Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Gregory W. Burwell appeals the district court's order denying his motion to correct a clerical error in the judgment pursuant to Fed. R. Crim. P. 36. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See United States v. Burwell, No. 3:03-cr-00203-REP-1 (E.D. Va. July 8, 2011). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
