Price adjustment: The prices shall be adjusted on the basis of the "**Consumer Price Index For All Urban Consumers - Commodities Less Food**", published monthly in the CPI Detailed Report by the U.S. Department of Labor, Bureau of Labor Statistics, in the following manner:

- (1) The contract price of orders placed during the adjusted period (excluding reimbursable postage or transportation costs) shall be adjusted by the percentage increase or decrease in the average, seasonally adjusted Consumer Price Index - All Urban Consumers, for Commodities less Food

(seasonally adjusted) as follows: An index shall be calculated by averaging the 12 seasonally adjusted months ending three months prior to the expiration of the first period of the contract. This average is then compared with the average index for the 12-month period ending 3 months prior to the beginning of the contract, called the base index. PAYMENT BY ELECTRONIC FUNDS TRANSFER (EFT): Public Law 104-134 of April 26, 1996, requires that Federal agencies convert from making payment by check to paying by electronic funds transfer (EFT). Accordingly, the U.S. Government Publishing Office (GPO) intends to issue payment by EFT under any contract or purchase order resulting from this solicitation

To arrange for Electronic Funds Transfer payment, the contractor must complete a Standard Form 3881 (ACH Vendor/Miscellaneous Payment Enrollment Form) and submit it to: **U.S. Government Publishing Office, Procurement Accounting Division, Stop FMC, Washington, DC 20401**. A copy of SF-3881 is available to be downloaded from the GPO Internet site at <http://www.gpo.gov/vendors/sfas.htm> as an Adobe Acrobat PDF file. A new SF-3881 should be submitted for changes in company or financial institution information. Contractors already registered for EFT with the GPO need not reapply.

The need for GPO Form 1034, "**Public Voucher for Purchases**" has been eliminated. You may use your own company's invoice or while supplies last, at your option, you may continue to use GPO Form 1034. To expedite your payment, remember to include the following items on your invoice: **Jacket/Term Contract Number, Print order number, Discount terms, Quantity shipped, and Total Cost**. Continue to submit evidence of shipment and/or delivery with your voucher/invoice.

Although not a requirement at this time, the contractor is encouraged to submit the "Bar Code Cover Sheet" with the request for payment. The use of this document will greatly facilitate prompt payment to the contractor. The following website address will allow you to create the GPO payment barcode cover page <http://winapps.access.gpo.gov/fms/vouchers/barcode/>.

PAYMENT: The Government Publishing Office will utilize the following procedure. Billing certification sheets for the work performed will be sent by the contractor to the ordering agency for examination and certification as to correctness of the billing as applicable to the work performed. The ordering agency is required to return the signed billing certification to the contractor within five (5) workdays of receipt.

After examination and certification by the ordering agency the invoice/voucher, print order, proof of delivery, and the agency signed billing certification must be submitted to: **Comptroller, U.S. Government Publishing Office, North Capitol and H Streets, NW, Washington, D.C. 20401**. **In addition the contractor is instructed to fax a duplicate set of these documents to the Denver GPO office. The fax number is 303-236-5304 or emailed to Infodenver@gpo.gov.**

For the purpose of earning the discount when a prompt payment discount is offered by a bidder, time will be computed from the date a **correct invoice/voucher, print order, proof of delivery, and the agency signed billing certification** is received by the GPO.

Exception to the Billing Certification Requirement: On all GPO Denver placed orders with print order series 05000, 25000, 45000, 65000, 85000 the billing certification requirement is WAIVED.

NOTICE TO OFFERORS: The offer (**SECTION 4 - SCHEDULE OF PRICES**) and the GPO form 910 may be facsimile transmitted direct to GPO office.

Any errors other than those just described, media damage, or data corruption that might interfere with proper file imaging discovered at that time must be reported to the Contracting Officer IMMEDIATELY upon discovery.

Prior to making any revisions, the contractor must make a "copy" of the original files, and then proceed to make any revisions to the "copy" as required. Upon delivery of the printed product the contractor must provide corrected native applications files (digital deliverables) if files are modified during production. The digital deliverables must be an exact reproduction of the final printed piece in native application file format (includes all files), and must be returned on the same media as the supplied files. FILMS: Films are NOT required; computer to plate is acceptable and is the preferred method of production. At the contractor's option, they may use film; however; the Government will not pay for any film costs, even if these costs are the result of author's alterations.

Output resolution: Where electronic media is provided, the contractor must generate images, whether via films or direct to plate, equivalent to 2400 dpi for text and 175-line or higher screens for illustrations.

PROOFS: When requested, contractor to submit one "Press Quality" PDF "soft" proof (for content only) using the same Raster Image Processor (RIP) that will be used to produce the final printed product. PDF proof will be evaluated for text flow, image position, and color breaks. Proof will not be used for color match. Email proofs to johanna.lombard@nps.gov AND [GRCA Creative Media@nps.gov](mailto:GRCA_Creative_Media@nps.gov) . Contractor must call Johanna Lombard at 928-838-7902 to confirm receipt. In the event that Johanna Lombard is unavailable, alternative contact information for proof approval will be furnished on the print order and/or after contract award.

CONTRACTOR IS CAUTIONED THAT THE PROOFS PRODUCED MUST BE FROM THE CONTRACTOR PREPARED PDF OR SIMILAR FILES FOR THEIR OUTPUT DEVICE THAT WILL BE USED FOR FINAL REPRODUCTION (RIPPED PROOF). IT IS NOT ACCEPTABLE TO SIMPLY SUBMIT REPRODUCTIONS OF PDF FILES FURNISHED BY THE ORDERING AGENCY!!

When ordered, no charges will be allowed for these "soft" proofs. It is anticipated that most orders will have this requirement.

It is anticipated that most if not all orders will require proofs.

Cost of transporting proofs and materials to the Government and for their return to the contractor is to be borne by the contractor.

If any contractor's errors are serious enough in the opinion of the GPO to require revised proofs, the revised proofs are to be provided at no expense to the Government. No extra time can be allowed for this reproofing; such operations must be accomplished within the original production schedule allotted in the specifications.

The contractor must not print prior to receipt of an **"OK to print"**.

PRINTING: Print face only in four color process (full color).

At contractor's option, the product may be produced via conventional offset or digital printing provided that Quality Level III standards are maintained. Final output must be wet ink, pigment-based with a minimum of 175-line screen. Dry ink/toner and inkjet printing are not acceptable. Output must be at a minimum resolution of 2400 x 2400 dpi plus a RIP that provides an option for high quality color matching such as Device Links Technology and/or ICC Profiles.
