PER CURIAM:

George Fredrick Delaney seeks to appeal the district court's order granting summary judgment in favor of some, but not all, Defendants and dismissing them from this 42 U.S.C. § 1983 (2006) inmate civil rights action. This court may exercise jurisdiction only over final orders, 28 U.S.C. § 1291 (2006), and certain interlocutory and collateral orders, 28 U.S.C. § 1292 (2006); Fed. R. Civ. P. 54(b); Cohen v. Beneficial Indus. Loan Corp., 337 U.S. 541, 545-46 (1949). The order Delaney seeks to appeal is neither a final order nor an appealable interlocutory or collateral order. Accordingly, we deny Delaney's motion to amend and dismiss the appeal for lack of jurisdiction. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
