

**Message to the Congress Reporting
on Budget Rescissions and Deferrals**
April 20, 1993

To the Congress of the United States:

In accordance with the Congressional Budget and Impoundment Control Act of 1974, I herewith report one proposed rescission in budget authority, totaling \$180.0 million, and one revised deferral of budget authority, totaling \$7.3 million.

The proposed rescission affects the Board for International Broadcasting. The deferral affects the Department of Health and Human Services. The details of the proposed rescission and the revised deferral are contained in the attached reports.

**Message to the Senate Transmitting
the Protocol to the International
Convention on Atlantic Tunas**
April 20, 1993

To the Senate of the United States:

I transmit herewith, for the advice and consent of the Senate to ratification, the Protocol adopted June 5, 1992, by the Conference of Plenipotentiaries of the Contracting Parties to the International Convention for the Conservation of Atlantic Tunas (ICCAT) to amend paragraph 2 of Article X of ICCAT. The Protocol was signed by the United States on October 22, 1992. Also transmitted for the information of the Senate is the report of the Department of State with respect to the Protocol.

The Protocol would amend the subject Convention to modify the formula used to calculate the budgetary obligations of the parties to the Convention. The ICCAT, which establishes a Commission to address the conservation and management of highly migratory fisheries stocks in the Atlantic Ocean, has an accumulated debt of over \$700,000 due to the inability of some of its very poor member states to meet their obligations to contribute to the annual budget

of the Commission. At a Conference of Plenipotentiaries of the States Party to the Convention, held in Madrid June 4 through 5, 1992, a Protocol was adopted which, along with a new financial contribution scheme to be set forth in the ICCAT Financial Regulations, amends the Convention in such a way as to reduce the contributions of the developing countries to make it easier for them to meet their assessments. The Protocol and the new financial contribution scheme will base assessments on the GNP per capita and on tuna production.

The Protocol amending the budget scheme is necessary to ensure the continued viability of ICCAT, which is responsible for the conservation of highly migratory fisheries stocks of great value to the United States. Ratification by the United States will be necessary before the Protocol can enter into force. I recommend that the Senate give early consideration to the Protocol and give its advice and consent to ratification.

**Message to the Senate Transmitting
the Protocol to the Environmental
Convention for the Caribbean**
April 20, 1993

To the Senate of the United States:

I transmit herewith, for the advice and consent of the Senate to ratification, the Protocol Concerning Specially Protected Areas and Wildlife to the Convention for the Protection and Development of the Marine Environment of the Wider Caribbean Region, done at Kingston on January 18, 1990. Included for the information of the Senate is a Procès-verbal of Rectification correcting technical errors in the English and Spanish language texts. I also transmit, for the information of the Senate, the Annexes to the Protocol which were adopted at Kingston June 11, 1991, and the report of the Department of State with respect to the Protocol.

The Protocol elaborates and builds on the general obligation in the Convention for the
