SPACE SHUTTLE PROGRAM BOOK AVAILABLE AT GPO

WASHINGTON—As the National Aeronautics and Space Administration (NASA) launches Atlantis, the final mission of the space shuttle program, the U.S. Government Printing Office (GPO) has made available *Wings in Orbit: Scientific and Engineering Legacies of the Space Shuttle 1971-2010* at the agency's retail and online bookstore and at the Google eBookstore. *Wings in Orbit* focuses on the space shuttle program's science and engineering accomplishments, the history of the program, and the shuttle's mark in U.S. history. The book features imagery and photographs and first-hand accounts of those who worked with the shuttle program.

GPO's bookstore is located at: 710 North Capitol Street, NW in Washington, D.C.

With 2,200 employees, GPO is the Federal Government's primary resource for producing, procuring, cataloging, indexing, authenticating, disseminating, and preserving the official information products of the U.S. Government in digital and tangible forms. GPO is responsible for the production and distribution of information products and services for all three branches of the Federal Government, including U.S. passports for the Department of State as well as the official publications--in both electronic and print formats--of Congress, the White House, and other Federal agencies. In addition to publication sales, GPO provides for permanent public access to Federal Government information at no charge through GPO's Federal Digital System (www.fdsys.gov) and through partnerships with approximately 1,220 libraries nationwide participating in the Federal Depository Library Program. For more information, please visit www.gpo.gov. Follow GPO on Facebook <http://www.facebook.com/USGPO> Twitter <http://twitter.com/USGPO> and on YouTube <http://www.youtube.com/user/gpoprinter>.
