

## **MEETING AGENDA**

Interagency Council on Printing and Publication

Services

Wednesday, April 8, 2015

1:00 – 2:30 pm

An overview of 508 compliance by Bevi Chagnon  
Owner of PubCom.com

Bevi Chagnon has over 30 years in the Graphic Communication field. A long-time contractor and trainer for GPO (US Government Printing Office), she has worked with the majority of Federal government agencies on their publications and digital media. Many know her from her classes at GPO's Institute for print and digital publishing.

Through her consulting firm, PubCom.com, she works with not only government agencies, but also nonprofits, corporations, major publishers, independent publishers, designers, and editorial firms. Ms. Chagnon is also a frequent contributor on publishing-related technical lists and forums.

Her qualifications for Section 508 include:

- Long career in publishing, including: art direction, production management, editing, graphic design, printing, prepress, distribution/ fulfillment, new media, and publication management
- 35 years in Federal government publishing
- Computer programming
- MBA, management and finance concentrations
- Affiliation with major software manufacturers for several decades
- GPO contractor for 20+ years, trainer, and consultant for the GPO Institute
- Lifelong knowledge of people with disabilities and assisting them with various assistive technologies
