ORDER

Before **HOLMES, BACHARACH, and PHILLIPS**, Circuit Judges.

This court lacks jurisdiction because no appealable order has been entered by the district court.

This court has jurisdiction to review only final decisions, 28 U.S.C. § 1291, and specific types of interlocutory orders not applicable here. A final decision is one that disposes of all issues on the merits and leaves nothing for the court to do but execute the judgment. *Van Cauwenberghe v. Biard*, 486 U.S. 517, 521 (1988). An order denying the appointment of counsel is not immediately appealable. *See Cotner v. Mason*, 657 F.2d 1390, 1391-92 (10th Cir. 1981).

Because no final order or otherwise appealable order has been entered this appeal is **DISMISSED**.
