The applicability of this section to members of the Air Force is based on Department of Defense Transfer Order No. 25, dated October 14, 1948.

§ 1006. Advance payments

(a) Under regulations prescribed by the Secretary concerned, a member of a uniformed service may be paid in advance—

(1) not more than three months' pay of such member upon such member's change of permanent station; or

(2) the amount of an allotment made from such member's pay to a dependent if such member is assigned or scheduled for assignment to sea duty or other duty with a unit or command deployed or to be deployed outside the United States and the allotment is made by such member not more than sixty days before the scheduled date of the assignment of such member to such duty.

(b) Under regulations prescribed by the Secretary concerned, a member of a uniformed service who is on duty at a distant station where the pay and emoluments to which he is entitled cannot be disbursed regularly, may be paid in advance.

(c) Under regulations prescribed by the Secretary concerned, an advance of pay to a member of a uniformed service who is on duty outside the United States, or other place designated by the Secretary of Defense, of not more than two months' basic pay may be made to a member if the member or the dependents of the member are ordered evacuated by competent authority. An advance of pay under this subsection is not subject to the conditions under which ad-

vances of pay may be made under subsection (a) or (b). An advance may be made on the basis of the evacuation of a member's dependents only if all dependents of members of the uniformed services are ordered evacuated from the place where the member's dependents are located. In the case of a member with dependents, the payment may be made directly to dependents previously designated by the member. The Secretary concerned or his designee may waive any right of recovery of not more than one month's basic pay advanced under this subsection if he finds that recovery of the advance would be against equity and good conscience or against the public interest.

(d) If a person to whom an advance of pay is made under subsection (a), (b), or (c) dies or is separated from his uniformed service, before liquidation of that advance, the amount remaining unliquidated at the time of his death or separation shall be credited to the account of the disbursing officer concerned. However, the unliquidated amount remains a debt of that person or his estate to the United States.

(e)(1) As far as practicable, regulations for the administration of subsections (a)–(d) shall be uniform for all of the uniformed services.

(2)(A) Notwithstanding any other provision of law, an obligation for an advance of pay made pursuant to this section shall be recorded as an obligation only in the fiscal year in which the entitlement of the member to the pay accrues.

(B) Current appropriations available for advance payments under this section may be transferred to the prior fiscal year appropriation available for the same purpose in the amount of any unliquidated advance payments that remain at the end of such prior fiscal year. Such unliquidated advance payments shall then be credited to the current appropriation.

(f) Under regulations prescribed by the Secretary of Homeland Security, an advance of pay of not more than three months' pay may be made to an officer of the Coast Guard who is ordered to sea duty or to or from shore duty beyond the seas. In addition, the Commandant of the Coast Guard may direct such advances as he considers necessary and proper to members of the Coast Guard stationed at distant stations where the pay and emoluments to which they are entitled cannot be paid regularly.

(g) Under regulations prescribed by the Secretary concerned, the dislocation allowance authorized by section 477 of this title for a member of a uniformed service whose dependents are covered by section 475a(a) of this title may be paid in advance of the evacuation of the dependents and to the dependents designated by the member.

(h) Notwithstanding subsections (a) and (b) of section 3324 of title 31, the Secretary concerned may, when the last day of the pay period falls on a Saturday, Sunday, or legal holiday, authorize the payment of pay and allowances to members of uniformed service under his jurisdiction on the preceding workday but not more than three days before the last day of that pay period. If a member dies after he has received an advance payment under this subsection, but before the last day of the pay period for which the payment

is made, no part of the amount so advance is recoverable by the United States.

(i) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Armed Forces Health Professions Scholarship program upon reporting for a period of active duty required by section 2121(c) of title 10.

(j) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Senior Reserve Officers' Training Corps who is ordered to field training or a practice required under section 2109 of title 10.

§ 1007. Deductions from pay

(a) The pay of an officer of an armed force may be withheld, under section 5512 of title 5, only for an indebtedness to the United States admitted by the officer or shown by the judgment of a court, or upon a special order issued in the discretion of the Secretary of Defense (or the Secretary of Homeland Security, in the case of an officer of the Coast Guard when the Coast Guard is not operating as a service in the Navy), or upon the denial of relief of an officer pursuant to section 3527 of title 31.

(b) An amount due to the United States from an enlisted member of the Army or the Air Force for articles sold to him on credit under section 4621(a)(1) or 9621(a)(1) of title 10, as the case may be, shall be deducted from the next pay due him after the sale is reported.

(c)(1) Under regulations prescribed by the Secretary concerned, an amount that a member of the uniformed services is administratively determined to owe the United States or any of its instrumentalities may be deducted from the member's pay in monthly installments.

(2) After the deduction of pay forfeited by the sentence of a court-martial, if any, or otherwise authorized by law to be withheld, the deductions authorized by this section may not reduce the pay actually received by a member of the uniformed services for any month to less than one-third of the member's pay for that month.

(3)(A) If the indebtedness of a member of the uniformed services to the United States is due to the overpayment of pay or allowances to the member through no fault of the member, the amount of the overpayment shall be recovered in monthly installments. The amount deducted from the pay of the member for a month to recover the overpayment amount may not exceed 15 percent of the member's pay for that month unless the member requests or consents to collection of the overpayment at an accelerated rate.

(B) In all cases described in subparagraph (A), the Secretary concerned shall provide a reasonable opportunity for the member to request a delay in the imposition of the repayment requirement to recover the indebtedness. Before beginning collection efforts, the Secretary concerned shall consider the reasons provided by the member for the requested delay, including the financial ability of the member to repay the

indebtedness, and the hardship that immediate collection would impose on the member and the member's dependents.

(C)(i) In accordance with clause (ii), if the indebtedness of a member of the uniformed services to the United States occurs, through no fault of the member, as a result of the overpayment of pay or allowances to the member or upon the settlement of the member's accounts, the Secretary concerned may not recover the indebtedness from the member, including a retired or former member, using deductions from the pay of the member, deductions from retired or separation pay, or any other collection method unless recovery of the indebtedness commences before the end of the 10-year period beginning on the date on which the indebtedness was incurred.

(ii) Clause (i) applies with respect to indebtedness incurred on or after the date of the enactment of the National Defense Authorization Act for Fiscal Year 2017.

(D)(i) Not later than January 1 of each of 2017 through 2027, the Director of the Defense Finance and Accounting Service shall review all cases occurring during the 10-year period prior to the date of the review of indebtedness of a member of the uniformed services, including a retired or former member, to the United States in which—

(I) the recovery of the indebtedness commenced after the end of the 10-year period beginning on the date on which the indebtedness was incurred; or

(II) the Director did not otherwise notify the member of such indebtedness during such 10-year period.

(ii) The Director shall submit to the congressional defense committees and the Committees on Veterans' Affairs of the House of Representatives and the Senate each review conducted under clause (i), including the amounts owed to the United States by the members included in such review.

(4)(A) If a member of the uniformed services, through no fault of the member, incurs a wound, injury, or illness while in the line of duty in a combat operation or combat zone designated by the President or the Secretary of Defense, any overpayment of pay or allowances made to the member while the member recovers from the wound, injury, or illness may not be deducted from the member's pay until—

(i) the member is notified of the overpayment; and

(ii) the later of the following occurs:

(I) The end of the 180-day period beginning on the date of the completion of the tour of duty of the member in the combat operation or combat zone.

(II) The end of the 90-day period beginning on the date of the reassignment of the member from a military treatment facility or other medical unit outside of the theater of operations.

(B) Subparagraph (A) shall not apply if the member, after receiving notification of the overpayment, requests or consents to initiation at an earlier date of the collection of the overpayment of the pay or allowances.
