to exceed \$100 stock or interest in any such mortgagor, as the Secretary may deem necessary to render effective such restriction or regulation. The mortgage shall provide for complete amortization by periodic payments within such term as the Secretary shall prescribe, and shall bear interest (exclusive of premium charges for insurance) at not to exceed 4½ per centum per annum on the amount of the principal obligation outstanding at any time.
