PER CURIAM:

John Sterling Pettengill appeals the district court's order denying his motions to reopen his civil action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Pettengill v. City of Richwood's Fed. Sewer Project, No. 2:07-cv-00290 (S.D. W. Va. Nov. 13, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
