The Office of the Federal Register, National Archives and Records Administration, has created a new publication to be called the *Daily Compilation of Presidential Documents*. The *Daily Compilation* will appear on the Government Printing Office's new Federal Digital System (FDsys) web site January 20, 2009, to coincide with the incoming President's term of office.

The online *Daily Compilation* will replace the printed *Weekly Compilation of Presidential Documents*.

Like its predecessor, the *Daily Compilation* will contain statements, messages, and other Presidential materials released by the White House.
