ORDER

---

This matter is before the court following receipt of a letter from Petitioner dated June 11, 2008. In the letter, Petitioner requests “that the court return the Cert. of Acceptability.” The letter further states, “withdrawn June 11, 08.”

We construe this letter as a motion to voluntarily dismiss this petition to file a second or successive § 2254 habeas corpus petition. So construed, this petition is dismissed. *See* Fed. R. App. P. 42(b).

To the extent that Petitioner wishes to have his original document returned, that document is now part of the court’s permanent records and cannot be returned. For his convenience, however, a copy of the filed document is included with this order.
