Appeal from the United States  
District Court for the  
Western District of Missouri.

[UNPUBLISHED]

---

Submitted: April 2, 2007

Filed: April 6, 2007

---

Before COLLOTON, HANSEN, and BENTON, Circuit Judges.

---

PER CURIAM.

Todd Andes appeals the sentence the district court<sup>1</sup> imposed after he pleaded guilty to a felon-in-possession offense. In a brief filed under Anders v. California, 386 U.S. 738 (1967), his counsel asserts that Andes's 188-month sentence is excessive and that the district court violated Andes's rights when it enhanced his sentence based on prior convictions.

---

<sup>1</sup>The Honorable Gary A. Fenner, United States District Judge for the Western District of Missouri.

We enforce the broad appeal waiver included in Andes's plea agreement: the plea colloquy reflects that Andes understood and voluntarily accepted the terms of the plea agreement, including the waiver; this appeal falls within the scope of the waiver; and no injustice would result. See United States v. Andis, 333 F.3d 886, 889-92 (8th Cir. 2003) (en banc) (discussing enforceability of appeal waiver); see also United States v. Estrada-Bahena, 201 F.3d 1070, 1071 (8th Cir. 2000) (per curiam) (enforcing appeal waiver in Anders case).

Accordingly, we dismiss the appeal, and we grant counsel leave to withdraw.
