TO ENTRY OF DEFAULT

14 Tabatabayee a/k/a Aliya Abbas, an individual ) Date: ~~October 25, 2013~~  
and d/b/a www.techmunde.com and Techmunde; ) Time: ~~9:00 a.m.~~  
15 and Does 1 – 10, inclusive, )  
16 Defendants. )

17 This cause having come before this Court on the motion of Plaintiff Adobe Systems  
18 Incorporated (“Adobe” or “Plaintiff”) for entry of default judgment and permanent injunction against  
19 Defendant Wireless International, LLC (“Defendant”);

20 AND, the Court having read and considered the pleadings, declarations and exhibits on file in  
21 this matter and having reviewed such evidence as was presented in support of Plaintiff’s Motion;

22 AND, GOOD CAUSE APPEARING THEREFORE, the Court finds the following facts:

23 Plaintiff is the owner of all rights in and to certain copyright registrations including but not  
24 limited to, the copyrights which are the subject of the registrations listed in Exhibit A (“Plaintiff’s  
25 Copyrights”);

26 Plaintiff has complied in all respects with the laws governing copyrights and secured the  
27 exclusive rights and privileges in and to Plaintiff’s Copyrights;

28 The appearance and other qualities of Plaintiff’s Copyrights are distinctive and original;

1 Plaintiff is the owner of all rights in and to certain trademark registrations listed in Exhibit B,  
2 including (collectively “Plaintiff’s Trademarks”).

3 Plaintiff has complied in all respects with the laws governing trademarks and secured the  
4 exclusive rights and privileges in and to Plaintiff’s Trademarks;

5 Defendant engages in the unauthorized business of importing, distributing, promoting, selling  
6 and/or offering for sale through prohibited channels featuring Plaintiff’s Copyrights and Trademarks  
7 (“Unauthorized Product”).

8 Defendant’s importing, advertising, displaying, promoting, marketing, distributing,  
9 providing, offering for sale and selling of the Unauthorized Product was engaged in willfully and  
10 intentionally, without leave or license from Plaintiff, in violation of Plaintiff’s rights in and to  
11 Plaintiff’s Copyrights and Trademarks. The devices, emblems, and artwork on the Unauthorized  
12 Product are not just “confusingly similar” to Plaintiff’s Copyrights and Trademarks, they are  
13 identical.

14 Plaintiff has instituted this action for an entirely proper and appropriate purpose, solely to  
15 vindicate and enforce compliance with its rights which have been knowingly and willfully infringed  
16 by Defendant and to recover for infringement of such rights. Plaintiff’s action was not brought  
17 frivolously. In contrast, Defendant’s infringing conduct, is a clear and unmistakable violation of  
18 Plaintiff’s rights. Defendant’s conduct has been patently unreasonable and egregious, violating  
19 Plaintiff’s rights by appropriating and featuring Plaintiff’s Copyrights and Trademarks on  
20 unauthorized product, when Defendant’s intended, or knew or should have known, that such  
21 infringing activity would likely injure Plaintiff’s name and reputation, requiring Plaintiff to institute  
22 and prosecute this action, and incur fees and costs in so doing, in order to attempt to obtain  
23 Defendant’s recognition and compliance with Plaintiff’s rights.

24 The liability of the Defendant in the above-referenced action for its acts in violation of  
25 Plaintiff’s rights is knowing and willful, and as such the Court expressly finds that there is no just  
26 reason for delay in entering the default judgment and permanent injunction sought herein.

27 Therefore, based upon the foregoing facts, and  
28

1 for the reasons set forth in Plaintiff's motion,  
2 GOOD CAUSE APPEARING THEREFORE, THE COURT ORDERS that this Judgment ,  
3 shall be and is hereby entered in the within action as follows: ^

4 1) This Court has jurisdiction over the parties to this action and over the subject matter hereof  
5 pursuant to 15 U.S.C. § 1051 *et seq.*, 28 U.S.C. §§ 1331 and 1338, and 28 U.S.C. § 1367. Service of  
6 process was properly made on the Defendant.

7 2) Defendant has distributed, sold, and offered for sale unauthorized merchandise which  
8 infringes upon Plaintiff's Copyrights and Trademarks.

9 3) The Defendant and its agents, servants, employees and all persons in active concert and  
10 participation with it who receive actual notice of the injunction are hereby restrained and enjoined  
11 from:

12 a) Infringing Plaintiff's Copyrights and Trademarks, either directly or contributorily, in  
13 any manner, including generally, but not limited to manufacturing, importing, distributing,  
14 advertising, selling and/or offering for sale any merchandise which features any of Plaintiff's  
15 Copyrights and Trademarks, and, specifically:

16 i) Importing, manufacturing, distributing, advertising, selling and/or offering for sale the  
17 Unauthorized Product or any other unauthorized products which picture, reproduce, copy or  
18 use the likenesses of or bear a substantial similarity to any of Plaintiff's Copyrights and  
19 Trademarks;

20 b) Importing, manufacturing, distributing, advertising, selling and/or offering for sale in  
21 connection thereto any unauthorized promotional materials, labels, packaging or containers  
22 which picture, reproduce, copy or use the likenesses of or bear a confusing similarity to any  
23 of Plaintiff's Copyrights and Trademarks;

24 c) Engaging in any conduct that tends falsely to represent that, or is likely to confuse,  
25 mislead or deceive purchasers, the Defendant's customers and/or members of the public to  
26 believe, the actions of Defendant, the products sold by Defendant, or the Defendant itself is  
27 connected with Plaintiff, is sponsored, approved or licensed by Plaintiff, or is affiliated with  
28 Plaintiff;

1 d) Affixing, applying, annexing or using in connection with the importation,  
2 manufacture, distribution, advertising, sale and/or offer for sale or other use of any goods or  
3 services, a false description or representation, including words or other symbols, tending to  
4 falsely describe or represent such goods as being those of Plaintiff.

5 forthwith  
6 4) Defendant is ordered to deliver for destruction all Unauthorized Product, and any other  
7 unauthorized products which picture, reproduce, copy or use the likenesses of or bear a substantial  
8 similarity to any of Plaintiff's Copyrights and Trademarks and any labels, signs, prints, packages,  
9 dyes, wrappers, receptacles and advertisements relating thereto in their possession or under their  
10 control bearing any of Plaintiff's Copyrights and Trademarks or any simulation, reproduction, copy  
11 or colorable imitations thereof, and all plates, molds, heat transfers, screens, matrices and other  
12 means of making the same.

13 5) Defendant is ordered to pay damages to Plaintiff pursuant to 17 U.S.C. § 504 in the sum of  
14 Fifty Thousand Dollars (\$50,000.00).

15 6) Defendant is ordered to pay interest on the principal amount of the judgment to Plaintiff at  
16 the statutory rate pursuant to 28 U.S.C. §1961(a).

17 7) Plaintiff shall serve this  
18 ~~This Judgment shall be deemed to have been served upon Defendant at the time of its~~  
19 ~~execution by the Court.~~  
20 ^

21 8) The Court finds there is no just reason for delay in entering this Judgment and, pursuant to  
22 Rule 54(a) of the Federal Rules of Civil Procedure, the Court directs immediate entry of this  
23 Judgment against Defendant.
