PER CURIAM:

Vincent Shamont Rogers petitions for a writ of mandamus, alleging that the district court has unduly delayed in ruling on his motion for a new trial. He seeks an order from this court directing the district court to act. We find that the present record does not reveal undue delay in the district court. Accordingly, we grant leave to proceed in forma pauperis and deny the mandamus petition. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
