

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 10-6083

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

v.

MICHAEL LAWRENCE BRANCH,

Defendant - Appellant.

Appeal from the United States District Court for the District of Maryland, at Baltimore. Catherine C. Blake, District Judge. (1:05-cr-00016-CCB-1)

Submitted: September 15, 2010

Decided: October 18, 2010

Before KING, GREGORY, and KEENAN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Michael Lawrence Branch, Appellant Pro Se. Andrea L. Smith, OFFICE OF THE UNITED STATES ATTORNEY, Baltimore, Maryland, for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Michael Lawrence Branch appeals the district court's order denying his 18 U.S.C. § 3582(c)(2) (2006) motion for reduction of sentence. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Branch, No. 1:05-cr-00016-CCB-1 (D. Md. Dec. 30, 2009). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED
