PER CURIAM:

Leona Victors and Home Care, Inc., appeal the district court's order granting summary judgment in favor of the Defendants on their civil action brought pursuant to 42 U.S.C. §§ 1983 and 1985 (2006). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Victors v. Kronmiller, No. 1:07-cv-02282-JFM (D. Md. April 8, 2009). We grant the motion to waive appendix requirements and we dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
