§ 1729. Recovery by the United States of the cost of certain care and services

(a)(1) Subject to the provisions of this section, in any case in which a veteran is furnished care or services under this chapter for a non-service-connected disability described in paragraph (2) of this subsection, the United States has the right to recover or collect reasonable charges for such care or services (as determined by the Secretary) from a third party to the extent that the veteran (or the provider of the care or services) would be liable to receive payment for such care or services from such third party if the care or services had not been furnished by a department or agency of the United States.

(2) Paragraph (1) of this subsection applies to a non-service-connected disability—

(A) that is incurred as the result of a crime of personal violence that occurred in a State, or a political subdivision of a State, in which a person injured as the result of such a crime is entitled to receive health care and services at such State’s or subdivision’s expense for personal injuries suffered as the result of such crime;

(B) that is incurred by a veteran—

(i) who does not have a service-connected disability; and

(ii) who is entitled to care (or payment of the expenses of care) under a health-plan contract; or

(C) that is incurred as the result of a crime of personal violence that occurred in a State, or a political subdivision of a State, in which a person injured as the result of such a crime is entitled to receive health care and services at such State’s or subdivision’s expense for personal injuries suffered as the result of such crime;

(D) that is incurred by a veteran—

(i) who does not have a service-connected disability; and

(ii) who is entitled to care (or payment of the expenses of care) under a health-plan contract;

(E) for which care and services are furnished before October 1, 2016, under this chapter to a veteran who—

(1) has a service-connected disability; and

(2) is entitled to care (or payment of the expenses of care) under a health-plan contract.

(3) In the case of a health-plan contract that contains a requirement for payment of a deductible or copayment by the veteran—

(A) the veteran’s not having paid such deductible or copayment with respect to care or services furnished under this chapter shall not preclude recovery or collection under this section; and

(B) the amount that the United States may collect or recover under this section shall be reduced by the appropriate deductible or copayment amount, or both.

(b)(1) As to the right provided in subsection (a) of this section, the United States shall be subrogated to any right or claim that the veteran (or the veteran’s personal representative, successor, dependents, or survivors) may have against a third party.

(2)(A) In order to enforce any right or claim to which the United States is subrogated under paragraph (1) of this subsection, the United States may intervene or join in any action or proceeding brought by the veteran (or the veteran’s personal representative, successor, dependents, or survivors) against a third party.

(B) The United States may institute and prosecute legal proceedings against the third party if—

(i) an action or proceeding described in subparagraph (A) of this paragraph is not begun within 180 days after the first day on which care or services for which recovery is sought are furnished to the veteran by the Secretary under this chapter;

(ii) the United States has sent written notice by certified mail to the veteran at the veteran’s last-known address (or to the veteran’s personal representative or successor) of the intention of the United States to institute such legal proceedings; and

(iii) a period of 60 days has passed following the mailing of such notice.

(C) A proceeding under subparagraph (B) of this paragraph may not be brought after the end of the six-year period beginning on the last day on which the care or services for which recovery is sought are furnished.

(c)(1) The Secretary may compromise, settle, or waive any claim which the United States has under this section.
