

kilometers from the center of Pale, or for their regrouping and placement under U.N. control. After ten days from 2400 GMT February 10, 1994, all heavy weapons found within the Sarajevo exclusion zone, unless controlled by UNPROFOR, will be subject to NATO air strikes. In addition, NATO's decision provides the flexibility to act outside the 20-kilometer zone in response to any further artillery or mortar attacks on Sarajevo and authorizes the initiation of air attacks to suppress air defenses that would represent a direct threat to NATO aircraft in carrying out these operations. Further, U.S. airborne indirect-fire-locating units may be deployed to support these NATO operations. Importantly, U.S. forces assigned to NATO to conduct these missions retain their prerogative to take all necessary and appropriate action in self-defense, consistent with applicable NATO rules of engagement.

In my earlier reports I have informed you about the contribution of U.S. aircraft to participate in NATO air operations in Bosnia. In view of recent events, I have further directed the Secretary of Defense to take appropriate steps to ensure, in conjunction with our allies, that the assets necessary to implement the February 9 NATO decision are available in the region for the conduct and support of the NATO operations described above. At this point, more than 60 U.S. aircraft are available for participation in the authorized NATO missions.

In addition to no-fly zone operations and preparations to conduct air operations pursuant to the NATO decision, U.S. forces have conducted more than 2,200 airlift missions to Sarajevo and more than 1,200 airdrop missions in Bosnia. U.S. medical and other support personnel continue to provide critical services in support of UNPROFOR. Our U.S. Army light infantry battalion in Macedonia is an integral part of UNPROFOR monitoring efforts in that area. Finally, U.S. naval forces have completed over 18 months of operations as an integral part of the multinational effort to enforce the economic sanctions and arms embargo imposed by the Security Council.

I am taking these actions in conjunction with our allies in order to implement the NATO decision and to assist the parties to

reach a negotiated settlement to the conflict. It is not now possible to determine the duration of these operations. I have directed the participation by U.S. armed forces in this effort pursuant to my constitutional authority to conduct U.S. foreign relations and as Commander in Chief.

I am grateful for the continuing support the Congress has provided, and I look forward to continued cooperation with you in this endeavor. I shall communicate with you further regarding our efforts for peace and stability in the former Yugoslavia.

Sincerely,

**Bill Clinton**
