The Secretary shall deposit in each such account an amount equal to the amount which each such committee may receive under subsection (b). Such deposits shall be drawn from amounts designated by individuals under section 6096 and shall be made before any transfer is made to any account for any eligible candidate under section 9006(a).

(b) Entitlement to payments from the fund

(1) Major parties

Subject to the provisions of this section, the national committee of a major party shall be entitled to payments under paragraph (3), with respect to any presidential nominating convention, in amounts which, in the aggregate, shall not exceed \$4,000,000.

(2) Minor parties

Subject to the provisions of this section, the national committee of a minor party shall be entitled to payments under paragraph (3), with respect to any presidential nominating convention, in amounts which, in the aggregate, shall not exceed an amount which bears the same ratio to the amount the national committee of a major party is entitled to receive under paragraph (1) as the number of popular votes received by the candidate for President of the minor party, as such candidate, in the preceding presidential election bears to the average number of popular votes received by the candidates for President of the United States of the major parties in the preceding presidential election.

(3) Payments

Upon receipt of certification from the Commission under subsection (g), the Secretary shall make payments from the appropriate ac-

count maintained under subsection (a) to the national committee of a major party or minor party which elects to receive its entitlement under this subsection. Such payments shall be available for use by such committee in accordance with the provisions of subsection (c).

(4) Limitation

Payments to the national committee of a major party or minor party under this subsection, from the account designated for such committee shall be limited to the amounts in such account at the time of payment.

(5) Adjustment of entitlements

The entitlements established by this subsection shall be adjusted in the same manner as expenditure limitations established by section 315(b) and section 315(d) of the Federal Election Campaign Act of 1971 are adjusted pursuant to the provisions of section 315(c) of such Act.

(2) to repay loans the proceeds of which were used to defray such expenses, or otherwise to restore funds (other than contributions to defray such expenses received by such committee) used to defray such expenses.

(d) Limitation of expenditures

(1) Major parties

Except as provided by paragraph (3), the national committee of a major party may not make expenditures with respect to a presidential nominating convention which, in the aggregate, exceed the amount of payments to which such committee is entitled under subsection (b)(1).

(2) Minor parties

Except as provided by paragraph (3), the national committee of a minor party may not make expenditures with respect to a presidential nominating convention which, in the aggregate, exceed the amount of the entitlement of the national committee of a major party under subsection (b)(1).

(3) Exception

The Commission may authorize the national committee of a major party or minor party to make expenditures which, in the aggregate, exceed the limitation established by paragraph (1) or paragraph (2) of this subsection. Such authorization shall be based upon a determination by the Commission that, due to extraordinary and unforeseen circumstances, such expenditures are necessary to assure the effective operation of the presidential nominating convention by such committee.

(4) Provision of legal or accounting services

For purposes of this section, the payment, by any person other than the national com-

mittee of a political party (unless the person paying for such services is a person other than the regular employer of the individual rendering such services) of compensation to any individual for legal or accounting services rendered to or on behalf of the national committee of a political party shall not be treated as an expenditure made by or on behalf of such committee with respect to its limitations on presidential nominating convention expenses.

(e) Availability of payments

The national committee of a major party or minor party may receive payments under subsection (b)(3) beginning on July 1 of the calendar year immediately preceding the calendar year in which a presidential nominating convention of the political party involved is held.

(f) Transfer to the fund

If, after the close of a presidential nominating convention and after the national committee of the political party involved has been paid the amount which it is entitled to receive under this section, there are moneys remaining in the account of such national committee, the Secretary shall transfer the moneys so remaining to the fund.

(g) Certification by Commission

Any major party or minor party may file a statement with the Commission in such form and manner and at such times as it may require, designating the national committee of such party. Such statement shall include the information required by section 303(b) of the Federal Election Campaign Act of 1971, together with such additional information as the Commission may require. Upon receipt of a statement filed under the preceding sentences, the Commission promptly shall verify such statement according to such procedures and criteria as it may establish and shall certify to the Secretary for payment in full to any such committee of amounts to which such committee may be entitled under subsection (b). Such certifications shall be subject to an examination and audit which the Commission shall conduct no later than December 31, of the calendar year in which the presidential nominating convention involved is held.

§ 9009. Reports to Congress; regulations

(a) Reports

The Commission shall, as soon as practicable after each presidential election, submit a full report to the Senate and House of Representatives setting forth—

(1) the qualified campaign expenses (shown in such detail as the Commission determines

necessary) incurred by the candidates of each political party and their authorized committees;

(2) the amounts certified by it under section 9005 for payment to the eligible candidates of each political party; and

(3) the amount of payments, if any, required from such candidates under section 9007, and the reasons for each payment required.

Each report submitted pursuant to this section shall be printed as a Senate document.

(b) Regulations, etc.

The Commission is authorized to prescribe such rules and regulations in accordance with the provisions of subsection (c), to conduct such examinations and audits (in addition to the examinations and audits required by section 9007(a)), to conduct such investigations, and to require the keeping and submission of such books, records, and information, as it deems necessary to carry out the functions and duties imposed on it by this chapter.

(c) Review of regulations

(1) The Commission, before prescribing any rule or regulation under subsection (b), shall transmit a statement with respect to such rule or regulation to the Senate and to the House of Representatives, in accordance with the provisions of this subsection. Such statement shall set forth the proposed rule or regulation and shall contain a detailed explanation and justification of such rule or regulation.

(2) If either such House does not, through appropriate action, disapprove the proposed rule or regulation set forth in such statement no later than 30 legislative days after receipt of such statement, then the Commission may prescribe such rule or regulation. Whenever a committee of the House of Representatives reports any resolution relating to any such rule or regulation, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. The Commission may not prescribe any rule or regulation which is disapproved by either such House under this paragraph.

(3) For purposes of this subsection, the term “legislative days” does not include any calendar day on which both Houses of the Congress are not in session.

(4) For purposes of this subsection, the term “rule or regulation” means a provision or series of interrelated provisions stating a single separable rule of law.
