THE BUDGET OF THE U.S. GOVERNMENT FOR FISCAL YEAR 2012 AVAILABLE ON GPO'S FEDERAL DIGITAL SYSTEM

WASHINGTON—The U.S. Government Printing Office (GPO) makes available the authentic, electronic version of President Barack Obama's Budget for FY 2012 on GPO's Federal Digital System (FDsys). GPO authenticated the document by digital signature. This signature assures the public that the document has not been changed or altered. A digital signature, viewed through the GPO Seal of Authenticity, verifies the document's integrity and authenticity.

Link to electronic version: www.fdsys.gov

GPO employees also worked around the clock to make available the printed version of the President's Budget. GPO worked with the Office of Management and Budget (OMB) to distribute copies of the Budget to the public and media.

Printed copies are available in GPO's Bookstore: <http://bookstore.gpo.gov/collections/budget.jsp>

FDsys gives the American people a one-stop site to authentic, published Government information. This system allows GPO to receive information from Federal agencies in all three branches of Government and create a repository for permanent, public access. FDsys offers state of the art search capabilities for users such as: searching by Congressional Committee, a Member of Congress, keyword and date.

With 2,300 employees, GPO is the Federal Government's primary resource for producing, procuring, cataloging, indexing, authenticating, disseminating, and preserving the official information products of the U.S. Government in digital and tangible forms. GPO is responsible for the production and distribution of information products and services for all three branches of the Federal Government, including U.S. passports for the Department of State as well as the official publications of Congress, the White House, and other Federal agencies. In addition to publication sales, GPO provides for permanent public access to Federal Government information at no charge through GPO's Federal Digital System (www.fdsys.gov) and through partnerships with approximately 1,220 libraries nationwide participating in the Federal Depository Library Program.
