**SUPPLEMENTARY INFORMATION:** In the final rules section of the **Federal Register**, EPA is approving the state's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no relevant adverse comments to this action. A detailed rationale for the approval is set forth in the direct final rule. If no relevant adverse comments are received in response to this action, no further activity is contemplated in relation to this action. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed action. EPA will not institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on part of this rule and if that part can be severed

from the remainder of the rule, EPA may adopt as final those parts of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the rules section of this **Federal Register**.

#### Approval and Promulgation of Implementation Plans; State of Missouri

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the state of Missouri for the purpose of including the Kansas City 8-hour ozone maintenance plan into the SIP. Section 110(a)(1) of the Clean Air Act requires that areas which were maintenance areas for the 1-hour ozone standard and attainment for the 8-hour ozone standard develop a plan showing how the state will maintain the ozone standard for the area. The maintenance plan includes an emissions inventory demonstration, a plan for how the states will track progress on reducing emissions, a commitment to continue ozone monitoring, and a contingency plan that will ensure that a violation of the 8-hour ozone standard is promptly addressed.

**DATES:** Comments on this proposed action must be received in writing by September 10, 2007.

#### National Oil and Hazardous Substances Pollution Contingency Plan; National Priorities List

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of intent to delete the Rochester Property Superfund Site from the National Priorities List.

**SUMMARY:** EPA Region 4 is issuing a notice of intent to delete the Rochester Property Superfund Site (Site) located in Travelers Rest, South Carolina, from the National Priorities List (NPL) and requests public comments on this notice of intent. The NPL, promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is found at Appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). EPA and the State of South Carolina, through the South Carolina Department of Health and Environmental Control (SCDHEC), have determined that all appropriate response actions under CERCLA have been completed. However, this deletion does not preclude future actions under Superfund.

In the Final Rules section of this **Federal Register**, the EPA is approving the direct final notice of deletion of the Rochester Property Superfund Site without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final notice. If no significant, material, and adverse comments are received in response to this notice, no further activity is contemplated. If EPA receives

adverse comments, the direct final notice will be withdrawn and all public comments received will be addressed in a subsequent final notice based on this proposed notice. The EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

**DATES:** Comments concerning this Site must be received by September 10, 2007.
