govinfo makes it easier than ever to navigate to related documents within the complex network of legislative and regulatory publications.

Tracking documents in the legislative process

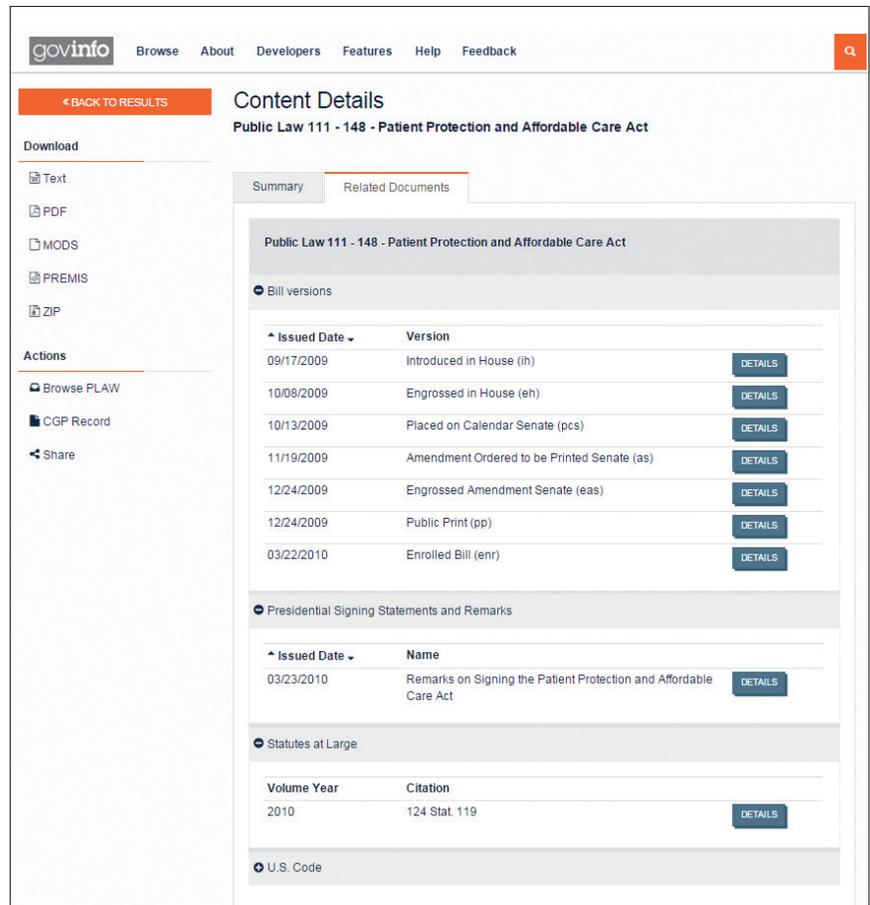

On the **Content Details** page of certain documents in the Congressional Bills, Public and Private Laws, or Compilation of Presidential Documents collections, you can now link directly to documents related to the same piece of legislation:

- Congressional Bill versions
- the Public or Private Law
- Presidential Signing Statement and Remarks
- Statutes at Large
- U.S. Code citations that reference the legislation

Finding related rulemaking documents

On the **Content Details** page of certain documents in the Federal Register collection, you can now link to the following related documents:

- *Federal Register* rulemaking documents that share a Regulatory ID Number
- CFR documents referenced by that *Federal Register* document

Content Details
Public Law 111 - 148 - Patient Protection and Affordable Care Act
